**Grammar Practice  
Simplified: Guided  
Practice in Basic Skills**

Strong language skills  
are essential to success  
in school and life.  
Knowing the elements of

language and understanding how they work together greatly enhances all language-based abilities. Grammar Practice Simplified Book A is designed to familiarize students with the basic elements of a sentence. Students learn the difference between a sentence and a fragment, and to distinguish between a telling sentence and an asking sentence. They then proceed to nouns and verbs, with special focus on the verb "be". Finally, students are introduced to capitalization and punctuation in sentences, in names, in titles, and in days and months. Readability has been carefully controlled for younger students, but the approach and design make the book useful for older, language-delayed students or students who speak English as a

second language. Answers are provided at the back of the book. Book A is Grades 2-3.

### **Essential English**

AM's COMPREHENSIVE ENGLISH GRAMMAR -

Mohammed Abu Muslim  
2014-09-26

The author has been a renowned teacher in the eastern zone of India. He has earned great reputation as a teacher of English Grammar & Composition. He commands great respect & is held in high esteem as a English language teacher because of his clear & unambiguous instructions and information of different items of Grammar and ways of composition have enabled his disciples not only to write correctly, but also to write nicely and ostentatiously. Even now when he is a retired teacher he remains surrounded by hosts of teachers as well as students who, as they

are after and have great thirst for clear, easy & graspable instructions regarding different grammatical items, flock over to him to satisfy their mind. It has been they who pressed the author to bring into writing at least a synopsis of different chapters of English Grammar to the comprehensive extent of their usual need so that future generation may go on getting its benefits, because of its easy way to imparting the subject lucid style of impressing the learners and vivid imagery enabling them to get acquainted with all the concepts of English Grammar employing almost no effort or calling on no teacher for help.
