Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Musical World - 1858

Aqui Xutos eamp; Pontapés! - Rolando Rebelo 2014-11-05

- Imagens de bastidores nunca antes publicadas; - Centenas de fotografias dos arquivos da banda; - A história e as histórias contadas pelos próprios músicos; - Ano após ano, uma cronologia completa dos Xutos eamp; Pontapés; - Depoimentos e declarações de dezenas de figuras públicas. "Este livro, até por ser oficial, tinha de se demarcar dos restantes e ir mais longe. Nas fotografias, demos preferência a documentos inéditos, únicos, onde os Xutos eamp; Pontapés aparecem em ambientes privados, distantes dos olhares públicos. Não que as fotos de palco não tenham aqui igualmente o seu lugar, mas ver os Xutos nos camarins, nos estúdios, em momentos de lazer e de descontração, ajuda-nos a ter outra ideia do que é esta banda notável, quem são e como são os seus cinco músicos, no fundo, o que está por detrás daquilo que habitualmente vemos. Para tal servimo-nos de vários arquivos - os da banda enquanto um todo, mas também os espólios pessoais dos músicos

(sobretudo Kalú e João Cabeleira) e dos membros da equipa técnica dos Xutos eamp; Pontapés (particularmente o técnico de som João Escada). Tendo em mente o que escreveu José Niza - «Perguntei por mim, quis saber de nós» - pedimos a dezenas de personalidades da nossa vida pública que partilhassem aqui as suas impressões e memórias sobre os Xutos eamp; Pontapés - que, escusado seria dizer, é a maior e mais consensual banda portuguesa de sempre. É assim que encontramos, ao longo das páginas seguintes, as opiniões de figuras tão diferentes entre si como Sérgio Godinho, Ana Padrão, Tó Trips, Francisco Pinto Balsemão, Mafalda Veiga, Ricardo Sá Pinto, Manuela Eanes, Gimba, António Costa, Tony Carreira, João Pereira Coutinho, Ivo Canelas ou Roberta Medina. Uma nota muito especial para Jorge Sampaio que, enquanto Presidente da República, reconheceu o trabalho e a carreira dos Xutos eamp; Pontapés, ao agraciá-los com o grau de comendador da Ordem do Mérito, e que, por isso mesmo, foi desafiado para assinar o prefácio desta obra, o que aceitou prontamente. Neste livro oficial existe uma cronologia dos Xutos eamp; Pontapés em que o tempo é passado a pente fino desde finais dos anos 1970. Para recolher essa informação e essas histórias, muitas delas contadas aqui pela primeira vez, foram necessárias muitas conversas com os cinco Xutos ao longo de viagens, almoços, jantares e nos momentos de descontração após os concertos («não contes isso senão o gajo mete no livro», foi uma das frases que mais ouvi). Sou um optimista por natureza, e acredito que os Xutos eamp; Pontapés plantaram fortes e inovadoras sementes, mais do que suficientes para que surjam mais bandas e peguem na mesma tocha, acreditando na mesma crença, e levem a música a novos rumos... mas também acredito que não haverá mais nenhuma banda como os Xutos eamp; Pontapés. O que Tim, Zé Pedro, Gui, Kalú e Cabeleira fizeram, e continuam a fazer, está reservado a uma pequena elite onde só as lendas entram. Aproveitem." Rolando Rebelo

Billboard - 2011-04-02

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. John Lennon. Canciones - Paul du Noyer 2021-09-30

Canciones de John Lennon * Una vez liberado de las restricciones de los Beatles, los temas de John Lennon se volvieron más confesionales que

nunca y consiguieron transmitir a sus seguidores una extraordinaria visión de su vida, sus sentimientos y creencias. * Junto con las letras al completo, este libro contiene un detallado examen, tema a tema, de todo su catálogo en solitario, realizado por el reconocido experto Paul du Noyer. * Se analizan los mensajes de protesta, rebelión, amor y paz del antiguo Beatle, citando sus fuentes de inspiración e influencias. John Lennon es uno de los compositores más importantes del siglo xx y su trabajo continúa siendo popular incluso hoy en día, cuarenta años después de su muerte prematura, cuando nuevos seguidores, compositores, activistas e intérpretes descubren su asombrosa producción. Ahora todos podemos apreciar, entender y reconocer el trabajo en solitario de Lennon como nunca antes había sido posible.

Along with complete chart data, artist biographies and complete track listings for every artist, Top Pop Albums sports new features such as each album's CD availability, data from the newly researched Top Pop Catalog Albums chart, updated album pricing and more, making this the biggest, broadest, absolute best albums book ever! Hardcover, ISBN 0-89820-147-0.

The Rough Guide to Rock - Peter Buckley 2003

Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

Crosby, Stills, Nash and Young - David Browne 2019-04-02

"In what is the most comprehensive biography of the group to date, Browne compiles a fun and fast-paced music history.... an authoritative chronicle." --Publishers Weekly The first and most complete narrative biography of Crosby, Stills, Nash and Young, by acclaimed music journalist and Rolling Stone senior writer David Browne Even in the larger-than-life world of rock and roll, it was hard to imagine four more different men. David Crosby, the opinionated hippie guru. Stephen Stills, the perpetually driven musician. Graham Nash, the tactful pop craftsman. Neil Young, the creatively restless loner. But together, few groups were as in sync with their times as Crosby, Stills, Nash and Young. Starting with the original trio's landmark 1969 debut album, the group embodied much about its era: communal musicmaking, protest songs that took on the establishment and Richard Nixon, and liberal attitudes toward partners and lifestyles. Their group or individual songs-- "Wooden Ships," "Suite: Judy Blue Eyes," "After the Gold Rush," "For What It's Worth" (with Stills and Young's Buffalo Springfield), "Love the One You're With," "Long Time Gone," "Just a Song Before I Go," "Southern Cross"--became the soundtrack of a generation. But their story would rarely be as harmonious as their legendary and influential vocal blend. In the years that followed, these four volatile men would continually break up, reunite, and disband again--all against a backdrop of social and musical change, recurring disagreements and jealousies, and self-destructive tendencies that threatened to cripple them both as a group and as individuals. In Crosby, Stills, Nash and Young: The Wild, Definitive Saga of Rock's Greatest Supergroup, longtime music journalist and Rolling Stone writer David Browne presents the ultimate deep dive into rock and roll's most musical and turbulent brotherhood on the occasion of its 50th anniversary. Featuring exclusive interviews with David Crosby and Graham Nash along with band members, colleagues, fellow superstars, former managers, employees, and lovers--and with access to unreleased music and documents--Browne takes readers backstage and onstage, into the musicians' homes, recording studios, and psyches, to chronicle the creative and psychological ties that have bound these men together--and sometimes torn them apart. This is the sweeping story of rock's longest-running, most dysfunctional, yet pre-eminent musical family, delivered with the epic feel their story rightly deserves.

Led Zeppelin - Quando os gigantes caminhavam sobre a Terra - Mick Wall 2017-01-11

Nesta biografia considerada o relato definitivo da carreira meteórica de

um dos fundadores da música pesada, o lendário jornalista de rock Mick Wall reúne entrevistas realizadas com os membros do Led Zeppelin ao longo de mais de quatro décadas, uma vasta pesquisa em jornais e revistas, consultas a profissionais e amigos que também fizeram a história da banda e suas próprias recordações de shows e turnês para compor um retrato vívido, muitas vezes polêmico, mas assustadoramente real dos gênios do rock'n'roll que até hoje influenciam gerações de músicos e fãs. Acompanhando a trajetória de cada membro da banda desde a infância — o catártico Robert Plant, o sombrio Jimmy Page, o multifacetado Paul Jones e o incontrolável John Bonham — Wall resgata histórias de bastidores, desnudando como nunca a intimidade dos músicos muito além dos palcos e dos estúdios de gravação. Wall revela com detalhes a verdadeira obsessão de Page pelo oculto, as tragédias que marcaram a vida de Plant, como a morte de um de seus filhos em um acidente de carro, as muitas brigas entre Jones e os demais membros do Led Zeppelin e o espírito destrutivo de Bonham que culminaram em sua morte prematura em 1980 e no fim de uma das maiores bandas de todos os tempos. O livro investiga ainda temas polêmicos, como os muitos processos de plágio enfrentados pela banda, a rotina de sexo, drogas e rock'n'roll que cobrou um preço muito caro de cada um dos integrantes, os eternos rumores sobre um possível retorno e as maldições que, segundo alguns, ainda rondam o nome Led Zeppelin. Mais do que uma biografia de uma banda de rock tão lendária quanto virtuosa, Quando os gigantes caminhavam sobre a Terra é a história de um tempo em que astros de rock eram deuses e tinham o mundo aos seus pés.

InMusic - 1991

The Rolling Stone Album Guide - Anthony DeCurtis 1992

A completely revised edition of the bestselling guide to popular recordings--featuring 2,500 entries and more than 12,500 album reviews. The definitive guide for the '90s.

New York Magazine - 1997-12-22

Music of Yes - Bill Martin 2015-12-14

Unlike most books on rock music, Music of Yes does not focus on personalities, but instead on musical structures, lyrical vision, and cultural and historical context. Bill Martin situates one of the most creative groups from the progressive rock period, Yes, within the utopian ideals of the sixties and the experimental trend in rock music initiated by the Beatles and taken up by groups such as King Crimson, Jethro Tull, Pink Floyd, and others. Working against the seemingly entrenched cynicism and "blues orthodoxy" among rock music critics, Martin demonstrates the power of Yes's romantic, utopian, "Blakean," ecological, multicultural, and feminist perspective, showing how this vision is developed through extended musical works. "I think this book will stand out as the most definitive study of Yes, and anyway, how could I not like a book that compares my ability to that of John Coltrane and Jimi Hendrix?" —Chris Squire Co-founder of Yes "Yes fans will flock to this paean to the world of 1960s 'art rock'. . . Martin's points about the artistic aspirations of '60s and '70s 'progressive' music are thought-provoking." —Booklist

Billboard - 1958-03-24
