Tom Holland - Nora Gardiner 2021-07-15
Tom Holland got his start acting on stage as a child in London. It wasn't too long after that he became known for portraying one of the world's

most iconic superheroes: Spider-Man. This biography presents the star's rise to fame, from his childhood in England to the work it took to become one of the most famous actors in

Hollywood. Accessible text, colorful photographs, fact boxes, and quotes from Holland combine to tell the fascinating story of this actor's life.

National Theatre Connections 2011 - Sam Adamson 2014-03-10

This brilliant new collection of ten plays for young people will prove indispensable to schools, colleges and youth theatre groups. Specially commissioned by the National Theatre for the Connections Festival 2011 involving 200 schools and youth theatre groups across the UK and Ireland, each play is accompanied by production notes and exercises. The Pied Piper re-imagined, the aftermath of genocide in Rwanda, witches in seventeenth century Norfolk, a giant baby on the rampage, an extraordinary day in an ordinary school are just some of subjects covered in the thrilling and varied new plays created by talented writers for young actors to perform in National Theatre Connections 2011. The plays in this anthology offer a huge variety of stories and styles to ignite the imagination of young casts

and creative teams. Themes are both teenage and universal - ambition, dashed hopes, fear and confidence, loyalty and betrayal. These new plays embrace a huge range for their inspiration: they plunder classics and imagine the future.

Dance and Politics - Alexandra Kolb 2011

This is the first anthology to explore the fertile intersection of dance and political studies. It offers new perspectives on the connections of dance to governmental, state and party politics, war, nationalism, activism, terrorism, human rights, political ideologies and cultural policy. This cutting-edge book features previously unpublished work by leading scholars of dance, theatre, politics, and management, alongside renowned contemporary choreographers, who propose innovative ways of looking at twentieth-

and twenty-first-century dance. Topics covered range across the political spectrum: from dance tendencies under fascism to the use of choreography for revolutionary socialist ends; from the capacity of dance to reflect the modern market economy to its function in campaigns for peace and justice. The book also contains a comprehensive introduction to the relations between dance and politics.

Inspire! - Simon Maier 2011-05-11

Inspire! showcases 100 of the most brilliant speeches ever delivered from the worlds of film and theatre. From the plays of Shakespeare to contemporary cinema hits, people over the years have been inspired and moved by superb actors delivering powerful lines. Yet only a select few can be called truly "essential" to the betterment of the human spirit and condition, and these are the speeches which form this book. Some speeches have stood the test of time. Others are classics and are known by everyone. Why do we quote from them for pleasure and politics? Why

have some been used for propaganda? Why do they make us cry and laugh? Are there insights that can benefit anyone who needs to deliver a rousing, powerful speech or presentation? Simon Maier selects the 100 from stage and screen and offers insights and analyses as to why they have inspired so many.

Historical Dictionary of British Cinema - Alan Burton 2013-07-11

The Historical Dictionary of British Cinema has a lot of ground to cover. This it does with over 300 dictionary entries informing us about significant actors, producers and directors, outstanding films and serials, organizations and studios, different films genres from comedy to horror, and memorable films, among other things. Two appendixes provide lists of award-winners. Meanwhile, the chronology covers over a century of history. These parts provide the details,

countless details, while the introduction offers the big story. And the extensive bibliography points toward other sources of information.

Finding Center - Katherine Locke 2015-08-17
Zed and ballet are my two greatest loves It took all of Aly's strength to get them back after a tragic accident ripped them from her six years ago. A long road to recovery led to her return, dancing full-time for the District Ballet Company and carrying Zed's child. But Aly is slipping. Each day becomes a fight to keep her career from crumbling under the weight of younger talent, the scrutiny of the public eye and the limitations of her ever-changing body. A fight she fears she's losing. I'm scared Aly is broken to her core Zed recognizes the signs, but he doesn't know how to fix her. The accident left him with his own demons, and while he wants nothing more than to take care of the woman he loves, it's getting harder the farther downward she spirals. When Aly's life is threatened and Zed's injuries prevent him from saving her, he's never felt so useless,

so afraid he's not capable of being the man Aly and their child needs. With new life comes new hope. And with their fractured lives already hanging by a thread, Aly and Zed must discover if they have what it takes—both together and apart—to rebuild and carry on. Writing for Visual Media - Anthony Friedmann 2012-11-12

Writing for Visual Media looks at the fundamental problems a writer faces in learning to create content for media that is to be seen rather than read. It takes you from basic concepts to practice through a seven-step method that helps you identify a communications problem, think it through, and find a resolution before beginning to write. Through successive exercises, Writing for Visual Media helps you acquire the basic skills and confidence you need to write effective films, corporate and training videos, documentaries, web sites, PSAs, TV shows, nonlinear media, and other types of visual narratives. You'll explore

your visual imagination and try out your powers of invention. The companion web site enriches the content of the printed book with video, audio, and sample scripts. It includes scripts and the video produced from them; visual demonstrations of concepts; and an interactive, illustrated glossary of terms and concepts. Please visit

National Identity and the British Musical - Grace Barnes 2022-07-14

National Identity and the British Musical: From Blood Brothers to Cinderella examines the myths associated with national identity which are reproduced by the British musical and asks why the genre continues to uphold, instead of challenging, outdated ideals. All too often, UK musicals reinforce national identity clichés and caricatures, conflate 'England' with 'Britain' and depict a mono-cultural nation viewed through a

nostalgic lens. Through case studies and analysis of British musicals such as Blood Brothers, Six, Half a Sixpence and Billy Elliot, this book examines the place of the British musical within a text-based theatrical heritage and asks what, or whose, Britain is being represented by home grown musicals. The sheer number of people engaging with shows bestows enormous power upon the genre and yet critics display a reluctance to analyse the cultural meanings produced by new work, or to hold work to account for production teams and narratives which continue to shun diversity and inclusive practices. The question this book poses is: what kind of industry do we want to see in Britain in the next ten years? And what kind of show do we want representing the nation in the future?

How to Write About Theatre - Mark Fisher
2015-08-27

What do you do if you find yourself weeping in the stalls? How should you react to Jude Law's trousers or David Tennant's hair? Are you prepared to receive toilet paper in the post? What if the show you just damned turns out to be a classic? If you gave it a five-star rave will anyone believe you? Drawing on his long years of experience as a national newspaper critic, Mark Fisher answers such questions with candour, wit and insight. Learning lessons from history's leading critics and taking examples from around the world, he gives practical advice about how to celebrate, analyse and discuss this most ephemeral of art forms - and how to make your

writing come alive as you do so. The New Yorker - Harold Wallace Ross 2010-02

Flop Musicals of the Twenty-First Century - Stephen Purdy 2020-05-17

Flop Musicals of the Twenty-First Century offers a provocative and revealing historical narrative of a group of musicals that cost millions and that had spectacular potential...but bombed anyway. Unlike similar books on the topic which have taken a more truncated approach to telling the fascinating stories of these shows, Stephen Purdy chooses instead to examine at length the production histories of these shows which are all bound together by a common thread. In this volume Purdy focuses the lens on several seemingly infallible theatre creatives that weren't destined to repeat their successes with the shows discussed in this volume. As such, Purdy grounds the discussion by examining what the legendary creators of Les Miserables, pop superstar Elton John, wunderkind Julie Taymor

and many others have in common besides being inspired storytellers of iconic Broadway musicals. The answer is that that also all created shows that, for one reason or a dozen, didn't find an audience. This particular volume shares the story of what can happen when formidable creative teams of sell-out musicals attempt to re-create their success but miss the mark. This is an engaging book for students, practitioners and fans of musical theatre that contains thoughtful observations about luck and creative differences, botched adaptations and alienated audiences, all of which can determine the fate of a musical.

The North East of England on Film and Television - James Leggott 2021-06-28

This book analyses the representation of North-East England in film and television. It is a response to the way a number of important British films and programmes—for example, *Get Carter* (1971), *Whatever Happened to the Likely Lads* (1973-74), *Our Friends in the North* (1996) and *Billy Elliot* (2000)—have used this particular

setting to explore questions of class, identity and history. It argues for the significance and coherence of a North-East corpus of film and television through a series of case studies relating to specific eras or types of representation. These include regional writers working for television in the 1970s, the achievements of the workshop movement in the 1980s and works produced within the genres of documentary, crime drama, comedy, period drama and reality television. The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change, and legacies of de-industrialisation.

Billy Elliot - Melvin Burgess 2005

Cultural Capital - Robert Hewison 2014-11-11
Britain began the twenty-first century convinced of its creativity. Throughout the New Labour era, the visual and performing arts, museums and galleries, were ceaselessly promoted as a stimulus to national economic revival, a post-industrial revolution where spending on culture would solve everything, from national decline to crime. Tony Blair heralded it a "golden age." Yet despite huge investment, the audience for the arts remained a privileged minority. So what went wrong? In *Cultural Capital*, leading historian Robert Hewison gives an in-depth account of how

creative Britain lost its way. From Cool Britannia and the Millennium Dome to the Olympics and beyond, he shows how culture became a commodity, and how target-obsessed managerialism stifled creativity. In response to the failures of New Labour and the austerity measures of the Coalition government, Hewison argues for a new relationship between politics and the arts.

Evil Dead - George Reinblatt 2010

Based on Sam Raimi's 80s cult classic films, EVIL DEAD tells the tale of 5 college kids who travel to a cabin in the woods and accidentally unleash an evil force. And although it may sound like a

horror, it's not! The songs are hilariously campy and the show is bursting with more farce than a Monty Python skit. EVIL DEAD: THE MUSICAL unearths the old familiar story: boy and friends take a weekend getaway at abandoned cabin, boy expects to get lucky, boy unleashes ancient evil spirit, friends turn into Candarian Demons, boy fights until dawn to survive. As musical mayhem descends upon this sleepover in the woods, ¿camp¿ takes on a whole new meaning with uproarious numbers like ¿All the Men in my Life Keep Getting Killed by Candarian Demons,¿ ¿Look Who¿s Evil Now¿ and ¿Do the Necronomicon.¿

Gender, Sex, and Sexuality in Musical Theatre -
Kelly Kessler 2022-12-16

Critics and fans alike often mistake theatrical song and dance as evoking a sweeping sense of simplicity, heteronormativity, and traditionalism.

Nothing drove home this cultural misunderstanding for Kelly Kessler as when a relative insisted she watch the Clint Eastwood-Lee Marvin cinematic transfer of Paddy Chayefsky's *Paint Your Wagon* (1969) with a young niece and nephew because it was a 'sweet movie.' In the relative's memory, good old-fashioned singing and dancing—matched with the power of an assumed hegemonic embrace of social norms—far outweighed the whoremongering, alcoholism, wife-selling, and what appears to be narratively sanctioned polyamory. This collection seeks to trouble such an over-idealized impression of musical theatre. Tackling Rockettes, divas, and chorus boys; hit shows such as *Hamilton* and *Spring Awakening*; and lesser-known but ground-breaking gems like Erin Markey's *A Ride on The Irish Cream* and Kirsten Childs's *Bella: An American Tall Tale*. *Gender, Sex and Sexuality in Musical Theatre: He/She/They Could Have Danced All Night* takes a broad look at musical theatre across a range of

intersecting lenses such as race, nation, form, dance, casting, marketing, pedagogy, industry, platform-specificity, stardom, politics, and so on. This collection assembles an amazing group of established and emergent musical theatre scholars to wrestle with the complexities of the gendered and sexualized musical theatre form. Gender and desire have long been at the heart of the musical, whether because 'birds and bees' (and educated fleas') were doing it, a farm girl simply couldn't 'say no,' or one's 'tits and ass' were preventing them from landing the part. An exciting and vibrant collection of articles from the archives of *Studies in Musical Theatre*, with contributions from Ryan Donovan, Michele Dvoskin, Sherrill Gow, Jiyoung Jung, David Haldane Lawrence, Stephanie Lim, Dustyn Martinich, Adrienne Gibbons Oehlers, Deborah Paredez, Alejandro Postigo, George Rodosthenous, Janet Werther, Stacy Wolf, Elizabeth L. Wollman, Bryan Vandevender and Kelly Kessler, brought together with a newly commissioned piece by Jordan

Ealey. All set against the backdrop of Kelly Kessler's scene-setting introduction. Excellent potential for classroom and course use on undergraduate and graduate courses in theatre studies, musical studies, women's and gender studies.

Strategies for Success in Musical Theatre - Herbert D. Marshall 2016-09-08

In Strategies for Success in Musical Theatre, veteran musical director and teacher Herbert Marshall provides an essential how-to guide for teachers or community members who find themselves in charge of music directing a show. Stepping off the podium, Marshall offers practical and often humorous real-world advice on managing auditions; organizing rehearsals;

working with a choir, choreographer, and leads; how to run a sitzprobe, a technical rehearsal, and a dress rehearsal; how to manage the cast and crew energy for a successful opening night; and ways to end the experience on a high note for all involved. Throughout the book, Marshall emphasizes the importance of learning through performance and the beauty of a group united in a common goal. In doing so, he turns what can appear as a never-ending list of tasks and demand for specialized knowledge into a manageable, educational, and ultimately engaging and fun experience for all. Because the techniques in Marshall's book have been thoroughly workshopped and classroom tested, they are based in proven pedagogy and will be of particular use for the music director in acting as a teaching director: someone imparting theatrical knowledge to his or her cast and production staff. Marshall provides both extended and abbreviated timelines, flexible to fit any director's needs. Marshall's book is a greatly beneficial resource

for music education students and teachers alike, giving an insightful glimpse into the range of possibilities within a music educator's career. Musicians and actors with varying levels of skill and experience will be able to grow simultaneously through Marshall's innovative teaching plans. Through collaborative techniques, steps in the book serve to educate both director and student. Thoroughly illustrated with charts, diagrams, and scores, *Strategies for Success in Musical Theatre* is an ideal companion for all who work with school and community based musical theater productions.

Cases in Marketing Management - Kenneth E. Clow 2011-03-28

This comprehensive collection of 38 cases selected from Ivey Publishing helps students

understand the complex issues that marketing professionals deal with on a regular basis. The cases were chosen to help students apply conceptual, strategic thinking to issues in marketing management, as well as provide them with more practical operational ideas and methods. Cases were chosen from around the world, from small and large corporations, and include household names such as Twitter, Best Buy, Ruth's Chris, and Kraft Foods. The majority of the cases are very recent (from 2009 or later). Each chapter begins with an introductory review of the topic area prior to the set of cases, and questions are included after each case to help students to think critically about the material. Cases in Marketing Management is edited by Kenneth E. Clow and Donald Baack, and follows the structure and goals of their textbook Marketing Management: A Customer-Oriented Approach. It can also be used as a stand-alone text, or as a supplement to any other marketing management textbook, for instructors who want

to more clearly connect theory and practice to actual cases.
