

Alexander Great Philip Freeman

This is likewise one of the factors by obtaining the soft documents of this **Alexander Great Philip Freeman** by online. You might not require more epoch to spend to go to the books initiation as capably as search for them. In some cases, you likewise attain not discover the statement Alexander Great Philip Freeman that you are looking for. It will extremely squander the time.

However below, similar to you visit this web page, it will be suitably totally simple to acquire as well as download guide Alexander Great Philip Freeman

It will not acknowledge many era as we accustom before. You can do it though produce an effect something else at house and even in your workplace. so easy! So, are you question? Just exercise just what we manage to pay for below as capably as evaluation **Alexander Great Philip Freeman** what you following to read!

Alexander the Great - Anthony Everitt 2021-06-08

What can we learn from the stunning rise and mysterious death of the ancient world's greatest conqueror? An acclaimed biographer reconstructs the life of Alexander the Great in this magisterial revisionist portrait. "[An] infectious sense of narrative momentum . . . Its energy is unflagging, including the verve with which it tackles that teased final mystery about the specific cause of Alexander's death."—The Christian Science Monitor More than two millennia have passed since Alexander the Great built an empire that stretched to every corner of the ancient world, from the backwater kingdom of Macedonia to the Hellenic world, Persia, and ultimately to India—all before his untimely death at age thirty-three. Alexander believed that his empire would stop only when he reached the Pacific Ocean. But stories of both real and legendary events from his life have kept him evergreen in our imaginations with a legacy that has meant something different to every era: in the Middle Ages he became an exemplar of knightly chivalry, he was a star of Renaissance paintings, and by the early twentieth century he'd even come to resemble an English gentleman. But who was he in his own time? In *Alexander the Great*, Anthony Everitt judges Alexander's life against the criteria of his own age and considers all his contradictions. We meet the Macedonian prince who was naturally inquisitive and fascinated by science and exploration, as well as the man who enjoyed the arts and used Homer's great epic the *Iliad* as a bible. As his empire grew, Alexander exhibited respect for the traditions of his new subjects and careful judgment in administering rule over his vast territory. But his career also had a dark side. An inveterate conqueror who in his short life built the largest empire up to that point in history, Alexander glorified war and was known to commit acts of remarkable cruelty. As debate continues about the meaning of his life, Alexander's death remains a mystery. Did he die of natural causes—felled by a fever—or did his marshals, angered by his tyrannical behavior, kill him? An explanation of his death can lie only in what we know of his life, and Everitt ventures to solve that puzzle, offering an ending to Alexander's story that has eluded so many for so long.

Alexander the Great - Robin Lane Fox 1991

[Alexander the Great](#) - Paul Cartledge 2005-11-01

Alexander the Great is the towering hero of the classical world: a fearless general, the conqueror of the Persians, and the visionary ruler of a vast empire. In this seminal biography, Paul Cartledge, one of the world's foremost scholars of ancient Greece, gives us the most reliable and intimate portrait of the man himself. Cartledge brilliantly evokes Alexander's remarkable political and military accomplishments, cutting through the myths to show why he was such a great leader. He explores our endless obsession with Alexander and gives us insight into both his capacity for brutality and his sensitive grasp of international politics. As he brings Alexander vividly to life, Cartledge also captures his enduring impact on world history and culture.

Summary and Analysis of Alexander the Great - Acesprint 2021-01-13

The eponymous hero of *Alexander the Great* (2011) is remembered as one of the greatest military commanders who ever lived. Setting out from Greece at the age of 21, Alexander waged a ten-year campaign, during which he defeated the Persian Achaemenids and, in so doing, created the largest empire the world had ever seen. By spreading Greek culture and language throughout Eurasia, his legacy remained influential for centuries after.

Heroes of Olympus - Philip Freeman 2012-05-01

Accessible, fast-paced retellings of the most important classical Greek

and Roman myths, adapted for middle graders. Ancient myths continue to have modern relevance—for thousands of years they have been the basis for plays, operas, paintings, and movies. And in these retellings from acclaimed writer and scholar Philip Freeman, classic tales from Greek and Roman mythology find new life and inspire aspiring writers, artists, and musicians. Adapted from the lengthier *Oh My Gods* and specially tailored to a younger audience, these irresistible stories of philandering gods, flawed heroes, and tragic lovers portray the fundamental aspects of humanity and are filled with entertaining drama and valuable insights. Sixty dramatic illustrations enliven the book.

The Nature of Alexander - Mary Renault 2013-09-10

An "intriguing and invaluable" biography of Alexander the Great by the novelist whose fiction redefined Ancient Greece (*The New York Times*). Acclaimed writer Mary Renault is widely known for her provocative historical novels of Alexander the Great and his lovers. But she also authored this nonfiction classic, a fresh, illuminating look at a man whose legend has remained larger than life for more than two thousand years. From his dysfunctional family dynamics to his molding under Aristotle, from his shocking rise to power at age twenty to the staggering violence of his military campaigns, Renault is clear-eyed about Alexander's accomplishments and his flaws. Infectious in its enthusiasm, this is a penetrating study of an unrivaled conqueror, enduring icon, and fascinating man. Hailed as both "a splendid achievement in nonfiction" (*The Plain Dealer*) and "the perfect companion to her Alexander novels" (*The Wall Street Journal*), Renault's engrossing and accessible biography stands alone in the pantheon of Alexander the Great literature. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Dividing the Spoils - Robin Waterfield 2012-10-11

The story of the wars that led to the break-up of Alexander the Great's vast empire after his death in 323 BC and the brilliant cultural developments which accompanied this birth of a new world.

The Sacred Band - James Romm 2021-06-08

The thrilling look into the last decades of ancient Greek freedom leading up to Alexander the Great's destruction of Thebes--and the saga of the greatest military corps of the age, the Theban Sacred Band.

[Alexander the Great](#) - Philip Freeman 2011-01-04

In the first authoritative biography of Alexander the Great written for a general audience in a generation, classicist and historian Philip Freeman tells the remarkable life of the great conqueror. The celebrated Macedonian king has been one of the most enduring figures in history. He was a general of such skill and renown that for two thousand years other great leaders studied his strategy and tactics, from Hannibal to Napoleon, with countless more in between. He flashed across the sky of history like a comet, glowing brightly and burning out quickly: crowned at age nineteen, dead by thirty-two. He established the greatest empire of the ancient world; Greek coins and statues are found as far east as Afghanistan. Our interest in him has never faded. Alexander was born into the royal family of Macedonia, the kingdom that would soon rule over Greece. Tutored as a boy by Aristotle, Alexander had an inquisitive mind that would serve him well when he faced formidable obstacles during his military campaigns. Shortly after taking command of the army, he launched an invasion of the Persian empire, and continued his conquests as far south as the deserts of Egypt and as far east as the mountains of present-day Pakistan and the plains of India. Alexander spent nearly all his adult life away from his homeland, and he and his men helped spread the Greek language throughout western Asia, where it would become the lingua franca of the ancient world. Within a short time after Alexander's death in Baghdad, his empire began to fracture.

Best known among his successors are the Ptolemies of Egypt, whose empire lasted until Cleopatra. In his lively and authoritative biography of Alexander, classical scholar and historian Philip Freeman describes Alexander's astonishing achievements and provides insight into the mercurial character of the great conqueror. Alexander could be petty and magnanimous, cruel and merciful, impulsive and farsighted. Above all, he was ferociously, intensely competitive and could not tolerate losing—which he rarely did. As Freeman explains, without Alexander, the influence of Greece on the ancient world would surely not have been as great as it was, even if his motivation was not to spread Greek culture for beneficial purposes but instead to unify his empire. Only a handful of people have influenced history as Alexander did, which is why he continues to fascinate us.

Only a handful of people have influenced history as Alexander did, which is why he continues to fascinate us.

[Ghost on the Throne](#) - James Romm 2012-11-13

When Alexander the Great died at the age of thirty-two, his empire stretched from the Adriatic Sea in the west all the way to modern-day India in the east. In an unusual compromise, his two heirs—a mentally damaged half brother, Philip III, and an infant son, Alexander IV, born after his death—were jointly granted the kingship. But six of Alexander's Macedonian generals, spurred by their own thirst for power and the legend that Alexander bequeathed his rule "to the strongest," fought to gain supremacy. Perhaps their most fascinating and conniving adversary was Alexander's former Greek secretary, Eumenes, now a general himself, who would be the determining factor in the precarious fortunes of the royal family. James Romm, professor of classics at Bard College, brings to life the cutthroat competition and the struggle for control of the Greek world's greatest empire.

[The Persian Boy](#) - Mary Renault 2013-09-10

A New York Times–bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls "a shining light." The Persian Boy centers on the most tempestuous years of Alexander the Great's life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king's life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of

Alexander the Great trilogy, which also includes *Fire from Heaven* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

[Blueprint](#) - Adam Schragger 2010-05-01

Through the microcosm of Colorado's stunning political transformation, this is an inside look at the rapidly-changing business of campaigns and elections. The techniques pioneered in Colorado have been recognized by both parties and pundits as the future of American politics.

[The Life of Alexander the Great](#) - Plutarch 2004-04-13

In 336 b.c. Philip of Macedonia was assassinated and his twenty-year-old son, Alexander, inherited his kingdom. Immediately quelling rebellion, Alexander extended his father's empire through-out the Middle East and into parts of Asia, fulfilling the soothsayer Aristander's prediction that the new king "should perform acts so important and glorious as would make the poets and musicians of future ages labour and sweat to describe and celebrate him." The Life of Alexander the Great is one of the first surviving attempts to memorialize the achievements of this legendary king, remembered today as the greatest military genius of all time. This exclusive Modern Library edition, excerpted from Plutarch's Lives, is a riveting tale of honor, power, scandal, and bravery written by the most eminent biographer of the ancient world.

[By the Spear](#) - Ian Worthington 2014

Looks at the relationship between Philip II and his son, Alexander the Great, and their roles in the rise of the Macedonian empire.

[Julius Caesar](#) - Philip Freeman 2008-05-13

More than two thousand years after his death, Julius Caesar remains one of the great figures of history. He shaped Rome for generations, and his name became a synonym for "emperor" -- not only in Rome but as far away as Germany and Russia. He is best known as the general who defeated the Gauls and doubled the size of Rome's territories. But, as Philip Freeman describes in this fascinating new biography, Caesar was also a brilliant orator, an accomplished writer, a skilled politician, and much more. Julius Caesar was a complex man, both hero and villain. He possessed great courage, ambition, honor, and vanity. Born into a noble family that had long been in decline, he advanced his career cunningly, beginning as a priest and eventually becoming Rome's leading general. He made alliances with his rivals and then discarded them when it suited him. He was a spokesman for the ordinary people of Rome, who rallied around him time and again, but he profited enormously from his conquests and lived opulently. Eventually he was murdered in one of the most famous assassinations in history. Caesar's contemporaries included some of Rome's most famous figures, from the generals Marius, Sulla, and Pompey to the orator and legislator Cicero as well as the young politicians Mark Antony and Octavius (later Caesar Augustus). Caesar's legendary romance with the Egyptian queen Cleopatra still fascinates us today. In this splendid biography, Freeman presents Caesar in all his dimensions and contradictions. With remarkable clarity and brevity, Freeman shows how Caesar dominated a newly powerful Rome and shaped its destiny. This book will captivate readers discovering Caesar and ancient Rome for the first time as well as those who have a deep interest in the classical world.

[Alexander the Great](#) - Hugh Bowden 2014

In 336 BC Alexander the Great became king of Macedon. During his twelve year reign he conquered the Achaemenid Persian Empire, the largest to have yet existed, and in the process had a profound effect on the world he moved through. In this examination of his life and career, Hugh Bowden explores his cultural and historical legacy.

[How to Grow Old](#) - Marcus Tullius Cicero 2016-03-29

Timeless wisdom on growing old gracefully from one of ancient Rome's greatest philosophers Worried that old age will inevitably mean losing your libido, your health, and possibly your marbles too? Well, Cicero has some good news for you. In *How to Grow Old*, the great Roman orator and statesman eloquently describes how you can make the second half of life the best part of all—and why you might discover that reading and gardening are actually far more pleasurable than sex ever was. Filled with timeless wisdom and practical guidance, Cicero's brief, charming classic—written in 44 BC and originally titled *On Old Age*—has delighted and inspired readers, from Saint Augustine to Thomas Jefferson, for more than two thousand years. Presented here in a lively new translation with an informative new introduction and the original Latin on facing pages,

the book directly addresses the greatest fears of growing older and persuasively argues why these worries are greatly exaggerated—or altogether mistaken. Montaigne said Cicero's book "gives one an appetite for growing old." The American founding father John Adams read it repeatedly in his later years. And today its lessons are more relevant than ever in a world obsessed with the futile pursuit of youth.

[Fire from Heaven](#) - Mary Renault 2013-09-10

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

Soldier, Priest, and God - F. S. Naiden 2019

"This is the first life of Alexander the Great to explore his religious experience, to put his experience in Egypt and Asia on a par with his Macedonian upbringing and Greek education, and to explain how the European conqueror became a Moslem saint"--

The Plantation Negro as a Freeman - Philip Alexander Bruce 1889

How to Be a Friend - Marcus Tullius Cicero 2018-10-09

A splendid new translation of one of the greatest books on friendship ever written. In a world where social media, online relationships, and relentless self-absorption threaten the very idea of deep and lasting friendships, the search for true friends is more important than ever. In this short book, which is one of the greatest ever written on the subject, the famous Roman politician and philosopher Cicero offers a compelling guide to finding, keeping, and appreciating friends. With wit and wisdom, Cicero shows us not only how to build friendships but also why they must be a key part of our lives. For, as Cicero says, life without friends is not worth living. Filled with timeless advice and insights, Cicero's heartfelt and moving classic—written in 44 BC and originally titled *De Amicitia*—has inspired readers for more than two thousand years, from St. Augustine and Dante to Thomas Jefferson and John Adams. Presented here in a lively new translation with the original Latin on facing pages and an inviting introduction, *How to Be a Friend* explores how to choose the right friends, how to avoid the pitfalls of friendship, and how to live with friends in good times and bad. Cicero also praises what he sees as the deepest kind of friendship—one in which two people find in each other "another self" or a kindred soul. An honest and eloquent guide to finding and treasuring true friends, *How to Be a Friend* speaks as powerfully today as when it was first written.

Alexander the Great and His Empire - Pierre Briant 2010-07-21

Presents a short history of Alexander the Great's conquest of the Persian empire, from the Mediterranean to Central Asia. This book sets the rise of Alexander's short-lived empire within the broad context of ancient Near Eastern history under Achaemenid Persian rule, as well as against Alexander's Macedonian background.

Alexander The Great - Henry Freeman 2016-03-21

What does it mean to be great? There have been many that have come through the sands of time proclaiming their own greatness. We see it in the news every day; leaders, heroes, tyrants, and even reality star presidential candidates claim that they are great. But what about Alexander the Great? Inside you will read about... □ Alexander and the Happiness of Horses □ Aristotle and the First Day of School □ Philip's Family Drama □ Enemies and Friends □ The Real Battle Begins □ Changing Tides □ Signs and Wonders □ In Pursuit of Darius □ Historical Autopsy The young man from Macedonia that took the world by storm creating one of the world's first major empires? He singlehandedly

changed the course of history within a decade. Read along with us to figure out just what made Alexander so great.

[The Gospel of Mary](#) - Philip Freeman 2017-09-05

A young Irish nun finds herself the guardian of a mysterious manuscript claiming to be the lost gospel of Mary, when she realizes that church authorities are willing to kill to get their hands on it . . . An old and dying nun has turned up at Deirdre's monastery in Ireland with an ancient manuscript on a papyrus roll. When Deirdre reads the first line, she realizes it claims to be a previously unknown gospel written by Mary, the mother of Jesus. The church authorities in Rome have been seeking to destroy this gospel for centuries, claiming it is a forgery that threatens the very foundations of the faith. Deirdre begins to translate the gospel, but when a delegate of the pope arrives in Kildare searching for the text, she must set out across Ireland seeking safety as the church and its henchmen are hot on her trail. What does the gospel say? And why is the church so afraid of it?

Book of Alexander - Peter Such 2009

The *Libro de Alexandre* is an epic poem about the life of Alexander the Great, written by an anonymous Spanish cleric in the thirteenth century. It is the most substantial poem (and almost certainly the first) composed in the learned *cuaderna via verse* form and provides a unique insight into the intellectual world from which it sprang. The poem conveys the grim message of Alexander's life, the sense of hubris and the horror of his fall from greatness and world domination to the bleak obscurity of the grave. As well as relaying the story of a great ancient figure, the poet also comments on the society and political situation of early thirteenth-century Spain. The combination of eras makes this poem strikingly representative of its time. Peter Such and Richard Rathbone's edition in the *Hispanic Classics* series illuminates this substantial and important text, with a wide-ranging introduction, Spanish text with facing-page English translation and notes.

Alexander the Great - P. C. Doherty 2004

As he lay siege to the world Alexander harboured the belief he was the son of God and desired everlasting glory by conquering all to the ends of the earth. The *Death of Alexander* analyses this outstanding figure who achieved so much before his premature end. He was an enigma, a man who wanted to be a god, a Greek who wanted to be Persian, a defender of liberties who spent most of his life taking away the liberties of others, and a king who could be compassionate yet ruthlessly wipe out an ancient city like Tyre and crucify 3,000 of its defenders along the seashore. The *Death of Alexander* also scrutinizes the circumstances surrounding the young king's death in the summer palace of the Persian kings. Did Alexander die of alcohol poisoning? Or were there other, more sinister factors involved? Alexander had been warned not to enter Babylon. The holy man, Calanus of India, before he had climbed on his own funeral pyre, warned Alexander he would meet him in Babylon. So was his death there so predictable? The great general had surrounded himself with outstanding captains of war. Did these aggressive, violent and ambitious men have a hand in Alexander's death? Were they tired of Alexander

Alexander the Great in His World - Carol G. Thomas 2008-04-15

Alexander the Great is one of the most celebrated figures of antiquity. In this book, Carol G. Thomas places this powerful figure within the context of his time, place, culture, and ancestry in order to discover what influences shaped his life and career. The book begins with an exploration of the Macedonia that conditioned the lives of its inhabitants. It also traces such influences on Alexander's life as his royal Argead ancestry, his father, Philip II, and his mother, Olympias. The author examines Alexander's engagement with Greek culture, especially his relationship with Aristotle, and contemplates how other societal factors - especially the highly militarized Macedonian kingdom and the nature of Macedonia's relationship with neighboring states - contributed to his achievement. What was the significance of these influences on the man who succeeded in conquering most of the known world from the Adriatic Sea to the Indus River? The author focuses on this question in exploring ancient landscapes and resurrecting key figures from antiquity in order to penetrate the motivation, goals, and inner being of Alexander the Great.

Alexander of Macedon, 356-323 B.C. - Peter Green 1991

"Revised and enlarged"--T. p. verso. Originally published: *Alexander the Great*. London : Weidenfeld & Nicolson, 1970. Includes bibliographical references (p. [569]-585) and index.

Two Birds in a Tree - Ram Nidumolu 2013-10-07

The Higher Reality of Business The health of business is inextricably linked with the health of humanity and nature. But our current

approaches to leadership treat business as entirely separate—and the result has been recurring economic, environmental, and human crises. In this extraordinary book, Ram Nidumolu uses evocative parables and stories from the ancient Indian wisdom texts, the Upanishads, to introduce Being-centered leadership. This new kind of leadership is anchored in the concept of Being, the fundamental reality that underlies all phenomena. Being-centered leaders are guided by an innate sense of interconnection—the good of the whole becomes an integral part of their decisions and actions. Using the experiences of over twenty trailblazing CEOs, as well as those from his own life, Nidumolu describes a four-stage road map every aspiring leader can use to reconnect business to the wider world—to the benefit of all.

The Virtues of War - Steven Pressfield 2005-09-27

I have always been a soldier. I have known no other life. So begins Alexander's extraordinary confession on the eve of his greatest crisis of leadership. By turns heroic and calculating, compassionate and utterly merciless, Alexander recounts with a warrior's unflinching eye for detail the blood, the terror, and the tactics of his greatest battlefield victories. Whether surviving his father's brutal assassination, presiding over a massacre, or weeping at the death of a beloved comrade-in-arms, Alexander never denies the hard realities of the code by which he lives: the virtues of war. But as much as he was feared by his enemies, he was loved and revered by his friends, his generals, and the men who followed him into battle. Often outnumbered, never outfought, Alexander conquered every enemy the world stood against him—but the one he never saw coming. . . . **BONUS:** This edition contains an excerpt from Steven Pressfield's *The Profession*.

Philip and Alexander - Adrian Goldsworthy 2020-10-13

This definitive biography of one of history's most influential father-son duos tells the story of two rulers who gripped the world -- and their rise and fall from power. Alexander the Great's conquests staggered the world. He led his army across thousands of miles, overthrowing the greatest empires of his time and building a new one in their place. He claimed to be the son of a god, but he was actually the son of Philip II of Macedon. Philip inherited a minor kingdom that was on the verge of dismemberment, but despite his youth and inexperience, he made Macedonia dominant throughout Greece. It was Philip who created the armies that Alexander led into war against Persia. In *Philip and Alexander*, classical historian Adrian Goldsworthy shows that without the work and influence of his father, Alexander could not have achieved so much. This is the groundbreaking biography of two men who together conquered the world.

How to Run a Country - Marcus Tullius Cicero 2013-01-22

Collects the Roman statesman's thoughts on leadership, the balance of power, and other topical political issues that maintain relevance today, in a work featuring new translations and organized by subject.

The Spartacus War - Barry Strauss 2009-03-17

An authoritative account from an expert author: *The Spartacus War* is the first popular history of the revolt in English. The Spartacus War is the extraordinary story of the most famous slave rebellion in the ancient world, the fascinating true story behind a legend that has been the inspiration for novelists, filmmakers, and revolutionaries for 2,000 years. Starting with only seventy-four men, a gladiator named Spartacus incited a rebellion that threatened Rome itself. With his fellow gladiators, Spartacus built an army of 60,000 soldiers and controlled the southern Italian countryside. A charismatic leader, he used religion to win support. An ex-soldier in the Roman army, Spartacus excelled in combat. He defeated nine Roman armies and kept Rome at bay for two years before he was defeated. After his final battle, 6,000 of his followers were captured and crucified along Rome's main southern highway. *The Spartacus War* is the dramatic and factual account of one of history's great rebellions. Spartacus was beaten by a Roman general, Crassus, who had learned how to defeat an insurgency. But the rebels were partly to blame for their failure. Their army was large and often undisciplined; the many ethnic groups within it frequently quarreled over leadership. No single leader, not even Spartacus, could keep them all in line. And when faced with a choice between escaping to freedom and looting, the rebels chose wealth over liberty, risking an eventual confrontation with Rome's most powerful forces. The result of years of research, *The Spartacus War* is based not only on written documents but also on

archaeological evidence, historical reconstruction, and the author's extensive travels in the Italian countryside that Spartacus once conquered.

Searching for Sappho: The Lost Songs and World of the First Woman Poet - Philip Freeman 2016-02-15

An exploration of the fascinating poetry, life, and world of Sappho, including a complete translation of all her poems. For more than twenty-five centuries, all that the world knew of the poems of Sappho—the first woman writer in literary history—were a few brief quotations preserved by ancient male authors. Yet those meager remains showed such power and genius that they captured the imagination of readers through the ages. But within the last century, dozens of new pieces of her poetry have been found written on crumbling papyrus or carved on broken pottery buried in the sands of Egypt. As recently as 2014, yet another discovery of a missing poem created a media stir around the world. The poems of Sappho reveal a remarkable woman who lived on the Greek island of Lesbos during the vibrant age of the birth of western science, art, and philosophy. Sappho was the daughter of an aristocratic family, a wife, a devoted mother, a lover of women, and one of the greatest writers of her own or any age. Nonetheless, although most people have heard of Sappho, the story of her lost poems and the lives of the ancient women they celebrate has never been told for a general audience. *Searching for Sappho* is the exciting tale of the rediscovery of Sappho's poetry and of the woman and world they reveal.

Saint Brigid's Bones: A Celtic Adventure (Sister Deirdre Mysteries) - Philip Freeman 2014-10-15

In an evocative Celtic novel set in a time when druids roamed the land, lively young sister Deirdre embarks on a mission to find the stolen bones of her convent's patron saint. In ancient Ireland, an island ruled by kings and druids, the nuns of Saint Brigid are fighting to keep their monastery alive. When the bones of Brigid go missing from their church, the theft threatens to destroy all they have worked for. No one knows the danger they face better than Sister Deirdre, a young nun torn between two worlds. Trained as a bard and raised by a druid grandmother, she must draw upon all of her skills, both as a bard and as a nun, to find the bones before the convent begins to lose faith.

Alexander the Great - Sean Patrick 2013-05-13

If you want to learn about one of history's greatest military commanders and uncover some of his secrets of drive—drive that enabled him and his small army to first subdue all of Greece and then the mighty Persian Empire—then you want to read this book. Some people like to think that geniuses are so inherently extraordinary that they navigate their journeys with clairvoyant ease. This simply isn't true. Greatness does not come lightly. It requires that you make sacrifices of time, interests, and—sometimes—possessions. The further you move toward greatness, the more greatness demands from you. But all barriers yield to one mythical quality: drive. The will to persist and overcome. To never give up. To never accept defeat. Few stories better illustrate this better than the life of one of the most extraordinary warriors the world has even known; a man of legendary ambition, will, and grit: Alexander the Great. In this book, you'll be taken on a whirlwind journey through Alexander's life and conquests, and not only learn about the successes and mistakes of one of history's greatest conquerors, but also how to awaken a fire in your own life and adventures. Read this book now and learn lessons from Alexander the Great on why drive is so vital to awakening your inner genius, and learn insights into the real power of purpose, how to defeat the insidious force of "Resistance" that holds us back, and more.

Egypt, Greece, and Rome - Charles Freeman 2004

Publisher description

Darius in the Shadow of Alexander - Pierre Briant 2015-01-05

Darius III ruled over the Persian Empire and was the most powerful king of his time, yet he remains obscure. In the first book devoted to the historical memory of Darius III, Pierre Briant describes a man depicted in ancient sources as a decadent Oriental who lacked Western masculine virtues and was in every way the opposite of Alexander the Great.

Alexander the Great - Philip Freeman 2011-01-04

A lively, entertaining, and historically accurate new biography of Alexander, with new insights into the Macedonian world that shaped him.
