*Rudolfo Anaya: Bless Me, Ultima; Tortuga; Alburquerque (LOA #361) - Rudolfo Anaya*  
2022-09-13

Rediscover Rudolfo Anaya: mythmaker, master storyteller, American original “The godfather and guru of Chicano literature.” —Tony Hillerman A writer powerfully attuned to the land and history of his native New Mexico, Rudolfo Anaya (1937–2020) is one of the giants of Latino literature. Over the course of a remarkable and acclaimed literary career, Anaya redefined the American experience for generations of readers. Anaya broke new ground with his 1972 novel *Bless Me, Ultima*, a mythic work that captures the richness and complexity of history, community, and place in the American Southwest. Set just after World War II, *Bless Me, Ultima* revolves around the young boy Antonio and his quest to understand his identity and the demands of his future. Although his mother’s heart is set on his entering the priesthood, Antonio is drawn to the charismatic Ultima, an elderly curandera or healer who embodies the ancient wisdom of the pre-Columbian past. The 1979 novel *Tortuga* draws on Anaya’s experience of suffering and recuperation after a diving accident as a teenager. Its hero, nicknamed “Tortuga” because his body cast encases him like a turtle’s shell, grapples with the realities of bodily pain as he discovers that true healing is spiritual as well as physical. The story reverberates with local folklore about a mountain, also called Tortuga, home to a sleeping spirit who will one day awaken and journey onward to the sea. Weaving these threads together, Anaya creates, in the words of editor Luis Alberto Urrea, “a tapestry

inside of which he was encoding an entire history of our very souls.” In the 1992 novel *Alburquerque* (restoring the “r” to the city’s original name), a young Mexican American boxing champion discovers that his white biological mother had given him up for adoption at birth, and he must now reevaluate everything he thought he was. The winner of a PEN West Fiction Award, the novel brims with emotionally powerful characterizations, political commentary, humor, and lyrical writing that reveals Anaya to be, once again, an indispensable American fabulist.

**Bless Me, Ultima** - Rudolfo A. Anaya 1972  
Tony faces the daunting prospect of growing up amidst constant religious and cultural uncertainty. His mother is a devoted Catholic, but her influence is challenged by Ultima—a woman with magical healing powers. As Tony follows his own path toward adulthood, he relies on Ultima’s wisdom. With her guidance, he is able to forge his unique identity.

**Satin Island** - Tom McCarthy 2015-02-17  
Short-listed for the Man Booker Prize From the author of *Remainder* and *C* (short-listed for the Man Booker Prize), and a winner of the Windham-Campbell Literature Prize, comes *Satin Island*, an unnerving novel that promises to give us the first and last word on the world—modern, postmodern, whatever world you think you are living in. U., a “corporate anthropologist,” is tasked with writing the Great Report, an all-encompassing ethnographic document that would sum up our era. Yet at every turn, he feels himself overwhelmed by the ubiquity of data, lost in buffer zones, wandering through crowds of apparitions, willing them to

coalesce into symbols that can be translated into some kind of account that makes sense. As he begins to wonder if the Great Report might remain a shapeless, oozing plasma, his senses are startled awake by a dream of an apocalyptic cityscape. In *Satin Island*, Tom McCarthy captures—as only he can—the way we experience our world, our efforts to find meaning (or just to stay awake) and discern the narratives we think of as our lives.

*The Old Man's Love Story* - Rudolfo Anaya  
2014-06-04

*Dear and Glorious Physician* - Taylor Caldwell  
2008

Today St. Luke is known as the author of the third Gospel of the New Testament, but two thousand years ago he was Lucanus, a Greek, a man who loved, knew the emptiness of bereavement, and later traveled through the hills and wastes of Judea asking, "What manner of man was my Lord?" And it is of this Lucanus that Taylor Caldwell tells here in one of the most stirring stories ever lived or written.

*Native and Roman Catholic Religion in Anaya's Bless Me, Ultima* - Claudia Haase 2011-11

Seminar paper from the year 1999 in the subject American Studies - Literature, grade: 1,0/A, University of Dusseldorf "Heinrich Heine" (Anglistik II, Amerikastudien), course: Latino/a Literature, 7 entries in the bibliography, language: English, abstract: In the following paper I want to examine the traits of Native and Roman Catholic religion described in Rudolfo Anaya's novel *Bless me, Ultima*, which was first published by TQS Publications, Berkeley, California in 1972. It shall be revealed how the different characters in the novel deal with the Mexican pagan past and the Roman Catholic influences which affect and determine their lives. I chose to examine the most important persons separately, to stress the individuality of searching a way through the number of beliefs which are offered to each of us during our lives. Nevertheless the complexity of personal relations and their mutual influences are regarded as well; although a comprehensive analysis would also have been possible without splitting the story. According to the fact that

every person is dealt with individually, the conclusion shall provide the reader with an overall picture of the relationships between the main characters in the novel. Native religion touches the region of curanderismo and witchcraft, which certainly is an interesting chapter, but has to be dealt with only as far as it is necessary. On the other hand there is Roman Catholic religion, which the Spanish under Hernan Cortes brought to America. One chapter is dedicated to The Virgin of Guadalupe, the patron saint of the Chicanos- the descendants of Indians and Spaniards. Bless me, Ultima as a work of the Mexican American author Rudolfo Anaya represents the religious opposites Mexican Americans have to deal with and it shall therefore serve as a source of examples to show the complexity of Chicano beliefs.

A New Mexico PI tries to stop a cult leader's murderous rampage in "a fascinating hybrid of detective story, adventure yarn, and shamanistic magic." —Kirkus Reviews The world-famous International Balloon Fiesta of Albuquerque is one of the city's most eagerly anticipated annual events and its biggest moneymaker. But when a woman plunges to her death from one of the balloons—foreshadowed by Sonny Baca's vision of a body plummeting from the sky—Sonny's sure it's murder. Worthy was one of the four wives of Raven, leader of the sun cult, and a dangerous, shamanlike criminal who's supposed to be dead. But the four black feathers found on the corpse are his calling card—clues to let Sonny know he's alive and kicking. And his murder spree isn't over.
