At the end of the summer, he was going to ride off on his Harley and never look back. That was before he met Beth Lowry. It was only supposed to be a summer fling. She was a sixteen-year-old

trailer-park girl who served drinks to his friends at Kerrington Country Club. They didn't run in the same social circles. No one even knew they were friends, let alone lovers. Yet, for one summer, Bethy became his entire world. But he couldn't give up on his plan. He needed to leave Rosemary Beach, but he vowed he would come back for her. Cosmopolitan Annie Mathers is America's sweetheart and heir to a country music legacy full of all the things her Gran warned her about. Superstar Clay Coolidge is most definitely going to end up one of those things. But unfortunately for Clay, if he can't convince Annie to join his summer tour, his music label is going to drop

From the start fans want them to be more than just tour mates, and Annie and Clay can't help but wonder if the fans are right. What's love got to do with it?
Celia Lynton had been told her
entire life that she couldn't
marry for love, marriage
should be a business
agreement, poor men were
only after the family fortune,
blah, blah, blah. But now, there
is no fortune. There's only
debt, and an urgency to find a
way to pay her younger
brother's tuition at a school
that can tend to his special
needs. So yeah, there's going
to be a marriage. One of
convenience. Just like her
parents wanted. She'll marry a
future Scottish earl—a very
rich future earl—and her
brother will get to attend
school. There's just one
problem: Celia is in love with
another man. You can't always
get what you want. Carter
Martin has loved Celia since
they were kids. Never mind
he's too quiet, too studious for
someone who lights up a room
when she smiles, add to that

his father works for her family.
Being the son of the “help,” he
could never be good enough for
her. So he's worked hard his
entire life to show his boss, the
Earl of Pembroke, that he can
take over his father's position
as Steward of the estate some
day and take care of the family
who has taken care of his for
generations. Little does he
know, Celia has a plan of her
own...an intimate trip to Italy
where they won't be able to
keep their hands off each
other. How can he resist the
only woman he's ever loved?

that take place in Burton,
Georgia, the small town that's
big on romance! Bianca I made
my first million by the time I
was twenty. I'm now among the
top five wealthiest women in
the country. Sounds great,
right? And it is. But since
complacency is something I
can't bear, I need a challenge.

Pretending to be a reporter in a small town in Georgia so that I can find an exciting new investment opportunity sounds perfect--if local entrepreneur Dylan Wesley doesn't drive me crazy first. He makes me want to scream at him--or seduce him . . . Dylan I've been working hard, hustling for a buck, since I was sixteen years old. My dream has always been to open my own brewery in my hometown, Burton. But Bianca Dellacourt, the gorgeous reporter writing a feature piece on up-and-coming small businesses, keeps poking her nose into what I'm doing. She acts like she has all the answers . . . I might just have to kiss her to shut her up. A Year of Love in a Small Town is a grouping of stand-alone, small-town steamy romances. While the books all take place in Burton, the setting of the Love in a Small Town series, they can be read without having enjoyed the other series.

The man who shattered her

heart is back and he wants a second chance. Beatrice Porter swore she would never fall in love with a man like her father. For years she watched her mother self-destruct in bitterness, married to someone who only lived for his job. Gabriel Sullivan was such a man--a Navy SEAL, a man who would put duty and country above all else. Yet falling in love with him was inevitable. She thought their relationship could work, until he'd left her one night with a broken heart and her pride in tatters. Having committed atrocities for the greater good, Gabe has nothing left but darkness inside him. The only flicker of light is the memory of Beatrice--the woman he left behind, the woman whose love he threw away. Winning her back won't be easy, but convincing her that he's all in is the only redemption worth having. When Beatrice finds herself at the center of an assassin's deadly game, Gabe has a decision to make: stay in the shadows or step into the light and fight for the woman he

loves. As danger closes in, he is even more desperate to keep her safe. But a shocking revelation threatens their second chance. Unless Gabe finds the specter behind this twisted conspiracy in time and put an end to this nightmare, once and for all.* Can be read as standalone. Mature audience only.

I had one reason for never going back to the small town I once called home, but I never guessed it would be the same one that made me want to stay... Brooks I grew up in the small town of Eden, Wyoming, but never really felt like I fit in. Until I met the one boy who changed all that. When we were kids, Xavier Price understood horses, but somehow, he got me too. He'd made me feel like I wasn't just the overdressed, too sensitive fifteen-year-old geek who loved math and didn't always say the right thing. But all that changed the night he threw my trust back in my face and betrayed my family in the worst kind of

way. And while I'm back in Eden to make sure my uncle's horse ranch is operating in the black, the one thing I know I won't have to deal with is the man who'd been on the verge of stealing my heart ten years ago. Because Xavier Price is still in prison for what he did and even if he weren't, he wouldn't be foolish enough to show his face in Eden ever again. Right? Xavier Wrong. That's what returning to Eden after ten years behind bars feels like. But it wasn't like I had a whole lot of choices. And it wasn't like I was going to be handed any decent job offers, let alone my dream one of working with horses. But that's exactly what happened and now that I'm foreman of Black Hills Ranch, I'm not letting this job go for anything. Not even the spoiled little rich kid I'd thought was different when he'd glommed onto me ten years ago. I have no doubt Brooks Cunningham didn't wait long to move on to bigger and better things the second my jail cell was locked behind me, and that's just fine by me. I'd been

wrong about the sweet,
emotional boy who'd had a
habit of wearing his heart on
his sleeve anyway. Except fate
has decided to have another go
at me by tossing Brooks right
back into my sometimes too
small world. Gone is the
scrawny, stars-in-his-eyes nerd
who used to do math problems
just for fun. In his place is a
gorgeous specimen of a man
who thinks he can go toe to toe
with me and once again
destroy everything I've worked
for. Not happening.

That one word has never meant so much. JANABallet was my life, but after getting injured, that dream faded. I still needed fast money, so I sucked up my pride and decided to strip. Clubs could use a virgin stripper, right? But from the moment I saw Cole Savage, owner of the strip club I was trying to get in to, all rational thought left me. He was dark and dangerous, and his personality screamed arrogance. I wanted him, and by the way he looked at me, I knew he wanted me as well. But I should keep it strictly business. That's what I told myself anyway. COLE From the moment I first saw Jana, I wanted her. She needed a job at my club, but the possessive side of me rose up, demanding she was only mine. I might have just met her, but I was already so damn territorial of her. If she wanted a job, I'd give her one, but she'd be keeping

her clothes on. I'd been celibate for years, but it was time to change that with her. Jana would soon realize what it meant to be mine. Warning: This is a short story featuring an over-the-top possessive hero who makes no secret that the heroine is his. It's got dirty dancing, raunchy scenes, but is safe and has the Happily Ever After that comes with reading a Real Man story.

Your Face in Mine - Jess Row

An award-winning writer delivers a poignant and provocative novel of identity, race and the search for belonging in the age of globalization. One afternoon, not long after Kelly Thorndike has moved back to his hometown of Baltimore, an African American man he doesn't recognize calls out to him. To Kelly's shock, the man identifies himself as Martin, who was one of Kelly's closest friends in high school—and, before his disappearance nearly twenty years before, skinny, white, and Jewish. Martin then tells an astonishing story: After years of immersing himself in black

culture, he's had a plastic surgeon perform "racial reassignment surgery"—altering his hair, skin, and physiognomy to allow him to pass as African American. Unknown to his family or childhood friends, Martin has been living a new life ever since. Now, however, Martin feels he can no longer keep his new identity a secret; he wants Kelly to help him ignite a controversy that will help sell racial reassignment surgery to the world. Kelly, still recovering from the death of his wife and child and looking for a way to begin anew, agrees, and things quickly begin to spiral out of control. Inventive and thought-provoking, *Your Face in Mine* is a brilliant novel about cultural and racial alienation and the nature of belonging in a world where identity can be a stigma or a lucrative brand. *You'll Be Mine* - Marie Force 2015-10-20

Mine - Aj Wolf 2020-12-16

A burning sneer, a snide remark, and a stolen kiss. Three distinct memories among a million others that stain my childhood with Remy Luciano. Sour gummy worms and a nickname. Two more memories and everything I loved to hate started blurring at the edges. A wedding dress made for another. And one whispered confession that has gripped the three of us in its sticky fingers of heartbreak and doubt. You've always been Mine. This book contains themes that some may find triggering. Please read at your own discretion.

Burnt Sugar - Avni Doshi 2021-01-26

Shortlisted for the 2020 Booker Prize, a searing literary debut novel set in India about mothers and daughters, obsession and betrayal "I would be lying if I say my mother's misery has never given me pleasure," says Antara, Tara's now-adult daughter. This is a love story and a story about betrayal—not between lovers but between a mother and a daughter. . . . In her youth, Tara was wild. She abandoned her arranged marriage to join an ashram, embarked on a stint as a beggar (mostly to spite her affluent parents), and spent

years chasing a disheveled, homeless “artist,” all with little Antara in tow. But now Tara is forgetting things, and Antara is an adult—an artist and married—and must search for a way to make peace with a past that haunts her as she confronts the task of caring for a woman who never cared for her. Sharp as a blade and laced with caustic wit, *Burnt Sugar* unpicks the slippery, choking cord of memory and myth that binds mother and daughter: Is Tara’s memory loss real? Are Antara’s memories fair? In vivid and visceral prose, Avni Doshi tells a story at once shocking and empathetic of a mother-daughter relationship and a daughter’s search for self. A journey into shifting memories, altering identities, and the subjective nature of truth, *Burnt Sugar* is the stunning and unforgettable debut of a major new voice in contemporary fiction.

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back.

"I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw

his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

Kevin Wilson 2018-08-07

"Hands down my favorite book of the year." -- Ann Patchett, New York Times bestselling author of *The Dutch House* and *Commonwealth* From the New York Times bestselling author of *The Family Fang* comes his first short story collection in nearly a decade, combining his signature quirkiness with his keen eye for emotional complexity to explore the fraught relationship between parents and children. "Wildfire Johnny" is the story of a man who discovers a magic razor that allows him to travel back in time. "Scroll Through the

Weapons" is about a couple taking care of their underfed and almost feral nieces and nephews. "Signal to the Faithful" follows a boy as he takes a tense road trip with his priest. And "Baby, You're Gonna Be Mine," the title story, is about a narcissistic rock star who moves back home during a rough patch. These stories all build on each other in strange and remarkable ways, showcasing Wilson's crackling wit and big heart. Filled with imagination and humor, *Baby, You're Gonna Be Mine* is an exuberant collection of captivating and charmingly bizarre stories that promise to burrow their way into your heart and soul. "Wildfire Johnny" will be the first project in development with "The Great" actor Nicholas Hoult and MRC Television.
