She's the favored daughter, the perfect mafia principessa . . . or was. Now, all she can see in the mirror's reflection is blood staining her hands like crimson paint. They say first impressions are everything . . . In the murky waters of New York's underworld, Elena's sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat—even

After his and Elena's first encounter ends with an accidental glare on her part, she realizes he's just as rude as he is handsome. She doesn't like the man or anything he stands for, though that doesn't stop her heart from pattering like rain against glass when he's near, nor the shiver that ghosts down her spine at the sound of his voice. And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can hardly afford to be swept up in another. Besides, even if he were hers, everyone knows you don't fall in love with a Made Man . . . right? This is a standalone forbidden romance.

Dearest Stalker - J. S. Scott 2019-06-14

What happens when a woman falls in love with her stalker? I'm not the

type of woman who actually inspires passion in any guy, much less one who makes it a habit to watch me because he's obsessed. I'm a curvy, plain Jane. I like my chips, chocolate, and junk food, and it definitely shows. I'm an educated geek who would rather have my nose in a computer instead of a fashion magazine. But none of those things seem to matter to Stalker. He sees something in me that I don't see in myself, and I don't know why. I'm terrified, yet I'm inexplicably intrigued. I'm cautious by nature, but something makes me want to know who he is, and why he gives a sh*t about somebody like me. I know falling for a man I've never seen in the light of day is dangerous. Does he stalk me because he wants to own me, control me, and make me into the woman he thinks that I am? Does he want to hurt me, or is he just a lost soul like me? And why did it feel so good to touch him under the cover of darkness? Is he my nightmare or my dearest stalker? Getting to know him might be foolish, but for some reason, I just can't walk away...

Author's note: This is a red-hot, sexy, curvy girl serial romance with an obsessed, alpha male stalker. Read at your own risk.

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

Billionaire Unexpected Jax - J S Scott 2021-03

I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood

what I was going through, even when I didn't understand it myself.

Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us.
