African American Slang - Maciej Widawski 2015-03-05

In this pioneering exploration of African American slang - a highly informal vocabulary and a significant aspect of African American English - Maciej Widawski explores patterns of form, meaning, theme and function, showing it to be a rule-governed, innovative and culturally revealing vernacular. Widawski's comprehensive description is based on a large database of contextual citations from thousands of contemporary sources, including literature and the press, music, film and television. It also includes an alphabetical glossary of 1,500 representative slang expressions, defined and illustrated by 4,500 usage examples. Due to its vast size, the glossary can stand alone as a dictionary providing readers with a reliable reference of terms. Combining scholarship with user-friendliness, this book is an insightful and practical resource for students and researchers in linguistics and general readers interested in exploring lexical variation in contemporary English.

Answered Prayers - Julia Cameron 2004-10-07

An original and inspiring work from the bestselling author of *The Artist's Way*. This enlightening companion to Julia Cameron's bestselling *Prayers Trilogy* (*Blessings*, *Heart Steps*, and *Transitions*) is for anyone who has yearned for a more spiritual life, for anyone who has felt that their prayers have gone unheard. In this luminous book God answers our prayers with a prayer of His own: It is His greatest wish that we recognize the divine grace and goodness present within all of us. In *Answered Prayers*, the divine creator who watches over us--regardless of religion or creed--reveals that He is with us in every moment, that He in fact never leaves our side. In a language that is at once simple and eloquent, He responds to all of our fears and all of our longings are understood, and are answered. *Answered Prayers* is truly a gift from God. Award-winning writer Julia Cameron is the author of twenty books, both fiction and nonfiction, including the bestselling works on the creative process *The Artist's Way*, *Walking in This World*, *The Vein of Gold*, *The Right to Write*, and *The Sound of Paper*. A novelist, playwright, songwriter, and poet, she has extensive credits in theater, film, and television.

Organizational Communication - Dennis K. Mumby 2012-08-02
Organizational Communication: A Critical Perspective introduces students to the field of organizational communication--historically, conceptually, and pragmatically--from a perspective grounded in critical theory and research. Author Dennis K. Mumby explores how the history of organizational communication theory and research is one that embodies and attempts to resolve the fundamental tensions and contradictions between the individual and the organization. By taking a critical perspective to the history, theories, and research of organizational

communication, this text seeks to address the following: how do we provide ourselves with the analytic and practical tools that will enable us to be more informed and critical consumers of, and participants in, organizational processes? Put more broadly, how do we learn to be better informed citizens who can participate effectively in, and be advocates of, organizational democracy? This textbook squarely addresses this problem. In keeping with this theme, this text goes at great pains to explore the link between theory and practice. Mumby shows how management theory and research is of vital importance to our understanding of daily struggles for control over work and organizing processes. The critical perspective throughout helps students understand how, over the course of the last 100 years, corporations have sought more and more sophisticated methods of constructing our identities in ways that are commensurate with organizational world-views and goals. Features unique to this text include the combination of the following issues: · A thematic critical perspective on organizational communication, with analysis of traditional and contemporary approaches to organizational communication. · Integrated discussion of ethics and technology. · A full chapter on gender and organizational communication. · A full chapter devoted to issues of organizational democracy.

My Big Bk. of Values 5 - Our Experts

In today's fast-evolving world, where ethics and values are rapidly eroding, this series inculcates value education with a difference. The series is based on the guidelines listed in the Art of Healthy and Productive Living Section of the National Curriculum Framework (NCF) 2000. The books motivate children to make the right choices by the use of simple stories, real life incidents, fables and parables and thereby build confidence and courage in them.

Being Love - Sister Shivani

We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging - It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love - but just by being love.

The Inner Guru (A Book on Finding the Answers to Your Life) - Gurudath Kamath 2020-09-25

Are you looking for clarity in your life? Are you still wondering why your life is not working out the way you want it to? The two most important days of your life are the day you were born and the day you figure out why. At this very moment, there are

millions of people going through life with a lot of confusion in their mind and heart because they don't know the answers to the questions in their life. We need answers to find our life's purpose, our passion, and to add meaning to everything in our life. All the answers and more will be available to us when we learn how to connect with our inner voice. To find the answers, we need to prepare ourselves to look at life from different perspectives of the past, present, and future. To arrive at these perspectives, one needs to ask oneself well-defined, constructive questions. These questions will allow one to gain a thorough understanding of oneself, thus giving rise to the Inner Guru.

Management Guru Shri Ganesha - B.K. Chandra Shekhar
2014-03-24

“Oh my god! Who else noticed that smoking hot thing in math class?” exclaimed Anjali. “A new boy in middle of the semester?” asked Trisha confused yet exited. “Is his name Blaze by any chance?” As soon as Rhea asked this, seven other girls listening to their conversation nodded vigorously. “Oh. He sent me a friend request last week.” She added casually. Those seven girls almost fainted. Rhea, the ultimate fun loving girlfriend. Aaryan, the ultimate lover material. Different in many ways yet similar, they found their epic love in each other year ago. Did Blaze just have to come and complicate her life! It's so difficult to wait for the right ones in your life when wrong ones are damn attractive. Isn't it? A teenager's love life is nothing less than a rollercoaster ride. And remember, the rollercoaster ride ends right where it starts again! And of course there are her friends who add ten more confusions in her head and make her life spicy and dramatic. After all, what are friends for?”

Autobiography of a Yogi - Paramhansa Yogananda 2022-05-06
A Top 100 Spiritual Book of the Twentieth Century This is a new edition, featuring previously unavailable material, of a true spiritual classic. Autobiography of a Yogi is one of the best-selling Eastern philosophy titles of all-time, with millions of copies published. New Bonus Materials added to this edition include: a) the last chapter that Yogananda wrote in 1951 covering the years 1946-1951 that was not originally available in the first edition (and without posthumous changes), b) the eulogy that Yogananda wrote for Gandhi, and c) a new afterword by Swami Kriyananda,

one of Yogananda's closest direct disciples. Yogananda's masterpiece has been named one of the greatest and most influential books of the twentieth century. This highly prized verbatim reprinting of the original 1946 edition is (unlike other publishers' editions) free from textual changes made after Yogananda's death. Yogananda was the first yoga master of India whose mission brought him to live and teach in the West. His firsthand account of his life experiences in India includes childhood revelations, stories of his visits to saints and masters in

India, and long-secret teachings of yoga and Self-realization that he first made available to the Western reader.
