Sirat Un Nabi the Life of the Prophet - Shiblī Nu'mānī 2003

Lessons from History - Israr Ahmad 2018-02-06

The substance of this book is based on the ideas published by Dr. Israr Ahmad in 1993 in the columns of the Urdu daily Nawa-e-Waqt of Lahore. The series of write-ups continued for a few months and were widely read with interest. The entire material, after slight editing, was published in a book form in October 1993 under the title Sabiqā aur Maujudā Musalman Ummatun ka Mazi, Haal, aur Mustaqbil, and has since gone through many re-prints. Dr. Ahmed Afzaal rendered these ideas into English and part of it was serialized in 1995-96 in the monthly Hikmat-e-Qur'an published by the Markazi Anjuman Khuddam-ul-Qur'an Lahore. For putting it into a compact book, he further revised the entire material, added his own sub-titles, and made it more authentic by giving quotations from the Old and New Testaments. Indeed, he took great pains to make the citations of quite a few historical events and landmarks, particularly of early Jewish history, more authentic by giving dates and references from reliable sources. Moreover, he suggested a much more telling title for the book - *Lessons from History* - and the sub-title - *Reflections on the Past, Present, and Future of Two Muslim Communities* - puts in a capsule form the whole spectrum of ideas covered in the book.

The Prophet's Heir - Hassan Abbas 2021-02-23

The life and legacy of one of Mohammad's closest confidants and Islam's patron saint: Ali ibn Abi Talib Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor—and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced, compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how, after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al-Qaeda, and Taliban.

The Weary Generations - Abdullah Hussein 2014-10-01

Published ahead of Paul Scott's *Raj Quartet* and long before *Midnight's Children*, Abdullah Hussein's ambitious saga of social struggle *The Weary Generations* was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered

at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

A Mighty Striving - Muhammad Ahmad

This is a biography of Maulana Muhammad Ali (d. 1951), the world-famous author of several highly acclaimed books on Islam, including an English translation of the Holy Quran with commentary. Besides being a history of his life and work, and the history of the Lahore Ahmadiyya Movement, it also vividly portrays his burning desire to present to the modern and Western world the pristine Islam based directly on the Holy Quran and the Holy Prophet Muhammad's teachings — a religion of peace, tolerance, reason and moderation, which seeks to win over people's hearts and minds. The *Mighty Striving* with the Quran which the Maulana urged upon Muslims is the only way to restore the dignity of Islam in the light of the misunderstandings between Muslims and the West.

MUNTAKHAB AHADITH - Hazrath Maulana Muhammed saad kandhalvi 2022-06-15

All praises to the Sustainer of the worlds, and grace, honor and salutations on the Chief of Apostles and Seal of Prophets, Muhammad, his family, companions and those who followed him in an excellent fashion and invited mankind towards Allah, till the Day of Resurrection. This is a reality which can be stated without any ambiguity and Exaggeration, that in the Islamic world of today the most power full, use full and all-encompassing effort, is the struggle of the Tablighi Jamaat whose center is situated at the Tablighi Markaz Nizamuddin, Delhi (India). The scope of this effort and its impact is not restricted to the India subcontinent, or Asia, but extends to many continents and to a host of Islamic and Non- Islamic States. The history if such campaigns and revolutionary or reformative movements shows that, after passage of a period of time, or when the scope of the effort enlarge greatly (specially when, by means of it, the attainment of certain advantages and leadership become apparent) then such weaknesses, unwanted objectives and neglect of the original goals set in, which reduce or even totally wipe out the true influence of the work.

The Starless Sea - Erin Morgenstern 2019-11-05

NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

Aisha - Resit Haylamaz 2013-03-01

This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. This study by Dr Resit Haylamaz, an expert on the life of the Prophet and his leading Companions, reflects her life in various aspects based on reliable reports. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn Abi Talib are covered as separate topics.

Reconciliation - Benazir Bhutto 2009-10-13

“It is impossible to understand today’s world without knowing Pakistan; and impossible to understand Pakistan without reading this book. A courageous woman—tragically killed—speaks to us of reconciliation. We owe it to her—and to ourselves—to listen, comprehend, and act.” — Madeleine Albright “One of the most gripping and important books of our era.” — Walter Isaacson Benazir Bhutto returned to Pakistan in October

2007, after eight years of exile, hopeful that she could be a catalyst for change. Upon a tumultuous reception, she survived a suicide-bomb attack that killed nearly two hundred of her compatriots. But she continued to forge ahead, with more courage and conviction than ever, since she knew that time was running out—for the future of her nation and for her life. In *Reconciliation*, Bhutto recounts in gripping detail her final months in Pakistan and offers a bold new agenda for how to stem the tide of Islamic radicalism and to rediscover the values of tolerance and justice that lie at the heart of her religion. She speaks out not just to the West but also to the Muslims across the globe. Bhutto presents an image of modern Islam that defies the negative caricatures often seen in the West. After reading this book, it will become even clearer what the world has lost by her assassination

Sufism-The Soul of Islam - Sultan ul Ashiqeen Sultan Mohammad Najib ur Rehman 2020-10-30

Sufism is a journey. A miraculous one. Filled with hurdles yet easy for those who are born pure and those who choose. It is the choices and not always the actions as they could be deceptive. Sufism is the spiritual and mystical aspect of Islam. The esoteric cosmos has every spiritual blessing, notion and trial. In the universe of Sufism, the destination is being One with the Divine Essence (tawhid) and the dear friend and leader on this path is the spiritual guide. Motivation and power to accomplish comes from loving Allah only, as Sultan Bahoo has famously said, “Only Allah! Everything other than Allah is lust.” The names Allah and Mohammad (Ism-e-Allah Zaat and Ism-e-Mohammad) are sustenance which strengthen the very soul of man. After all it is the journey of soul. Deep respect embedded in the heart for the family of Prophet Mohammad (peace be upon him) is like Noah’s Arc and the sacred Companions are guiding stars. The Mohammadan Assembly is the determining factor declaring one worthy to embark on the quest of Sufism or to demote or worse to forever halt. Wolves, brigands and the negative powers that drive one away are Satan, innerself (an-nafs) and the mortal world. Sharia is the door into this esoteric world. This journey of gnosis has its own set of guidelines. These can come in the form of inspiration, unveiling, waham (inward conversation with Hoo (هو) and ilm-e-dawat (communication with sacred souls of shrines). This book is all and MORE! A must read for every spiritual traveller. In order to understand the true message and spirit of the Holy Quran, it is essential to know the language it has been revealed in. The first step is to understand the meaning of individual words. One needs to understand how words were used by the ancient Arabs by the time of Quranic revelation, and not depend on anyone's explanation or understanding as to what they mean today. Along with proper understanding of Arabic grammar, the true meanings of Quranic words, and their use with respect to the context in which they have been revealed in, one student of Quran may get closer to the Truth. The task of creating a Quranic dictionary or encyclopedia that would explain the classical meanings of Quranic words and their use along with significance was undertaken by Allama Ghulam Ahmed Parwez in 1960, where he compiled *Lughat-ul-Quran* in Urdu language. Now this dictionary has been translated to English by Quranic Education Society in Norway, in order to appeal to a larger audience worldwide and to inspire modern Quranic students.

Islam, Peace and Tolerance - Zahid Aziz 2017-01-03

This booklet was compiled to refute the misconceived notions that Islam is a violent, brutal and intolerant religion which calls upon its followers to wage war, called jihad, against all non-Muslims, that Islam prohibits freedom of religion, and propagates its message by force, and that it does not tolerate any criticism of its teachings and urges Muslims to kill anyone who speaks against it. This book shows that: · Islam teaches Muslims to live in peace with all others in the world, tolerating religious differences. · It recognises for everyone the freedom to believe in and practise whatever religion they wish. · It requires Muslims to show self-restraint and patience in the face of verbal abuse of their religion. · It deplors any kind of violent attack on the general public of any country, innocently going about their daily business.

In Search of Oneness - Moosa Raza 2012-09-15

This free-flowing narrative illuminates the journey of the author, a devout Muslim, through sacred books and holy men of all religions---starting with his own---in search of a personal god and faith, and his coming upon the Bhagavad Gītā. Examining commentaries on this text, from Sankara to Abdur Rahman Chishti, alongside some renderings of the Quran here, Moosa Raza finds many common threads: summoning God through sādhanā or dhikr; reaching God through daan or giving and the service of the destitute; and seeking ecstasy through self-mastery, detachment and surrender. These original observations are complemented by his encounters with people practising these values, like his ailing school teacher who felt God was always behind him or his friend, a senior civil servant, who, trusting in Allah's providence, kept an open home for the poor and the homeless. Through these experiences and his own striving, Raza celebrates the oneness and power of faith and spirituality, showing a path for other seekers.

The History of the Qur'an - Shehzad Saleem 2019

The Qur'an was revealed in parts. It was after this piecemeal revelation that its parts were given a new arrangement and then the collected whole was transmitted to the later generations. A number of illustrious scholars in the past have undertaken to write down this collection and transmission history of the Qur'an. What then is the need to revisit and synthesize this history in the wake of these studies? In the humble opinion of this writer, the answer to this question is that most previous works on this topic have been marred by three flaws and hence occasioned this study. The first flaw is that the collection history of the Qur'an has generally been compiled only on the basis of historical reports found in Ḥadīth anthologies. Seldom was this collection history based on the account of the Qur'an itself on its collection. The second flaw is that tools of historical criticism have not always been fully employed to evaluate the content acquired from Ḥadīth anthologies on the collection of the Qur'an. The result is that, at times, far-reaching conclusions have been drawn from data that is of questionable reliability. The third flaw is that the readings of the Qur'an transmitted by tentative (dhannī) menas have been regarded acceptable along with its reading transmitted by certain (qaṭ'i) means against the verdict of the Qur'an itself. In this way, both have been equated and the distinction between the two has become extremely blurred if not totally forgotten.... The objectives of this study are to (i) synthesize the collection and transmission history of the Qur'an on the basis of the Qur'an and established historical sources. (ii) critically evaluate the accounts of the Qur'an's collection and other related content mentioned in Ḥadīth anthologies using tools of historical criticism. The reader will find the second of the above objectives spanning the greater part of the study because its content is plentiful and needs painstaking reevaluation. This critique constitutes Section 1 (Chapters 1 to 17) of this study. The synthesis is attempted in Section 2 (Chapters 1 and 2). -- from Introduction.

The True Succession - Zahid Aziz 2014-03-15

This book has been published at the centenary of the Ahmadiyya Anjuman Isha'at Islam, or Ahmadiyya Association for the Propagation of Islam, known also as the Lahore Ahmadiyya Movement, which was founded at Lahore in May 1914. It is the result of new research and brings to light some forgotten and buried material. It shows that the Lahore Ahmadiyya is a direct continuation of the Ahmadiyya Movement as founded by Hazrat Mirza Ghulam Ahmad (d. 1908) and as led afterwards by his successor Hazrat Maulana Nur-ud-Din (d. 1914). It seeks to preserve the beliefs, mission and goals of this Movement as set down by these two guiding lights.
