A2-Level Biology OCR Complete Revision & Practice

Cambridge International AS & A Level Biology Student's Book 2nd edition - C. J. Clegg 2020-05-04

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2022. Confidently navigate the updated Cambridge International AS & A Level Biology (9700) syllabus with a structured approach ensuring that the link between theory and practice is consolidated, scientific skills are applied, and analytical skills developed. - Enable students to monitor and build progress with short 'self-assessment' questions throughout the student text, with answers at the back of the book, so students can check their understanding as they work their way through the chapters. - Build scientific communication skills and vocabulary in written responses with a variety of exam-style questions. - Encourage understanding of historical context and scientific applications with extension boxes in the student text. - Have confidence that lessons cover the syllabus completely with a free Scheme of Work available online. - Provide additional practice with the accompanying write-in Practical Skills Workbooks, which once completed, can also be used to recap learning for revision.

A Level Biology for OCR A: Year 1 and AS - Jo Locke 2016-05-05

Please note this title is suitable for any student studying: Exam Board: OCR Level: A Level Year 1 and AS Subject: Biology First teaching: September 2015 First exams: June 2016 Written by curriculum and specification experts, this Student Book supports and extends students through their course whilst delivering the breadth, depth, and skills needed to succeed at A Level and beyond.

Cambridge International AS and A Level Biology Coursebook with CD-ROM - Mary Jones 2014-08-28

Fully revised and updated content matching the Cambridge International AS & A Level Biology syllabus (9700). Endorsed by Cambridge International Examinations, the Fourth edition of the AS/A Level Biology Coursebook comprehensively covers all the knowledge and skills students need during the Biology 9700 course (first examination 2016). Written by renowned experts in Biology teaching, the text is written in an accessible style with international learners in mind. The Coursebook is easy to navigate with colour-coded sections to differentiate between AS and A Level content. Self-assessment questions allow learners to track their progression and exam-style questions help learners to prepare thoroughly for their examinations. Contemporary contexts are discussed throughout enhancing the relevance and interest for learners.

Revise AS Biology for OCR - Richard Fosbery 2005-09-20

We have had lots of students contacting us to say how useful they've found this series of revision guides. So why have they found them so valuable? Students know just what they need to revise for each exam because each guide matches the specification exactly. Information is presented in a straightforward, user-friendly way. Content is organised into double-page spreads to make revision more manageable. Short questions at the end of each section really make students stop and think about the topic. Tips on common pitfalls and advice on how to tackle different types of exam question and exam preparation. Practice exam-style questions are included at the end of each module. The answers to all questions are in the back of the books, so students can work on their own.
