Restoring Your Shield of Faith - Chuck D. Pierce 2003-12-08

This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle. Within the ranks there were those who carried huge shields to protect the bulk of the army. And just as we fight spiritual battles today, there is a mighty shield we can carry to protect us. This shield of faith is one of the main ways we can resist our enemy's attacks. We are fully capable of resisting the enemy's attacks, but we must first be able to recognize how Satan fights. His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers. If we succumb, our faith is weakened. The keys to increasing our faith are found in knowing the Word of God, which engenders praise, thankfulness, trust and obedience.

Possessing Your Inheritance - Chuck D. Pierce 2011-08-29

He wants to take them from a place of judgment, desolation, and fruitlessness to a place of restoration, hope, and abundant life. In this revised and updated edition of *Possessing Your Inheritance*, prophetic intercessor Chuck Pierce, with coauthor Rebecca Wagner Sytsema, shows readers how to embrace what God has destined for them, for their children, and their children's children.

DISCUSSION QUESTIONS INCLUDED Story Behind the Book "When my six kids' eyes glossed over during a reading from the Bible, I paused to explain

the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind." —Chuck Black

Worship As It Is In Heaven - John Dickson 2011-08-25

According to the Psalms, God is enthroned on the praises of His people—and it is from that throne that He governs the heavens and the earth. If this picture of God's rule, found throughout the Scriptures, is accurate, shouldn't the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances? John A. Dickson and Chuck D. Pierce, coauthors of *Worship As It Is in Heaven*, offer the church a fresh look at heaven's pattern of worship, instituted in David's tabernacle and renewed through Jesus' apostles in the earliest days of the church. This "apostolic worship" is God's chosen way of establishing His will on earth; through worship, the forces of darkness are pushed back and righteousness prevails. In *Worship As It Is in Heaven*, readers are invited to enter in to a fullness of worship that the world has too rarely seen: worship that is the conduit of God's government of peace, justice, and holiness on the earth.

The Advanced Genius Theory - Jason Hartley 2010-05-18

Let the debate begin... *The Advanced Genius Theory*, hatched by Jason Hartley and Britt Bergman over pizza, began as a means to explain why icons such as Lou Reed, David Bowie, and Sting seem to go from artistic brilliance in their early careers to "losing it" as they grow older. The Theory proposes that they don't actually lose it, but rather, their work simply advances beyond our comprehension. The ramifications and departures of this argument are limitless, and so are the examples worth considering, such as George Lucas's Jar Jar Binks, Stanley Kubrick's fascination with coffee commercials, and the last few decades of Paul McCartney's career. With equal doses of humor and philosophy, theorist Jason Hartley examines music, literature, sports, politics, and the very meaning of taste, presenting an entirely new way to appreciate the pop

culture we love . . . and sometimes think we hate. The Advanced Genius Theory is a manifesto that takes on the least understood work by the most celebrated figures of our time.

Wayward - Chuck Wendig 2022-11-15

"If King had written a sequel to *The Stand*, it might look something like this monumental epic of a story."—James Rollins, #1 New York Times bestselling author of *Kingdom of Bones* "As great as *Wanderers* was, *Wayward* is better."—Christopher Golden, New York Times bestselling author of *Road of Bones* Five years ago, ordinary Americans fell under the grip of a strange new malady that caused them to sleepwalk across the country to a destination only they knew. They were followed on their quest by the shepherds: friends and family who gave up everything to protect them. Their secret destination: Ouray, a small town in Colorado that would become one of the last outposts of civilization. Because the sleepwalking epidemic was only the first in a chain of events that led to the end of the world—and the birth of a new one. The survivors, sleepwalkers and shepherds alike, have a dream of rebuilding human society. Among them are Benji, the scientist struggling through grief to lead the town; Marcy, the former police officer who wants only to look after the people she loves; and Shana, the teenage girl who became the first shepherd—and an unlikely hero whose courage will be needed again. Because the people of Ouray are not the only survivors, and the world they are building is fragile. The forces of cruelty and brutality are amassing under the leadership of self-proclaimed president Ed Creel. And in the very heart of Ouray, the most powerful survivor of all is plotting its own vision for the new world: Black Swan, the A.I. who imagined the apocalypse. Against these threats, Benji, Marcy, Shana, and the rest have only one hope: one another. Because the only way to survive the end of the world is together.

The Passover Prophecies - Chuck Pierce 2020-05-26

God is realigning hearts and nations in crisis. This book will allow you to hear what the Spirit is saying to the churches in this season of a modern-day Passover. A timely prophetic message on how to discern the times and know what to do as the body of Christ. As people and nations emerge in the aftermath of this pandemic, God will realign hearts and nations in preparation for an end-time harvest. BRIEF SUMMARY: One of America's most-respected prophetic voices brings a critical message to a nation—and world—at a crossroads. In September 2019, God

revealed to Chuck Pierce that between February and April 2020, plague-like conditions would hit the earth. The Lord said, "I will be waiting to see which nations 'pass over.'" Just like the very first Passover, God is looking for a remnant that will hold strong and bring His love to a hurting planet. Pierce divides the rumors from the Word, and answers such questions as: Why would the current situation be happening around the time of Passover 2020? Is this a modern-day plague for a modern-day Passover? Are nations still trying to bring other nations under their control and economic rule? What is Israel's role in this critical time? How do we move forward today? In the midst of pandemic, God is also assuring His Church that after this period, for those who hold fast to Jesus, there will be a time of celebration. In *The Passover Prophecies*, Pierce delves into the ancient biblical signs that point toward a glorious future for the people of God. Move forward, feed your faith, and know that even in the midst of uncertainty, His kingdom shall overcome, and His will shall be done on Earth as it is in Heaven.
