**The Midnight Lady and the Mourning Man** - David Anthony 2013-12

\*The book that inspired the Burt Lancaster film, 'The Midnight Man', now back in print!\* The rites of spring are well underway on the small Midwestern campus of Jordan City College when Morgan Butler reluctantly agrees to pinch hit for his ailing Marine buddy, the town constable. For Butler, a former detective turned gentleman farmer, it all seems fairly routine until he stumbles on the brutally murdered body of the beautiful, frosty coed Natalie Clayborne. In search for the girl's killer he plunges into a thick web of intrigue that turns up two more murders and begins to uncover shocking relationships between notable members of the academic community. The closer Butler gets to the situation, the more it appears that a disreputable member of the faculty still carries a torch for Natalie's mother; that the relationship

between Natalie and her father was more than a little out of the ordinary; and that the distinguished editor of the local newspaper knows more about the secrets Natalie shared with her hippy boyfriend than he is letting on. This is a powerful story about the explosive forces lurking beneath the staid veneer of the academic environment, and about the men and women forced to live behind this mask of respectability. The murder is the catalyst which unleashes a flood of pent-up furies and finally forces into the open the hidden secrets that have affected the very foundation of the community.

Run Silent, Run Deep - Edward L. Beach  
2016-10-15

This is a story of the silent service—the submarine crews which destroyed the Japanese merchant marine. A narrative taut with drama, told with the intimacy of a confession, it deals with two strong-headed men: their loves, their jealousies, and their

destinies in the lonely and desperate struggle between the hunter and the hunted. Few war novels will rival *Run Silent, Run Deep* in the naked realism of its action. None will surpass its rising excitement and brilliant descriptions of men in combat. Unlike many war novels, here is a story that deals with war from the perspective of command. Edward Beach re-creates with fidelity the anguish, agony, and triumphs of command decisions. In Commander Richardson, he has created a character who embodies all that is fine, all that is

human, in an excellent naval officer. In a sense, *Run Silent, Run Deep* is a monument, not to the misfits and the mistakes, but to those men who rose to greatness under the sometimes unbearable tensions of action.
