The Domestic Dog - James Serpell 2017

Second edition of a classic text on canine science and behavior, incorporating two decades of new evidence and discoveries.

Obesity in the Dog and Cat - Martha G. Cline 2019-05-07

3* Doody's Star Rating® CHOICE Magazine 'Recommended'

(May 2020) As of 2018, pet obesity in the US affects an estimated

55.8 percent of dogs and 59.5 percent of cats, resulting in secondary conditions such as arthritis, diabetes mellitus, kidney disease, and certain forms of cancer. A complete and balanced diet accompanied by regular exercise is fundamental to optimize health and longevity in companion animals, meaning overweight pets have reduced quality of life and shorter life expectancy.

Seeking to address this major modern-day problem, this book provides a comprehensive review of obesity in small animal medicine. Reviews epidemiology and how animal- and human-specific factors contribute to excess weight gain. Discusses the metabolic effects and inflammatory mediators associated with adiposity. Looks at various disease states and how they relate or develop as a result of obesity. Reviews different modalities to determine body composition to diagnose obesity. Offers a clinical approach to managing obesity with diet including discussion on the nutrients of concern for therapeutic weight loss diets.

Veterinarians seeking to provide weight management services in practice will find clinically-applicable information from expert authors from both academic and practice backgrounds. Chapters cover topics ranging from epidemiology and pathophysiology of obesity to evaluation of body composition, and nutritional and behavioral management. The book also explores the role of exercise in managing obesity and looks at the management of co-morbidities. Finally, the authors present a range of case studies to demonstrate these topics in real-life practice.

Animal & Sporting Artists in America - F. Turner Reuter 2008

Tricks in the City - Sassafras Lowrey 2019-08-15

"A way to bond with your dog as you strive toward common goals . . . The trust and cooperative spirit developed through this process will last a lifetime." —Kyra Sundance, New York Times-

bestselling author Go beyond basic dog training and discover your puppy's hidden talents. Tricks in the City provides step-by-step training instructions to help you teach your dog tricks, from basic to advanced. Sassafras Lowrey is a celebrated author and Certified Trick Dog Instructor (CTDI). She has trained and competed in sports from dog agility and rally obedience to canine parkour and tricks. Her writings include viral content on Dogster.com and articles in The Bark magazine, Dogster Magazine, and Whole Dog Journal. Ever wish your dog could be like the dogs you see on TV? Now your dog can! From skateboarding and playing basketball or piano to finding hidden objects, you can have fun with your dog and transform your relationship. Tricks in the City specifically focuses on tricks that can be done safely in small spaces, city streets, and parks. Dog tricks are a great way to bond with your dog, build your dog's physical and mental strength, and impress your friends and family. You'll learn: How to build better relationships with your dog through trick training How to teach puppies and old dogs new tricks The positive physical, mental, and emotional health impacts of trick training for dogs "With easy to follow step-by-step instructions, this book gives both you and your pup something new and fun to do!" —American Kennel Club "An anthem for dogs of all ages, sizes, and abilities. Trick training is about relationship building and confidence-boosting, not only for our dogs, but for us as well!" —Pet Connection

Pit Bull - Bronwen Dickey 2017-04-04

The controversial story of one infamous breed of dog--a New York Times Bestseller ("Animals" list). When Bronwen Dickey brought her new dog home, she saw no traces of the infamous viciousness in her affectionate pit bull. Which made her wonder: How had the breed—beloved by Teddy Roosevelt and Helen Keller—come to be known as a brutal fighter? Dickey's search for answers takes her from nineteenth-century New York dogfighting pits to early twentieth-century movie sets, from the battlefields of Gettysburg to struggling urban neighborhoods. In this illuminating story of how a popular breed became demonized--and what role humans have played in the transformation--Dickey offers us an insightful view of Americans' relationship with their dogs.

The Dog Fancier - 1922

Controversies in Knee Surgery - Riley Williams 2004-09-09

This is the essential up to date review of the difficult topics in surgery for knee injuries and sports injuries to the knee. The book draws international authors to include detailed reviews of treatment options and outcomes and will update surgeons and allied clinicians as to current thinking to provide a guide to treatment of the more difficult knee problems.

Thirty Years with Fighting Dogs - George Armitage 2013-04-16

Thirty Years with Fighting Dogs (Vintage Dog Books Breed Classic - American Pit Bull Terrier) Originally published 1935, USA, this is a reprint of a fascinating historical document about fighting dogs. The original is very rare, expensive and much sought after by dogmen and collectors, both for its rarity and the information contained within. "Thirty Years With Fighting Dogs" is a look at the sport of dog fighting in the early 20th century through the eyes of George Armitage, an acknowledged master of the game. It contains 55 rare photographs including Galvin's Pup, John Noonan's Brandy, Tanner, Shipley's Pearlie, Saddler's Bozo, Dugan's Pat and many more. Many famous battles are related. The contents also include articles on: Schooling a Young Dog, Selecting a Dog for Pit Purposes, Armitage's Rules, Sample Contract, Armitage's Keep, Feeding and Breeding. A fascinating look at a vanished era.

Dog Training - Jason Smith 2007-03-01

There is nothing more pleasing to an avid bird hunter than to watch a well-trained sporting dog do what it was bred to do: hunt. Likewise, there is nothing more pleasing to a pet owner than to watch their well-trained family dog interact in a calm and controlled manner with family and friends. With step-by-step instructions and detailed photographs and illustrations, this book provides proven information for achieving the best of both those worlds. Everything is discussed from choosing a sporting breed (retriever or pointer), to basic family-friendly obedience commands, to introducing the dog to the sound of a gun, competing in field trials and hunt tests, using an electronic collar, and keeping your sporting dog happy and healthy. It even covers how the nation's top trainers troubleshoot some of the more common problems faced in the field.

Why Does My Dog Act That Way? - Stanley Coren 2007-12-04

Draws on recent scientific discoveries to analyze canine character, in a reference that explains how to assess a dog's specific traits and promote desirable behavior.

Wingshooter's Guide to Montana - Chuck Johnson 2007-06

Guide to hunting birds and waterfowl in Montana

Sporting Dog and Retriever Training: The Wildrose Way - Mike Stewart 2012-09-11

A comprehensive guide to transforming your dog into a valuable wing-shooting companion in the field and at home. Created by Mike Stewart of Wildrose Kennels, the Wildrose Way is a unique,

low-force, positive training method that is field-proven for upland and waterfowl Gundogs. The training prepares dogs for versatility—any game, any terrain, any destination—and makes them desirable companions for any situation. Now, for the first time, Stewart's methods are compiled in one indispensable reference book, fully illustrated with photographs and diagrams. Containing chapters on establishing essential behaviors, the core skills of the hunting retriever, and waterdog finishing work, as well as sidebars on such topics as breed selection and effective canine leadership, this step-by-step book is designed specifically for wing-shooters who want to transform their pup into a gentleman's Gundog.

American Sporting Periodicals - M. L. Biscotti 2018-12-15

This book is the first comprehensive listing of American field sports periodicals, beginning in 1829. It includes information such as the magazine's title, years of publication, frequency of issue, publisher, and general content. *American Sporting Periodicals* is a valuable reference tool for collectors and researchers of field sports in America.

Best Day Yet - Ben O. Williams 2018-08-22

This book is a collection of the author's true-shared essays of outdoor activities and of the folks he has encountered on the Great High Plains. It's Ben's Rocky Mountain Memories of hunting, fishing, people and places. This book has a far wider appeal than just for the hunting and fishing audience. No matter where you live, or what age, or in what walk of life you live, one of these essays will revive your memory of an experience in some way you had or someone in your family has handed down to you. The stories are all vintage Ben; his writing is honest, heartfelt, always intends to be instructive, and is simply fun to read. They are not about killing things or hook and bullet stuff. These essays are about appreciating the land, enjoying the chase with his bird dogs, fly-fishing, conversations with outdoor folks and kicking gravel with landowners. Then, after each one of Ben's stories there is a vignette, written by one of his many outdoor friends. *Best Day Yet* is an attitude that Ben created for himself. It's how he feels about things according to his sense of the world around him. It's like sitting by a mountain lake after a wonderful day of fishing with a flask of cheap blended scotch whiskey and believing an airplane dropped a fine 30-year-old single malt scotch whiskey that just drifted to shore at the exact spot where he was camping. His partner sitting next to him says, "What do you think of the whiskey?" "That's one fine scotch." 6 X 9 112 PAGES, B/W PHOTOS SOFTCOVER \$14.95 (CAN \$19.95)

Mercer's Textbook of Orthopaedics and Trauma Tenth edition -

Suresh Sivananthan 2012-02-24

Rescue dogs all over the globe give it FOUR paws up!" —Larissa Wohl, pet rescue expert Part activity book and part bullet journal, *Chew This Journal* provides inspiration and guidance for dog lovers looking to enrich the lives of their pets. Is your dog bored? Doesn't have to be! From bucket lists and outings to arts and crafts *Chew This Journal* inspires you to spend more time with your pup. *Chew This Journal* leads you through fun activities, while creatively recording your adventures in the pages of the book. This unique journal doubles as your dog's memory keeper and activity tracker, making it a one-of-a-kind keepsake that you and your dog complete together. Loads of activities and training plans. *Chew This Journal* provides dog owners and their dogs with step-by-step instructions for over 100 activities and training plans such as: • Crafts like paw painting flowers • DIY treat puzzles • No-sew beds • Tug toys you and your dog can make together to keep, to gift to friends and family at the holidays, or even to donate to a local shelter to support dogs in need Don't just spend your walks on your phone. *Chew This Journal* will inspire you to be more engaged in the time you

and your dog have together. *Chew This Journal* will help you map training goals from practical manners (not pulling on the leash or jumping on strangers) to impressive skills like mastering urban agility and parkour skills. With easy to follow training instructions *Chew This Journal* helps you create exciting weekly and monthly challenges and record your progress. If you and your pup have enjoyed Kyra Sundance books such as *101 Dog Tricks* or *Family Fun Dog Activity Kit*, we think you will love Sassafras Lowrey's *Chew This Journal*.

The Science Behind a Happy Dog - Emma K. Grigg 2017-04-10

How can you be sure that your dog is happy? What can owners do to ensure their dog has the best chance at a long, happy life?

Experts in animal behavior, Emma Grigg and Tammy Donaldson, set out to explore our current understanding of canine well-being in this engaging and authoritative guide to dog training. Making use of the latest in animal behaviour research and studies, *The Science Behind a Happy Dog* covers both scientific approaches to dog raising and practical solutions to common behavioral problems in a clear and accessible style. The science behind canine cognition and body language shows how we can use the clues that our dogs give us to maximize their well-being. This enlightening guide addresses all aspects of a dog's life, including nutrition, socialisation, exercise, reducing stress when visiting the vet, and canine mental health. It is the ultimate training book aimed at teaching owners how to raise a well-behaved, well-adjusted, and happy dog. [Subject: Pet Care, Dog Training, Animal Behavior]

Our Debt to the Dog - Bryan D. Cummins 2013-11-07

When *Homo sapiens sapiens* met *Canis lupus lupus* millennia ago, the result was *Canis lupus familiaris*, the domestic dog. Since that fateful encounter, the dog has become, arguably, humankind's greatest creation. The domestic dog is the most widely distributed species (other than ourselves) in the world, being found virtually wherever people live, and is also the most diversified of species, with literally hundreds of recognized breeds. While we have shaped the dog, it, too, has helped shape human history in innumerable ways. *Our Debt to the Dog* is a critical historical and cross-cultural examination, through the use of case studies, of this most improbable 15,000-year relationship and an exploration of how this relationship shaped the history of the world. It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise. *Our Debt to the Dog* enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human-canine relationships and the dog's contributions to our lives and our world.

Afield - Dave Smith 2010-05-01

Collects stories by famous figures and writers on their relationships with hunting dogs, describing each contributor's forays into the outdoors at the side of a faithful canine companion, in a nostalgic tribute that includes pieces by such figures as Tom Brokaw, Rick Bass, and Chris Camuto.

With Dogs at the Edge of Life - Colin Dayan 2015-12-08

In this original and provocative book, Colin Dayan tackles head-on the inexhaustible world, at once tender and fierce, of dogs and humans. We follow the tracks of dogs in the bayous of Louisiana, the streets of Istanbul, and the humane societies of the United States, and in the memories and myths of the humans who love them. Dayan reorients our ethical and political assumptions through a trans-species engagement that risks as much as it promises. She makes a powerful case for questioning what we think of as our deepest-held beliefs and, with dogs in the lead, unsettles the dubious promises of liberal humanism. Moving seamlessly between memoir, case law, and film, Dayan takes politics and animal studies in a new direction—one that gives us glimpses of how we can think beyond ourselves and with other beings. Her unconventional perspective raises hard questions and renews what it means for any animal or human to live in the twenty-first century. Nothing less than a challenge for us to confront violence and suffering even in the privileged precincts of modernity, this searing and lyrical book calls for another way to think the world. Theoretically sophisticated yet aimed at a broad readership, *With Dogs at the Edge of Life* illuminates how dogs—and their struggles—take us beyond sentimentality and

into a form of thought that can make a difference to our lives.

Memories of the Pit Bull Terrier and His Master - L. B.

Hanna 2006-01-01

Originally published in 1926, the book is extremely rare in its first edition. [The Sporting Bull Terrier \(Vintage Dog Books Breed Classic - American Pit Bull Terrier\)](#) - Eugene Glass 2011-03-29

Originally published in the early 1900s, this extremely scarce work on the "Sporting" Bull Terrier or Pit Bull Terrier is both expensive and hard to find in its first edition. VINTAGE DOG BOOKS have republished it, using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The author was an experienced and well respected dog man, and was editor of The Dog Fancier for a number of years. "The Sporting Bull Terrier" consists of one hundred pages containing sixteen detailed chapters: Historical. - The Standards. - Breeding and Care. - Training for the Pit. - The Training Machine. - The Spring Pole. - To Chain Break a Dog. - Rules of the Dog Pit. - Training for Rat Killing Matches. - Rules Governing Rat Killing Matches. - Ear Cropping. - Hints on Handling in the Pit. - Care of Dog After Battle. - Foul Tricks. - Diseases and Treatment. - Construction of a Kennel. The book also contains rare vintage photographs of famous Pit Bull Terriers and eighteen pages of early advertisements for Pit Bull Terriers, Treadmills, Dog Remedies, Equipment, etc. This is a fascinating read for any Pit Bull Terrier enthusiast or historian of the breed and contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

[Encyclopedia of North American Sporting Dogs](#) - Steve Smith 2002

To the Point - Dale Spartas 2003

Pointing dogs in action - hunting, pointing, and retrieving.

The Trials of Annie Oakley - Howard Kazanjian 2017-10-01

Long before the screen placed the face of Mary Pickford before the eyes of millions of Americans, this girl, born August 13, 1860 as Phoebe Anne Oakley Moses, had won the right to the title of "America's Sweetheart." Having grown up learning to shoot game to help support her family, Annie won first prize and met her future husband at a shooting match when she was fifteen years old. He convinced her to change her name to Annie Oakley and became her husband, manager, and number-one fan for the next fifty years. Annie quickly gained worldwide fame as an incredible crack shot, and could amaze audiences at her uncanny accuracy with nearly any rifle or pistol, whether aiming at stationary objects or shooting fast-flying targets from the cockpit of a moving airplane. Despite struggles with her health and even a long, drawn-out legal battle with media magnate William Randolph Hearst, Annie Oakley poured her energy into advocating for the U.S. military, encouraging women to engage in sport shooting, and supporting orphans.

Positive Training for Show Dogs - Vicki Ronchette 2007-08-01

Bird Dog - Ben O. Williams 2012-07-03

Originally published in 2003, this one-of-a-kind dog training book is now available in softcover. Both a training manual and a hunting philosophy, Bird Dog reveals unique and time-tested methods that cultivate a dog's instincts to hunt.

The Welfare of Dogs - Kevin Stafford 2007-06-14

This book is one of a series of textbooks on the Welfare of Animals. This book discusses the welfare of dogs used for many different purposes. The book has an international perspective on the welfare of dogs in developed and under-developed countries. The welfare of laboratory dogs which is of concern to many people is discussed, as is the welfare of animals held in shelters waiting for re-homing or euthanasia. The book successfully combines an appreciation of how the health and nutrition of dogs has improved with an understanding of the social difficulties dogs experience. The book's outlook on the subject of dog welfare is positive.

Whole Dog Journal Handbook of Dog and Puppy Care and Training - Nancy Kerns 2007-12-01

The Whole Dog Journal Handbook of Dog and Puppy Care and Training features advice on behavior and positive training

techniques, guidance about natural care and nutrition, and information about holistic care such as chiropractic, herbal remedies, massage, acupuncture, and homeopathy. It covers all aspects of canine health, including cancer treatments, and most important of all, it focuses on how to have fun with a dog. This book equips readers with the tools to understand dogs, to encourage their physical and emotional wellness, and to elicit their full potential and vitality—and to do it naturally.

Infectious Disease Management in Animal Shelters - Lila Miller 2021-07-07

Since the publication of the first edition of Infectious Disease Management in Animal Shelters in 2009, research and practice in the field of shelter medicine have advanced significantly. This updated second edition of that seminal work provides the most up-to-date and comprehensive guide to preventing, managing, and treating infectious diseases affecting cats, dogs and exotic small companion mammals in animal shelters. Throughout the book, the authors—noted experts on the topic—bridge the gap between medicine (both individual and group) and management. The book is filled with practical strategies that draw on the latest research and evidence-based medicine as well as the authors' personal experience in the field. While the text highlights strategies for the prevention of illness and mitigation of disease spread, the book also contains practical information on treatment and considerations for adoption. This important text: Offers the only book dedicated to the topic of infectious disease management in shelters Presents guidelines for general management and disease prevention and control in cats and dogs Includes shelter medicine's core principles of humane population management in the context of supporting shelters' goals for preserving welfare, saving lives and protecting human health Contains a new chapter on exotic companion mammals Written for shelter veterinarians, managers, and workers, the revised second edition of Infectious Disease Management in Animal Shelters is the only book to focus exclusively on infectious diseases in the shelter setting, blending individual animal care with a unique herd health perspective.

Gray's Sporting Journal's Noble Birds and Wily Trout - Will Ryan 2013-12-17

A history of hunting and fishing through excerpted documents and as "narrated" by Gray's Sporting Journal columnist Will Ryan. American Sports: A History of Icons, Idols, and Ideas [4 volumes] - Murry R. Nelson 2013-05-23

America loves sports. This book examines and details the proof of this fascination seen throughout American society—in our literature, film, and music; our clothing and food; and the iconography of the nation.

The Sportsman's Directory and Year Book - 1892
