Introductory essays covering disciplinary theories and methods in the study of folklore and folklife *

An appendix of Asian American folktales

The Folk-tales of Burma - Gerry Abbott

2018-12-24

This handbook is the first in-depth overview of the fascinating world of Burmese folk-tales. Part one provides a wide-ranging and multi-disciplinary survey of folk-tale studies, together with a broad functional classification of Burma's tales. Part two presents, mostly for the first time in a European language, the categorized actual tales themselves. With commentaries on plots and cross-cultural motifs - past and present. With index, substantial bibliography, and suggestions for further research.

Northumbria: The Lost Kingdom - Paul Gething

2012-10-01

Northumbria was one of the great kingdoms of Britain in the Dark Ages, enduring longer than the Roman Empire. Yet it has been all but forgotten. This book puts Northumbria back in its rightful place, at the heart of British history. From the impregnable fastness of Bamburgh Castle, the kings of Northumbria ruled a vast area, and held sway as High Kings of Britain. From the tidal

island of Lindisfarne, extraordinary saints and learned scholars brought Christianity and civilization to the rest of the country. Now, thanks to the ongoing work of a dedicated team of archaeologists this story is slowly being brought to light. The excavations at Bamburgh Castle have revealed a society of unsuspected sophistication and elegance, capable of creating swords and jewellery unparalleled before or since, and works of art and devotion that still fill the beholder with wonder.

Annals of the Kingdom of Ireland - John

O'Donovan 1856

Song for a Lost Kingdom, Book III - Steve Moretti

2020-08-15

Two women connected by the same musical soul. Two composers transposed across time into each other's world by the mysterious forces of a priceless 18th Century cello. In the final instalment of the Song for a Lost Kingdom trilogy, Adeena Stuart and Katharine Carnegie search for the music that neither can complete on their own. Finding themselves living three centuries apart and each assuming the identity of the other, Adeena and Katharine must overcome their own unique challenges, all the while hiding the truth of who they really are from those around them. Adeena is pregnant in Scotland following the slaughter at the Battle of Culloden in April 1746. Her husband James Drummond and his brother

John Drummond, are being hunted as Jacobite traitors by the revengeful butchers of King George's Hanoverian army. Sentenced to cruel deaths, they escape to Ireland only to find even greater danger in the ruthless cunning of Henry 'Hangman' Hawley who will stop at nothing to extinguish any further rebellion against English dominance over Ireland and Scotland. Adeena's one comfort is the Duncan Cello and her music that inspires all who hear her perform. The cello is her companion through battles, fires, storms and floods. It is perhaps the only thing she can truly rely on. Katharine meanwhile awakes in the year 2019, confused by even the simplest technologies and overwhelmed by the strange customs of the modern world. Pregnant from an unknown father, and uncertain about whether true love lies in the past or present, she finds respite in her music and the only thing familiar about this strange place – the Duncan Cello, now a prize artifact of the National Gallery of Canada. Adeena and Katharine find a way to compose a score that reflects their turmoil in both their lives – 'The Heart Beats in Time.' Together they will see the story through to the final bars. Song for a Lost Kingdom, Book III is a novel of music, history, and love that finds a way to conquer the barriers of time. Curl up with a copy and lose yourself in this fast-paced adventure that will keep you hooked until the final page. ----- Comments from advance readers: "The story is so smoothly

flowing, everything seems to rise and fall so seamlessly from one character to another. The characters are so full and alive, I couldn't help but become enveloped..." - Nevine R. "I just wanted to drop you a line, to tell you that SFLK III is awesome!!! I absolutely love how you brought both of the women to their different times, and how they are transitioning." - Tina L "I absolutely LOVE SFLK Book III - The Heart Beats In Time." Gail H. "This is so far the best book you've written yet. It's suspenseful and inventive." Linda F. "Oh my god Steve, if this were a movie, I'd have been watching it with my hands over my eyes, peeking through my fingers, afraid to see what's coming but needing to know anyway. The tension level is incredible!" - Dianne C.

The Lost Lands of Reljæe - Jeremy Bechen
2005-10

On the world of Akris, the race called humans are out of control. With their populations growing to horrifying numbers and their disregard for anything save for themselves has caused the other races to become dangerous to any creature. Alliances are sparse and trust near extinct. In the west there is a disturbance in the Argoth Mountains. Here genocide rains rampant over the races of the mountain. No neutral or good race goes untouched by the evil storm that is about to roll across the world, leaving no land untouched by its wickedness. An entity named Darien Albringer leads a party in an attempt to

find the lost lands of Reljae, and a way to save Akris, while the rest of the world defends themselves against an all consuming army of evil. As the war wages on, some of the gods of old join the scene as do creatures unknown to Akris. Deadly warriors of Alanon reach Relkin shores and beings worlds away are recruited as the war threatens to eliminate all life on Akris. This would be the first of many worlds which will feel the might of the evil tyrant's touch should it be victorious and loosened upon the universe.

The Kingdom of the Lost Book 1: The Red Wind - Isobelle Carmody 2010-06-28

In this captivating first book, brothers Zluty and Bily live happily in their little house in the desert. Every year Zluty journeys to the great forest while Bily stays to tend their desert home. And every year Zluty returns with exciting tales of his adventures. But then a devastating red wind sweeps across the land destroying everything in its path. And each brother must fight for his survival. A magical new series for younger readers from the award-winning author of Little Fur.

The Lost Kingdom - His Royal Highness Prince Ali Seraj of Afghanistan 2017-11-21

His Royal Highness Prince Ali Seraj, a member of the royal family of Afghanistan, brings four decades of history to life—from the Cold War era when his famed nightclub in Kabul was a hotspot for global celebrities, jetsetters, and spies, to the communist Soviet takeover that killed members of his family, put a price on Prince Ali's head, and forced him to make a harrowing escape from his homeland in disguise with his American wife and family. Prince Seraj's intimate and historic portrait of modern Afghanistan tells the inside story of a proud, ancient culture grappling with a turbulent history of invasion and transformation. His passionate and adventure-filled story opens a new door to understand a nation irrevocably linked to the stability and prosperity of Southeast Asia, the Middle East, and to the United States.

Lost Kingdom - Matt Myklusch 2020-06-16

Fans of Brandon Mull and James Riley will love this heart-pounding second novel in the action-packed, accessible fantasy adventure series *Order of the Majestic*, which Booklist called a “delight!” Joey Kopecky and his friends, Shazad and Leanora, have the weight of the world on their shoulders. As the new *Order of the Majestic*, it is their responsibility to keep magic alive and free for all, and to fight the influence of the Invisible Hand, a sinister group of magicians intent on rounding up the world’s remaining magical items and keeping everything to themselves. It’s a vital mission and a sacred duty, but the Invisible Hand has been playing this game—and playing it well—for centuries. Joey, Shazad, and Leanora are still learning their powers—and lately, they can’t seem to agree on anything. But all of that changes when Fate taps them on the shoulder, and puts the Secret Map of the World in their hands. Together, Joey and his friends strike off on a tour of hidden magical realms, trying to find a lost kingdom that could hold the key to a new age of magic. Hunted by the Invisible Hand every step of the way, they must reach their ultimate destination first, or risk

delivering the world’s most powerful source of magic energy right into their enemy’s hands.

Christ's Vision of the Kingdom of Heaven - James Frazer Stirling 1913

Shakespeare's Lost Kingdom - Charles Beauclerk 2011-02-08

“A book for anyone who loves Shakespeare . . . One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works” (Mark Rylance, First Artistic Director of Shakespeare’s Globe Theatre). It is perhaps the greatest story never told: the truth behind the most enduring works of literature in the English language, perhaps in any language. Who was William Shakespeare? Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question, and if the plays were discovered today, he argues, we would see them for what they are—shocking political works written by a court insider, someone with the monarch’s indulgence, shielded from repression in an

unstable time of armada and reformation. But the author's identity was quickly swept under the rug after his death. The official history—of an uneducated merchant writing in near obscurity, and of a virginal queen married to her country—dominated for centuries. Shakespeare's *Lost Kingdom* delves deep into the conflicts and personalities of Elizabethan England, as well as the plays themselves, to tell the true story of the "Soul of the Age." "Beauclerk's learned, deep scholarship, compelling research, engaging style and convincing interpretation won me completely. He has made me view the whole Elizabethan world afresh. The plays glow with new life, exciting and real, infused with the soul of a man too long denied his inheritance." —Sir Derek Jacobi

A Kingdom Lost for a Drop of Honey - Htin Aung (U.) 1968

Fifteen tales from the area of Mandalay in Central Burma.

Familiarity Is the Kingdom of the Lost - Dugmore Boetie 2020-11-03

A fast-paced romp through apartheid-era South Africa that exemplifies the creative human capacity to overcome seemingly omnipotent enemies and overwhelming odds. The picaresque hero of this novel, Duggie, is a dispossessed black street kid turned con man. Duggie's response to being confined to the lowest level of South Africa's oppressive and humiliating racial

hierarchy is to one-up its absurdity with his own glib logic and preposterous schemes. Duggie's story, as one critic puts it, offers "an encyclopedic catalogue of rip-offs, swindles, and hoaxes" that regularly land him in jail and rely on his white targets' refusal to admit a black man is capable of outsmarting them. Duggie exploits South Africa's bureaucratic pass laws and leverages his artificial leg every chance he gets. As "a worthless embarrassment to the authorities and a bad example to the convicts," Duggie even manages to get himself thrown out of jail. From Duggie's Depression-era childhood in urban Johannesburg to World War II and the rise of the white supremacist apartheid regime to his final, bitter triumph, Boetie's narrative celebrates humanity's relentless drive to survive at any cost. This new edition of Boetie's out-of-print classic features a recently discovered photograph of the author, an introduction replete with previously unpublished research, numerous annotations, and is accompanied by Lionel Abrahams' haunting poem, "Soweto Funeral," composed after attending Boetie's interment, all of which render the text accessible to a new generation of readers.

The Lost Kingdom of Fallada Volume 1 Box Set - Alicia Michaels

Experience the first three books in Alicia Michaels' series of young adult fairy tale retellings, *The Lost Kingdom of Fallada Volume 1* box set. Save \$1 when you download this 3-in-1 collection, containing modern spins on the tales of Little Red Riding Hood, Rose Red, and The Princess and the Frog. Three lost princesses take their place in the kingdom of Fallada once they learn of a prophecy foretelling their prosperous reign. First, however, they must defeat a vain, evil queen bent on having the kingdom for herself. With the Brothers Grimm and a Faerie General on their side, three young girls will find the strength to step into their destinies. In the process, they will find love ... but with war brewing on the horizon and the forces of evil working against him, living happily ever after will not be easy. Book One: Daughter of the Red Dawn Book Two: Child of the Sacred Earth Book Three: Rise of the Tide

Mental Culture in Burmese Crisis Politics - Gustaaf Houtman 1999

An examination of the current political crisis in Burma, and in particular its Buddhist and socio-psychological aspects.

The Lost Dark Age Kingdom of Rheged - Ronan Toolis 2017-01-31

Trusty's Hill is an early medieval fort at Gatehouse of Fleet, Dumfries and Galloway. The hillfort comprises a fortified citadel defined by a vitrified rampart around its summit, with a number of enclosures looping out along lower-lying terraces and crags. The approach to its summit is flanked on one side by a circular rock-cut basin and on the other side by Pictish Symbols carved on to the face of a natural outcrop of bedrock. This Pictish inscribed stone is unique in Dumfries and Galloway, and southern Scotland, and has long puzzled scholars as to why the symbols were carved so far from Pictland and even if they are genuine. The Galloway Picts Project, launched in 2012, aimed to recover evidence for the archaeological context of the inscribed stone, but far from validating the existence of Picts in this southerly region of Scotland, the archaeological context instead suggests that the carvings relate to a royal stronghold and place of inauguration for the local Britons of Galloway around AD 600. Examined in the context of contemporary sites across southern Scotland and northern England, the archaeological evidence from Galloway suggests that this region may have been the heart of the lost Dark Age kingdom of

Rheged, a kingdom that was in the late sixth century pre-eminent amongst the kingdoms of the north. The new archaeological evidence from Trusty's Hill enhances our perception of power, politics, economy and culture at a time when the foundations for the kingdoms of Scotland, England and Wales were being laid.

Fifteen tales from the area of Mandalay in Central Burma.

A Kingdom Strange - James Horn 2010-03-30

The "gripping adventure story" (Christian Science Monitor) of the Lost Colony of Roanoke and the mystery at the center of the American founding In 1587, John White led 118 English men, women, and children to Roanoke Island, off the coast of North Carolina, intending to establish the first English colony in America. Faced with dwindling supplies and hostile Indians, they soon found themselves struggling to survive. White returned to England for help, but when he returned to Roanoke in 1590, the colonists were nowhere to

be found; never saw his friends or family again.

Their disappearance has remained a mystery for four centuries, but as James Horn reveals in *A Kingdom Strange*, some from the party survived. Their descendants were discovered a century later, a living testament to America's remarkable origins.

A Storytellers' Guide to Asian Folktales - 1983

Lost Kingdom - Serhii Plokhy 2017-10-10

From a preeminent scholar of Eastern Europe and the prizewinning author of *Chernobyl*, the essential history of Russian imperialism. In 2014, Russia annexed the Crimea and attempted to seize a portion of Ukraine -- only the latest iteration of a centuries-long effort to expand Russian boundaries and create a pan-Russian nation. In *Lost Kingdom*, award-winning historian Serhii Plokhy argues that we can only understand the confluence of Russian imperialism and nationalism today by delving into the nation's history. Spanning over 500 years, from the end of the Mongol rule to the present day, Plokhy shows how leaders from Ivan the Terrible to Joseph Stalin to Vladimir Putin exploited existing forms of identity, warfare, and territorial expansion to achieve imperial supremacy. An authoritative and masterful account of Russian nationalism, *Lost Kingdom* chronicles the story behind Russia's belligerent empire-building quest.
