

Alice And The Fly James Rice

Eventually, you will entirely discover a other experience and talent by spending more cash. nevertheless when? attain you admit that you require to get those every needs in the manner of having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more in the region of the globe, experience, some places, in imitation of history, amusement, and a lot more?

It is your completely own mature to put it on reviewing habit. in the course of guides you could enjoy now is **Alice And The Fly James Rice** below.

Walk - James Rice 2022-08-18

Prominent Families of New York -
Lyman Horace Weeks 1898

Malice Aforethought - Francis Iles
2018-09-12

"Possibly the best shocker ever written." – The English Review
Dr. Edmund Bickleigh married above his station. Although popular and well respected in his little Devonshire community, he seethes with resentment at the superior social status of his

domineering wife, Julia. Bickleigh soothes his inferiority complex by seducing as many of the local women as he possibly can – but with the collapse of his latest fling and a fresh dose of sneering contempt from Julia, the doctor resolves to silence his wife forever and begins plotting the perfect murder. With Malice Aforethought, Francis Iles produced not just a darkly comic narrative of psychological suspense but also a landmark in crime fiction: for the first time, the murderer's identity was revealed at the start of the tale. Hailed as a tour de force by the British press of its day, the book retains its shock value and stands at #16 in the Crime Writers' Association ranking of the Top 100 Crime Novels of All Time.

Tough Love - Susan Rice 2020-08-04

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies

that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya

and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often

mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

Finn - Jon Clinch 2017-05-06

This is the 10th-Anniversary Edition of *Finn*, with a new introduction by Jared Leto. In this masterful debut, Jon Clinch takes us on a journey into the history and heart of one of American literature's most brutal and mysterious figures: Huckleberry Finn's father. The result is a deeply original tour de force that springs from Twain's classic novel but takes

on a fully realized life of its own. Finn sets a tragic figure loose in a landscape at once familiar and mythic. It begins and ends with a lifeless body flayed and stripped of all identifying marks—drifting down the Mississippi. The circumstances of the murder, and the secret of the victim's identity, shape Finn's story as they will shape his life and his death. Along the way Clinch introduces a cast of unforgettable characters: Finn's terrifying father, known only as the Judge; his sickly, sycophantic brother, Will; blind Bliss, a secretive moonshiner; the strong and quick-witted Mary, a stolen slave who becomes Finn's mistress; and of course young Huck himself. In daring to re-create Huck for a new generation, Clinch gives us a living boy in all his human complexity—not

an icon, not a myth, but a real child facing vast possibilities in a world alternately dangerous and bright. Finn is a novel about race; about paternity in its many guises; about the shame of a nation recapitulated by the shame of one absolutely unforgettable family. Above all, Finn reaches back into the darkest waters of America's past to fashion something compelling, fearless, and new. Praise for Finn "A brutal, shocking and epic look in the mirror for all Americans."- Jared Leto, from the introduction "Ravishing...and a stand-alone marvel of a novel. Grade: A."- Entertainment Weekly "Clinch treads dangerous ground in making one of America's greatest novels his jumping-off point, but he brings it off magnificently."- Dallas Morning News "Clinch's riverbank Missouri

feels postapocalyptic, and his Pap Finn is a crazed yet wily survivor in a polluted landscape."- Newsweek "Finn strikes its most original chords in its bold imagining of possibilities left unexplored by Huckleberry Finn."- Austin American-Statesman "An inspired riff on one of literature's all-time great villains."- New Orleans Times-Picayune "A jolting companion to the mischievous antics of Huckleberry Finn."- Christian Science Monitor "A triumph of successful plotting, convincing characterization and lyrical prose."- Rocky Mountain News "Shocking and charming, A folk-art masterpiece."- New York Post "Disturbing and darkly compelling."- Hartford Courant "Jon Clinch pulls off the near impossible in his new novel, which brings Huck's dad to life in all his terrible

humanness."- Winston-Salem
Journal"Every fan of Twain's
masterpiece will want to read this
inspired spin-off, which could become
an unofficial companion volume."-
Library Journal, starred review"Finn
is as dark, as brutal, as ambivalent,
and as insane as the history and
legacy of American racial slavery."-
Mary Gaitskill, author of Veronica
"Clinch's tale is not only filled
with echoes of the great American
classic to which it is tied; it is
destined to become one itself."- Sara
Gruen, author of Water for Elephants
Five Decembers - James Kestrel
2021-10-26
Winner of the 2022 The Edgar Best
Novel Award "War, imprisonment,
torture, romance...The novel has an
almost operatic symmetry, and Kestrel
turns a beautiful phrase."New York

Times Five Decembers is a gripping
thriller, a staggering portrait of
war, and a heartbreaking love story,
as unforgettable as All the Light We
Cannot See. nominated for Best Novel
in the 2022 EDGAR AWARDS NOMINATED
FOR BEST THRILLER IN THE 2022 BARRY
AWARDS FINALIST FOR THE HAMMETT PRIZE
2021 "Read this book for its
palpitating story, its perfect
emotional and physical detailing and,
most of all, for its unforgettable
conjuring of a steamy quicksilver
world that will be new to almost
every reader." Pico Iyer December
1941. America teeters on the brink of
war, and in Honolulu, Hawaii, police
detective Joe McGrady is assigned to
investigate a homicide that will
change his life forever. Because the
trail of murder he uncovers will lead
him across the Pacific, far from home

and the woman he loves; and though the U.S. doesn't know it yet, a Japanese fleet is already steaming toward Pearl Harbor. This extraordinary novel is so much more than just a gripping crime story—it's a story of survival against all odds, of love and loss and the human cost of war. Spanning the entirety of World War II, *FIVE DECEMBERS* is a beautiful, masterful, powerful novel that will live in your memory forever.

Gullah Night Before Christmas - Geraty, Virginia M.

A version, told in the Gullah dialect, of the familiar poem about the annual Christmas visit of Santa Claus in which "Sandy Claw" is represented by "Buh Rabbit."

American Time Bomb - Chicago Review Press, Incorporated 2021-09-07

"American Time Bomb is a vital read for this moment." —Heather Ann Thompson, author of the Pulitzer Prize-winning *Blood in the Water: The Attica Prison Uprising of 1971 and Its Legacy* Few stories are more central to understanding our history of racially biased incarceration and violent social activism than the life of Sam Melville. Melville was both reviled and admired as one of the most feared radicals in post-World War II history. His importance in the 1960s is widely recognized by historians and scholars as epitomizing the controversies, the promise, and the problems of the New Left. This memoir by Melville's son opens a window into the personal life of a legend, revealing the universal and all-too-human foibles motivating those driven to make change through

violence. In the current political climate, at the fiftieth anniversary of the Attica Uprising, this nation grows increasingly interested in the racially biased incarceration and violent social activism that has shaped our nation. There are few stories more central to both subjects than the life of Sam Melville, who was often called "the Mad Bomber." American Time Bomb is a son's personal portrait based on years of investigation of Melville's story and the history he helped to create. Joshua Melville's personal connection to the story gives a gut-wrenching multigenerational tale of childhood abandonment but also adds a compelling historical study of politics, history, and issues of social justice.

The Puttermesser Papers - Cynthia

Ozick 1998-06-30

With dashing originality and in prose that sings like an entire choir of sirens, Cynthia Ozick relates the life and times of her most compelling fictional creation. Ruth Puttermesser lives in New York City. Her learning is monumental. Her love life is minimal (she prefers pouring through Plato to romping with married Morris Rappoport). And her fantasies have a disconcerting tendency to come true - with disastrous consequences for what we laughably call "reality." Puttermesser yearns for a daughter and promptly creates one, unassisted, in the form of the first recorded female golem. Laboring in the dusty crevices of the civil service, she dreams of reforming the city - and manages to get herself elected mayor. Puttermesser contemplates the

afterlife and is hurtled into it headlong, only to discover that a paradise found is also paradise lost. Overflowing with ideas, lambent with wit, *The Puttermesser Papers* is a tour de force by one of our most visionary novelists. "The finest achievement of Ozick's career... It has all the buoyant integrity of a Chagall painting." -San Francisco Chronicle "Fanciful, poignant... so intelligent, so finely expressed that, like its main character, it remains endearing, edifying, a spark of light in the gloom." -The New York Times "A crazy delight." -The New York Time Book Review

No Heaven for Good Boys - Keisha Bush
2022-04-05

NEW YORK TIMES EDITORS' CHOICE • Set in Senegal, this modern-day *Oliver Twist* is a meditation on the power of

love and the strength that can emerge when we have no other choice but to survive. "I loved this book because it is a story about generations of parents and children saving one another with a love so powerful that it transcends distance, time, and reason."—Ann Napolitano, New York Times bestselling author of *Dear Edward* Six-year-old Ibrahimah loves snatching pastries from his mother's kitchen, harvesting string beans with his father, and searching for sea glass with his sisters. But when he is approached in his rural village one day by Marabout Ahmed, a seemingly kind stranger and highly regarded teacher, the tides of his life turn forever. Ibrahimah is sent to the capital city of Dakar to join his cousin Étienne in studying the Koran under Marabout Ahmed for a

year, but instead of the days of learning that Ibrahimah's parents imagine, the young boys, called Talibé, are forced to beg in the streets in order to line their teacher's pockets. To make it back home, Étienne and Ibrahimah must help each other survive both the dangers posed by their Marabout, and the darker sides of Dakar: threats of black-market organ traders, rival packs of Talibé, and mounting student protest on the streets. Drawn from real incidents and transporting readers between rural and urban Senegal, *No Heaven for Good Boys* is a tale of hope, resilience, and the affirming power of love.

A Town Like Alice - Nevil Shute
2021-12-24

"*A Town Like Alice*" by Nevil Shute.
Published by Good Press. Good Press

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Fellowship Point - Alice Elliott Dark
2022-07-05

NATIONAL BESTSELLER

"Engrossing...studded with wisdom about long-held bonds." —People, Book of the Week
"Enthralling, masterfully written...rich with social and psychological insights." —The New

York Times Book Review “A magnificent storytelling feat.” –The Boston Globe
The “utterly engrossing, sweeping” (Time) story of a lifelong friendship between two very different “superbly depicted” (The Wall Street Journal) women with shared histories, divisive loyalties, hidden sorrows, and eighty years of summers on a pristine point of land on the coast of Maine, set across the arc of the 20th century. Celebrated children’s book author Agnes Lee is determined to secure her legacy—to complete what she knows will be the final volume of her pseudonymously written Franklin Square novels; and even more consuming, to permanently protect the peninsula of majestic coast in Maine known as Fellowship Point. To donate the land to a trust, Agnes must convince shareholders to dissolve a

generations-old partnership. And one of those shareholders is her best friend, Polly. Polly Wister has led a different kind of life than Agnes: that of a well-off married woman with children, defined by her devotion to her husband, a philosophy professor with an inflated sense of stature. She strives to create beauty and harmony in her home, in her friendships, and in her family. Polly soon finds her loyalties torn between the wishes of her best friend and the wishes of her three sons—but what is it that Polly wants herself? Agnes’s designs are further muddled when an enterprising young book editor named Maud Silver sets out to convince Agnes to write her memoirs. Agnes’s resistance cannot prevent long-buried memories and secrets from coming to light with far-reaching repercussions

for all. "An ambitious and satisfying tale" (The Washington Post), Fellowship Point reads like a 19th-century epic, but it is entirely contemporary in its "reflections on aging, writing, stewardship, legacies, independence, and responsibility. At its heart, Fellowship Point is about caring for the places and people we love...This magnificent novel affirms that change and growth are possible at any age" (The Christian Science Monitor).

The Shock of the Fall - Nathan Filer
2014-02-10

This book has also been published as *Where the Moon Isn't*. Winner of the 2013 Costa First Award "A stunning novel. Ambitious and exquisitely realized . . . clearly the work of a major new talent." -S. J. Watson, New York Times bestselling

author of *Before I Go to Sleep* While on vacation with their parents, Matthew Homes and his older brother snuck out in the middle of the night. Only Matthew came home safely. Ten years later, Matthew tells us, he has found a way to bring his brother back... What begins as the story of a lost boy turns into a story of a brave man yearning to understand what happened that night, in the years since, and to his very person. Unafraid to look at the shadows of our hearts, Nathan Filer's rare and brilliant debut *The Shock of the Fall* shows us the strength that is rooted in resilience and love.

Nagging for Beginners - Wendy Harmer
2006-12-01

A wickedly funny little illustrated gift book on the art of nagging - perfect for women to give to their

partners (and for very brave men to give to their wives0C) - from Australia's Queen of Comedy, Wendy Harmer."

The Taco Truck - Robert Lemon

2019-05-16

Icons of Mexican cultural identity and America's melting pot ideal, taco trucks have transformed cityscapes from coast to coast. The taco truck radiates Mexican culture within non-Mexican spaces with a presence-- sometimes desired, sometimes resented--that turns a public street corner into a bustling business. Drawing on interviews with taco truck workers and his own skills as a geographer, Robert Lemon illuminates new truths about foodways, community, and the unexpected places where ethnicity, class, and culture meet. Lemon focuses on the Bay Area,

Sacramento, and Columbus, Ohio, to show how the arrival of taco trucks challenge preconceived ideas of urban planning even as cities use them to reinvent whole neighborhoods. As Lemon charts the relationships between food practices and city spaces, he uncovers the many ways residents and politicians alike contest, celebrate, and influence not only where your favorite truck parks, but what's on the menu.

The Mirror World of Melody Black -

Gavin Extence 2015-03-12

It all starts, as these things sometimes do, with a dead man. He was a neighbour, not someone Abby knew well, but still, finding a body when you only came over to borrow a tin of tomatoes, that comes as a bit of a shock. At least, it should. And now she can't shake the feeling that if

she hadn't gone into Simon's flat, if she'd had her normal Wednesday night instead, then none of what happened next would have happened. And she would never have met Melody Black . . . Wild and witty, searing and true, THE MIRROR WORLD OF MELODY BLACK is about the fine line that separates normal from not - and how life can spin, very swiftly, out of control.

A Woman Rice Planter - Elizabeth Waties Allston Pringle 1913

A collection of Pringle's weekly columns in the New York Sun. Her father had been a governor and a rice planter in Georgetown County, South Carolina. Her family spent summers on Pawley's Island and owned the Nathaniel Russell House in Charleston.

Alice and the Fly - James Rice
2016-05-03

Greg is cripplingly shy, afraid of spiders, and obsessed with Breakfast at Tiffany's. He's not exactly the most popular kid at his high school. In fact, he pretty much goes out of his way to avoid talking to anybody he doesn't have to. And it doesn't help that he has a severe lisp. But Greg's English teacher, Miss Hayes, can see that there's something different about him. He's insightful and sensitive beyond his years, and maybe--just maybe--he'll use these strengths to break out of his shell someday. Miss Hayes urges Greg to keep a journal. "This isn't an assignment," she tells him, "just write down your thoughts." Greg begins to write about everything from his mother's ill-conceived interior decorating ideas to his job at the local butcher's shop. When Greg

begins to take an interest in a girl at his school named Alice, he realizes that he will have to face his most paralyzing anxieties if he wants to befriend Alice and help her escape from her violent family life.

Flygirl - Sherri L. Smith 2010-09-16

For fans of Unbroken and Ruta Sepetys. All Ida Mae Jones wants to do is fly. Her daddy was a pilot, and years after his death she feels closest to him when she's in the air. But as a young black woman in 1940s Louisiana, she knows the sky is off limits to her, until America enters World War II, and the Army forms the WASP-Women Airforce Service Pilots. Ida has a chance to fulfill her dream if she's willing to use her light skin to pass as a white girl. She wants to fly more than anything, but Ida soon learns that denying one's

self and family is a heavy burden, and ultimately it's not what you do but who you are that's most important. Read Sherri L. Smith's posts on the Penguin Blog

On Earth We're Briefly Gorgeous - Ocean Vuong 2021-06-01

An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian,

Publishers Weekly, and more. “A lyrical work of self-discovery that’s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” –Ron Charles, The Washington Post

Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling. *On Earth We’re Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born – a history whose epicenter is rooted in Vietnam – and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable

love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We’re Briefly Gorgeous* is as much about the power of telling one’s own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal,

TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!

La Nochebuena South of the Border - James Rice 1993

In this bilingual version of "The Night before Christmas," Santa has become Papâa Noel and his reindeer have been replaced with eight burros pulling a cart.

Gaston the Green-Nosed Alligator - 1976

Ten Days in the Hills - Jane Smiley 2007-02-13

In the aftermath of the 2003 Academy

Awards, Max and Elena- he's an Oscar-winning writer/director-open their Hollywood Hills home to a group of friends and neighbors, industry insiders and hangers-on, eager to escape the outside world and dissect the latest news, gossip, and secrets of the business. Over the next ten days, old lovers collide, new relationships form, and sparks fly, all with Smiley's signature sparkling wit and characterization. With its breathtaking passion and sexy irreverence, *Ten Days in the Hills* is a glowing addition to the work of one of our most beloved novelists.

Alice and the Fly - James Rice 2015-01-15

This is a book about phobias and obsessions, isolation and dark corners. It's about families, friendships, and carefully preserved

secrets. But above everything else it's about love. Finding love - in any of its forms - and nurturing it. Miss Hayes has a new theory. She thinks my condition's caused by some traumatic incident from my past I keep deep-rooted in my mind. As soon as I come clean I'll flood out all these tears and it'll all be ok and I won't be scared of Them anymore. The truth is I can't think of any single traumatic childhood incident to tell her. I mean, there are plenty of bad memories - Herb's death, or the time I bit the hole in my tongue, or Finners Island, out on the boat with Sarah - but none of these are what caused the phobia. I've always had it. It's Them. I'm just scared of Them. It's that simple.

The Scoundrel's Daughter - Anne Gracie 2021-08-24

When Lady Charlton is forced into becoming London's most reluctant matchmaker, sparks fly and romance ensues, from the national bestselling author of *Marry in Scarlet*. Alice, Lady Charlton, newly-widowed and eager to embrace a life free of her domineering husband is devastated when a scoundrel appears, brandishing letters that could ruin her. To prevent their publication he wants Alice to find a noble husband—a lord!—for his daughter, Lucy. Alice is forced to agree to his blackmail but when Lucy arrives, she has absolutely no interest in her father's scheme. A lord, she says, will only look down his nose at her—and she's having none of that! Desperate to retrieve the letters, Alice enlists the aid of her handsome young nephew, Gerald, who in turn

seeks the help of his former commanding officer, James, Lord Tarrant. James is soon beguiled by the marriage-averse lady and sets out to teach her about love. Meanwhile, Gerald and Lucy strike sparks each time they meet. To combat the dastardly plot, Alice and Lucy must learn to trust each other. But can Alice put the past behind her and open her heart to love?

Upgrade - Blake Crouch 2022-07-12
NEW YORK TIMES BESTSELLER • “If Michael Crichton had written a superhero novel, it would look a lot like Upgrade.”—The New York Times Book Review “You don’t so much sympathize with the main character as live inside his skin.”—DIANA GABALDON, #1 New York Times bestselling author of the Outlander series “Mysterious, fascinating, and

deeply moving—exploring the very nature of what it means to be human.”—ALEX MICHAELIDES, #1 New York Times bestselling author of The Silent Patient and The Maiden The mind-blowing new thriller from the New York Times bestselling author of Dark Matter and Recursion—currently in development as a motion picture at Steven Spielberg's Amblin Partners “You are the next step in human evolution.” At first, Logan Ramsay isn’t sure if anything’s different. He just feels a little . . . sharper. Better able to concentrate. Better at multitasking. Reading a bit faster, memorizing better, needing less sleep. But before long, he can’t deny it: Something’s happening to his brain. To his body. He’s starting to see the world, and those around him—even those he loves most—in whole

new ways. The truth is, Logan's genome has been hacked. And there's a reason he's been targeted for this upgrade. A reason that goes back decades to the darkest part of his past, and a horrific family legacy. Worse still, what's happening to him is just the first step in a much larger plan, one that will inflict the same changes on humanity at large—at a terrifying cost. Because of his new abilities, Logan's the one person in the world capable of stopping what's been set in motion. But to have a chance at winning this war, he'll have to become something other than himself. Maybe even something other than human. And even as he's fighting, he can't help wondering: what if humanity's only hope for a future really does lie in engineering our own evolution?

Intimate in scale yet epic in scope, Upgrade is an intricately plotted, lightning-fast tale that charts one man's thrilling transformation, even as it asks us to ponder the limits of our humanity—and our boundless potential.

Carry the One - Carol Anshaw
2012-03-06

Carry the One begins in the hours following Carmen's wedding reception, when a car filled with stoned, drunk, and sleepy guests accidentally hits and kills a girl on a dark country road. For the next twenty-five years, those involved, including Carmen and her brother and sister, craft their lives in response to this single tragic moment. As one character says, "When you add us up, you always have to carry the one." Through friendships and love affairs;

marriage and divorce; parenthood, holidays, and the modest calamities and triumphs of ordinary days, Carry the One shows how one life affects another and how those who thrive and those who self-destruct are closer to each other than we'd expect. As they seek redemption through addiction, social justice, and art, Anshaw's characters reflect our deepest pain and longings, our joys, and our transcendent moments of understanding. This wise, wry, and erotically charged novel derives its power and appeal from the author's exquisite use of language; her sympathy for her recognizable, very flawed characters; and her persuasive belief in the transforming forces of time and love.

Face to Face - Brian Grazer
2019-09-17

Featured on CBS This Morning, Squawk Box, MSNBC, CNN, Bloomberg, Forbes, Fast Company, The New York Times, and more. "Reading Face to Face is like being a fly on the wall, watching Brian Grazer work his magic. Utterly entertaining, this is how you become Hollywood's best producer." –Malcolm Gladwell, author of Talking to Strangers
Legendary Hollywood producer and author of the bestselling A Curious Mind, Brian Grazer is back with a captivating new book about the life-changing ways we can connect with one another. Much of Brian Grazer's success—as a #1 New York Times bestselling author, Academy Award-winning producer, father, and husband—comes from his ability to establish genuine connections with almost anyone. In Face to Face, he takes you around the

world and behind the scenes of some of his most iconic movies and television shows, like A Beautiful Mind, Empire, Arrested Development, American Gangster, and 8 Mile, to show just how much in-person encounters have revolutionized his life—and how they have the power to change yours. With his flair for intriguing stories, Grazer reveals what he's learned through interactions with people like Bill Gates, Taraji P. Henson, George W. Bush, Barack Obama, Eminem, Prince, Spike Lee, and the Afghani rapper activist Sonita: that the secret to a bigger life lies in personal connection. In a world where our attention is too often focused downward at our devices, Grazer argues that we are missing an essential piece of the human

experience. Only when we are face to face, able to look one another in the eyes, can we form the kinds of connections that expand our world views, deepen our self-awareness, and ultimately lead to our greatest achievements and most meaningful moments. When we lift our eyes to look at the person in front of us, we open the door to infinite possibility.

Nine - Zach Hines 2018-08-07

In this twisted Lauren Oliver-meets-A.S. King debut, Julian has just eight more lives to burn in order to uncover a brutal secret. In an alternate world startlingly close to our own, humans have nine lives—and they can't wait to use them up. The government has death incentives aimed at controlling overpopulation. As you shed lives, you shed your awkward

phases: one death is equal to one physical and mental upgrade. Julian's friends are obsessed with the idea of burning, but Julian is determined to stay on his first life for as long as he can. His mother burned too fast and inflicted a debilitating rebirth sickness on herself. Julian realizes that he's going to have to burn at some point—especially when he becomes a target for Nicholas, the manipulative leader of the Burners, the school's suicide club. And when Julian eventually succumbs, he uncovers suspicious gaps in the rebirth system that may explain exactly why his mother went so far down the rabbit hole years ago. Along with a group of student dissenters, Julian sets out to find answers and is soon on the verge of exposing the greatest conspiracy ever unleashed on

the world.

The Lemon Grove - Helen Walsh
2014-02-25

Set on the rugged, mountainous west coast of Mallorca, this taut, sultry, brilliantly paced novel is an urgent meditation on female desire, the vicissitudes of marriage and the allure of youth. Taking place over the course of one week, *The Lemon Grove* lands in the heat of Deia, a village on an island off the southeast coast of Spain. Jenn and Greg are on their annual holiday to enjoy languorous, close afternoons by the pool, and relaxed dinners overlooking the rocks. But the equilibrium is upset by the arrival of their teenage daughter, Emma, and her boyfriend, Nathan. Jenn, in her early forties, loves her (older) husband and her (step)daughter and is

content with her life, she thinks. But when this beautiful, reckless young man comes into her world, she is caught by a sexual compulsion that she's seldom felt before. As the lines hotly blur between attraction, desire and obsession, Jenn's world is thrown into tumult--by Nathan's side, she could be young and carefree once again, and at this stage in her life, the promise of youth is every bit as seductive as the promise of passion. Jenn struggles between the conflicting pulls of resistance and release, and the events of the next few days have the potential to put lives in jeopardy as the players carry out their roles in this unstoppably sexy and unputdownable novel from a brilliant observer of the human condition.

The Factory - Hiroko Oyamada

2019-10-29

The English-language debut of Hiroko Oyamada—one of the most powerfully strange young voices in Japan The English-language debut of one of Japan's most exciting new writers, *The Factory* follows three workers at a sprawling industrial factory. Each worker focuses intently on the specific task they've been assigned: one shreds paper, one proofreads documents, and another studies the moss growing all over the expansive grounds. But their lives slowly become governed by their work—days take on a strange logic and momentum, and little by little, the margins of reality seem to be dissolving: Where does the factory end and the rest of the world begin? What's going on with the strange animals here? And after a while—it could be weeks or years—the

three workers struggle to answer the most basic question: What am I doing here? With hints of Kafka and unexpected moments of creeping humor, *The Factory* casts a vivid—and sometimes surreal—portrait of the absurdity and meaninglessness of the modern workplace.

Rebecca's Daughters - Dylan Thomas
1982

The escapades of a mid-nineteenth-century Welsh squire who leads a band of peasants in daring raids, designed to intimidate the gentry

How We Disappeared - Jing-Jing Lee
2019-05-07

A twenty-first-century twelve-year-old seeks the truth behind his grandmother's trauma in this moving novel of family, love, memory, and the toll of war. Singapore, 1942. As Japanese troops sweep down Malaysia

and into Singapore, a village is ransacked, leaving only two survivors and one tiny child. In a neighboring village, seventeen-year-old Wang Di is strapped into the back of a troop carrier and shipped off to a Japanese military brothel where she is forced into sexual slavery as a “comfort woman.” After sixty years of silence, what she saw and experienced still haunts her. In the year 2000, twelve-year-old Kevin is sitting beside his ailing grandmother when he overhears a mumbled confession. He sets out to discover the truth, wherever it might lead, setting in motion a chain of events he never could have foreseen. Weaving together two timelines and two very big secrets, this stunning debut opens a window on a little-known period of history, revealing the strength and bravery shown by

numerous women in the face of terrible cruelty. Drawing in part on her family's experiences, Jing-Jing Lee has crafted a profoundly moving, unforgettable novel about human resilience, the bonds of family and the courage it takes to confront the past. Perfect for fans of Pachinko and We Were the Lucky Ones. Praise for How We Disappeared A Library Journal Emerging Stars Pick "This is a brilliant, heart-breaking story with an unforgettable image of how women were silenced and disappeared by both war and culture." –Xinran, author of The Good Women of China "An exquisite mystery, an enthralling novel. Equally touching and intriguing." –Eoin Dempsey, author of White Rose, Black Forest "A beautifully written, suspenseful story of redemption and healing."

–Booklist, starred review "A . . . story about memory, trauma and ultimately love, How We Disappeared explores the impact of the Japanese invasion of Singapore on the local people, in particular on the hellishly misnamed "Comfort Women.""
–New York Times

Walk - James Rice 2022-08-18
Stephen had seemed enthusiastic about the walk, when Benny first invited him. He kept going on about how amazing it'd be, the two of them out in the wilderness - the landscape shots, the pubs, etc., etc. Benny didn't interrupt this stream of enthusiasm. They were in the car park of the Miners, and Benny was too busy concentrating on his own stream of piss. He didn't think about it at all until the next morning. When he remembered inviting Stephen, Benny

laughed out loud - a single ha - then spent three minutes silent-screaming into his pillow. **** Benny thought that it would be him and his dad doing the walk. Just him and his father, hiking through the Welsh countryside, like they used to. Only, when his dad got ill, it became obvious that this would never happen. So Benny was forced to consider other options. If Benny is honest, him and Stephen haven't been close since school, but once Benny had drunkenly blurted out the invitation, he couldn't take it back. Now Benny and Stephen are on the walk. A walk Benny has vowed to finish, no matter how hard it is. But as food runs low and money runs out, Stephen and Benny find themselves stranded on the edge of the world, far from home, where the possibility of return is becoming

increasingly distant...

The Music of James Bond - Jon Burlingame 2012-10-11

Chronicles all the behind-the-scenes stories of every song and score written for the James Bond films and draws from new interviews with many of the songwriters and composers.

Mr. Campion's Wings - Mike Ripley 2021-12-01

A gruesome discovery at an aircraft hanger leads Albert Campion into a turbulent mystery set in Cambridge in the middle of the Cold War. "I have often said that my wife is a constant surprise to me." Cambridge, 1965. The honorary doctorate ceremony for Albert Campion's wife takes a dramatic turn when Lady Amanda is arrested by Special Branch for breaking the Official Secrets Act. Never before having taken much

interest in his wife's work in cutting-edge aircraft design, Mr. Campion sets out to discover more about the top-secret Goshawk Project in which Amanda is involved. He quickly realizes he is not the only one keen to learn the secrets of the project. When a badly mutilated body is discovered at the Goshawk Project's hangar - the result, it would appear, of a bizarre accident - Campion is drawn into a turbulent mix of industrial espionage and matters of national security. And as he attempts to get to the bottom of the deadly goings-on, it seems that the bicycles and punts are almost as dangerous as the aircraft . . .

Liner Notes for the Revolution -

Daphne A. Brooks 2021-02-23

An award-winning Black feminist music critic takes us on an epic journey

through radical sound from Bessie Smith to Beyoncé. Daphne A. Brooks explores more than a century of music archives to examine the critics, collectors, and listeners who have determined perceptions of Black women on stage and in the recording studio. How is it possible, she asks, that iconic artists such as Aretha Franklin and Beyoncé exist simultaneously at the center and on the fringe of the culture industry? Liner Notes for the Revolution offers a startling new perspective on these acclaimed figures—a perspective informed by the overlooked contributions of other Black women concerned with the work of their musical peers. Zora Neale Hurston appears as a sound archivist and a performer, Lorraine Hansberry as a queer Black feminist critic of modern

culture, and Pauline Hopkins as America's first Black female cultural commentator. Brooks tackles the complicated racial politics of blues music recording, song collecting, and rock and roll criticism. She makes lyrical forays into the blues pioneers Bessie Smith and Mamie Smith, as well as fans who became critics, like the record-label entrepreneur and writer Rosetta Reitz. In the twenty-first century, pop superstar Janelle Monae's liner notes are recognized for their innovations, while celebrated singers Cécile McLorin Salvant, Rhiannon Giddens, and Valerie June take their place as cultural historians. With an innovative perspective on the story of Black women in popular music—and who should rightly tell it—Liner Notes for the Revolution pioneers a

long overdue recognition and celebration of Black women musicians as radical intellectuals.

The Maids - Jun'ichirō Tanizaki 2017
A major discovery: Tanizaki's wonderful final novel--now in English
In The Gloaming - Alice Elliott Dark
2022-05-24

From the author of *Think of England* and *Fellowship Point*, a captivating collection of stories—the title piece successfully made into an HBO film—about the complex relationships between lovers, spouses, neighbors, and family members. By turns funny, sad, and disturbing, these are stories of remarkable power. When the austere and moving title story of this collection appeared in *The New Yorker* in 1993, it inspired two memorable film adaptations, and John Updike selected it for inclusion in

The Best American Short Stories of the Century. In these ten stories, Alice Elliott Dark visits the fictional town of Wynnemoor and its residents, present and past, with skill, compassion, and wit.

An Everlasting Meal - Tamar Adler

2012-06-19

A practical guide to cooking and eating well regardless of financial circumstances explains how to shop and cook with an eye toward future meals while using scraps and leftovers to prepare nutritious, satisfying secondary foods.
