*The Infatuations* - Javier Marías 2014-04-22

From the award-winning, internationally bestselling Spanish writer, an immersive, provocative novel propelled by a seemingly random murder. "Sometimes startling, sometimes hilarious, and always intelligent...Marías [has] a penetrating empathy."—New York Times Book Review Each day before work María Dolz stops at the same café. There she finds herself drawn to a couple who is also there every morning. Observing their seemingly perfect life helps her escape the listlessness of her own. But when the man is brutally murdered and María approaches the widow to offer her condolences, what began as mere observation turns into an increasingly complicated entanglement. Invited into the widow's home, she meets--and falls in love with--a man who sheds disturbing new light on the crime. As María recounts this story, we are given a murder mystery brilliantly encased in a metaphysical enquiry, a novel that grapples with questions of love and death, chance and coincidence, and above all, with the slippery essence of the truth and how it is told. Modern Enchantments - Simon During 2004-03-01

Magic, Simon During suggests, has helped shape modern culture. Devoted to this deceptively simple proposition, During's superlative work, written over the course of a decade, gets at the aesthetic questions at the very heart of the study of culture. How can the most ordinary arts--and by "magic," During means not the supernatural, but the special effects and conjurings of magic shows--affect people? *Modern Enchantments* takes us deeply into the history and workings of modern secular magic, from the legerdemain of Isaac Fawkes in 1720, to the return of real magic in nineteenth-century spiritualism, to the role of magic in the emergence of the cinema. Through the course of this history, During shows how magic performances have drawn together heterogeneous audiences, contributed to the molding of cultural hierarchies, and extended cultural technologies and media at key moments, sometimes introducing spectators into rationality and helping to disseminate skepticism and publicize scientific innovation. In a more revealing argument still, *Modern Enchantments* shows that magic entertainments have increased the sway of fictions in our culture and helped define modern society's image of itself.

The Madonnas of Leningrad - Debra Dean 2009-10-13

"An extraordinary debut, a deeply lovely novel that evokes with uncommon deftness the terrible, heartbreaking beauty that is life in wartime. Like the glorious ghosts of the paintings in the Hermitage that lie at the heart of the story, Dean's exquisite prose shimmers with a haunting

glow, illuminating us to the notion that art itself is perhaps our most necessary nourishment. A superbly graceful novel." — Chang-Rae Lee, New York Times Bestselling author of *Aloft* and *Native Speaker* Bit by bit, the ravages of age are eroding Marina's grip on the everyday. An elderly Russian woman now living in America, she cannot hold on to fresh memories—the details of her grown children's lives, the approaching wedding of her grandchild—yet her distant past is miraculously preserved in her mind's eye. Vivid images of her youth in war-torn Leningrad arise unbidden, carrying her back to the terrible fall of 1941, when she was a tour guide at the Hermitage Museum and the German army's approach signaled the beginning of what would be a long, torturous siege on the city. As the people braved starvation, bitter cold, and a relentless German onslaught, Marina joined other staff members in removing the museum's priceless masterpieces for safekeeping, leaving the frames hanging empty on the walls to symbolize the artworks' eventual return. As the Luftwaffe's bombs pounded the proud, stricken city, Marina built a personal Hermitage in her mind—a refuge that would stay buried deep within her, until she needed it once more. . . .

The Prophet's Wife - Libbie Grant 2022-03-01

A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict

that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

**From Past to Present** - Michael J. Goc 1999

I, Hogarth - Michael Dean 2014-02-25

The great eighteenth century portraitist comes to life in this "gritty, bawdy and funny" rags to riches novel told in the voice of the artist himself (The New York Times). William Hogarth was London's artist par excellence, and his work—especially his satirical series of "modern moral subjects"—supplies the most enduring vision of the ebullience, enjoyments, and social iniquities of the eighteenth century. And in *I, Hogarth*, he tells a ripping good yarn. From a childhood spent in a debtor's prison to his death in the arms of his wife, Hogarth recounts the incredible story of how he maneuvered his way into the household of prominent artist Sir James Thornhill, and from there to become one of England's best portrait painters. Through his marriage to Jane Thornhill, his fight for the Copyright Act, his unfortunate dip into politics, and his untimely death, "the voice in which Dean's Hogarth tells his own story is rich and persuasive . . . Like stepping into a Hogarth painting" (The New York Times). "A brilliant exercise in imagination and storytelling." —Kirkus Reviews (starred review)

**Lucia Joyce** - Carol Loeb Shloss 2005-03-01

"Whatever spark or gift I possess has been transmitted to Lucia and it has

kindled a fire in her brain." —James Joyce, 1934 Most accounts of James Joyce's family portray Lucia Joyce as the mad daughter of a man of genius, a difficult burden. But in this important new book, Carol Loeb Shloss reveals a different, more dramatic truth: her father loved Lucia, and they shared a deep creative bond. Lucia was born in a pauper's hospital and educated haphazardly across Europe as her penniless father pursued his art. She wanted to strike out on her own and in her twenties emerged, to Joyce's amazement, as a harbinger of expressive modern dance in Paris. He described her then as a wild, beautiful, "fantastic being" whose mind was "as clear and as unsparing as the lightning." The family's only reader of Joyce, she was a child of the imaginative realms her father created, and even after emotional turmoil wrought havoc with her and she was hospitalized in the 1930s, he saw in her a life lived in tandem with his own. Though most of the documents about Lucia have been destroyed, Shloss painstakingly reconstructs the poignant complexities of her life—and with them a vital episode in the early history of psychiatry, for in Joyce's efforts to help her he sought the help of Europe's most advanced doctors, including Jung. In Lucia's world Shloss has also uncovered important material that deepens our understanding of *Finnegans Wake*, the book that redefined modern literature.

[Five Smooth Stones](#) - Ann Fairbairn 2009-04-01

This gripping bestseller, first published in 1966, has continued to captivate readers with its wide-ranging yet intimate portrait of an America sundered by racial conflict. David Champlin is a black man born into poverty in Depression-era New Orleans who makes his way up the ladder of success, only to sacrifice everything to lead his people in the civil rights movement. Sara Kent is the white girl who loves David from the moment she first sees him, and who struggles against his belief that a marriage for them would be wrong in the violent world he has to confront. And the "five smooth stones" are those the biblical David carried against Goliath. By the time this novel comes to its climax of horror, bloodshed, and hope, readers will be convinced that its enduring popularity is fully justified.

*The King's Agent* - Donna Russo Morin 2011-10-24

From the smoldering depths of Rome to a castle in the sky, the harrowing quest draws them inextricably together. Praise for the novels of Donna Russo Morin "Morin has created a wonderful heroine and painted a brilliant portrait of a neglected court, which will interest fans of the Tudor era."--Publishers Weekly on *To Serve a King* "History comes to life as Morin recreates the lush and dangerous world of the Murano glassmakers. . . Her story swirls together colors of political and religious intrigue, murder, and romance." --Romantic Times, (4 Stars) on *The Secret of the Glass* "As opulent and sparkling as Louis XIV's court and as filled with intrigue, passion and excitement as a novel by Dumas. . . a feast for the senses." --Romantic Times (4 stars) on *The Courtier's Secret*

their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. **Lie With Me** - Philippe Besson 2019-04-30

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten,

a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

**This Woman's Work** - Julie Delporte 2019-01-22

A profound and personal exploration of the intersections of womanhood, femininity, and creativity *This Woman's Work* is a powerfully raw autobiographical work that asks vital questions about femininity and the assumptions we make about gender. Julie Delporte examines cultural artifacts and sometimes traumatic memories through the lens of the woman she is today—a feminist who understands the reality of the women around her, how experiencing rape culture and sexual abuse is almost synonymous with being a woman, and the struggle of reconciling one's feminist beliefs with the desire to be loved. She sometimes resents being a woman and would rather be anything but. Told through beautifully evocative colored pencil drawings and sparse but compelling prose, *This Woman's Work* documents Delporte's memories and cultural consumption through journal-like entries that represent her struggles with femininity and womanhood. She structures these moments in a nonlinear fashion, presenting each one as a snapshot of a place and time—trips abroad, the moment you realize a relationship is over, and a traumatizing childhood event of sexual abuse that haunts her to this day. While *This Woman's Work* is deeply personal, it is also a reflection of the conversations that women have with themselves when trying to carve out their feminist identity. Delporte's search for answers in the turmoil created by gender assumptions is profoundly resonant in the era of #MeToo.

**Metaliterate Learning for the Post-Truth World** - Thomas P. Mackey 2019-07-03

Foreword by Troy A. Swanson Metaliteracy, Jacobson and Mackey's revolutionary framework for information literacy, is especially well suited as a tool for ensuring that learners can successfully navigate the proliferation of fake news, questionable content, and outright denialism of facts in today's information morass. Indeed, it is starkly evident that the competencies, knowledge, and personal attributes specific to metaliterate individuals are critical; digital literacy and traditional conceptions of information literacy are insufficient for the significant challenges we currently face. This book examines the newest version of the Metaliteracy Goals and Learning Objectives, including the four domains of metaliterate learning, as well as the relationship between metaliteracy and the ACRL Framework for Information Literacy for Higher Education. Featuring contributions from a variety of information literacy instructors, educators, librarians, and faculty, the chapters in this book discuss the social, political, and ethical dimensions of information creation, distribution, and use; use case studies to demonstrate how metaliteracy guides learners to read online information with a critical eye, apply metacognitive thinking to the consumption of all information, and make purposeful and responsible contributions to the social media ecosystem as active participants; examine when images are taken out of context and paired with misleading text, a prevalent feature of the misinformation frequently shared via social media; and situates metaliteracy in such contexts such as the academic library, a science class, fiction writing, digital storytelling, and a theater arts course. Metaliteracy is a powerful model for preparing learners to be responsible participants in today's divisive information environment, and this book showcases several teaching and learning practices that have already proven effective.

*Academic Voices* - Upasana Gitanjali Singh 2022-04-01

*Academia's Digital Voice: A Conversation on 21st Century Higher Education* provides critical information on an area that needs particular attention given the rapid introduction and immersion into digital technologies that took place during the pandemic, including quality

assurance and assessment. Sections discuss the rapid changes called into question as student mobility, pedagogical readiness of academics, technological readiness of institutions, student readiness to adopt online learning, the value of higher education, the value of distance learning, and the changing role of administration and faculty were thrust upon institutions. The unprecedented speed of international lockdowns caused by the pandemic necessitated HEIs to make rapid changes in both teaching and assessment approaches. The quality of these and sacrosanctity of the academic voice has long been the central tenet of higher education. While history is replete with challenges to this, the current, rapid shift to online education may represent the greatest threat and opportunity so far. Focuses on the academic voice in HEI Presents an authentic message and mode for the new world we live in post COVID Includes a section on academic predictions for higher education institutions

Women Professional Workers - Elizabeth Kemper Adams 1921

**Rewriting/Reprising in Literature** - Claude Maisonnat 2009-10-02

This volumes includes a series of 17 selected essays, preceded by a methodological introduction, whose purpose is to offer a fresh outlook on the question of rewriting-reprising. The argument, taking for granted the phenomenon of intertextuality, develops along three main axes: the first one reconsiders the already debated issue of authority on post-structuralist premises, arguing that the origin of a text is untraceable. The second looks at a phenomenon often associated with reprising, especially in a post-colonial context: trauma, whether individual or historical, in relation to creative repetition. The third axis offers a re-reading of the question of voice, introducing the notion of the textual voice, understood as that part of the enunciative act over which the author has no control. When writers make of reprising a deliberate practise, we are tempted to believe that their position, between homage and pillage, presupposes the existence of a traceable source of the literary Word. We must however face the problematic nature of enunciation, the void on which is founded. Which leads us to the proposition that the act of reprising is a creation ex nihilo: a certain mode of organisation around that void. Besides, in a century of major man-made traumas, whose effect was the tearing up of social fabrics, reprising will assume a more complex significance: the symptomatic, repetitive stitching of what is being constantly ripped up.

RICK WARD WANTS TO GO TO WAR. And he's not sure why. Maybe he's running from his dad and his crazy temper. Maybe he's running from his girl, who seems to think he's more of a joke than a man. Or maybe he's just running -- to find himself. But after Rick ventures into the Vietnam jungle, he discovers that no one -- not protestors, politicians, or writers -- has got a clue. War is far bigger, scarier, and more complicated than anything he ever could have imagined.

The author of the "engrossing" (People) international bestseller *The Room on Rue Amélie* returns with a moving story set amid the champagne vineyards of France during the darkest days of World War II, perfect for fans of Heather Morris's *The Tattooist of Auschwitz*. Champagne, 1940: Inès has just married Michel, the owner of storied champagne house Maison Chauveau, when the Germans invade. As the danger mounts, Michel turns his back on his marriage to begin hiding munitions for the Résistance. Inès fears they'll be exposed, but for Céline, the French-Jewish wife of Chauveau's chef de cave, the risk is even greater—rumors abound of Jews being shipped east to an unspeakable fate. When Céline recklessly follows her heart in one desperate bid for happiness, and Inès makes a dangerous mistake with a Nazi collaborator, they risk the lives of those they love—and the vineyard that ties them together. New York, 2019: Recently divorced, Liv Kent is at rock bottom when her feisty, eccentric French grandmother shows up unannounced, insisting on a trip to France. But the older woman has an ulterior motive—and a tragic, decades-old story to share. When past and present finally collide, Liv finds herself on a road to salvation that leads right to the caves of the Maison Chauveau.
