**Spy** - 1988-12

Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark,

and whose demise is so lamented" -- Dave Eggers. "It's a piece of garbage" --Donald Trump.

**Digital Gender-Sexual Violations** - Matthew Hall 2022-10-26

This groundbreaking book argues that the fundamental issues around how victim-survivors of digital gender-sexual violations (DGSVs) are abused can be understood in terms of gender and sexual dynamics, constructions, positioning and logics. The book builds upon Hall and Hearn's previous work, *Revenge Pornography*, but has been substantially reworked to examine other forms of DGSV such as upskirting and sexual deepfakes, as well as the latest research and debates in the field. Facilitated by developments in internet and mobile technologies, the non-consensual posting of real or fake sexually

explicit images of others for revenge, entertainment, homosocial status or political leverage has become a global phenomenon. Using discourse and thematic analytical approaches, this text examines digital, survey and interview data on gendered sexual violences, abuses, and violations. The words of both the perpetrators and victim-survivors are presented, showing the impact on victim-survivors and the complex ways in which phallogentric power relations and existing hegemonic masculinities are reinforced and invoked by perpetrators to position girls and women as gendered and sexualised commodities to be traded, admired, violated or abused for the needs of individual men or groups of men. Hall, Hearn and Lewis explore their research in a broader social

and political context, evaluating and suggesting changes to existing legislative frameworks, education, victim support, and practical and policy interventions against DGSV, along with wider political considerations. This is a unique resource for students, academics and researchers as well as professionals dealing with issues around digital gender-sexual violations.

*New York Magazine* - 1993-04-05

Sex Workers Unite - Melinda Chateauvert 2015-03-10

A provocative history that reveals how sex workers have been at the vanguard of social justice movements for the past fifty years while building a movement of their own that challenges our ideas about labor, sexuality, feminism, and freedom Documenting five decades of sex-

worker activism, Sex Workers Unite is a fresh history that places prostitutes, hustlers, escorts, call girls, strippers, and porn stars in the center of America's major civil rights struggles. Although their presence has largely been ignored and obscured, in this provocative history Melinda Chateauvert recasts sex workers as savvy political organizers—not as helpless victims in need of rescue. Even before transgender sex worker Sylvia Rivera threw a brick and sparked the Stonewall Riot in 1969, these trailblazing activists and allies challenged criminal sex laws and “whorephobia,” and were active in struggles for gay liberation, women’s rights, reproductive justice, union organizing, and prison abolition. Although the multibillion-dollar

international sex industry thrives, the United States remains one of the few industrialized nations that continues to criminalize prostitution, and these discriminatory laws put workers at risk. In response, sex workers have organized to improve their working conditions and to challenge police and structural violence. Through individual confrontations and collective campaigns, they have pushed the boundaries of conventional organizing, called for decriminalization, and have reframed sex workers’ rights as human rights. Telling stories of sex workers, from the frontlines of the 1970s sex wars to the modern-day streets of SlutWalk, Chateauvert illuminates an underrepresented movement, introducing skilled activists who

have organized a global campaign for self-determination and sexual freedom that is as multifaceted as the sex industry and as diverse as human sexuality.

**Orange Coast Magazine** - 1996-12
