The Passionate Church - Mike Slaughter 2016-04-21
It's good to talk about ministry. It's better to do it, and do it passionately. In 2008, the United Methodist Church lifted up "Four Areas of Focus" for ministry, and churches have responded. But at Ginghamburg Church, in the rust-belt town of Tipp City, Ohio, the church has been doing exciting and effective ministry in those four areas for 35 years and more. Engaging in Ministry with the Poor Improving Global Health Developing Principled Christian Leaders Creating New and Renewed Congregations The work has led to a host of creative ministries and organic growth...because they were meeting the needs of their community and their world as the hands and feet of Christ. The book comes with a built-in facilitator Guide to encourage pastor peer groups and other leadership groups interested in deepening the discussion.

Toyota 4Runner, '03-'09 - John Haynes 2009-05-15
Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

DIGITAL AND ANALOG COMMUNICATION SYSTEMS - Shanmugam 2006-08

About The Book: The book provides a detailed, unified treatment of theoretical and practical aspects of digital and analog communication systems, with emphasis on digital communication systems. It integrates theory-keeping theoretical details to a minimum-with over 60 practical, worked examples illustrating real-life methods. The text emphasizes deriving design equations that relate performance of functional blocks to design parameters. It illustrates how to trade off between power, band-width and equipment complexity while maintaining an acceptable quality of performance. Material is modularized so that appropriate portions can be selected to teach several different courses. The book also includes over 300 problems and an annotated bibliography in each chapter.

Speedweeks - Matthew Naythons 2000-07-25

You are about to go where only the very best NASCAR pros are permitted -- for a behind-the-scenes, VIP-quality look at an amazing display of speed and teamwork. You are about to see Daytona like you've never seen it before. In February 2000, the world's greatest photo-journalists were invited to Daytona International Speedway to participate in a groundbreaking, one-of-a-kind project. Their mission: capture the people, the emotions, the machines, and above all the pulse-pounding excitement of the most prestigious event on the NASCAR calendar, as America's Sport kicked off its 2000 season. Using complex pre-planning and split-second timing, this team went everywhere -- and you're about to see the brilliant result. The headline event was, of course, the 42nd Annual Daytona 500. But Speedweeks represents much more to NASCAR fans. There's ten days' worth of excitement that includes a NASCAR Busch Series race, a NASCAR Craftsman Truck Series race, qualifying races, and exhibition events. It's a celebration of NASCAR racing, and the dedication and professionalism of the best drivers around and the hard-working teams who make victory possible. And you're going to be right there with them. There's never been a book like this before. Fasten your seat belt, strap on your helmet, and get set for Speedweeks: 10 Days at Daytona.
