### **Before We Were Strangers**

- Renée Carlino

2015-08-18

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love

story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to

work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the

last decade and a half?

Swimming in the Dark -

Tomasz Jedrowski

2020-04-28

Named A Best Book of 2020 by NPR! "Imagine Call Me By Your Name set in Communist Poland and you'll get a sense of Jedrowski's moving debut about a consuming love affair amidst a country being torn apart." - O, The Oprah Magazine

"Captivating both for its shimmering surfaces and its terrifying depths. Tomasz Jedrowski is a remarkable writer."

- Justin Torres, bestselling author of *We the Animals* Set in early 1980s Poland against the violent decline of Communism, a tender and passionate story of first love between two young men who eventually find themselves on opposite sides of the political divide—a stunningly poetic and heartrending literary debut for fans of André Aciman, Garth Greenwell, and Alan Hollinghurst. When university student Ludwik meets Janusz at a summer agricultural camp, he is fascinated yet wary of this handsome, carefree stranger. But a chance meeting by the river soon becomes an intense, exhilarating, and all-consuming affair. After their camp duties are

fulfilled, the pair spend a dreamlike few weeks in the countryside, bonding over an illicit copy of James Baldwin's Giovanni's Room. Inhabiting a beautiful, natural world removed from society and its constraints, Ludwik and Janusz fall deeply in love. But in their repressive Communist and Catholic society, the passion they share is utterly unthinkable. Once they return to Warsaw, the charismatic Janusz quickly rises in the political ranks of the party and is rewarded with a highly coveted government position. Ludwik is drawn toward impulsive acts of protest, unable to ignore rising food prices and the stark economic disparity around them. Their secret love and personal and political differences slowly begin

to tear them apart as both men struggle to survive in a regime on the brink of collapse. Shifting from the intoxication of first love to the quiet melancholy of growing up and growing apart, *Swimming in the Dark* is a potent blend of romance, postwar politics, intrigue, and history. Lyrical and sensual, immersive and intense, Tomasz Jedrowski's indelible and thought-provoking literary debut explores freedom and love in all its incarnations.

**Written with Regret** -

Aly Martinez 2019-05-19  
Every little girl dreams of the fairytale. The one where the white knight rushes in to save her from the clutches of evil. They fall in love, have babies, and live happily ever after. By that definition, my life should have been a fairytale too. When I was eight years old, Caven Hunt saved me from the worst kind of evil to walk the Earth. It didn't matter that I was a kid. I fell in love with him all the

same. But that was where my fairytale ended. Years later, a one-night stand during the darkest time imaginable gave us a little girl. It was nothing compared to the pitch black that consumed me when I was forced to leave her with Caven for good. At the end of every fairytale, the happily-ever-after is the one thing that remains consistent. It wasn't going to be mine, but there hadn't been a night that passed where I hadn't prayed that it would be hers. I owed Caven my life. However, I owed that innocent child more. And that included ripping the heart from my chest and facing her father again.

**Swear on This Life** - Renée Carlino 2016-08-09 Booklist, Top 10 Women's Fiction of 2016 Goodreads Best Romance of August Redbook.com's "20 Books by Women You Must Read This Fall" Popsugar's "21 Fiction Reads to Add to Your Fall Reading List" Bustle's "11 New Romance

Books Perfect for Summer Beach Reading" Brit+Co's "16 Must-Read Adult Books Out in August" Sunset magazine's "Bookmark this: Your ultimate summer reading list" From USA TODAY bestselling author Renée Carlino (Before We Were Strangers), a warm and witty novel about a struggling writer who must come to grips with her past, present, and future after she discovers that she's the inspiration for a pseudonymously published bestselling novel. When a bestselling debut novel from mysterious author J. Colby becomes the literary event of the year, Emiline reads it reluctantly. As an adjunct writing instructor at UC San Diego with her own stalled literary career and a bumpy long-term relationship, Emiline isn't thrilled to celebrate the

accomplishments of a young and gifted writer. Yet from the very first page, Emiline is entranced by the story of Emerson and Jackson, two childhood best friends who fall in love and dream of a better life beyond the long dirt road that winds through their impoverished town in rural Ohio. That's because the novel is patterned on Emiline's own dark and desperate childhood, which means that "J. Colby" must be Jase: the best friend and first love she hasn't seen in over a decade. Far from being flattered that he wrote the novel from her perspective, Emiline is furious that he co-opted her painful past and took some dramatic creative liberties with the ending. The only way she can put her mind at ease is to find and confront "J. Colby," but

is she prepared to learn the truth behind the fiction?

When Julie's off-campus housing falls through, her mother's old college roommate, Erin Watkins, invites her to move in. The parents, Erin and Roger, are welcoming, but emotionally distant and academically driven to eccentric extremes. To Julie, the emotionally scrambled members of the Watkins family add up to something that ... well ... doesn't quite add up. Not until she forces a buried secret to the surface, eliciting a dramatic confrontation that threatens to tear the fragile Watkins family apart, does she get her answer. Flat-Out Love comes complete with emails, Facebook status

updates, and instant messages.

Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant,

and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. Now, Tate has returned to his childhood sanctuary seeking a fresh start—but if he's being entirely honest,

he's not just back for the wranglers and Stetsons. During those summers, Quinn was a friend-turned-young-love who Tate lost when life threw him a curveball and he cut all ties to his past; but all it takes is one glance at the raven-haired beauty he did his best to forget for him to realize just how much he's been missing...

An Edgar Award Finalist  
A California Book Award Gold Medal Winner  
A dark, contemporary fairy tale in the tradition of Neil Gaiman. Jeremy Johnson hears voices. Or, specifically, one voice: the ghost of Jacob Grimm, one half of The Brothers Grimm. Jacob watches over Jeremy, protecting him from an unknown dark

evil whispered about in the space between this world and the next. But Jacob can't protect Jeremy from everything. When coltish, copper-haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be bewitched, she falls in love with the first person she sees: Jeremy. In any other place, this would be a turn for the better for Jeremy, but not in Never Better, where the Finder of Occasions—whose identity and evil intentions nobody knows—is watching and waiting, waiting and watching. . . And as anyone familiar with the Brothers Grimm know, not all fairy tales have happy endings. Veteran writer Tom McNeal has crafted a young adult novel at once grim(m) and hopeful, full of twists, and perfect for fans of contemporary

fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones*. The recipient of five starred reviews, Publishers Weekly called *Far Far Away* "inventive and deeply poignant."
