The Essentials of Ibadi Islam - Valerie J. Hoffman 2012-05-22

Ibadi Islam is a distinct sect of Islam, neither Sunni nor Shi'ite, that emerged in the early Islamic period and remains active today in small pockets of North Africa and as the dominant

sect of Oman. Despite its antiquity, it has often been misunderstood and remains little known. Seeking to redress this gap and to introduce this Islamic school to the non-Arabic-speaking world, Hoffman offers the first book-length overview of Ibad.i theology published in English. Beginning with a concise overview of Ibad.i history, Hoffman delineates the movement's role in the development of Islamic thought, tracing its distinctive teachings and literary history. In the second section, she provides annotated translations of two complementary modern Ibad.i theological texts. This unique volume elucidates Ibad.i religious and political thought by allowing its tradition to speak for itself. The Essentials of Ibad.i Islam gives readers, specialists and nonspecialists alike, a rare opportunity to understand the major teachings of Ibad.i Islam.

Essential Message of Islam - Muhammad Yunus 2009

"The Qur'an has been interpreted by many scholars (Muslims and non-Muslims) for centuries, and many interpretive works presently in circulation are more or less similar in tone and contents. The "Essential Message of Islam," however, is a challenging book that stands apart from the traditional interpretive works. Evolved primarily by a computer-aided scrutiny of the Qur'anic text, the book provides an invaluable source that offers eye-opening and enlightening insights to the Muslims' sacred Text, without any personal, sectarian, cultural or gender influences. The book removes any misconception about Muslim-Christian-Jewish relationships, presenting Islam as a 'Universal

Religion' that promotes a peaceful coexistence of people of all faiths. A must read book for all!" --

Reopening Muslim Minds
- Mustafa Akyol 2021-04-06
A fascinating journey into Islam's diverse history of ideas, making an argument for an "Islamic Enlightenment" today In Reopening Muslim Minds, Mustafa Akyol, senior fellow

at the Cato Institute and opinion writer for The New York Times, both diagnoses “the crisis of Islam” in the modern world, and offers a way forward. Diving deeply into Islamic theology, and also sharing lessons from his own life story, he reveals how Muslims lost the universalism that made them a great civilization in their earlier centuries. He especially demonstrates how values often associated with Western Enlightenment — freedom, reason, tolerance, and an appreciation of science — had Islamic counterparts, which sadly were cast aside in favor of more dogmatic views, often for political ends. Elucidating complex ideas with engaging prose and storytelling, *Reopening Muslim Minds* borrows lost visions from medieval Muslim thinkers such as Ibn Rushd (aka Averroes), to offer a new Muslim worldview on a range of sensitive issues: human rights, equality for women,

freedom of religion, or freedom from religion. While frankly acknowledging the problems in the world of Islam today, Akyol offers a clear and hopeful vision for its future.

Essential Islam - Diane Morgan 2010

Essential Dua's in the Life of a Muslim - 115 Dua's in One Book -

Jamiatul Ulama Kzn Sa 2015-11-22

All praise is due to Allah Ta'ala, The Supreme Master of all the worlds. Countless Durood and Salaam be upon our beloved Nabi, Sayyidina Muhammad(PBUH). We have been taught by Rasulullah(PBUH) to recite

duas at different occasions of our life. From the time we awaken till the time we go to sleep we have been taught to recite these duas. In this manner our entire day passes in the remembrance of Allah Ta'ala. It is mentioned in the Hadith that Rasulallah(PBUH) used to remember Allah Ta'ala at all times. A great amount of the constant remembrance was by means of the recitation of the duas for the various occasions. The recitation of these duas also strengthens our bond with Allah Ta'ala and increases the love for our Creator in our hearts. Parents need to play the very important role of constantly encouraging and reminding their children to recite the duas at the appropriate time. Thus when the child is woken up in the morning, before he enters the toilet and after he leaves, before and after eating and at all other occasions, the parents should remind the child to

recite the dua. In this way it will become a part of their lives and the purpose of teaching these duas will be achieved, Insha Allah.

Essentials of Islamic Faith - Suhaib Webb 2017-09-07 Studying religion seems like a monumental task; people often don't know where to start, and there are very few organized methods of studying Islam in English that guide a person through the process of education.

Suhaib Webb wrote it in a style that is accessible and digestible for English speaking Muslims, especially parents and teens.
