The authors examine the United States Senate elections to determine the potential impact of several electoral reform proposals. They conclude that spending limits, contribution limits, and public financing proposals will not necessarily have the impact expected by advocates. The final fate of reform resides with

The last communication Gerald received from his twin mentioned that she was in Fort Walla Walla, her husband was in jail, and they were in a lot of trouble. The easiest way to get more information is by becoming a member of the community, and so he finds work on Amethyst Farm, working for the five Winston sisters. professional, athletic, and social benefits. Yet there are also some problems, and these raise some questions. For instance, if longer levers and more cells really are behind increased risk of injuries and cancer, then how is it that giraffes get by? And why is it that society reveres tall stature but then compromises our safety with cramped cars and other things? And, as tall women might be pondering, where have all the tall, dark, and handsome men gone? Lastly, what can be done about all this? These questions and more will all be answered by a tall protagonist over eight chapters: Evolution, Scaling, Spine, Manufactured, Ergonomics, Growth, Longevity, and Society.

The Armor of Love and Hope - Doris Mercado 2013-11

This is a joint publication of Floricanto and Berkeley Presses. Doris Mercado's memoir is one of perseverance and reconciliation, reminiscent of Tobias Wolff's *This Boy's Life* and Ernesto Galarza's *Barrio Boy*. Her story is partly one of family but also one of self-reliance, recounting

her troubled childhood in Ponce, Puerto Rico and also poverty and homelessness in Massachusetts. What I most admired in the work was the author's frankness, her ability to portray family truths so intimately and honestly. -John Paul Jaramillo, author of *The House of Order Stories*. Kirkus Review: Mercado's memoir chronicles how a middle child from a large family experiences love, forgiveness and hope despite a lifetime of abuse, neglect and abandonment in the mountains of Puerto Rico. The memoir opens with scenes of an idyllic childhood. Mercado lived in a small town outside Ponce, Puerto Rico, where her life included colorful characters in a bustling community. There were eight children at the beginning of Mercado's story, all battling to use a single bathroom and hairbrush. Doris' mother, Lina, worked as a seamstress. She was stern, but she encouraged 4-year-old Doris to read the newspaper. Doris' father was well-liked and played affectionately with the children in their chaotic but happy household. Within two years,

two more boys were born into the Mercado family; both needed extensive medical attention. The strain took its toll, and finally, the family moved in with Doris' beloved grandmother in the mountain town of Jayuya. After the move, Doris' life deteriorated. Her mother beat her repeatedly with a broomstick, and Doris spent many days nursing badly bruised limbs. Life continued to fall apart for the Mercado clan, particularly when Doris' paternal grandmother invited Lina and the youngest children to New York for a fresh start. Doris and five of her siblings were left in the care of their father, although it was 14-year-old Doris who assumed chief responsibility. Within days of her mother's departure, Doris' father also walked out without explanation, leaving Doris and the others to fend for themselves. This living arrangement continued for another three years. Doris warned the children to keep their situation secret, so they wouldn't alert the authorities. This profoundly sad story of neglect is told in simple, direct language. Doris' capacity for forgiveness is

astonishing, as is her single-minded focus on the love she feels for the brothers and sister left in her care. She eventually moved to the U.S., and her reunification with her parents was filled with

more pain and abuse. Mercado's reaching adulthood in one piece is remarkable; arriving with her soul intact is miraculous. A straightforward, moving story about resilience.
