*Smart Girl's Guide* - Mel Hammond 2022

"Many people struggle with loving their bodies, but it's especially difficult for girls as they grow up. Girls face a lot of pressure to look a certain way, and the pursuit of a "perfect" body can lead to low self-esteem, feeling ashamed, depression, or even eating disorders. This book will help you understand how internal and external factors such as puberty, media images, social media, and peer pressure contribute to how you see yourself, and it will give you ways to combat the negative feelings and behaviors that come along with negative body image. This book will also help you understand and value all body types, and learn how to be less judgmental and more compassionate toward every body"--

**A Big Kid Bed is Coming** -  
Liz Fletcher 2020-01-25

Help motivate your child to want to move from a crib to a 'big kid bed' with courage and confidence in a fun and inspiring adventure! Change for little ones can be daunting but have no fear - Louie is here

to help! In the first book of its series, Louie is a super elephant who is always ready for adventure, but he's sick of waking up tired and weary.

Louie decides that maybe it's time to give his 'big kid bed' a try and then comes the biggest surprise of all... With sweet rhymes and beautiful illustrations, this book inspires bravery and greatness. A Note from the publisher: Give Your Child the Courage That He or She Needs to Quickly Conquer New Milestones without Stress or Overwhelm. The toddler years can be the most amazing, yet challenging times. On one hand, it's hard to believe that your little one is growing up before your eyes (and it's the most incredible joy to be part of) but on the other hand, with growing up comes change and new milestones. These transitions can often be daunting for both the child and the parent. We created the character, Louie, with your child in mind. It's our goal that your child will instantly relate to Louie's adventurous spirit, independence, and fun-loving

nature. He or she will giggle through this sweet, rhythmic story but also learn that change can be overcome by a little courage and that the outcome can actually lead to even more fun and adventure! We understand that there are many different tactics and tools to conquer transitions (and that each household may handle them differently), however, we strongly believe that before technique there needs to be a want and desire within the child. The same is true for adults. Think about it, there's no way you're going to learn a foreign language if you don't have the desire. You can be thrown into some of the best classrooms and programs but will have a hard time grasping the information until you're actually interested and motivated. Louie's Little Lessons' sole focus is to ignite curiosity and motivation when it comes to facing change (then, the technicalities can be taught whichever way you chose), however, the first and most challenging step is establishing the correct

mindset. We hope to help your child find his/her desire to embrace change and courage for years to come!

*Magic Reigns* - J. R. Pearse  
Nelson 2020-08-20

This is the chance he's been waiting for. But he had no idea they'd bring her. Betrayed by one of their own, the defenders of Aeon Society turn to a Scholar and a Healer to join their mission and help track down the traitor. Henry has worked for this opportunity for years. He's studied Bastion and is an expert in local languages and culture. And he's worked his tail off in Alpha Corps drills, honing his skills alongside the warriors. All of his training had better pay off, because now he has to keep June safe in a world she can't possibly be prepared for. And she's fond of telling him not to bother. June knows she'll be called on for more than healing. Just the thought of using her other gift induces guilt. Can she resist the desire to drown others' magic with her power? And somehow, she can't keep her eyes off the man she's rejected since they were teens. Henry

wears his armor like he's used to the weight. The Alphas treat him like more than a Scholar. Since when did her friend grow into a warrior? A new world may be just what she needs to see him differently. Maybe this time she'll finally give him a chance. \*\*\*\*\* Follow June and Henry through the gates and into a whole new world in the second Aeon Society fantasy romance.

[Goodnight Princess](#) - Michelle Robinson 2013-07-04

The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric illustrations which will delight and soothe all little girls as they snuggle up in bed. A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same birthday and a love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at [www.michellerobinson.co.uk](http://www.michellerobinson.co.uk). Nick East has been working as

a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.

*A Millennial Family* - Emily Ardath 2021-03-24

Have you ever wondered why the Millennial generation are the way they are or what factors may have contributed to molding this group we call Millennials? Enter into the lives of a typical Millennial family as they navigate the trials and tribulations of an ever changing world of uncertainty and technological surges. Learn what it means to be a Millennial as well as a parent of a Millennial and how thoughtful and purposeful change can set the groundwork for a positive future. In *A Millennial Family*, author Emily Ardath has endeavored to do this difficult work in recalling

and exploring her relationship with her own Millennial daughters. Writing in turn from each of their perspectives and touching on key periods, memories, encounters, disagreements, and more throughout every stage of their lives, the author aims to shed light upon the root causes and manifestations of some of the disconnect between her own and her daughters' generations. She addresses priorities, loyalty, love, integrity, to name a few topics, and how these character attributes resonate with Millennials and other generations.

*Carly's Dream* - Birdie L. Etchison 2015-05-14

Carly is almost sixteen, the age when she can go on her rumspringa. Her dream is to find her mother's Englisch

family during that year away from her Amish home. When Carly receives an unexpected letter from her father, who has been shunned for marrying an Englisher, she learns that her mother's family lives in Indiana. Now she has a location but must find a way to get there. When she meets a kind Englisher named Josh, he offers to take her. Soon Carly finds herself living with her maternal grandmother, meeting relatives she didn't even know existed, and trying to adapt to the very different lifestyle they all lead. In many ways, the freedom of that lifestyle appeals to her, but memories of her Amish upbringing continue to woo her heart to come back home. When one of her Amish relatives is severely injured in an accident, her decision is made: she will return to the farm and to the people who raised her. Carly's heart is soon torn again when she acknowledges the love she has for a man she's known most of her life but who is forbidden as a possible mate. This man

returns her feelings but knows their love can never be...or can it? Is it possible that a timely letter with a revelation from the past can change the impossible?
