Stuntboy, in the Meantime - Jason Reynolds 2021-11-30
A Schneider Family Award Honor Book for Middle Grade From Newbery Medal honoree and #1 New York Times bestselling author Jason Reynolds comes a hilarious, hopeful, and action-packed middle grade novel about the greatest young superhero you've never heard of, filled with illustrations by Raúl the Third! Portico Reeves's superpower is making sure all the other superheroes—like his parents and two best friends—stay super. And safe. Super safe. And he does this all in secret. No one in his civilian life knows he's actually...Stuntboy! But his regular Portico identity is pretty cool, too. He lives in the biggest house on the block, maybe in the whole city, which basically makes it a castle. His mom calls where they live an apartment building. But a building with fifty doors just in the hallways is definitely a castle. And behind those fifty doors live a bunch of different people who Stuntboy saves all the time. In fact, he's the only reason the cat, New Name Every Day, has nine lives. All this is swell except for Portico's other secret, his not-so-super secret. His parents are fighting all the time. They're trying to hide it by repeatedly telling Portico to go check on a neighbor "in the meantime." But Portico knows "meantime" means his parents are heading into the Mean Time which means they're about to get into it, and well, Portico's superhero responsibility is to save them, too—as soon as he figures out how. Only, all these secrets give Portico the worry wiggles, the frets, which his mom calls anxiety. Plus, like all superheroes, Portico has an arch-nemesis who is determined to prove that there is nothing super about Portico at all.

I Can't Breathe - Matt Taibbi 2018-09-04

A work of riveting literary journalism that explores the roots and repercussions of the infamous killing of Eric Garner by the New York City police—from the bestselling author of *The Divide* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE WASHINGTON POST On July 17, 2014, a forty-three-year-old black man named Eric Garner died on a Staten Island sidewalk after a police officer put him in what has been described as an illegal chokehold during an arrest for selling bootleg cigarettes. The final moments of Garner's life were captured on video and seen by millions. His agonized last words, "I can't breathe," became a rallying cry for the nascent Black Lives Matter protest movement. A grand jury ultimately declined to indict the officer who wrestled Garner to the pavement. Matt Taibbi's deeply reported retelling of these events liberates Eric Garner from the abstractions of newspaper accounts and lets us see the man in full—with all his flaws and contradictions intact. A husband and father with a complicated personal history, Garner was neither villain nor victim, but a fiercely proud individual determined to do the best he could for his family, bedeviled by bad luck, and ultimately subdued by forces beyond his control. In America, no miscarriage of justice exists in isolation, of course, and in *I Can't Breathe* Taibbi also examines the conditions that made this tragedy possible. Featuring vivid vignettes of life on the street and inside our Kafkaesque court system, Taibbi's kaleidoscopic account illuminates issues around policing, mass incarceration, the underground economy, and racial disparity in law enforcement. No one emerges unsullied, from the conservative district attorney who half-heartedly prosecutes the case to the progressive mayor caught between the demands of outraged activists and the foot-dragging of recalcitrant police officials. A masterly narrative of urban America and a scathing indictment of the perverse incentives built into our penal system, *I Can't Breathe* drills down into the particulars of one case to confront us with the human cost of our broken approach to dispensing criminal justice. "Brilliant . . . Taibbi is unsparing in his

excoriation of the system, police, and courts. . . . This is a necessary and riveting work."—Booklist (starred review)

The Hate U Give - Angie Thomas 2018-08

Read the book that inspired the movie! Sixteen-year-old Starr lives in two worlds: the poor neighbourhood where she was born and raised and her posh high school in the suburbs. The uneasy balance between them is shattered when Starr is the only witness to the fatal shooting of her unarmed best friend, Khalil, by a police officer. Now what Starr says could destroy her community. It could also get her killed. Inspired by the Black Lives Matter movement, this is a powerful and gripping novel about one girl's struggle for justice.

Rest in Power - Sybrina Fulton 2018-05-01

Trayvon Martin's parents take readers beyond the news cycle with an account only they could give: the intimate story of a tragically foreshortened life and the rise of a movement. "A

reminder—not only of Trayvon’s life and death but of the vulnerability of black lives in a country that still needs to be reminded they matter.”—USA Today Now a docuseries on the Paramount Network produced by Shawn Carter Years after his tragic death, Trayvon Martin’s name is still evoked every day. He has become a symbol of social justice activism, as has his hauntingly familiar image: the photo of a child still in the process of becoming a young man, wearing a hoodie and gazing silently at the camera. But who was Trayvon Martin, before he became, in death, an icon? And how did one black child’s death on a dark, rainy street in a small Florida town become the match that lit a civil rights crusade? Rest in Power, told through the compelling alternating narratives of his parents, Sybrina Fulton and Tracy Martin, answers those questions from the most intimate of sources. The book takes us beyond the news cycle and familiar images to give the account that only his parents can offer: the story of the beautiful and complex child they lost, the cruel unresponsiveness of the police and the hostility of the legal system, and an inspiring journey from grief and pain to power, and from tragedy and senselessness to purpose.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The Grace Year - Kim Liggett 2019-10-08

The Instant New York Times Bestseller! A speculative thriller in the vein of *The Handmaid’s Tale* and *The Power*. Optioned by Universal and Elizabeth Banks to be a major motion picture! “A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett’s deeply suspenseful book brilliantly

explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that’s equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn’t stop reading.” - Libba Bray, New York Times bestselling author *Survive the Year*. No one speaks of the grace year. It’s forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That’s why they’re banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn’t pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it’s not just the brutal elements they must fear. It’s not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

As sixteen-year-old Aidan Donovan’s fractured family disintegrates around him, he searches for solace in a few bumps of Adderall, his father’s wet bar, and the attentions of his local priest, Father Greg—the only adult who actually listens to him. When Christmas hits, Aidan’s world collapses in a crisis of trust when he recognizes the darkness of Father Greg’s affections. He turns to a crew of new friends to help make sense of his life: Josie, the girl he just might love; Sophie, who’s a little wild; and Mark, the charismatic swim team captain whose own secret agonies converge with Aidan’s. *The Gospel of Winter* maps the ways love can be used as a weapon against the innocent—but can also, in the right hands, restore hope and even faith. Brendan Kiely’s unflinching and courageous debut novel exposes the damage from the secrets we keep and proves that in truth, there is power. And real love.

Stamped from the Beginning - Ibram X. Kendi 2016-04-12

The National Book Award winning history of how racist ideas were created, spread, and deeply rooted in American society. Some Americans insist that we're living in a post-racial society. But racist thought is not just alive and well in America -- it is more sophisticated and more insidious than ever. And as award-winning historian Ibram X. Kendi argues, racist ideas have a long and lingering history, one in which nearly every great American thinker is complicit. In this deeply researched and fast-moving narrative, Kendi chronicles the entire story of anti-black racist ideas and their staggering power over the course of American history. He uses the life stories of five major American intellectuals to drive this history: Puritan minister Cotton Mather, Thomas Jefferson, abolitionist William Lloyd Garrison, W.E.B. Du Bois, and legendary activist Angela Davis. As Kendi shows, racist ideas did not arise from ignorance or hatred. They were created to justify and rationalize deeply entrenched discriminatory

policies and the nation's racial inequities. In shedding light on this history, *Stamped from the Beginning* offers us the tools we need to expose racist thinking. In the process, he gives us reason to hope.

Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

For Every One - Jason Reynolds 2018-04-10

"A lyrical masterpiece." —School Library Journal (starred review) Originally performed at the Kennedy Center for the unveiling of the Martin Luther King Jr. Memorial, and later as a tribute to Walter Dean Myers, this stirring and inspirational poem is New York Times bestselling author and National Book Award finalist Jason Reynolds's rallying cry to the young dreamers of the world. *For Every One* is exactly that: for every one. For every one person. For every one who has a dream. But especially for every kid. The kids who dream of being better than they are. Kids who dream of doing more than they almost dare to imagine. Kids who are like Jason Reynolds, a self-professed dreamer. Jason does not claim to know how to make dreams come true; he has, in fact, been fighting on the front line of his own battle to make his own dreams a reality. He expected to make it when he was sixteen. Then eighteen. Then twenty-five. Now, some of those expectations have been realized. But others, the most important ones, lay ahead, and a lot of them involve kids, how to inspire them: All the kids who are scared to dream, or don't know how to dream, or don't dare to dream because they've NEVER seen a dream come true. Jason wants kids to know that dreams take time. They involve countless struggles. But no matter how many

times a dreamer gets beat down, the drive and the passion and the hope never fully extinguishes—because simply having the dream is the start you need, or you won't get anywhere anyway, and that is when you have to take a leap of faith. A pitch-perfect graduation, baby, or inspirational gift for anyone who needs to be reminded of their own abilities—to dream.

“A smart, sensitive, and gripping story about the courage it takes to do what's right.” —Deb Caletti, National Book Award finalist
Critically acclaimed memoirist Aaron Hartzler, author of *Rapture Practice*, takes an unflinching look at what happens to a small town when some of its residents commit a terrible crime. The party at John Doone's last Saturday night is a bit of a blur. Kate Weston can piece together most of the details: Stacey Stallard handing her shots, Ben Cody taking her keys and getting her home early... But when a picture of Stacey passed out over Deacon Mills's shoulder appears online the next morning, Kate suspects she doesn't have all the details. When Stacey levels charges against four of Kate's classmates, the whole town erupts into controversy. Facts that can't be ignored begin to surface, and every answer Kate finds leads back to the same questions: Who witnessed what happened to Stacey? And what responsibility do they have to speak up about what they saw? This honest, authentic debut novel—inspired by the events in the Steubenville rape case—will resonate with readers who've ever walked that razor-thin line between guilt and innocence that so often gets

blurred, one text at a time.

“Deeply felt, powerful, devastating and, ultimately, hopeful.” —Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* “Powerful and necessary...an important, timely book.” —Amber Smith, New York Times bestselling author of *The Way I Used to Be* “A story that belongs in every library.” —School Library Journal (starred review) “A thoughtfully crafted argument for feminism and allyship.” —Kirkus Reviews
From New York Times bestselling and award-winning author Brendan Kiely, a stunning novel that explores the insidious nature of tradition at a prestigious boarding school. Prestigious. Powerful. Privileged. This is Fullbrook Academy. Jules Devereux just wants to keep her head down, avoid distractions, and get into the right college, so she can leave Fullbrook and its old-boy social codes behind. Jamie Baxter feels like an imposter at Fullbrook, but the hockey scholarship that got him in has given him a chance to escape his past and fulfill the dreams of his parents and coaches, whose mantra rings in his ears: Don't disappoint us. As Jules and Jamie's lives intertwine, and the pressures to play by the rules and to keep the school's toxic secrets, they are faced with a powerful choice: remain silent while others get hurt, or stand together against the ugly, sexist traditions of an institution that believes it can do no wrong.

All American Boys - Jason Reynolds 2015-09-29

A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul

Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.
