A Traveler at the Gates of Wisdom -

John Boyne 2020-08-11

From the bestselling author of *A Ladder to the Sky*—“a darkly funny novel that races like a beating heart” (People)—comes a new novel that plays out across all of human history: a story as precise as it is unlimited. This story starts with a family. For now, it is a father and a mother with two sons, one with his father's violence in his blood, one with his mother's artistry. One leaves. One stays. They will be joined by others whose deeds will determine their fate. It is a beginning. Their stories will intertwine and evolve over the course of two thousand years. They will meet again and again at different times and in different places. From

Palestine at the dawn of the first millennium and journeying across fifty countries to a life among the stars in the third, the world will change around them, but their destinies remain the same. It must play out as foretold. From the award-winning author of *The Heart's Invisible Furies* comes *A Traveler at the Gates of Wisdom*, an epic tale of humanity. The story of all of us, stretching across two millennia. Imaginative, unique, heartbreaking, this is John Boyne at his most creative and compelling.

Plugged - Eoin Colfer 2011-09-01

Highfire - Eoin Colfer 2020-01-28
"True Detective meets Swamp Thing in the Artemis Fowl author's neo-noirish thriller about a curmudgeonly dragon in Louisiana." –Guardian From the New York Times bestselling author of the Artemis Fowl series comes a hilarious and high-octane adult novel about a vodka-drinking, Flashdance-loving dragon who lives an isolated life in the bayous of Louisiana—and the raucous adventures that ensue when he crosses paths with a fifteen-year-old troublemaker on the run from a crooked sheriff. In the days of yore, he flew the skies and scorched angry

mobs—now he hides from swamp tour boats and rises only with the greatest reluctance from his Laz-Z-Boy recliner. Laying low in the bayou, this once-magnificent fire breather has been reduced to lighting Marlboros with nose sparks, swilling Absolut in a Flashdance T-shirt, and binging Netflix in a fishing shack. For centuries, he struck fear in hearts far and wide as Wyvern, Lord Highfire of the Highfire Eyrie—now he goes by Vern. However...he has survived, unlike the rest. He is the last of his kind, the last dragon. Still, no amount of vodka can drown the loneliness in his molten core. Vern's glory days are long gone. Or are they? A canny Cajun swamp rat, young Everett "Squib" Moreau does what he can to survive, trying not to break the heart of his saintly single

mother. He's finally decided to work for a shady smuggler—but on his first night, he witnesses his boss murdered by a crooked constable. Regence Hooke is not just a dirty cop, he's a despicable human being—who happens to want Squib's momma in the worst way. When Hooke goes after his hidden witness with a grenade launcher, Squib finds himself airlifted from certain death by...a dragon? The swamp can make strange bedfellows, and rather than be fried alive so the dragon can keep his secret, Squib strikes a deal with the scaly apex predator. He can act as his go-between (aka familiar)—fetch his vodka, keep him company, etc.—in exchange for protection from Hooke. Soon the three of them are careening headlong toward a combustible confrontation. There's about to be a

fiery reckoning, in which either dragons finally go extinct—or Vern's glory days are back. A triumphant return to the genre-bending fantasy that Eoin Colfer is so well known for, *Highfire* is an effortlessly clever and relentlessly funny tour-de-force of comedy and action.
