Creating Corporate Reputations : Identity, Image and Performance - Grahame Dowling 2000-12-07

Recent research in business strategy suggests that corporate reputations are a valuable strategic asset for every company. Good reputations have been shown to help firms attain and sustain superior financial performance in their industry. This book outlines how high-status companies become corporate super brands, and it present managers with a framework to proactively enhance their corporation's desired reputation. While many books concentrate on advertising or corporate identity as the primary tools for reputation enhancement, this book provides a more expansive and realistic picture of what it takes to build a corporate super brand. One of its key contributions is that it emphasizes the roles of customer value and organizational culture in the reputation-building process and exposes the limitations of corporate advertising, sponsorships, and minor corporate identity change. Drawing on more than fifteen years of academic research, executive seminars, and consulting experience, Grahame Dowling suggests ways to improve the corporate reputations that different groups of stakeholders hold of your company. He also describes how to avoid many of the traps that catch unwary managers who try to improve their company's desired reputation.

Building Better Brands - Scott Lerman 2018-05-29

Building Better Brands is the essential guide to creating and evolving

brands. Leveraging three decades of brand consulting for legendary companies like Caterpillar, Harley-Davidson, 3M, Owens-Illinois, National Australia Bank, and American Express, as well as middle-market and new-media startups, Scott Lerman shares the processes and frameworks needed to build great brands. This book is for you if you're a CEO seeking to enhance your knowledge of the branding process, a marketing/communications specialist who wants to take a leadership role in advancing an organizations brand, a brand consultant who is striving to sharpen and extend your skills, or a student who wants to jump-start a career in branding. Whatever its starting point--market leader or struggling competitor--any organization that follows this step-by-step guide will end up with a better brand.

They Ask, You Answer - Marcus Sheridan 2019-08-06

The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today's digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask, You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

How to Launch a Brand (2nd Edition) - Fabian Geyrhalt 2015-12

Creating a Brand Identity: A Guide for Designers - Catharine Slade-Brooking 2016-01-18

Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity, including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world, including a diverse range of industries - digital media, fashion, advertising, product design, packaging, retail and more.

Identity Designed - David Airey 2019-01-01

Ideal for students of design, independent designers, and entrepreneurs who want to expand their understanding of effective design in business, *Identity Designed* is the definitive guide to visual branding. Written by best-selling writer and renowned designer David Airey, *Identity Designed* formalizes the process and the benefits of brand identity design and includes a substantial collection of high-caliber projects from a variety of the world's most talented design studios. You'll see the history and importance of branding, a contemporary assessment of best practices, and how there's always more than one way to exceed client expectations. You'll also learn a range of methods for conducting research, defining strategy, generating ideas, developing touchpoints, implementing style guides, and futureproofing your designs. Each identity case study is followed by a recap of key points. The book includes projects by Lantern, Base, Pharus, OCD, Rice Creative, Foreign Policy, Underline Studio, Fedoriv, Freytag Anderson, Bedow, Robot Food, Together Design, Believe in, Jack Renwick Studio, ico Design, and Lundgren+Lindqvist. *Identity Designed* is a must-have, not only for designers, but also for entrepreneurs who want to improve their work with a greater understanding of how good design is good business.

Brand Naming - Rob Meyerson 2021-12-14

You don't have a brand—whether it's for a company or a product—until you have a name. The name is one of the first, longest lasting, and most important decisions in defining the identity of a company, product, or service. But set against a tidal wave of trademark applications, mortifying mistranslations, and disappearing dot-com availability, you won't find a good name by dumping out Scrabble tiles. *Brand Naming* details best-practice methodologies, tactics, and advice from the world of professional naming. You'll learn: What makes a good (and bad) name The step-by-step process professional namers use How to generate hundreds of name ideas The secrets of whittling the list down to a finalist The most complete and detailed book about naming your brand, *Brand Naming* also includes insider anecdotes, tired trends, brand origin stories, and busted myths. Whether you need a great name for a new company or product or just want to learn the secrets of professional word nerds, put down the thesaurus—not to mention Scrabble—and pick up *Brand Naming*.

Brand the Change - Anne Miltenburg 2018-02-13

Brand the Change is a guidebook to build your own brand. It contains 23 tools and exercises, 14 case studies from change making organisations across the world and 7 guest essays from experts.

Branding Best Practices: A Guide to Effective Business and Product Naming -

Building Your Brand - Michele Levy 2014-02-01

Whether they acknowledge it or not, every nonprofit organization has a brand. Making that brand as strong as possible is a crucial component of delivering on the mission. As nonprofit leaders have begun to understand, building and managing a brand effectively is not reserved for large nonprofits or corporations with big marketing budgets. Regardless of the size of your organization, or the state and maturity of your brand, it is possible, and in fact, necessary, to build and maintain a strong, accurate brand. . .to have the "right" reputation with the people who matter most to your success. This practical, user-friendly guide is specifically designed to help senior leaders and marketing staff build and maintain that reputation.

Brand Identity - Stephan McDonald 2020-12-03

Marketing Aesthetics - Bernd Schmitt 1997

There is no way to mistake the ubiquitous trademarked Coca-Cola bottle, or the stylish ads for Absolut Vodka with any of their competitors. How have these companies created this irresistible appeal for their brands? How have they sustained a competitive edge through aesthetics? Bernd Schmitt and Alex Simonson, two leading experts in the emerging field of identity management, offer clear guidelines for harnessing a company's total aesthetic output -- its "look and feel" -- to provide a vital competitive advantage. Going beyond standard traditional approaches on branding, this fascinating book is the first to combine branding, identity, and image and to show how aesthetics can be managed through logos, brochures, packages, and advertisements, as well as sounds, scents, and lighting, to sell "the memorable experience." The authors explore what makes a corporate or brand identity irresistible, what styles and themes are crucial for different contexts, and what meanings certain visual symbols convey. Any person in any organization in any industry can benefit from employing the tools of "marketing aesthetics." Schmitt and Simonson describe how a firm can use these tools strategically to create a variety of sensory experiences that will (1) ensure customer satisfaction and loyalty; (2) sustain lasting customer impressions about a brand's or organization's special personality; (3) permit premium pricing; (4) provide legal "trade dress" protection from competitive attacks; (5) lower costs and raise productivity; and (6) most importantly, create irresistible appeal. The authors show how to manage identity globally and how to develop aesthetically pleasing retail spaces and environments. They also address the newly emergent topic of how to manage corporate and brand identity on the Internet. Supporting their thesis with numerous real-world success stories such as Absolut Vodka, Nike, the Gap, Cathay Pacific Airlines, Starbucks, the New Beetle Website, and Lego, the authors explain how actual companies have developed, refined, and maintained distinct corporate identities that set them apart from competitors.

Designing Brand Identity - Alina Wheeler 2006-03-10

This innovative approach -- blending practicality and creativity -- is now in full-color! From translating the vision of a CEO and conducting research, through designing a sustainable identity program and building online branding tools, *Designing Brand Identity* helps companies create stronger brands by offering real substance. Web Style Guide - Patrick J. Lynch 2002

This book demonstrates the step-by-step process involved in designing a Web site. Readers are assumed to be familiar with whatever Web publishing tool they are using. The guide gives few technical details but instead focuses on the usability, layout, and attractiveness of a Web site, with the goal being to make it as popular with the intended audience as possible. Considerations such as graphics, typography, and multimedia enhancements are discussed.

Building a StoryBrand - Donald Miller 2017-10-10

More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In Building a StoryBrand, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective

messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

Brand Bible - Debbie Millman 2012-02-01

Brand Bible is a comprehensive resource on brand design fundamentals. It looks at the influences of modern design going back through time, delivering a short anatomical overview and examines brand treatments and movements in design. You'll learn the steps necessary to develop a successful brand system from defining the brand attributes and assessing the competition, to working with materials and vendors, and all the steps in between. The author, who is the president of the design group at Sterling Brands, has overseen the design/redesign of major brands including Pepsi, Burger King, Tropicana, Kleenex, and many more.

Brand EsSense - Neil Gains 2014

Examine the importance of brand identity and especially the application of sensory principles to create a stronger brand, including the practical application of symbolism and storytelling in customer experience.

The Brand and Its History - Patricio Sáiz 2022-03-16

This book delves into the origins and evolution of trademark and branding practices in a wide range of geographical areas and periods, providing key knowledge for academics, professionals, and general audiences on the complex world of brands. The volume compiles the work of twenty-five prominent worldwide scholars studying the origins and evolution of trademarks and branding practices from medieval times to present days and from distinct European countries to the USA, New Zealand, Canada, Latin America, and the Soviet Union. The first part of the book provides new insights on pre-modern craft marks, on the emergence of trademark legal regimes during the nineteenth century, and on the evolution of trademark and business strategies in distinct regions, sectors, and contexts. As industrialisation and globalisation spread during the twentieth century, trademarking led to modern branding and international marketing, a process driven by new economic, but also cultural factors. The second part of the book explores the cultural side of the brand and offers challenging studies on how luxury, fashion, culture associations, and the consolidation of national identities played a key role in nowadays branding. This edited volume will not only be of great value to scholars, students and policymakers interested in trademark/branding research, but to marketing and legal practitioners as well, aiming to delve into the origins of modern brand strategies. The chapters in this book were originally published as two special issues of the journal, Business History.

Logo Design Love - David Airey 2009-12-20

There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

Brand Identity Essentials, Revised and Expanded - Kevin Budelmann 2019-04-16

Brand Identity Essentials, Revised and Expanded outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles. These include the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved. A company's identity encompasses far more than just its logo. Identity is crucial to establishing the public's perception of a company, its products, and its effectiveness—and it's the designer's job to envision the brand and create what the public sees. Brand Identity Essentials, a classic design reference now updated and expanded, lays a foundation for brand building, illustrating the construction of strong brands through examples of world-class design. Topics include: A Sense of Place, Cultural Symbols, Logos as Storytellers, What is "On Brand?", Brand Psychology, Building an Online Identity, Managing Multiple Brands, Owning an Aesthetic, Logo Lifecycles, Programs That Stand Out, Promising Something, and Honesty is Sustainable The new, revised edition expands each of the categories, descriptions, and selections of images, and incorporates emergent themes in digital design and delivery that have developed since the book first appeared. Brand Identity Essentials is a must-have reference for budding design professionals and established designers alike.

Identity-Based Brand Management - Christoph Burmann 2017-04-24 This textbook provides a theoretically based and comprehensive overview of the identity-based brand management. The focus is on the design of brand identity as the internal side of a brand and the resulting external brand image amongst buyers and other external audiences. The authors show that the concept of identity-based brand management has proven to be the most efficient management model to make brands a success. Numerous illustrative practicable examples demonstrate its applicability. The content - Foundation of identity-based brand management - The concept of identity-based brand management - Strategic brand management - Operational brand management - Identity-based brand controlling - Identity-based trademark protection - International identity-based brand management

Forging An Ironclad Brand: A Leader's Guide - Lindsay Pedersen 2019-04-30

Good brand is just good business. Brand is the intentional leader's North Star. It helps us engage customers and employees, unleash our competitive advantage, and fuel enduring growth. And yet, despite this power, brand is grossly underused. Few leaders leverage brand fully, believing (wrongly) that brand is squishy and elusive. But when a tool this vital is dismissed, the business suffers mightily. The good news is that all leaders can ignite brand to create value. Lindsay Pedersen deconstructs what brand is and why it is indispensable for leaders. Then she shares her step-by-step process to tame the infinite possibilities and pinpoint a brand positioning that is true and robust-ironclad-to unlock the most value. In this book, learn how to...-Leverage brand as a strategic platform for growing with purpose-Lead more effectively with brand as your North Star-Use brand to excite customers and employees-Identify your Uncommon Denominator and Benefit Ladder-Follow the principles of

storytelling to generate business growth Brand is sorely underutilized. When you ignore it or use it only superficially, you forgo your most sustainable competitive advantage. It's time to start using brand as your North Star-it's time to make your brand ironclad.

Corporate Brand Design - Mohammad Mahdi Foroudi 2021-09-30

Corporate Brand Design offers a unique and comprehensive exploration of the relationship between companies, their brand design, and their stakeholders. The book begins its approach with a literature review, to provide an overview of current thinking on the subject and establish a theoretical framework. The following sections cover key stages during the corporate brand development process: Brand signature design, its components and impact on brand reputation; website design and how it builds customer perception of the brand; corporate architecture design and the branding of space and place; brand experience design from a sensuality perspective. International case studies from a range of industries feature in each chapter to demonstrate how the theory translates to practice, alongside case questions to cement learning and definitions of the key constructs. By combining academic theory with practical case studies and examples, readers will gain a thorough understanding of the corporate brand design process and how it influences customer identification and loyalty to the brand. The book is a useful resource for advanced undergraduate and postgraduate students of strategic brand management, corporate brand design and visual identity, and marketing communications.

The International Brand Valuation Manual - Gabriela Salinas 2011-11-22

The International Brand Valuation Manual is a detailed and extensive review of the main brand valuation models. The book reveals the state of the art in the field of brand valuation and coherently relates major trends in the theory and practice of brand valuation. This "one-stop" source is for valuation professionals as well as financial and marketing specialists who need to have an understanding of the principal valuation methods. Salinas also analyses the respective efficacy, advantages, disadvantages, and prospects for the future for each method. The book: - Provides a thorough overview of all the tools available for the brand valuation practitioner. - Offers an informed view on which methodologies are most suitable for different types of applications, and explains why. - Acts as an all-in-one source of reference for specialists who advise clients on which methodology to employ, or who are considering adopting one themselves. - Features case studies and examples from Guinness, PwC, Rolls-Royce, Santander, Shell, Telefonica, Unilever, BMW, Hanson Trust, Cadbury-Schweppes, Kellogg, Coco-Cola, Mercedes, Rolex, among others. Gabriella Salinas is the Global Brand Manager at Deloitte Touche Tohmatsu, Madrid, Spain.

Your Book, Your Brand - Dana Kaye 2016-09-20

"Out-of-the-box PR campaigns" for authors to get their books to legions of readers from "one of the best publicists in the business" (James Rollins, #1 New York Times bestselling author). From the rise of ebooks to the impact of online retail sales to the wide acceptance of self-publishing as a natural path, countless authors are writing books and then wondering what to do with them. Self-published authors need to know how to bring their book to market themselves and reach audiences without a publisher's marketing or publicity department behind them. Even published authors want to supplement the work of in-house publicity managers and develop a direct relationship with everyone from the media to potential fans. As the head of her own independent PR firm, Kaye Publicity, Dana Kaye has been a driving force behind numerous bestselling authors across all genres, from thriller authors like Gregg Hurwitz and Jamie Freveletti to children's authors like Liz Climo and Claudia Gray, and now she brings her insights to you. Kaye walks writers through all of their options, taking the anxiety out of the pitching process and teaching them how to be their own best promoters. Sharp, intuitive, and user-friendly, Dana Kaye's guide is a must-have for all authors with bestselling aspirations. "There's a reason I didn't hire an outside publicist through my first ten books. It's because I hadn't yet met Dana. Smart, no-nonsense, creative, and to the point, she's the best in the business."—Gregg Hurwitz, New York Times bestselling author of Orphan X

Brand Identity - David Cox 2021-01-20

What's the first image that comes to mind when you think of your favorite brand? Do you want your brand to have a standing chance to be positioned at par with your competitors, or even exceed them? Has it ever crossed your mind what big brands like Apple and Coca-Cola did (and have been doing) to be where they are now? Are you still uncertain if your brand is even strong enough to convey your image and build a presence

within the market? The problem is that businesses are saturated, making the point of entry harder to penetrate because of the stringent competition. In fact, 59% of consumers prefer to purchase new products from brands they know due to their familiarity with their existing products. Despite this, there is a way in--whether you are just starting your business, or you want to revamp your existing brand. And it all starts with one thing in mind... In *Your Step-by-Step Guide to Brand Building*, you will discover: The #1 mistake marketers make when it comes to building their brand's identity The 9 pillars of brand building you need to know in order for your brand to succeed A breakdown of how you can build a brand with a strong presence, even if your current one is flopping The how-to of competitive analysis, with a tried-and-tested framework template How altering this one aspect of your logo will affect how consumers perceive your brand The secret to connecting your consumers to your brand, boosting their loyalty towards your products The crucial steps you need take after building your brand to maintain status Bonus: Case studies on big brands-what they are doing right, and how they got

past the hurdles that blocked their path And much more. By establishing a strong brand, you will have the most valuable asset your business can possess. In 2019, Coca-Cola's brand value reached a whopping \$80.83 billion dollars, and it was first established back in 1886. That's the power good branding will grant you. When you have an established name, the possibilities and opportunities are limitless, yet it can only become a reality if you are equipped with the right tools and knowledge. Stop testing strategies with your eyes closed--implement the ones that are known to work for you, rather than against you. If you want to discover how you can build a strong brand that will profit your business tenfold of what it is now, then scroll up and click the "Add to Cart" button.

[Logo Design Love](#) - David Airey 2015

In *Logo Design Love*, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last.
