Canary - Rachele Alpine 2013-08-01

In this debut novel, a high school girl faces the pain, shame, and uncertainty that come with sexual abuse. With the passing of her mother, Kate Franklin's life unravels at the seams as she loses the only emotional mooring in her family. Her dad shuts down completely, and her brother enlists in the army. Things start looking better when her dad is hired to coach at Beacon Prep, home of one of the best basketball teams in the state. In a blog of prose and poetry, Kate chronicles her new world—dating a basketball player, being caught up in a world of idolatry and entitlement, and discovering the perks the inner circle enjoys. Then Kate's fragile life shatters once again when one of her boyfriend's teammates assaults her at a party. Although she knows she should speak out, her dad's vehemently against it and so, like a canary sent into a mine to test toxicity levels and protect miners, Kate alone breathes the poisonous secrets to protect her dad and the team. The once welcoming community has betrayed Kate, her family is disintegrating, and she's on her own to grapple with whether to stay quiet or speak out and expose a town's hero and destroy her father's career.

Girl on the Line - Faith Gardner 2021-01-19

A story that begins where too many others end, this stunningly written and unflinchingly authentic tale of love, loss, and hope will touch fans of *All the Bright Places* and *Girl in Pieces*. Life's tough when you didn't expect to be living it. But now that Journey has a future, she apparently

also has to figure out what that future's supposed to look like. Some days the pain feels as fresh as that day: the day she attempted suicide. Her parents don't know how to speak to her. Her best friend cracks all the wrong jokes. Her bipolar II disorder feels like it swallows her completely. But other days—they feel like revelations. Like meeting the dazzling Etta, a city college student who is a world unto herself. Or walking into the office of the volunteer hotline, and discovering a community as simultaneously strong and broken as she is. Or uncovering the light within herself that she didn't know existed. Praise for Faith Gardner's *The Second Life of Ava Rivers*: "A beautiful, moving, and thoughtful story about how far we're willing to go for family." —Kathleen Glasgow, *New York Times* bestselling author of *Girl in Pieces* "This remarkable novel reproduces the personal and family trauma associated with the loss and recovery of a missing child. *The Second Life of Ava Rivers* is an enthralling tale." —Voice of Youth Advocates (VOYA) (starred review) "Gardner's unforgettable voice blends Jodi Picoult's emotional, ripped-from-the-headlines storytelling with Mindy McGinnis's unflinchingly honest protagonists." —Booklist (starred review) "Gardner brings a unique tenderness focused on the human dynamics of creating family and individual identity in the face of tragedy." —Bulletin of the Center for Children's Books (starred review)

The Storyteller - Antonia Michaelis 2012-01-16

The award-winning YA author weaves "an unsettling tapestry of ugly

secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of *Tiger Moon*, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

If This Bird Had Pockets - Amy Ludwig VanDerwater 2022-03-01

An ideal gift for children who love animals, this picture book is a celebration of Poem in your Pocket Day and a charmingly illustrated collection of playful poems about 19 different creatures. Fascinating information about the animals (yes, sea otters have pockets!) tucked into short, lively poems and bright, bold artwork make this collection perfect for National Poetry Month—or any day of the year. In honor of Poem in Your Pocket Day, a child imagines the poems animals might carry in their pockets, if they had pockets. What would a hummingbird write? A fox? A sea otter? These poems capture the essences of animals furry, feathery and finny, exploring what makes each unique. Ruby-Throated Hummingbird sings with its wings, Red Fox's poem is a fiery tail flashing in the dark, and Sea Otter's poem is its secret pocket. Which poem will capture the heart of the child narrator? A poem about loving animals, of course!

The Mockingbirds - Daisy Whitney 2010-11-02

Some schools have honor codes. Others have handbooks. Themis Academy has the Mockingbirds. From the glossy pages of its admissions brochure, the prestigious Themis Academy appears perfect in every way: exceptional academics, extraordinary students, the kind of extracurriculars to make an Ivy League proud, and zero instances of student misbehavior. But this boarding school isn't as pristine as it appears. There's a dark underbelly to the perfect record the Themis administration flaunts. Student infractions are rampant, and it's up to a secret vigilante society, the Mockingbirds, to maintain order on campus—a responsibility their members take very seriously. Alex Patrick never thought she would need the Mockingbirds. But when she's date-raped by

another student, she doesn't know where else to go. As much as she'd like to forget what happened, she can't escape the daily reminders of what went wrong that terrible night. Before she can summon the courage to take a stand, she'll have to accept that her battle for justice is not hers alone. Standing up for someone, especially yourself, is worth the fight.

Cellar - Natasha Preston 2014-03-01

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view.
Had he been hiding between the trees? "No. Sorry." Gulping, I took a
step back. "I'm not Lily." He shook his head, a satisfied grin on his face.
"No. You are Lily." "I'm Summer. You have the wrong person." You utter
freak! I could hear my pulse crashing in my ears. How stupid to give him
my real name. He continued to stare at me, smiling. It made me feel sick.
"You are Lily," he repeated. Before I could blink, he threw his arms
forward and grabbed me. I tried to shout, but he clasped his hand over
my mouth, muffling my screams. My heart raced. I'm going to die. For
months Summer is trapped in a cellar with the man who took her—and
three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His
family. But flowers can't survive long cut off from the sun, and time is
running out...

Hopeless. Freak. Elephant. Pitiful. These are the words of Skinny, the vicious voice that lives inside fifteen-year-old Ever Davies's head.
