Think Outside the Boss - Olivia Hayle 2021-06-08
Thinking outside the box resulted in the best night of my life. Until I discover the man I spent it with is my new boss. Attending a secret party where clothes are

optional wasn't a life goal of mine. But when the exclusive invitation ends up in my mailbox by accident... well. Who wouldn't be curious? It's not like I'm going to do anything. The handsome stranger I meet

has different plans. One glance across the crowded party, and an hour later we're stretched out on silk. Our night together is glorious. No names and no regrets. But I'd forgotten there's always a price to pay for pleasure. I find out the cost when I start my internship. Because who is the new venture capitalist CEO? Tristan Conway, aka my handsome stranger. Powerful, determined, intriguing... and single. Oh, and he wants to see me in his office. Thinking outside the box got me into this mess. Now if I could just stop thinking about the boss...

Verbal First Aid -
Judith Simon Prager
2010-06-01

Words as Medicine What to say to your children to get them through the bumps, bruises, and crises of childhood.

Falling off a bike, having a bad dream, getting stitches...sometimes a kiss isn't enough to make it all better. But what you say to your child in those first moments of pain or fear could make all the difference. Using techniques the authors have taught to doctors, nurses, and first responders, Verbal First Aid(tm) explains how words can be used to promote healing from burns, bruises, nightmares, asthma attacks, and more. It provides scripts and tips on how to short-circuit traumatic memories, sometimes just by speaking a sentence or two. This revolutionary book gives parents the responses they need to immediately stabilize their children's emotions. And these methods will build a foundation of

confidence and inner strength that will help kids heal at the deepest level, and weather whatever hardships and difficulties they encounter throughout life.

And who beside the ghost is roaming the local woods at night? If Toby uncovered something sinister, was his death no accident? The arrival of handsome Scotland Yard inspector Drew Merriken, a former RAF pilot with mysteries of his own, leaves Jillian with more questions than answers—and with the added complication of a powerful, mutual attraction. Even as she suspects someone will do anything to hide the truth, she begins to discover spine-chilling secrets that lie deep within Rothewell...and at the very heart of who she is.

One Night in London -
Sandi Lynn 2016-02-01

Have sex with a stranger in a foreign country. It was on my list. It was something I'd never done before and I wasn't sure if I could go through with it. But I did. Don't tell him anything about yourself. No names. No personal information. Nothing. It's all about the thrill. The mystery man. Keep him a stranger. That one night was the best night of my entire life. He was sexy, intense, and made me feel things I had never felt before. The next morning, the thrill was over and he was gone before I woke up. What happened in London should have stayed in London, but it didn't. I was never supposed to see him again, but the universe had other plans and now my happy little world was turned upside down by a man named Sebastian Bennett. She refused to tell me her

name. Normally, I wouldn't care. But something inside me needed to know who she was. She was stunningly beautiful and a name would complete her. It didn't matter anyway. In the morning, I'd be gone before she woke up and I'd never see her again. It was probably for the best anyway. I would hurt her and she would ultimately hate me. It's what I did. It's all I knew. I was never supposed to see her again, but I did, and my desire for her was stronger than before. I had money, looks, and a heart made of pure stone. She deserved better than me and I knew it, but I couldn't stay away. Chloe Kane left an imprint on my soul and now my life would never be the same all because of One Night in London.

What If You - Sandi Lynn
2021-02-13

Fear is the common response to things we can't believe in or conceive in our minds. We fear the unknown. Things we can't understand. Everly I was different, and I lived my life as low key as possible. My childhood wasn't easy, and relationships never worked out, so I stopped trying. I accepted the fact that I would more than likely grow old alone, and I was okay with that. The more men got to know me, the faster they ran. Then I met Asher Remington under unusual circumstances. For him, it was unusual, but for me, it was the norm. I was sent to New York to convince him not to go through with a merger that would end up destroying him and the company his father worked so hard to build. He thought I was crazy until he discovered the

truth in what I had told him after he kicked me out of his hotel suite. My job was complete, and I needed to forget about him. But after spending one beautiful night together, it became impossible. The more time we spent together, the harder I fell. He was living in the shadow of a lie, only he didn't know it. If we were to have a chance together, he needed to know the truth, and he needed to put the past to rest. Asher Everly King was crazy. She was the craziest yet most beautiful woman I'd ever known. We met under very unusual circumstances. She saved me from making what would have been the most destructive decision of my life. I owed her. After spending one night with her, I craved more. Even though there were things about her that frightened me, I didn't want to stop

seeing her. Then I let my guard down and feelings emerged. I couldn't allow it, and I needed to stick by the decision I'd made several years ago after an incident determined the course of my life. I needed to forget about her and let her go. There was no "us," and there never would be. The problem was the fear I had inside was giving in and it tried to reason with me. It kept asking the same thing over and over: what if you... 18+

Come Back for Me - Sharon Hart-Green
2019-01-24
Loss, trauma, memory, and, above all, the ties of family and being

Jewish are the elements that weave together this panoramic story. Come Back for Me travels through time and place only to bring us, ultimately, to the connections between generations. Artur Mandelkorn is a young Hungarian Holocaust survivor whose desperate quest to find his sister takes him to post-war Israel. Intersecting Artur's tale is that of Suzy Kohn, a Toronto teenager whose seemingly tranquil life is shattered when her uncle's sudden death tears her family apart. Their stories eventually come together in Israel following the Six-Day War, where love and understanding become the threads that bind the two narratives together. Like Sarah's Key, Come Back for Me deals evocatively with the scars left by tragedy and the possibilities

for healing.

Sandi Lynn 2015-03-27

THREE MONTHS. IT WAS ONLY FOR THREE MONTHS. My name is Emma Knight and I'm a twenty-four-year-old woman who was moving from Miami to New York to pursue my dream of attending Parsons School of Design. My plan was set in motion. I was packed and already on my way when I met a man and received an email, both of which altered my plans and changed the course of my life. Max Hamilton, a twenty-five-year-old, panty-melting, rich playboy who was being groomed to take over Hamilton Securities, told me it was for only three months. His proposed deal was that I had to pose as his fiancée until his twenty-sixth birthday so he could collect his trust fund. I'd help him and, in return, he'd help me achieve my dream. It was a win-win situation, right? WRONG.

Love was never part of the deal and neither was the secret that Max could never find out about.

Anne Goldstein
2021-11-02

A Romeo & Juliet tale
for Hamilton! fans. In
post-American Revolution
New York City, Theodosia
Burr, a scholar with the
skills of a socialite,
is all about charming
the right people on
behalf of her
father—Senator Aaron
Burr, who is determined
to win the office of
president in the pivotal
election of 1800.
Meanwhile, Philip
Hamilton, the rakish son
of Alexander Hamilton,
is all about being
charming on behalf of
his libido. When the two
first meet, it seems the
ongoing feud between
their politically
opposed fathers may be
hereditary. But soon,

Theodosia and Philip
must choose between love
and family, desire and
loyalty, and preserving
the legacy their flawed
fathers fought for or
creating their own.

Love, Theodosia is a
smart, funny, swoony
take on a fiercely
intelligent woman with
feminist ideas ahead of
her time who has long-
deserved center stage. A
refreshing spin on the
Hamiltonian era and the
characters we have grown
to know and love. It's
also a heartbreaking
romance of two star-
crossed lovers, an
achingly bittersweet
"what if." Despite their
fathers' bitter rivalry,
Theodosia and Philip are
drawn to each other and,
in what unrolls like a
Jane Austen novel of
manners, we find
ourselves entangled in
the world of Hamilton
and Burr once again as
these heirs of famous
enemies are driven

together despite every reason not to be.

Times best-selling
author J. S. Scott's new
British Billionaires
series....I am the type
of woman who always
plays it safe. In my
professional life as a
public relations
"fixer", and in my
personal life,
especially when it comes
to the opposite sex.
Really, who needs the
wild highs and the I-

want-to-die-because-he-
left-me lows of a
relationship? At least,
that's what I
thought...until I met
him. Damian No-Last-
Name-Given is sexy as
sin, and I'd developed
some kind of weird,
instant attraction to
him the moment he
settled his chiseled
body next to mine on a
flight from London to
Los Angeles. His sexy
British accent did crazy
things to my previously
dormant female hormones,
which had eventually led
me to do the most
impulsive thing I'd ever
done in my entire life.
I kissed him while
everyone else in
business class was
sleeping. Or had he
kissed me? All I knew
was that we were both
very willing
participants, and that
panty-melting embrace
had rocked my entire
world while it was
happening.

Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

When Pete Solomon, a neglected twelve-year-old boy, and Justin bring a wounded wolf-dog hybrid to Dr. Lucy, the outcasts soon find refuge in one another. Lucy never thought she'd make connections again, never mind fall in love. Pete never imagined he'd find friends as loyal as Justin and the dog. But

these four people aren't allowed to be friends, much less a family, when the whole town turns violently against them. With heavy hearts, Dr. Lucy and Pete say goodbye to Calvin and Justin. But through the years they keep hope alive...waiting for the world to catch up with them.

My Name is Not Easy -
Debby Dahl Edwardson
2011

Luke knows his Iñupiaq name is full of sounds white people can't say. So he leaves it behind when he and his brothers are sent to boarding school hundreds of miles away from their Arctic village. At Sacred Heart School, students -- Eskimo, Indian, White -- line up on different sides of the cafeteria like there's some kind of war going on. Here, speaking Iñupiaq -- or any native language -- is forbidden. And Father

Mullen, whose fury is like a force of nature, is ready to slap down those who disobey. Luke struggles to survive at Sacred Heart. But he's not the only one.

There's smart-aleck Amiq, a daring leader -- if he doesn't self-destruct; Chickie, blond and freckled, a different kind of outsider; and small, quiet Junior, noticing everything and writing it all down. They each have their own story to tell. But once their separate stories come together, things at Sacred Heart School -- and the wider world -- will never be the same.

The Magdalen Girls - V.S. Alexander

2016-12-27
Dublin, 1962. Within the gated grounds of the convent of The Sisters of the Holy Redemption lies one of the city's Magdalen Laundries. Once places of refuge, the laundries have evolved into grim workhouses. Some inmates are "fallen" women—unwed mothers, prostitutes, or petty criminals. Most are ordinary girls whose only sin lies in being too pretty, too independent, or tempting the wrong man. Among them is sixteen-year-old Teagan Tiernan, sent by her family when her beauty provokes a lustful revelation from a young priest. Teagan soon befriends Nora Craven, a new arrival who thought nothing could be worse than living in a squalid tenement flat. Stripped of their freedom and dignity, the girls are given new names and

denied contact with the outside world. The Mother Superior, Sister Anne, who has secrets of her own, inflicts cruel, dehumanizing punishments—but always in the name of love. Finally, Nora and Teagan find an ally in the reclusive Lea, who helps them endure—and plot an escape. But as they will discover, the outside world has dangers too, especially for young women with soiled reputations. Told with candor, compassion, and vivid historical detail, *The Magdalen Girls* is a masterfully written novel of life within the era's notorious institutions—and an inspiring story of friendship, hope, and unyielding courage.

Vermilion Drift -
William Kent Krueger
2010-09-07
William Kent Krueger's gripping tale of suspense begins with a

recurring nightmare, a gun, and a wound in the earth so deep and horrific that it has a name: Vermilion Drift. When the Department of Energy puts an underground iron mine on its short list of potential sites for storage of nuclear waste, a barrage of protest erupts in Tamarack County, Minnesota, and Cork is hired as a security consultant. Deep in the mine during his first day on the job, Cork stumbles across a secret room that contains the remains of six murder victims. Five appear to be nearly half a century old—connected to what the media once dubbed "The Vanishings," a series of unsolved disappearances in the summer of 1964, when Cork's father was sheriff in Tamarack County. But the sixth has been dead less than

a week. What's worse, two of the bodies—including the most recent victim—were killed using Cork's own gun, one handed down to him from his father. As Cork searches for answers, he must dig into his own past and that of his father, a well-respected man who harbored a ghastly truth. Time is running out, however. New threats surface, and unless Cork can unravel the tangled thread of clues quickly, more death is sure to come. Vermilion Drift is a powerful novel, filled with all the mystery and suspense for which Krueger has won so many awards. A poignant portrayal of the complexities of family life, it's also a sobering reminder that even those closest to our hearts can house the darkest—and deadliest—of secrets.

One of a Kind - Sandi Lynn 2021-10-24

From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why

she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around

myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+ Real Frank Zappa Book - Frank Zappa 1989 Recounts the career of the rock music performer.
