Marathon - Jorge Cuevas 2019-11-07

Red circle: #YourMarathon is what moves you, what gives you hope, and what makes you get out of bed every morning without an alarm clock. What is your marathon? Are you already running it? Are you about to take off? Are you just receiving the calling? Marathon, the challenge that requires preparation, courage, passion, and guts so that you can face off with yourself. This is

not a book about the advantages of running, nor does it contain tips to improve your scores. Rather, these pages get us closer to the war that as a Marathon runner every person fights in their head, which is the same battle that you deal with when you want to go beyond your limits and reach your own goals. The arena for this battle isn't a track, it is in the mind: that place where in some moments you are a slave, an insurgent, a lover, a conquistador, a victim, a criminal, a gladiator, or even a Jedi Knight. Marathon is an intense book, intimate and original, in which you will tour Mexico City, Paris, Papantla, Houston,

and Rome. You will visit the heart of the most emblematic competition in track and field and, between euphoria, frustration, searching, music, and revenge, you will run 42 kilometers of learning.

The Ice Swan - J'nell Ciesielski 2021-07-06

Amid the violent last days of the glittering Russian monarchy, a princess on the run finds her heart where she least expects it. 1917, Petrograd. Fleeing the murderous flames of the Russian

Revolution, Princess Svetlana Dalsky hopes to find safety in Paris with her mother and sister. But the city is buckling under the weight of the Great War, and the Bolsheviks will not rest until they have erased every Russian aristocrat from memory. Svetlana and her family are forced into hiding in Paris's underbelly, with little to their name but the jewels they sewed into their corsets before their terrifying escape. Born the second son of a Scottish duke, the only title Wynn MacCallan cares for is that of surgeon. Putting his talents with a scalpel to good use in the hospitals in Paris, Wynn pushes the boundaries of medical

science to give his patients the best care possible. After treating Svetlana for a minor injury, he is pulled into a world of decaying imperial glitter. Intrigued by this mysterious, cold, and beautiful woman, Wynn follows Svetlana to an underground Russian club where drink, dance, and questionable dealings collide on bubbles of vodka. Out of money and options, Svetlana agrees to a marriage of convenience with the handsome and brilliant Wynn, who will protect her and pay off her family's debts. It's the right thing for a good man to do, but Wynn cannot help hoping the marriage will turn into one of true

affection. When Wynn's life takes an unexpected turn, so does Svetlana's—and soon Paris becomes as dangerous as Petrograd. And as the Bolsheviks chase them to Scotland, Wynn and Svetlana begin to wonder if they will ever be able to outrun the love they are beginning to feel for one another. Omega" is a steamy hot Dubcon Reverse Harem Erotic Wolf Shifter Romance. Full length, explicit sex scenes, standalone, no cheating or cliffhangers - and Happily Ever After. Reader advisory: All books in this series can be read as standalone. But you might enjoy them more if you have read them in sequence. Trigger warnings: This story contains elements of non-consensual sex, strong language, thoughts of depression and very explicit sex scenes. Themes: Reverse Harem, Enemies to lovers, Happily ever after, Opposites attract, Alpha male, Unrequited love, Matchmaker, Law enforcement, Military,

Accidental pregnancy, Arranged marriage, Love triangle, Menage, Protector, Wolf shifter, Pack life, Omega, Alpha ----- Excerpt: Mira reached for her handbag and located the bottle of pills. After taking out one of them, she turned to the sink to get some water. There was some noise coming from the door behind her and she whirled around. “Doing drugs, Doc?” Jacob asked. His voice sounded icy cold as he looked at the pill in her hand. She had never heard him talk like that before. Not to her. This was probably the voice he used when dealing with culprits and criminals in his work as an enforcer. Quickly, he

grabbed her hand, holding it forcefully while using his superior strength to keep her still. She budged a little until she realised how little strength he needed to hold her. “I’ve a headache,” Mira blurted out. “These help.” He took the bottle from her. “I’ll need Logan to verify that. Damn, the smell is even worse in here. You stink, woman.” She winced at his sharp words. As any woman, she hated to know she wasn’t her best. “What is that damn smell?” Jacob said with a confused voice. He leaned down and sniffed her neck. Deeply. A look of surprise spread across his face. She could scent him clearly. The alpha male

scent became stronger, more present. Alerting every cell in her body about the presence of a virile and unmated alpha. Making her omega soul whimper in appreciation. Her wolf needed to know when to keep quiet. To know when it was best to stay hidden. “What the...,” Jacob said hoarsely. He grabbed her chin and lifted it up, forcing her to look into his eyes as they darkened with desire. She had never seen lust, pure naked lust before this moment. Not from him. Not from any other man. She opened her mouth to object. To give an order and make him release her.

The Rule of the Templars - Templars 1997

This book presents for the first time an English translation of henri de Curzon's 1886 edition of the French Rule, derived from the three extant medieval manuscripts. Both monastic rule and military manual, the Rule is a unique document and an important historical source. The Rule is divided into seven main sections: the Primitive

Rule, Hierarchical Statutes, Penances, Conventual life, the Holding of Ordinary Chapters, Further Details on Penances, and Reception into the Order. There are details of the clothing, armour and equipment to which each brother was entitled; instructions to the brothers as to their conduct while on campaign, and information on the daily life of the members of this most influential military order, and on the monastic discipline which made it a formidable fighting force. The Rule evolved over almost one hundred and fifty years of the Order's history, and is thus a dynamic piece of work showing how the

Templars adapted to political change and formulated their disciplinary code. An Introduction gives the historical background to the Rule and summarises the various sections. -- from back cover.
