The World Café - Juanita Brown 2005-06-05

The World Cafe is a flexible, easy-to-use process for fostering collaborative dialogue, sharing mutual knowledge, and discovering new opportunities for action. Based on living systems thinking, this innovative approach creates dynamic networks of conversation that can catalyze an organization or community's own collective intelligence around its most important questions. Filled with stories of actual Cafe dialogues in business, education, government, and community organizations across the globe, this uniquely crafted book demonstrates how the World Cafe can be adapted to any setting or culture. Examples from such varied organizations as Hewlett-Packard, American Society for Quality, the nation of Singapore, the University of Texas, and many others, demonstrate the process in action. Along with its seven core design principles, The World Cafe offers practical tips for hosting "conversations that matter" in groups of any size-strengthening both personal relationships and people's capacity to shape the future together.

The Office of Governor-General - Sir Paul Hasluck 1979
The events of November 1975 sparked off lively debate as to what the Governor-General does. The real point at issue in that controversy was not whether a Governor-General has the power to dismiss a Prime Minister. The fact that the power was exercised is proof that the power exists. The question to be asked is whether the Governor-General was justified by the facts as he saw and interpreted them, and, if he were justified, whether he was wise to use the power. There is a difference between an extreme situation and a customary action. The controversy over the dismissal of a Prime Minister concentrated attention on one aspect, but in this lucid essay Sir Paul Hasluck sets out the wide range of the Governor-General's duties and the place of office in the whole structure of Australian government.
