Crystal and Stone Massage - Michael Gienger 2015-01-24

A full-color guide to crystal massage for healing, energy balance, and stress release in the physical, emotional, and energetic bodies • Illustrates full-body massage techniques with crystal wands, crystal spheres, polished stones, and amber • Details the healing properties of more than 50 crystals and gemstones and how to select the proper one for a specific condition • Explains how to cleanse and recharge crystal, gemstone, and amber after each massage so energies are not transferred from one person to another In this full-color illustrated guide, Michael Gienger, along with contributors Hildegard Weiss and Ursula Dombrowsky, details the energetics and healing properties of more than 50 crystals and gemstones for use in massage. The book explains how to select the proper crystal or stone to aid healing of a specific condition as well as for relaxation and stress release. It illustrates specific massage techniques with crystal wands, crystal spheres, and polished stones that best utilize the crystal or stone's properties and shows how to perform a full-body massage that works on several levels--physical, ethereal, mental, and spiritual--depending on how the crystals are applied. Explaining how crystals absorb energy and information during a massage, the guide shows how to cleanse and recharge their energetic fields so energies are not transferred from one person to another. It also details how to rebalance and replenish your own energy after giving a massage. The book also includes a detailed chapter on the harmonizing effects of amber massage, complete with a step-by-step illustrated massage sequence. Amber's unique electromagnetic vibrations make it especially conducive to creating homeostasis in the body and thus a beneficial addition to any crystal or stone massage practice. With this complete illustrated guide, anyone can enhance their massage practice or self-healing through the powerful effects of crystals, gemstones, and amber.

The Healing Power Of Crystals - Bok Isassi 2021-06-05

Crystal healing is an alternative medicine technique that employs crystals and other stones as conduits for natural healing energy. Crystal Blueprint - Beatriz Singer 2019-02-05

A guide to quartz crystals from both an ancestral and scientific point of view, with the mission of helping readers identify their mind patterns and wounds to reconnect with the authentic self. It's estimated that 10 billion quartz crystals are used every year in electronic devices--from smartphones to computers, credit cards, watches, digital cameras, TVs, cars, and much more. When you think about it, it's almost impossible to imagine life without crystals. These same crystals we see in so much of our technology have been used over the course of many centuries, and by many different cultures around the world, for healing. In fact, crystal healing is alive and well today, with modern-day healers harnessing the energy of quartz crystals to help alleviate suffering. What is it that has drawn scientists and healers around the world to crystal technology, and what are the similarities between the ways these two groups have used the stones? In this book, crystal healer and holistic therapist Beatriz Singer answers these questions--and more. She takes readers on a journey to understand the many wonders of quartz crystals, so that we can use their powers to bring peace and healing to ourselves and the world.

In addition to all the basics, she covers crystal layouts for spirituality, protection from negative energies, and elemental healing.

The Metaphysical Book of Gems and Crystals - Florence Mégemont 2007-12-13

Details the powerful effects of gems as an alternative therapy for physical, psychological, and spiritual healing • Reveals the physical, healing, and astrological properties of over 70 minerals, along with instructions for maintaining and recharging their powers • Examines the "life" energy of stones, their basic vibratory patterns, and how this energy is used therapeutically to treat various disorders • Shows how to use gems in color therapy and to harmonize the chakras Gemstones have been used for both therapeutic and spiritual purposes since the beginning of time and in all traditions. Used properly, they can contribute to and accelerate healing through the practice of lithotherapy, which uses gems and minerals to restore enzymatic functions, and they can energize spiritual development. Alternative medicines such as homeopathy have given prominence to the therapeutic character of certain minerals, but the use of gemstones in expanding awareness or establishing a holistic, energetic connection with the stone itself have scarcely been brought forward. In this reclaiming of ancient wisdom, Florence Mégemont explores the many potent and beneficial dimensions of the mineral world. Over 70 precious and semiprecious stones are inventoried as to their principal deposits, therapeutic applications, and zodiac correspondences. Readers will discover which physical and emotional disorders can be relieved by using which minerals and--with the application of chakra therapy--which gemstones are indispensable to their spiritual health. While not proposing that lithotherapy is a substitute for traditional allopathic treatment, Mégemont shows that it can be a powerful complement to it. Additionally, stones can act preventively, energizing both our health and spiritual resources to a state of balance and attunement.

The Crystal Healer - Philip Permutt 2014-02-21

Crystal therapy has long been used as a gentle system of holistic healing. By drawing on the unique qualities of crystals such as quartz and amethyst, you can balance the energy fields around your body, home and office to bring well-being, and gain health benefits. Crystals can help soothe emotional problems such as anxiety, mood swings, or shyness, as well as physical symptoms such as migraines and allergies. In addition, crystals can act as natural energy boosters and aid in detoxifying our systems. With crystal remedies for more than 250 common ailments and a directory of 250 crystals, as well as detailed explanations of the most effective healing methods, this book is the ultimate guide to healing with crystals. Illustrated with colour photographs, and supplemented with practical exercises and case studies, The Crystal Healer is the ultimate practical reference from a highly respected healer and teacher. Philip Permutt discovered crystals fifteen or so years ago after a severe illness. He has been practising as a crystal healer and teacher ever since. He owns and runs iSiS Crystals, the largest and most successful crystal shop in the UK, and its integral healing centre. Philip is a dowser and uses this ability, together with the magic of crystals, to change the energies in people's homes, offices and shops. Philip has lectured at the University of Hertfordshire on crystals and crystal healing and has a degree in Applied Biology from London University; his articles have been published electronically and in journals.

Awakening Your Crystals - Sharon L. McAllister 2019-10-01

A full-color guide to programming crystals and harnessing their full potential • Explains how to program crystals and gemstones with specific healing intentions as well as how to cleanse and charge your crystals and prepare your own energy field • Provides detailed instructions for working with 8 key crystals, as well as healing and programming guidance for more than 60 well-known and important crystals • Includes vibrant photographs to convey each crystal's individual powers In this vibrantly illustrated crystal guide, experienced holistic therapist and crystal-healing teacher Sharon McAllister offers an introduction to programming crystals and gemstones to harness their full potential. She explains how crystal programming combines the powerful instrument of intention setting with the healing energies of stones. She details how to cleanse and

charge your crystals and prepare your own energy field before programming and provides a collection of intention-setting statements and programming recipes for personal healing as well as therapeutic use. Unveiling the light that each crystal radiates vibrationally and spiritually, Sharon reveals how each crystal is a living being that can be awakened to emanate its purest and strongest energy in alignment with specific healing purposes. She explains the dormant state of stones when they are still inside the earth, their activated state when extracted by humans, and their ignited state, when they are called into direct service with a programmed focus, which leads them to unfold their full healing potential. Focusing on 8 key crystals, including rose quartz, amethyst, and citrine, Sharon shows how these 8 stones can combine to form a powerful toolkit with a wide range of healing applications. She provides an in-depth chapter on each of the 8 key crystals, offering deep insight into their energies and healing properties. She also covers more than 60 additional crystals along with guidance on their healing uses and programming potential. Taking your crystal healing experience to a higher level, this guide shows how each crystal has its own life plan just like human beings and when a crystal enters your life it is never by coincidence.

Dowsing for Money - Finding Financial Security - Brenda Hunt 2020-11-21

Dowsing for money? That got your attention! But what does that attention-grabbing title mean? It means learning to dowse for financial security and success? But how and why can you dowse for money? In this book, you will learn how you can work with your pendulum to make the decisions that will influence your financial life. You might be facing an immediate financial crisis and need to make choices about getting through to the other side in the best way possible. Or you might be making long term, life changing decisions. You have to make decisions in almost every step you take in life. Decisions that will have an effect on your financial well-being, on how much money you have after paying the bills, on your ability to live the life you want, whatever that life is. It's not about being mega rich, or even how much money you have in the bank, it's about having sufficient money to live your dream - which might be jet setting, or living off grid in the wilderness. There are so many decisions to make in life. Decisions about your education, the career you choose, even the job you choose. There are big financial decisions such as choosing your home or having home improvements. There are smaller decisions that have to be made on a regular basis, but that still have the power to make big changes on your bank balance - like holidays, transport and large purchases. And then there are the long-term decisions, like pensions and investments. There are all sorts of decisions that can have a substantial impact on your financial security, and this book will show you how you can work with your dowsing pendulum to negotiate your way successfully through the financial maze.

The Healing Crystals First Aid Manual - Michael Gienger 2012-06-01

From acne and cataracts to sprains and vomiting, this reference lists more than 100 medical conditions and describes the physical symptoms, psychological ramifications, and correct healing gemstones for each. The most effective form of the gem is specified—a polished pocket stone rather than a necklace, for example—and in some cases more than one kind of crystal is described to be effective. A comprehensive appendix with color photos of all prescribed gemstones, a guide to assembling basic home crystal kits, and a bibliography are included.

Crystal Healing: a Beginners Guide to Self Healing - Steve R. Tone 2015-09-09

Crystal Healing: A Beginners Guide to Self Healing Crystal healing is an alternative healing therapy. Healing with crystals is believed to have originated in Egypt thousands of years. Stones, gems, amulets have been seen as healing tools and were highly revered by civilizations globally. Crystals are placed on or around the body and they are used to heal the body physically, mentally and spiritually. Crystals can transmit crystal energy, other healing energies and energies tuned into by intention. Many people use the crystals for increasing the healing intention by calling in love with the idea that any time you wish a person well you create a flow of healing energy. In this eBook you will learn about crystal healing, its basics, how it helps in healing and different techniques of healing through crystals.

Crystals for Energy Healing - Ashley Leavy 2017-05

This comprehensive sourcebook of 100 essential crystals for spiritual healing and all-round protection is packed with practical advice and fascinating information. Not only will you find out about the crystal's attributes, legendary power, and holistic benefits, but also about each crystal's specific energy to enhance, heal, or protect you. Crystals are the most natural, empowering force we can work with to promote spiritual

balance and protect us from exposure to physical or psychic negativity. For thousands of years, crystals have been used for their powerful healing energy and to protect the wearer from negative forces. The ancient Taoists believed sacred stones vibrated with 'chi' or universal energy; the Greeks and Romans believed they embodied the gods and the planets; indigenous peoples believed they were alive with spirit. Black stones like obsidian have been used for centuries to protect from evil, and amethyst is still considered the power stone of spirituality, creating a protective shield around the body and promoting deeper levels of awareness. Crystals for Energy Healing includes introductory chapters on what crystals are, both their scientific legacy and their magical one; caring for and choosing crystals; and the importance of chakras and color in spiritual healing. There is also a practical chapter about working with these stones specifically chosen for protection and spiritual healing. The alphabetical sourcebook section that follows provides information about the uses and benefits of each crystal listed.

Crystals Guidebook - Rohit Sahu 2022-01-05

Do you want to begin your healing journey toward a more energized state of being? Do you wish to fill your body with positive energy? Do you want to transform your body's aura by avoiding bad vibes and releasing blocked energy? Do you wish to cleanse and heal the blockages in your Chakras? If so, crystal healing is just what you need... Since the dawn of time, crystals have been cherished and admired. They are formed deep under the ground over thousands of years from three-dimensional repeating patterns of atoms and are some of the strongest materials we know, so it's no wonder that our fascination with them has endured. Crystal healing has been used for ages in many cultures all over the world. It is a kind of complementary therapy that involves the use of crystals to provide harmony to a person's life and mind. Connecting with crystals helps you to harness your energy and balance your chakras in order to heal both your body and your soul. They offer us healing possibilities by using the Earth's and the Universe's life-giving qualities. When we come into contact with semi-precious stones that harness the energy of the Sun, Moon, and Seas, we are instantaneously connected to universal energy. They are said to have a stable and consistent energy pattern, with each having a unique frequency and energy field, or resonance, that gives them their distinguishing properties. As a result, they act as tuning forks, bringing harmony to the human body's highly volatile energy field. They have the potential to transform our mental, physical, spiritual, and emotional states. Simply holding the appropriate crystal at the right time may affect our mood and general well-being. They may assist you in developing a more mindful, thoughtful, and spiritually rewarding life. Whether you're new to crystals and stones or have been collecting for years, this wonderful and thorough guide will show you how to use them in everyday rituals to the best possible level. With this book, we'll dive deeper into the world of healing crystals. You will learn how to use the healing power of crystals to help you regain your calm and control. By using crystals the proper way, you can bring your life back to balance. It provides you with all the information you need to reap the benefits of their incredible holistic healing qualities. Every crystal discussed is illustrated with photographs for your convenience. Ultimately, this book has all the crystals and tools you'll need to cleanse, heal, and protect your energy field and surroundings, whether you're feeling drained by your relationships, struggling to establish boundaries, or your body is under assault from toxins or tech overload.
