In 2007, the author received a revelation that compared the church to a condemned building. Pam was asked, ""would you put up curtains at the windows of a condemned building?"" With that revelation came the understanding that the organized church was judged 3 decades ago. Not believing this word, Pam set out to disprove it by doing a study of church history. She also reviewed various occult, new age websites of mediums or channels who have been communicating with beings who first identified themselves as UFO's and then ultimately called themselves ""ascended masters."" The Fake Jesus is a record of what Pam discovered once she tried the spirits to see if they be of God. This

book will open your eyes to the truth as to ""who the fallen angels are, who sent them, what is their agenda, and how to recognize if your church is under their influence. The hour is late. **The Rebel Angels among Us** - Timothy Wyllie  
2020-08-04

Writing together with Timothy Wyllie, the angel Georgia details the events of Earth's ancient history during the fall of Atlantis • Reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet • Shares Georgia's travels to the planet Zandana, a world facing the same problems as Earth yet taking a very different approach to their resolution • Exposes the supreme significance of Earth and how our planet is one of the worlds on which the rebel angels are reincarnating An angel of Seraphic status, Georgia arrived on this world with the first of the celestial missions, over half a million years ago. During the angelic rebellion 203,000 years

ago, which led to the quarantine of Earth and 36 other planets from the Multiverse, she aligned herself with Lucifer and the rebel angels. After the rebellion, Georgia was permitted to remain on this planet as a Watcher, making occasional side-trips to Zandana, a sister planet also under the thrall of the angelic rebellion. Writing together with Timothy Wyllie, Georgia provides her personal account of Earth during the fall of Atlantis as well as accounts of her trips to Zandana. Georgia reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet. She shows how the fate of Atlantis ties in with the Lucifer Rebellion and also offers us understanding of where human civilization is now in contemporary times. Her travels to the planet Zandana reveal a world at the same stage of development and facing the same problems as Earth, yet taking a very different approach to their resolution. Through her revelations, Georgia exposes the supreme significance of Earth in the larger Multiverse context and also how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. She describes how this unprecedented interspecies mutation--rebel angel incarnations--started in Atlantis in the eighth millennium. Interwoven with Georgia's narrative are her observations of Timothy Wyllie's current and previous lives, including his involvement with the Process Church and his struggle to leave it. Georgia shares her words, in part, to awaken the 100 million rebel angels currently living their human lives, most unaware of their angelic heritage. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of global consciousness as the rebel-held planets, including Earth, are welcomed back into the Multiverse.

**An Angel Among Us** - Elizabeth Michelle Billeaudeau 2010-03-09

I wrote this book to show my love, honor, and respect for Michael. I believe we are all ethereal

creatures in material bodies, biologically electrical in nature. Michael used the term "divine union" and I love it. I use many sources such as: the Bible, Egyptian lore, Biblical and Traditional Numerology, Astrology, evolution of spirit in our society, writings on Archangel Michael, and Michael's life, to outline and prove His true divine nature. Michael was open, unique, curious, fearless, and loving, as children are. He wore His heart on His sleeve, as children do. He was just as easily hurt and mistreated as children can be. He had the ancient soul of an angel with the heart of a child. In order to live a spiritually enlightened, fully enriched life, a person must find meaning, love, and peace. I have always had these in my life because I have always had Michael in my life. What I outline in this book are no coincidences. They all form a pattern; a beat; a rhythm. That rhythm is the music of the spheres, of Heaven, of the universe. Michael knew this and He tried to bring everyone together to sway as one..... one family under love. With His songs and dances He captured the world's attention. We let Him into our hearts where He planted the seeds of love. We watched Him channel the white, hot, energy of God's love. This incredible energy is what we were all driven to love and admire. Michael was God's chosen messenger for our modern times and He wanted us to understand we were all sisters and brothers, all children of God. His strong, shining, spirit will live forever within the heart of each of us. He said, "We were never separate, you and I." If you read this book with an open heart and open mind, not presuming to know God's will, I am sure you will feel immense love and brilliant surprise! It's all for love..... L O V E

[Evil Angels Among Them](#) - Kate Charles  
2015-07-16

'Peaceful' is the most common entry in the visitors' book of fifteenth-century St Michael's Church, with its glorious angel roof and its medieval Doom painting. But away from the church, and beneath the idyllic veneer, the tiny Norfolk village of Walston is anything but harmonious. The Rector's new bride, Becca Thorncroft, is receiving phone calls so unpleasant that her very sanity is at stake; and the newest residents of Walston, Gillian English and Lou Sutherland, are not exactly welcomed with open arms. Then sudden, gruesome death shatters any remaining semblance of serenity. Fortunately for Father Stephen Thorncroft, he is able to enlist the help of his friends Lucy Kingsley and David Middleton-Brown to unravel the tangled relationships and uncover the dark motivations of the villagers. As the investigation proceeds, they stumble on more than they'd bargained for. But it is not until a little girl goes missing that the final, deadly pieces fall into place in their search for the 'evil angels among them'.
