You Don't Need A Man! -

Lana Otoya 2019-09-24

Are You Single? Good!

Professional dating coach and dating advice blogger, Lana Otoya knows that you don't need a man. Your life is perfectly fine just the way it is. You have good friends. You have a good job. You're successful. And most importantly... You don't want a relationship just for the sake of having one. As a modern woman, you need a relationship for more than just the ability to get a credit card. You need a strong man who knows how to

take the lead. To have someone take care of you rather than you always taking care of everyone else. But finding a man isn't really a problem for you. There are a lot of men who want to date you. Lots of messages from men on Tinder or Match.com. Weird men talking to you at the bar or hitting on you at the gym. They're everywhere! The problem isn't that you have trouble finding somebody... It's.. That you're having trouble finding somebody good. Somebody who is worth your time. You want a man who is serious. A good communicator. A man who asks you out on a date, arranges the time and place and actually meets you there. And if you can't find him, who cares! You've got a good life going anyway... ..but it would be nice... So what's so hard about finding him? Well.... Swiping on the apps is frustrating and disappointing. It takes up too much time and is emotionally draining. You feel your eyes drooping after reading bad profile after bad profile. Shallow texting

conversations take all the humanity and romance out of dating. You've come to expect the last-minute date cancellations and ghosting but when it happens, it still hurts. You've pretty much given up and left your love life to destiny or chance. If this sounds familiar, you'll be happy to know that - I've been in the professional dating scene for years and it has taught me something very interesting. There really is an easier way. A faster way to get out of the dating scene and into a healthy relationship with a high-quality man. The method takes a little work, it's not magic wand, but with a minimal effort, you'll find the man who checks off all your boxes. In my book you will discover: Science based facts that will make online dating easier and more fun Why staying single is the best thing to do for your romantic relationships. How to read a man's personality so you can divorce-proof your future marriage. The final answer to the question: "Am I being too picky?" What compatibility

really means and how to know if you have it with your new man The reason you're overthinking and questioning everything when it comes to men The personality traits that have made you successful in life but unsuccessful at dating The one statistic that will give you the motivation you need to keep swiping The science based reason why men ghost you I am not interested in just hooking you up with some man. I never want you to settle. There IS a man out there who checks off all your boxes, but he's a needle in the haystack. And if you're looking for a needle in a haystack, it doesn't hurt to get better at looking. So, if you're satisfied with your current life but think it would be nice to add a good man to the picture, go ahead and hit the "add to cart" button. You won't be disappointed!

2011-08-10

Every woman has either dated a jerk, or knows a friend that has dated one. But avoiding the jerks and attracting a decent man is actually a lot easier than you think. Forget watching reruns of Sex and the City or chatting with your girlfriends late at night. In this guidebook, a self-professed jerk comes straight out, speaks the truth, and systematically explains how to • spot, avoid, and say goodbye to jerks; • tell if a guy is wasting your time; • deal with players • hunt for good men (and where to hunt for them). You'll also learn how to avoid common mistakes, such as overrating initial

chemistry, inadvertently hurting a man's ego, losing a good guy's interest and much more. Full of witty satire and sarcasm. Get ready to laugh out loud with this hilarious anti-game. What people had to say about this book: "Hey Willie, this is so entertaining! Ha ha you have a great sense of humor, and your statements are so true!" - Denise "We all know no one likes a tattletale. Hate the game, not the player. Every girl Tiger slept with knew he was married. Who is worse?" - Steve the player "That was such an enjoyable and enlightening read. I mean it's well written, witty, and one would think some of it is common sense, but sometimes people (i.e. me!) need common sense to slap them in the face!" - Cheryl "Willie whistle blower has a nice ring to it. You know someone's going to kick your butt one day? Good work!" - A guy Willie no longer parties with "I don't understand you. You go through university, build a promising career. Now you quit your job and write this book? Why would you tell the

whole world you're an asshole?" - Willie's mom

The Manual - Steve Santagati
2008-05-27

How many times have you and your friends asked one another these questions without ever coming up with any good answers? Your girlfriends just tell you what you want to hear. At the end of the day, the only person who can give you insight into man problems is—that's right—a man! But guys have hidden agendas. What guy would give up all his dating advantages by spilling the goods? Steve Santagati would. A self-confessed serial dater and Bad Boy, Steve is

telling all for the benefit of womankind. Every guy is at least part Bad Boy, and in *The Manual*, this prime specimen reveals what every woman needs to know to counter Bad Boy tactics, both amateur and professional. Steve is never condescending or callous, but honest, perceptive, and street-smart. His guidance is straightforward and his insights are dead-on, giving women tools they can immediately put to work. Discover what you may not want to know but need to know about:

- The Heart of the Bad Boy (i.e., the nature of the beast)
- The Male Mind: how he sees you and how you can make this work to your advantage
- Guys on the Hunt: the male modus operandi, from the grocery store to Home Depot
- When Boy Meets Girl: how to handle dating, from flirting to “sext” messaging to learning his weaknesses
- Mating: so you've got him . . . should you keep him? Why learn from a Bad Boy instead of, say, a psychologist? Because there's no

replacement for “in the field” experience. You’ll benefit from (and laugh at) stories of real things Steve has done in relationships with women as well as of women turning the tables on him when he least expected it. The book also includes a question-and-answer section, in which Steve explores some of the toughest dating issues. To understand Steve is to understand the Bad Boy, and that will take you a long way in understanding all men. Find out how much more fun dating can be when you get the upper hand on Bad Boys . . . for good.

Dating Essentials for Men -

Robert Glover 2021-08-09

Dating Essentials for Men is the "un-pickup" guide to dating success. If you struggle with dating, welcome to the club.

Dating is not in our human DNA and ninety-eight percent of all men struggle with its most basic aspects. This struggle is often fueled by the fear of: Doing something wrong. Looking foolish. Getting rejected. Becoming a #MeToo casualty. Getting into a crappy relationship with no escape.

These fears typically manifest in playing it safe and doing nothing at all, or at best, in clumsy, ineffective attempts at approach. The all-too-common outcome of repeated failure leaves many men feeling frustrated, defective, unlovable - even resentful. For most of

his life, Dr. Glover, the author of the groundbreaking *No More Mr. Nice Guy*, was what he calls a "bad dater." He assumed the women he wanted were not interested in him. He believed that women disliked sex and thought men who wanted sex were bad. When he did get a girlfriend by practicing what he calls "Nice Guy Seduction," he typically hung on way too long for fear of having to enter the dating world all over again. But this all changed when he got divorced in his mid-forties. Dr. Glover decided to approach dating as if it were a scientific experiment. To his surprise, he quickly found that talking with women, getting numbers, and getting laid was nowhere as difficult as he had thought. He often wondered what planet he had landed on. *Dating Essentials for Men* was born of this experiment. Dr. Glover has since taught thousands of men how to interact confidently with women and find the love and sex they have been seeking. Are you ready to let go of the games, the tricks, the

seduction, the pickup, the negs, the cocky-funny routines, the buying women drinks, the volunteering to help their sister move? Do you want to learn how to create the kind of authentic attraction that naturally brings women to you? If so, Dating Essentials for Men is the only dating guide you will ever need. Upon publication, Dating Essentials for Men hit such a nerve for single men that it became an instant Amazon #1 New Release - quite simply because it contains the best dating advice for men available. It is overflowing with tested, proven information that will help you: Identify your goals for dating - and achieve them. Face your fears and soothe your anxiety. Overcome your fear of rejection. Develop a powerful inner game. Talk to women with confidence. Know when a woman is interested in you and when she is not. Understand what women want in a man. Create powerful sexual polarity. Stay out of the friend zone. Effectively flirt and banter. Pass women's shit

tests. As you practice the principles presented in Dating Essentials for Men, you will also be working on essential life skills. You will learn how to: Overcome self-limiting beliefs. Embrace your masculinity. Overcome shyness and social anxiety. Let go of attachment to outcome. Overcome your fear of rejection. Create healthy boundaries. If you are ready to expand every area of your life, become a social animal, find love and sex, and regularly wonder what planet you have landed on - Dating Essentials for Men is the only dating guide you will ever need.

Dating Guide for Men -

Anthony Ekanem 2016-12-31

What do women want? This is a question that has baffled men since the beginning of time and men are no closer to understanding women than we were when we huddled around an open fire every night and lived in caves. Why are women so hard to decipher? Simply because we try to understand them from a man's point of view without understanding

the basic premise that women think differently from men. In fact, women have completely different wiring from that of men and men will never be able to understand them on a logical level, which is how men approach almost everything. Think about it. What do we do when we get together for some fun? We definitely aren't sharing feelings. No, we drink, talk about sports and other apparently innocuous subjects which in fact are a hidden form of competition. You know, the mine's bigger than yours syndrome. However, for guys this is absolutely natural. On the other hand, when women get together they share their feelings; they watch chick flicks and talk about the latest diet or article in town. You see, women are mainly driven by emotion. Just as we need logic and structure in our lives, they need emotion. Men thrive on competition, adrenaline, power, domination, while women couldn't really care less about them. The idea is that if you really want to be able to date any girl, no matter how

attractive she is, you need to know what drives her, what her underlying motives are. Now, don't take this the wrong way because many women have no conscious idea of what drives them or what their motives are; it's just the way nature has wired them. However, just as you need to know what drives her, you need to stop worrying about it making sense. It is never going to make sense to us because we see things differently. But, if you know what her buttons are then you will be able to play sweet music that she won't be able to resist. Remember knowledge is power and you like power, don't you? Well, learn what drives women and then you will have it in spades.
