[The Social History of the American Family](#) - Marilyn J. Coleman 2014-09-02

The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s. The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history. Experiences of family life shape so much of an individual's development and identity, yet the patterns of family structure, family life, and family transition vary across time, space, and socioeconomic contexts. Both the definition of who or what counts as family and representations of the "ideal" family have changed over time to reflect changing mores, changing living standards and lifestyles, and increased levels of social heterogeneity. Available in both digital and print formats, this carefully balanced academic work chronicles the social, cultural, economic, and political aspects of American families from the colonial period to the present. Key themes include families and culture (including mass media), families and religion, families and the economy, families and social issues, families and social stratification and conflict, family structures (including marriage and divorce, gender roles, parenting and children, and mixed and non-modal family forms), and family law and policy. Features: Approximately 600 articles, richly illustrated with historical photographs and color photos in the digital edition, provide historical context for students. A collection of primary source documents demonstrate themes across time. The signed articles, with cross references and Further Readings, are accompanied by a Reader's Guide, Chronology of American Families, Resource Guide, Glossary, and thorough index. *The Social History of the American Family* is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions.

The Falconer - Elizabeth May 2015-12-15

"A riveting world, a fierce heroine, and electrifying action--I burned through this sparkling debut!" —Sarah J. Maas, *New York Times* bestselling author *Edinburgh*, 1844. Beautiful Aileana Kameron only looks the part of an aristocratic young lady. In fact, she's spent the year since her mother died developing her ability to sense the presence of sithichean, a faery race bent on slaughtering humans. She has a secret mission: to destroy the faery who murdered her mother. But when she learns she's a Falconer, the last in a line of female warriors and the sole hope of preventing a powerful faery population from massacring all of humanity, her quest for revenge gets a whole lot more complicated. Now in paperback, this electrifying thriller—the first volume of a trilogy from an exciting new voice in young adult fantasy—blends romance and action with steampunk technology and Scottish lore in a deliciously addictive read. Dying for more? Don't worry, you don't have to wait to continue reading! Book two in *The Falconer Trilogy*, *The Vanishing Throne* is available now. Book three, *The Fallen Kingdom* is available for preorder.

[D-Day Invasion](#) - iMinds 2014-05-14

The story behind D-Day begins in 1939 when Nazi Germany, led by Adolf Hitler, attacked Poland and ignited World War Two. The following year, the Germans occupied France and Western Europe

and launched a vicious air war against Britain. In 1941, they invaded the Soviet Union. Seemingly unstoppable, the Nazis now held virtually all of Europe. They imposed a ruthless system of control and unleashed the horror of the Holocaust. However, by 1943, the tide had begun to turn in favor of the Allies, the forces opposed to Germany. In the east, despite huge losses, the Soviets began to force the Germans back.

Fairy Tale Interrupted - RoseMarie Terenzio 2012-01-24

Working Girl meets What Remains in this *New York Times* bestselling, behind-the-scenes story of an unlikely friendship between America's favorite First Son, John F. Kennedy Jr. and his personal assistant, a blue-collar girl from the Bronx. Featured in the documentary *I Am JFK Jr.!* From the moment RoseMarie Terenzio unleashed her Italian temper on the entitled nuisance commandeering her office in a downtown New York PR firm, an unlikely friendship bloomed between the blue-collar girl from the Bronx and John F. Kennedy Jr. Many books have sought to capture John F. Kennedy Jr.'s life. None has been as intimate or as honest

as Fairy Tale Interrupted. Recalling the adventure of working as his executive assistant for five years, RoseMarie portrays the man behind the icon—patient, protective, surprisingly goofy, occasionally thoughtless and self-involved, yet capable of extraordinary generosity and kindness. She reveals how he dealt with dating, politics, and the paparazzi, and describes life behind the scenes at *George* magazine. Captured here are her memories of Carolyn Bessette, how she orchestrated the ultra-secretive planning of John and Carolyn's wedding on Cumberland Island—and the heartbreak of their deaths on July 16, 1999, after which RoseMarie's whole world came crashing down around her. Only now does she feel she can tell her story in a book that stands as "a fitting personal tribute to a unique boss . . . deliriously fun and entertaining" (Kirkus Reviews).

Unchained Mind - Ricardo G. Williams 2017-03-15

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

This edition is enhanced by timely new content: NEW chapters including Treatment of Pulmonary Arterial Hypertension, Immunity and Inflammation, Immunoglobulins and Vaccines, and Treatment of Viral Hepatitis Expanded coverage of cardiovascular disease, with separate chapters on myocardial ischemia, hypertension, and heart failure Increased emphasis on cellular signaling pathways involved in drug action Summary tables at the end of each chapter that organize drugs discussed in that chapter into relevant categories and detail therapeutic usage, clinical pharmacology, and tips Chapter Content Outlines at the beginning of each chapter Abbreviation boxes in every chapter to easily identify the abbreviations appearing in that chapter More

than a textbook, Goodman & Gilman's is a working template for the effective and rational prescribing of drugs in daily practice.

Sacrifice in the Post-Kantian Tradition - Paolo Diego Bubbio 2014-07-07

An examination of the philosophical notion of sacrifice from Kant to Nietzsche. In this book, Paolo Diego Bubbio offers an alternative to standard philosophical accounts of the notion of sacrifice, which generally begin with the hermeneutic and postmodern traditions of the twentieth century, starting instead with the post-Kantian tradition of the nineteenth century. He restructures the historical development of the concept of sacrifice through a study of Kant, Solger, Hegel, Kierkegaard, and Nietzsche, and shows how each is indebted to Kant and has more in common with him than is generally acknowledged. Bubbio argues that although Kant sought to free philosophical thought from religious foundations, he did not thereby render the role of religious claims philosophically useless. This makes it possible to consider sacrifice as a regulative and symbolic notion, and leads to an unorthodox idea of sacrifice: not the destruction of something for the sake of something else, but rather a kenotic emptying, conceived as a withdrawal or a "making room" for others.

Phonics First - Hunter A. Calder 1999

BOOKS IN SERIES: 8 BOOKS IN READING FREEDOM 2000 PROGRAM: 24 ISBN: 978174020 0202 AUTHOR: Hunter Calder RRP: \$13. 95 PAGES: 72 pp. The Phonics First series has been written specifically for pre-readers and beginning readers (suggested age 4 - ... 6). The series is carefully structured to develop phonemic awareness - ... the ability to identify individual sounds in words as well as the ability to blend sounds into meaningful words. In Phonics First Book 5, students are introduced to higher order phonics skills and generalisations. They learn the common consonant digraphs, long vowel rules, and the soft 'ec', and 'eg', sounds. Through a variety of motivational exercises and activities students develop their skills so they are able to read words containing these sounds with accuracy and fluency. The Reading Freedom 2000 Diagnostic Handbook should be used to place students at the correct level in the program. In order to work successfully with the Phonics First Activity Books, teachers should refer to the Phonics First Teacher Resource Book and monitor student progress with the Phonics First Achievement Tests.

Hangin' Tough - Jawed Akrim 2021-05-17

Hangin' Tough is a collection of essays and short stories that celebrate boxing. Jawed Akrim, a lifelong scholar and fan of the noble sport, answers an individual question with each essay or story. The question-and-answer format engages readers and encompasses a variety of topics, such as: • Was there ever someone more intimidating than Mike Tyson? • Were people scared to fight Muhammad Ali? • Has a boxer ever been so nervous that they didn't leave the dressing room? • Who would win in a match between Sonny Liston and Rocky Balboa? • What was the most unrealistic thing that happened in the Rocky movies? Filled with colorful personalities such as boxers Muhammad Ali, Canelo Alvarez, Sonny Banks, Trevor Berbick, David Bey, Joe Louis, and many others, the book also highlights trainers and other sports figures with a connection to the ring. Prepare to be shocked, amazed, and even horrified as you take a walk on the wilder side of boxing history.

Twelve Years A Slave (Illustrated) - Solomon Northup 2014-08-22

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's

account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

The Pregnant Man - Roberto Zapperi 1991

This book is a most exciting and unusual study of cultural history. The idea of the pregnant man, redolent of bawdy jokes and sexual fantasy, has inspired European literature and folklore since ancient times. Traces of the theme, both comical and disturbing, are found not only in the wealth of tales from Italy, France, Germany, Russia, Finland and other European Countries, but also in the Hebrew and Islamic traditions.

Affective Health and Masculinities in South Africa - Hans Reihling 2020-04-24

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.
