Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. **Profiles in Rock** - Val McDowell 2004-02-02

This is a book about dreams, determination and passion. Everybody has a dream when growing up. When I was a child, many young boys wanted to be firemen or policemen, and girls teachers or nurses. *Profiles in Rock* is the story of several groups and individuals who dreamed of musical success at a very young age, and against the odds went on to achieve it. Bruce Springsteen fought his father's disapproval and a reputation as the "new Bob Dylan" as well as an overly enthusiastic manager who took him to court to fight over the rights of Bruce's music. Still, Springsteen went on to become one of the greatest rock icons of his time. Fleetwood Mac overcame several personnel changes, bad contracts, and romantic struggles within its own ranks to create one of the bestselling albums of all time. It is hoped that whatever your own hopes and dreams, whatever your own status in life, you can learn by their example of determination and passion for doing what they love the most. If these individuals can achieve their dreams, then so can we all.

**Histories of Nations: How Their Identities Were Forged** - Peter Furtado 2013-03-04

Twenty-eight intimate and unconventional autobiographies of the nation/state, told by historians from their respective countries. Global histories tend to be written from the narrow viewpoint of a single author and a single perspective, with the inevitable bias that it entails. But in this thought-provoking collection, twenty-eight writers and scholars give engaging, often passionate accounts of their own nation's history. The countries have been selected to represent every continent and every type of state: large and small; mature democracies and religious autocracies; states that have existed for thousands of years and those born as recently as the twentieth century. Together they contain two-thirds of the world's population. In the United States, for example, the myth of the nation's "historylessness" remains strong, but in China history is seen to play a crucial role in legitimizing three thousand years of imperial authority. "History wars" over the content of textbooks rage in countries as diverse as Australia, Russia, and Japan. Some countries, such as Iran or Egypt, are blessed—or cursed—with a glorious ancient history that the present cannot equal; others, such as Germany, must find ways of approaching and reconciling the pain of the recent past.

When my employer Henry Aldridge is set to claim a large inheritance from his deceased father, he drags me along with him—because he needs his assistant. Henry drags me to a small town where everyone knows your business and to a family that's more broken than close. The Aldridge brothers are handsome, arrogant, and sinful. They're also too much to handle. Henry's dad lost his mind before he died, and the apple doesn't fall far from the tree. I don't know how I'll survive for eighteen months with this man. If you like strong heroines & alpha males, steamy romances and witty love stories, this series is for you!

**Scent Of Obsession** - Shanen Ricci 2022-01-05

I was the woman who believed in fairy tales; he was the monster of them. The Devil of Ravenscliff Manor. The Phantom. Radcliff. Escorted by a prince, my obsession led me to the villain's lair, with no hope for rescue. Trapped inside his greenhouse, our once upon a time began with a flower. More accurately, with a scent that captivated me. I signed my soul over to the man who represented my sinister nightmares. The one known to belong to the cruel shadows, who offered me my perfumer's dream. He demanded the impossible: the missing piece of his kingdom of sins. I stalked the impossible: his humanity. This is our dark tale. When beauty met ugliness. When light met darkness. When heaven met hell. A tale of obsession.
