

A History Of Western Political Thought

This is likewise one of the factors by obtaining the soft documents of this **A History Of Western Political Thought** by online. You might not require more epoch to spend to go to the books inauguration as well as search for them. In some cases, you likewise realize not discover the notice A History Of Western Political Thought that you are looking for. It will categorically squander the time.

However below, gone you visit this web page, it will be suitably totally simple to acquire as skillfully as download guide A History Of Western Political Thought

It will not receive many era as we explain before. You can attain it even if do its stuff something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we allow under as with ease as evaluation **A History Of Western Political Thought** what you following to read!

History of Western Political Thought - John Morrow 2019-04-27

The third edition of this highly-regarded core textbook offers an accessible and impressively comprehensive account of Western Political Thought over the last two millennia. Structured in four main parts, the chapters are organised around a wide range of key themes, covering everything from Absolute Government and Revolutionary Political Thought to Politics and Freedom and Theories of Civil Disobedience. This new edition concludes with an Epilogue that considers the challenges posed to the history of Western political thought by the perspectives of post-colonialism and post-modernism. The use of boxes throughout the book to explain key thinkers in more detail, as well as the author's ability to express complex ideas in clear and jargon-free language, makes this the perfect text for helping students to understand the key debates, issues and continuities in the long history of political ideas. For undergraduate and postgraduate students studying courses on the history of political thought and theory, this is an indispensable guide. New to this Edition: - Expanded material on the history of international relations thinking, race consciousness, diversity and gender politics - A completely new Epilogue which focuses on a discussion of post-colonialism and post-modernism in relation to political theory - Additional 'Thinker' boxes, alongside revised and updated suggestions for further reading

A Social History of Western Political Thought - Ellen Meiksins Wood 2022-08-30

A sweeping and nuanced materialist history of Western political thought In this groundbreaking work, Ellen Meiksins Wood rewrites the history of political theory, from Plato to Rousseau. Treating canonical thinkers as passionately engaged human beings, Wood examines their ideas not simply in the context of political languages but as creative responses to the social relations and conflicts of their time and place. She identifies a distinctive relation between property and state in Western history and shows how the canon, while largely the work of members or clients of dominant classes, was shaped by complex interactions among proprietors, labourers and states. Western political theory, Wood argues, owes much of its vigour, and also many ambiguities, to these complex and often contradictory relations. In the first volume, she traces the development of the Western tradition from classical antiquity through to the Middle Ages in the perspective of social history—a significant departure not only from the standard abstract history of ideas but also from other contextual methods. From the Ancient Greek polis of Plato, Aristotle, Aeschylus and Sophocles, through the Roman Republic of Cicero and the Empire of St Paul and St Augustine, to the medieval world of Averroes, Thomas Aquinas and William of Ockham, Wood offers a rich, dynamic exploration of thinkers and ideas that have indelibly stamped our modern world. In the second volume, Wood addresses the formation of the modern state, the rise of capitalism, the Renaissance and Reformation, the scientific revolution and the Age of Enlightenment, which have all been attributed to the “early modern” period. Nearly everything about its history remains controversial, but one thing is certain: it left a rich and provocative legacy of political ideas unmatched in Western history. The concepts of liberty, equality, property, human rights and revolution born in those turbulent centuries continue to shape, and to limit, political discourse today. Assessing the work and background of figures such as Machiavelli, Luther, Calvin, Spinoza, the Levellers, Hobbes, Locke and Rousseau, Ellen Wood vividly explores the ideas of the canonical thinkers, not as philosophical abstractions but as passionately engaged responses to the social conflicts of

their day.

History of Western Political Thought - Radhey Shyam Chaurasia 2001

This Book Covers Western Political Thought From The Very Beginning To Karl Marx. It Has Been Written In A Simple And Lucid Style. Controversial Matters Have Been Dealt With In Such A Way That Scientific And Objective Conclusions May Be Drawn. The Book Has Been Planned As An Ideal Textbook For The Students And A Reference Book For The Teachers.

On Politics - Alan Ryan 2012

A Short History of Western Political Thought - W. M. Spellman 2011-06-08

This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions. Beginning with the Ancient Greeks' classical emphasis on politics as an independent sphere of activity, the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership. Concluding with a discussion of present-day political thought, W. M. Spellman explores the return to the ancient understanding of political life as a more autonomous sphere, and one that doesn't relate to anything beyond the physical world. Setting the work of major and lesser-known political philosophers within its historical context, the book offers a balanced and considered overview of the topic, taking into account the religious values, inherited ideas and social settings of the writers. Assuming no prior knowledge and written in a highly accessible style, *A Short History of Western Political Thought* is ideal for those seeking to develop an understanding of this fascinating and important subject.

A HISTORY OF POLITICAL THOUGHT - SUBRATA MUKHERJEE 2011-08-09

This lucidly written text, in its second edition, continues to provide a comprehensive study of the classical political tradition from Plato to Marx. The book elucidates the fascinating evolution of the history of political ideas, through the works of thirteen key political thinkers — which includes Plato, Aristotle, Machiavelli, Hegel and Marx. The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs. localism in the classical tradition. It focuses on the recent interpretations of the classical texts, for instance, feasibility of the ideal State in Plato; civic humanism and republicanism in Machiavelli; the radicalism of Locke, and the contributions to the woman's cause by John Stuart Mill. The text is intended for the undergraduate and postgraduate students of Political Science of various universities, and for all those who are appearing for the civil services examinations. NEW TO THIS EDITION : Inclusion of two important liberal thinkers, Mary Wollstonecraft, the founder of liberal feminism, and Immanuel Kant, a de-ontological liberal. Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times, having played a crucial role in the revival of normative political theory.

The Oxford Handbook of the History of Political Philosophy - George Klosko 2011-05-26

Fifty distinguished contributors survey the entire history of political philosophy. They consider questions about how the subject should best be studied; they examine historical periods and great theorists in their intellectual contexts; and they discuss aspects of the subject that transcend periods, such as democracy, the state, and imperialism.

Minerva's Owl - Jeffrey B Abramson 2009-08-30

As Hegel famously noted, referring to the Roman goddess Minerva, her owl brought back wisdom only at dusk, when it was too late to shine light on actual politics. Jeffrey Abramson provides a lively and accessible guide for readers discovering the tradition of political thought that dates back to Socrates and Plato, with contemporary examples that illustrate the enduring nature of political dilemmas.

Machiavelli to Marx - Dante Germino 1979-04-15

"Germino examines the scholars of this period whose works he feels have made significant new approaches to the critical understanding of our world and, consequently, to the problems of our time. He discusses utilitarianism, liberalism, scientism, and messianic nationalism"--Back cover

A Short History of Western Political Thought - W. M. Spellman 2017-09-16

This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions. Beginning with the Ancient Greeks' classical emphasis on politics as an independent sphere of activity, the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership. Concluding with a discussion of present-day political thought, W. M. Spellman explores the return to the ancient understanding of political life as a more autonomous sphere, and one that doesn't relate to anything beyond the physical world. Assuming no prior knowledge and written in a highly accessible style, *A Short History of Western Political Thought* is ideal for those seeking to develop an understanding of this fascinating and important subject.

Women in Western Political Thought - Susan Moller Okin 2013-04-21

In this pathbreaking study of the works of Plato, Aristotle, Rousseau, and Mill, Susan Moller Okin turns to the tradition of political philosophy that pervades Western culture and its institutions to understand why the gap between formal and real gender equality persists. Our philosophical heritage, Okin argues, largely rests on the assumption of the natural inequality of the sexes. Women cannot be included as equals within political theory unless its deep-rooted assumptions about the traditional family, its sex roles, and its relation to the wider world of political society are challenged. So long as this attitude pervades our institutions and behavior, the formal equality women have won has no chance of becoming substantive.

History of Western Political Thought - John Morrow 2019-04-27

The third edition of this highly-regarded core textbook offers an accessible and impressively comprehensive account of Western Political Thought over the last two millennia. Structured in four main parts, the chapters are organised around a wide range of key themes, covering everything from Absolute Government and Revolutionary Political Thought to Politics and Freedom and Theories of Civil Disobedience. This new edition concludes with an Epilogue that considers the challenges posed to the history of Western political thought by the perspectives of post-colonialism and post-modernism. History of Political Theory: An Introduction - George Klosko 2013-02-07

History of Political Theory: An Introduction is an engaging introduction to the main figures in the history of Western Political Theory and their most important works. The second volume traces the origin and development of liberal political theory, and so the foundations for contemporary views.

A History of Political Thought - Janet Coleman 2000-06-22

This volume continues the story of European political theorising by focusing on medieval and Renaissance thinkers. It includes extensive discussion of the practices that underpinned medieval political theories and

which continued to play crucial roles in the eventual development of early-modern political institutions and debates. The author strikes a balance between trying to understand the philosophical cogency of medieval and Renaissance arguments on the one hand, elucidating why historically-suited medieval and Renaissance thinkers thought the ways they did about politics; and why we often think otherwise.

A World History of Political Thought - J. Babb 2018

A World History of Political Thought is an outstanding and innovative work with profound significance for the study of the history of political thought, providing a wide-ranging, detailed and global overview of political thought from 600 BC to the 21st century. Treating both western and non-western systems of political thought as equal and placing them as they should be; side by side.

A History of International Political Theory - Hartmut Behr 2009-12-18

Contemporary theory of international politics faces a twofold problem: the critical engagement with legacies of national power politics in connection to 20th Century International Relations and the regeneration of notions of humanity. This book contributes to this engagement by a genealogy of thoughts on war, peace, and ethics.

History of Political Philosophy - Leo Strauss 1972

This volume provides an unequalled introduction to the thought of chief contributors to the Western tradition of political philosophy from classical Greek antiquity to the twentieth century. Written by specialists on the various philosophers, this third edition has been expanded significantly to include both new and revised essays.

Citizens to Lords - Ellen Meiksins Wood 2011-08-01

In this groundbreaking work, Ellen Meiksins Wood rewrites the history of political theory. She traces the development of the Western tradition from classical antiquity through to the Middle Ages in the perspective of social history—a significant departure not only from the standard abstract history of ideas but also from other contextual methods. Treating canonical thinkers as passionately engaged human beings, Wood examines their ideas not simply in the context of political languages but as creative responses to the social relations and conflicts of their time and place. She identifies a distinctive relation between property and state in Western history and shows how the canon, while largely the work of members or clients of dominant classes, was shaped by complex interactions among proprietors, labourers and states. Western political theory, Wood argues, owes much of its vigour, and also many ambiguities, to these complex and often contradictory relations. From the Ancient Greek polis of Plato, Aristotle, Aeschylus and Sophocles, through the Roman Republic of Cicero and the Empire of St Paul and St Augustine, to the medieval world of Averroes, Thomas Aquinas and William of Ockham, *Citizens to Lords* offers a rich, dynamic exploration of thinkers and ideas that have indelibly stamped our modern world.

History of Western Philosophy - Bertrand Russell 2013-04-15

Now in a special gift edition, and featuring a brand new foreword by Anthony Gottlieb, this is a dazzlingly unique exploration of the works of significant philosophers throughout the ages and a definitive must-have title that deserves a revered place on every bookshelf.

A History of Western Political Thought - J. S. McClelland 2005-07-15

A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia. Written with students of the history of political thought in mind, the book: * traces the development of political thought from Ancient Greece to the late twentieth century * focuses on individual thinkers and texts * includes 40 biographies of key political thinkers * offers original views of theorists and highlights those which may have been unjustly neglected * develops the wider themes of political thought and the relations between thinkers over time.

A History of Political Thought - Bruce Haddock 2008-09-22

This book is a comprehensive introduction to the history of political thought, tracing the development of arguments and controversies from ancient Greece, through different forms of community, state and empire, to today's global concerns. Bruce Haddock highlights the bewildering variety of contexts that have framed political thinking, yet also displays structural features that have proved to be remarkably stable over time. An important theme in the book is the need to see political philosophy, even in its most abstract formulations, as a response to historically contingent circumstances, without limiting its relevance to those

circumstances. The emphasis throughout is on political thinking as a response to hard choices. Major thinkers covered include Plato, Aristotle, Augustine, Aquinas, Machiavelli, Grotius, Locke, Spinoza, Montesquieu, Hume, Kant, Rousseau, Burke, Hegel, Marx, Mill, Lenin, Schmitt, Nietzsche, Foucault, Oakeshott and Rawls. The book treats political philosophy and theory as a tentative engagement with a fractured and controversial past. Yet political thinking remains the exercise of a burden of a responsibility that is inescapable for us. Haddock introduces a history that continues to shape our understanding of ourselves as political and historical creatures. A History of Political Thought will be of interest to students and scholars of politics, history and philosophy.

A Simple History of Western Political Thought [from Marx to Present Day] in [question and Answer Form] - H. R. Mukhi 1976

The Cambridge History of Eighteenth-Century Political Thought - Lecturer in History and Fellow Mark Goldie 2006-08-31

Publisher description

A History of Political Theory - George Holland Sabine 1966

Routledge Library Editions: Political Science Mini-Set C: History of Western Political Thought: 23-Volume Set - Routledge 2011-06-14

Mini-set C: History of Western Political Thought consists of 23 volumes, including some classic texts: J W Allen's A History of Political Thought in the 16th Century, Ernest Barker's Greek Political Theory, Andrew Maclaren Carstairs' A Short History of Electoral Systems in Western Europe, Victor Ehrenberg's The Greek State, Felix Raab's The English Face of Machiavelli and Walter Ullmann's Medieval Papalism.

Inventors of Ideas: Introduction to Western Political Philosophy - Donald Tannenbaum 2012-01-01

INVENTORS OF IDEAS connects the major philosophers' original political and societal views with current politics and political thought. Significantly revised to give increased coverage to the major thinkers, the Third Edition covers the traditional canon of writers. INVENTORS OF IDEAS gives students the practical and historical foundations with which to look at contemporary political issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Western Political Theory in the Face of the Future - John Dunn 1979-05-17

Demonstrates that the major traditions of thought from which the political values of the modern West have emerged are all, in crucial respects, incoherent or flawed. Copyright © Libri GmbH. All rights reserved.

On Politics: A History of Political Thought: From Herodotus to the Present - Alan Ryan 2012-10-22

Finally in a one-volume paperback edition, On Politics is one of the most ambitious and hugely readable histories of political philosophy in nearly a century. Praised widely upon hardcover publication, Alan Ryan's "masterpiece" (David Ulin, Los Angeles Times) blends history and philosophy to examine three thousand years of political thought. Drawing on three decades of research, Ryan insightfully traces the origins of the political philosophy from the ancient Greeks to the present and evokes the lives and minds of our greatest thinkers in a way that makes reading about them a "remarkable experience" (Jeremy Waldron, New York Review of Books). Whether writing about Plato or Augustine, Tocqueville or Jefferson, Ryan illuminates John Dewey's dictum that the role of philosophy is less to see truth than to enhance life. With this "epic" (John Keane, Financial Times) tour de force, Ryan affirms his place as one of the most influential political philosophers of our time.

A Social History of Western Political Thought - Ellen Meiksins Wood 2022-08-30

A sweeping and nuanced materialist history of Western political thought In this groundbreaking work, Ellen Meiksins Wood rewrites the history of political theory, from Plato to Rousseau. Treating canonical thinkers as passionately engaged human beings, Wood examines their ideas not simply in the context of political languages but as creative responses to the social relations and conflicts of their time and place. She identifies a distinctive relation between property and state in Western history and shows how the canon, while largely the work of members or clients of dominant classes, was shaped by complex interactions among proprietors, labourers and states. Western political theory, Wood argues, owes much of its vigour, and also many ambiguities, to these complex and often contradictory relations. In the first volume, she

traces the development of the Western tradition from classical antiquity through to the Middle Ages in the perspective of social history—a significant departure not only from the standard abstract history of ideas but also from other contextual methods. From the Ancient Greek polis of Plato, Aristotle, Aeschylus and Sophocles, through the Roman Republic of Cicero and the Empire of St Paul and St Augustine, to the medieval world of Averroes, Thomas Aquinas and William of Ockham, Wood offers a rich, dynamic exploration of thinkers and ideas that have indelibly stamped our modern world. In the second volume, Wood addresses the formation of the modern state, the rise of capitalism, the Renaissance and Reformation, the scientific revolution and the Age of Enlightenment, which have all been attributed to the "early modern" period. Nearly everything about its history remains controversial, but one thing is certain: it left a rich and provocative legacy of political ideas unmatched in Western history. The concepts of liberty, equality, property, human rights and revolution born in those turbulent centuries continue to shape, and to limit, political discourse today. Assessing the work and background of figures such as Machiavelli, Luther, Calvin, Spinoza, the Levellers, Hobbes, Locke and Rousseau, Ellen Wood vividly explores the ideas of the canonical thinkers, not as philosophical abstractions but as passionately engaged responses to the social conflicts of their day.

Liberty and Property - Ellen Meiksins Wood 2012-02-01

The formation of the modern state, the rise of capitalism, the Renaissance and Reformation, the scientific revolution and the Age of Enlightenment have all been attributed to the "early modern" period. Nearly everything about its history remains controversial, but one thing is certain: it left a rich and provocative legacy of political ideas unmatched in Western history. The concepts of liberty, equality, property, human rights and revolution born in those turbulent centuries continue to shape, and to limit, political discourse today. Assessing the work and background of figures such as Machiavelli, Luther, Calvin, Spinoza, the Levellers, Hobbes, Locke and Rousseau, Ellen Wood vividly explores the ideas of the canonical thinkers, not as philosophical abstractions but as passionately engaged responses to the social conflicts of their day.

A World History of Ancient Political Thought - Antony Black 2016

This text examines the political thought of China, Greece, Israel, Rome, India, Iran, Egypt, Mesopotamia, and also early Christianity. Each of these had its own priorities, based on a religious and philosophical perspective. This led to different ideas about who should govern, how to govern, and what government was for.

A History of Modern Political Thought - Gary K. Browning 2016

How are we to understand past political thinkers? Is it a matter simply of reading their texts again and again? Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated? Or should past political theories be deconstructed so as to uncover not what their authors maintain, but what the texts reveal? In this book, theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed, including those of Hegel, Marx, Oakeshott, Collingwood, the Cambridge School, Foucault, Derrida and Gadamer. The application of these theories of interpretation to notable modern political theorists, Machiavelli, Hobbes, Locke, Rousseau, Kant, Hegel, Marx, Bentham, Mill, Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought. The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation. It provides a way of reading the history of modern political thought, in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking.

History of Political Philosophy - Leo Strauss 2012-06-15

This volume provides an unequalled introduction to the thought of chief contributors to the Western tradition of political philosophy from classical Greek antiquity to the twentieth century. Written by specialists on the various philosophers, this third edition has been expanded significantly to include both new and revised essays.

Western Political Thought - Urmila Sharma 2006

The Significance Of Political Thought Cannot Be Overemphasized. The Task Of Understanding The Deeper

Implications Of The Present Situation And The Future Planning Can Be Assisted By A Careful Study Of Political Thought Of The Ages. The Study Of Political Thought In The Historical Perspective Leads To Mature Thinking And Enables The Political Leaders To Solve Contemporary Problems In A Better Way. The Political Thought Of Modern World Is Based On Western Political Thought. It Is Always Preferred To Begin The Study Of Political Thought With The Western Thinkers, Better Say Greeks, Because Unlike Their Eastern Counterpart, Their Speculations Are Exclusively Contained In Independent Treatises And Do Not Form Part Of Literature Which Was Predominantly Religious And Ethical. Accordingly, The Present Volume Begins With Homer And Includes In Its Study The Prominent Thinkers Of The West Of All Ages Plato, Aristotle, Aquinas, Machiavelli, Hobbes, Locke, Rousseau, Hume, Burke To Name But A Few. Analytic In Presentation, The Present Book Is Concise And Easily Comprehensible. Since Its Matter Has Been Drawn From Authentic Originals And The Books Of Eminent Western Authors Have Been Referred To, The Book Aptly Caters With The Academic Needs Of Students Of Political Science. It Provides A Bibliography And Also A List Of Questions Set At Various University Examinations, Aiming At Facilitating The Preparation For Examination. While The Teachers Will Find This Book An Ideal Reference Book, The General Readers Will Find It Highly Informative.

The Structure of Political Thought - Charles N. R. McCoy 2017-07-05

Originally published in 1963, this classic book is a rethinking of the history of Western political philosophy. Charles N. R. McCoy contrasts classical-medieval principles against the "hypotheses" at the root of modern liberalism and modern conservatism. In Part I, "The Classical Christian Tradition from Plato to Aquinas," the author lays the foundation for a philosophical "structure" capable of producing "constitutional liberty." Part II, "The Modern Theory of Politics from Machiavelli to Marx," attempts to show, beginning with Machiavelli, the reversal and destruction of the pre-modern "structure" postulated in Part I. McCoy stresses the great contributions of Aristotle to political thought found in his more familiar Ethics and Politics, but also includes key insights drawn from Metaphysics and Physics. These contributions are developed and perfected, McCoy argues, by Augustine and Aquinas. Two other important features include McCoy's epistemological insights into Plato's work that will be new to many readers and the author's juxtaposition of traditional natural law with "the modernized theory of natural law." The modern account of autonomous natural law, in McCoy's view, helps explain the totalitarian direction of key aspects of modern political thought. This classic volume on the origins of modern philosophical thought remains a standard in the field.

Western Political Thought - Brian R. Nelson 2015-01-29

Written simply and directly—but without sacrificing intellectual depth—this widely acclaimed text explores the preeminent theorists of Western political thought from the pre-Socratics to the contemporary era. The author provides an in-depth analysis of a limited number of major thinkers, which allows for a richly detailed examination of each philosopher in historical context. *Western Political Thought, Second Edition*, presents the fundamental terms, ideas, and dilemmas of Western political philosophy in a straightforward, easy-to-understand manner. It organizes the theorists historically, explains basic concepts in depth, and draws out and analyzes the implications of various political theories. Moreover, this cohesive volume employs an overarching theme, examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy.

Western Political Thought: From Plato to Marx - Jha, Shefali

Western Political Thought: From Plato to Marx is a lucid and comprehensive account of political thought that stretches from ancient Greece to the nineteenth century. Analysing political philosophies chronologically, this book offers valuable insights into the political structures of societies across the ages, and presents a wide perspective on the various social and political ideologies. Each of the 12 chapters contains excerpts from the original works by the philosophers, comprehensive reading list, and thought provoking questions on the philosophies discussed.

History of Western Political Thought - Suresh Chandra Pant 1968

The Cambridge History of Twentieth-Century Political Thought - Professor of Political Science Terence Ball 2003-08-14

Table of contents

A History of Political Thought - N. Jayapalan 1997

The Study Provides Different Phases Of The History Of Political Thought. In This Work, The Views Of Various Political Thinkers Have Been Given In A Beautiful Manner. The Study Also Provides In Bother And Fitter Place For Their Life And Achievements From Thomas Hobbes To H.J. Laski. In The First Chapter Importance Is Given To The Views Of Thomas Hobbes On State Of Nature And Social Contracts. In The Intervening Chapter A Graphic Picture Of Karl Marx Is Given In A Different Way So As To Fulfil The Requirements Of The Students And The General Nonbody. The Role Of Western Political Thinkers In This Field Is Described Very Beautifully In This Work. The Author Has Well Elaborated All The Views And Ideas Of All The Thinkers On This Book.
