Are We Not Foreigners Here? - Jeffrey M. Schulze 2018-04-12
Since its inception, the U.S.-Mexico border has invited the creation of cultural, economic, and political networks that often function in defiance of surrounding nation-states. It has also produced individual and group identities that are as subversive as they are dynamic. In *Are We Not Foreigners Here?*, Jeffrey M. Schulze explores how the U.S.-Mexico border shaped the

concepts of nationhood and survival strategies of three Indigenous tribes who live in this borderland: the Yaqui, Kickapoo, and Tohono O'odham. These tribes have historically fought against nation-state interference, employing strategies that draw on their transnational orientation to survive and thrive. Schulze details the complexities of the tribes' claims to nationhood in the context of the border from the

nineteenth century to the present. He shows that in spreading themselves across two powerful, omnipresent nation-states, these tribes managed to maintain separation from currents of federal Indian policy in both countries; at the same time, it could also leave them culturally and politically vulnerable, especially as surrounding powers stepped up their efforts to control transborder traffic. Schulze underlines these tribes' efforts to reconcile their commitment to preserving their identities, asserting their nationhood, and creating transnational links of resistance with an increasingly formidable international boundary.

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

The Lifetime of A Second -
Jennifer Millikin 2018-08-07

Brynn Escape. That was my sole focus. Forget the headlines, forget the threats. Forgetting what I've done? Never. To disappear, I needed money. I fled the big city in the desert to hide in a small town amongst the pines. The plan? Blend in, work until I have what I need, and then vanish. The problem? Connor Vale ruined everything. Falling for him would be easy, if it weren't for one inescapable truth: For every action there is an equal and opposite reaction, and nobody around me is safe. Connor Brynn Montgomery slammed into my life like a category five hurricane. She stepped in front of my truck, and everything changed. One second to swerve, one second to jump from my vehicle, one second to never be the same. I gave her a job. It wasn't a smart idea. She's guarded, withdrawn, and aloof. She wears shirts with snarky sayings and won't let me get within a foot of her. She doesn't talk much, so I watch her move. Unspoken pain pours from her eyes, emotion moves with each

twist of her lips. Hidden behind her prickly exterior is a tenderness that mesmerizes me. Every day she reveals a piece of herself. Every day I get closer to learning about the fear that grips her. Every day I fall a little more in love with her.

A Gift of Time - Beth Flynn

2016-07-16

RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND

VIOLENCE. This is Book 3 of 3 in the Nine Minutes Trilogy. A Gift of Time is the third installment in the Nine Minutes Trilogy. It is not intended to be a stand-alone novel, but could be read as one. Still, I highly recommend that you read my first two novels, Nine Minutes and Out of Time, to be able to understand the background stories of the main characters. There are many twists and turns in both books that can best be connected if read consecutively. Are some secrets meant to stay buried? Three months have passed since Jason "Grizz" Talbot was put to

death by lethal injection for crimes he committed. His former wife, Ginny, whom he had abducted from a convenience store when she was a teenager and became the love obsession of his life, has spent more than the last decade trying to carve out a life of normalcy in the bustling suburbs of Fort Lauderdale— including a thriving and happy marriage to Tommy "Grunt" Dillon, a former member of Grizz's gang. Tired of the secrets and the lies, Ginny and Tommy thought the final piece of their past could be left behind forever with Grizz's execution. However, the past comes crashing around Ginny and Tommy when a newly discovered secret threatens to destroy their marriage. When tragedy strikes, Ginny is forced to reach into her heart and decide, once and for all, what she really wants. In this third book in the Nine Minutes trilogy, A Gift of Time takes readers from the busy tropical metropolis of South Florida into the serenity of the North Carolina Blue Ridge mountains

as Ginny chases down the answers she needs. Will she have the strength to confront the secrets of her past...and her heart?

The Company Doctor - Elaine Draper 2005-03-24

To limit the skyrocketing costs of their employees' health insurance, companies such as Dow, Chevron, and IBM, as well as many large HMOs, have increasingly hired physicians to supervise the medical care they provide. As Elaine Draper argues in *The Company Doctor*, company doctors are bound by two conflicting ideals: serving the medical needs of their patients while protecting the company's bottom line. Draper analyzes the advent of the corporate physician both as an independent phenomenon, and as an index of contemporary culture, reaching startling conclusions about the intersection of corporate culture with professional autonomy. Drawing on over 100 interviews with company physicians, scientists, and government and labor officials, as well as historical, legal, and

statistical sources and medical trade association data, Draper presents an illuminating overview of the social context and meaning of professional work in corporations. Draper finds that while medical journals, speeches, and ethical codes proclaim the independent professional judgment of corporate physicians, the company doctors she interviewed often expressed anguish over the tightrope they must walk between their patients' health and the corporate oversight they face at every turn. Draper dissects the complex position occupied by company doctors to explore broad themes of doctor-patient trust, employee loyalty, privacy issues, and the future direction of medicine. She addresses such controversial topics as drug screening and the difficult position of company doctors when employees sue companies for health hazards in the workplace. Company doctors are but one example of professionals who have at times ceded their autonomy to

corporate management. Physicians provide the prototypical professional case for exploring this phenomenon, due to their traditional independence, extensive training, and high levels of prestige. But Draper expands the scope of the book—tracing parallel developments in the law, science, and technology—to draw insightful conclusions about changing conditions in the professional workplace, as corporate cultures everywhere adapt to the new realities of the global economy. The Company Doctor provides a compelling examination of the corporatization of American medicine with far-reaching implications for professionals in many other fields.

Fueled - K. Bromberg
2016-09-05

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole

my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black

abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

Sasha (Mixed Drinks #1) -

Rae Matthews 2014-09-03

When it comes to relationships, I have really bad luck. Each time I meet a guy, I cross my fingers and hope he is at least halfway normal. I'm so tired of dealing with crybabies and freak shows that I could just scream. At this point, I'm so close to just joining a convent, taking the vow of chastity, and calling it quits with men entirely. Well, I probably don't need to go to that extreme... I mean who am I kidding?

There's no way I could be a nun. But becoming an old crotchety lady with 20 cats lurking around? Now THAT is a definite possibility. That is until I see him, my brown-eyed

stallion man, swooping in to save me from an unforeseen wrinkly old balls attack, and then... he is gone. Well, not gone completely, because I can't stop fantasizing about him. I fantasize about him so much that when I finally do see him again, I make a complete and total ass of myself. Several times in fact. How I do not drop dead of embarrassment right then and there is beyond me. So, remember I said I have really bad luck? Well, sit back, grab a glass of wine or your favorite mixed drink, and let me tell you how it all started, and how it all ends...

Cutthroat Cheerleader -

Zachary Ryan 2020-10-27

In the sleepy town of Townsend, Washington, there was an act so gruesome that no one would ever be the same. What heinous crime do I speak of? Skylar Torres thinking she could pull off a crop top with that pudgy body of hers. Oh, did you think I was going to say my murder. Well, I thought it was more sensational than anything else, but the real scandal was who killed me and

why. You should already know my name since it was on everyone's lips once they found me with my throat ripped out. People thought they should have only feared me, but the Liberty Lion's cheer squad knew one thing, hunt or be hunted. No one's hands were truly clean from all the dirt and blood on them. Be safe, watch your back and always remember, Happy Hunting. Love, Madison Taylor

Darling Girl - Liz Michalski
2022-05-03

In this beautiful, grounded, and darkly magical modern-day reimagining of J. M. Barrie's classic, to save her daughter's life one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. She's running a successful skincare company; her son, Jack, is happy and healthy; and the tragedy of her past is well behind her . . . until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where

she's been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but more dangerous than anyone could imagine. Eden's disappearance is a disaster for more reasons than one. She has a rare condition that causes her to age rapidly—ironic, considering her father is the boy who will never grow up—which also makes her blood incredibly valuable. It's a secret that Holly is desperate to protect, especially from Eden's half-brother, Jack, who knows nothing about his sister or the crucial role she plays in his life. Holly has no one to turn to—her mother is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she's always imagined. Desperate, Holly enlists the help of Christopher Cooke, a notorious ex-soldier, in the hopes of rescuing Eden before it's too late . . . or she may lose both her children. Darling Girl brings all the magic of the classic Peter Pan story to the present, while also

exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.

Captive - A New Life Series
Formerly Life of Recovery To what lengths would you go to break away from a life filled with pain and suffering? Tori Farrell has lived a dangerous life. When you grow up with a Motorcycle Gang of Mercenaries and Drug Lords like the Dragons, a normal life is more like a fairytale. For years, she accepted her dark reality, a world consisting of drugs, sex, violence and murder. In the end, she learned the most valuable lesson: survival. After years of being ruled by the Dragons, Tori uses her skills of seduction and assassination to free herself from the grasp of the people who vowed they would never let her go. Taken in by the FBI, she fears not everything is what it seems, and soon finds herself lost in a web of lies and deceit. She

thought getting away from the Dragons would put her on a path to a new and better life, but now she must face the cold hard truth" there is always a price to be paid. Excerpt "Quietly, he explained to her that he was going to arrange for another group to kill the Dragons and send her to live with someone who would take care of her. Not understanding, she asked why she would have to go with someone else. If the Dragons were dead, why couldn't she just go with him? He refused to explain, and simply said, "You are going to have a different life, baby girl. A life I cannot give you. You must be strong and willing to do whatever it takes to make this happen. Promise me you will do this...." Book 1 of 7 in A New Life Series This is the first in a series that chronicles the life of a young woman who is raised by a group of men who work as freelance mercenaries in the dark world of drug trafficking and murder for hire. They acquired the young woman at a very young age, as she has no memory of life before them.

The book opens as she has broken free and moves through a series of current events and flashbacks that explain the beginning of her story. It is very dark with an unfinished feel, because in the end, the past is not the real story - the real story is what happens from here. Love in the Ruins - Walker Percy 2011-03-29

A "brilliant and hilarious" novel of the end times in America and one psychiatrist's quest to save mankind, from a New York Times-bestselling author (Dallas Morning News). The United States seems to be on the brink of catastrophe. From the abandoned cars littering the highways (no one remembers how to fix them) to the endless hours spent on the golf course (now open twenty-four hours for those who can't bother to wait until daylight to

putt) to the starkly polarized political and religious factions dividing the country (which are increasingly difficult to tell apart), it is startlingly evident that the great experiment of the American Dream has failed. The only problem is that no one has noticed. No one, that is, except Dr. Thomas More. Dr. More, an alcoholic, womanizing, lapsed-Catholic psychiatrist, has invented the lapsometer: a machine capable of diagnosing and curing the spiritual afflictions that are speeding society toward its inevitable collapse. If used correctly, the lapsometer could make anxiety, depression, alienation, and racism things of the past. But, in the wrong hands, it could propel the nation even more quickly into chaos. Hailed as “vividly entertaining” by the Los Angeles Times and “profoundly moving” by the Milwaukee Journal, *Love in the Ruins* is a towering, mind-bending work of satirical speculative fiction by the National Book Award-winning author of *The Moviegoer*.
Autumn Allure - Allie Boniface

2016-08-30

It's time for this playboy to face the music. He just never dreamed it would be a lullaby...Bartender Nate Hunter enjoys his small-town, no-strings-attached life in Whispering Pines. Then a dying ex-girlfriend tracks him down to tell him he has a daughter he never knew existed. Magic Minutes - Jennifer Millikin
2018-08

Ember I was eighteen when Noah Sutton entered my life. He was destined for greatness, and I could barely scrape enough money together to help my mother pay our rent. We fell in love. A summer of pushing limits, breaking rules, and living in moments I thought would last forever. None of that stopped him from leaving. Noah All my life I had one passion, one goal, a singular pursuit. Then Ember happened. A free spirit, a girl who didn't need music to dance. She filled my rigid world with the very thing I didn't know it was missing. I've always regretted leaving her. What's the point of realizing a dream if she isn't there to share it with? Getting her back won't be easy. She's moved on. My whole life has been one big competition, and it just so happens I've never accepted

defeat. Game on.

Unexpected Fall - Kaylee Ryan
2019-10-09

Life is full of ups and downs. Events that shape who you are, even those that are filled with heartbreak and tragedy. What do you do when actions bring devastation? How do you pick up the pieces and keep moving forward? One breath. One second. One minute. One hour. One day at a time, you learn to live with your unexpected fall.

Our Finest Hour - Jennifer Millikin
2017-10-12

Two lives. One hour. A lifetime consequence. I believe in choice, not fate. I chose to nurse a broken heart at the kitschy country bar that night. I chose to let Isaac Cordova buy me a drink. I chose to spend one hour with a near stranger in an attempt to soothe my pain. No last names, no details about our lives, just one hour where I was allowed to forget, and then we would never see each other again. But was it a choice when I ran into him five years later? I needed help, and he was the only person

equipped to give it. Our instant attraction doesn't feel like much of a choice either, but it doesn't matter. Everything has changed. Now my choices impact other people. And what will I choose? Do I keep Isaac out? Do I dare to let him in?

Until Tomorrow Comes -

Adelaide Forrest 2021-02-19

Rafael I came for war. I left with an obsession. With one look, Isa captivated me. She consumed me, drawing me into her world without ever knowing the dangers of mine. I intend to make her mine, no matter what lies I need to tell to manipulate her into falling in love with El Diablo. It should be simple enough, but secrets lurk in the depths of her multicolored eyes, and I'll do anything to understand what broke her before I had the chance. Because she's mine to break. Isa Rafael Ibarra tore through my life like a raging inferno. Consuming every part of me he touches, he promises to show me passion and the real Ibiza. Though our tryst can never be anything but temporary, I never want to

leave the man who makes me wish things were different. But there's a nightmare hiding within his multicolored gaze, a phantom rattling at the cages who wants to devour me, to take me and claim me as his. He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets... I will never tell him my own. *Until Tomorrow Comes* is the first book in the *Beauty in Lies* series and ends on a cliffhanger. This is a DARK mafia romance and contains graphic violence, mature content, and elements that may be triggering. Please read at your own discretion.

Hot and Sexy - Erika Wilde

2020-05-26

She has him just where she wants him... Joelle Sommers is very good at her job as a PI and bail recovery agent, but she's definitely out of her element when she arrests sexy businessman Dean Colter in a case of mistaken identity. Because unlike her usual fugitives, Dean is cooperative,

accommodating, and hot as sin . . . and not at all guilty as charged. But this bad boy isn't so innocent either, and she finds it increasingly hard to resist his seductive charm, and their mutual attraction. After years of working himself to the point of having no life outside the office, Dean Colter is in the mood for an adventure. But being kidnapped by a gorgeous bounty hunter—one he discovers is into bondage, to boot—isn't exactly what he had in mind. Still, it doesn't take long for him to realize that being a willing captive has its advantages. Jo might be the one with the handcuffs, but Dean's about to discover the key to unleashing the passionate, uninhibited woman beneath the tough, stubborn facade. And when he does, all bets are off.

Falling Out of Hate with You -

Lauren Rowe 2021-04-15

I've tried to like Adrian Savage, the mercurial frontman for Fugitive Summer, while serving as his band's opening act on tour. We're stuck together for three months, after all. And I'm

well aware I'm lucky to be here. But it's proved impossible. He's far too rude and dismissive a guy to get along with. And way too good at getting under my skin. In fact, at this point, I think it's fair to say I downright hate his guts. Global thirst trap that he is, though, I'm finding it extremely difficult not to want to jump Savage's bones, despite how much he infuriates me. I hate myself for it. But my body is going rogue on me. It doesn't matter, though. I'm determined to resist him. In fact, what I've decided is that, as long as I'm here and stuck with him, I'm not only going to give Savage the sound tongue lashing nobody else around here has the balls to deliver, I'm going to bring that bad boy to his knees.

Return by Sea - Tracey Jerald 2021-01-11

I lost my heart to a man who walked away without looking back. Over the years, I dealt with the hand life dealt me, slowly shutting down my soul. For twenty years, I've loved Nicholas Cain. He's returned but neither of us are

the same people we were back then. We've been polished, punished by life's harshest seas. My heart is torn between what was and what could be, but I can't turn away. And despite everything, the choice to love him both thrills and terrifies me. Just like my brother predicted it would years before it actually happened.

Dirty Wicked Lust - Amanda Heartley 2016-08-10

After too many tours in Afghanistan, I'm back home to my millionaire life in Tennessee. Actually, it's my dad's millions-not mine. I'm Ryan Johnson, Marine vet. I always thought I'd be a career Marine-a top dog-but decided against it after I'd seen enough war. A lot changed during those years spent in the sandbox. Returning home has meant meeting my new stepmother... and annoying as hell stepsister, Heather. But irritation has quickly turned to lust. And in place of my night terrors, I can't stop dreaming about her. Things went sideways while our parents were away on vacation. Now, they're back and ever

since I tasted her sweet lips-I need her. I need to find a way to be with her. But what am I going to do about my dad-or her mom? I'm tired of sneaking around like a damn teenager, but the secrets, lies, and scandal could tear the family apart. Is this dirty, wicked, lust worth it? It better be, but I'll let Heather tell the story...

[That Forever Girl](#) - Meghan Quinn 2019

USA Today bestselling author Meghan Quinn's second book in the Getting Lucky series brings heart, humor, and heat back to Port Snow. There are two little words every small-town man dreads: She's back. Harper Sanders, the girl who was supposed to be my forever, has returned to Port Snow, Maine, for good--and she's bringing back memories of our shared past. We once had a bright future together, but when tragedy struck, I threw it all away and pushed her out of my life. People in our small town think I'm cursed, but I know better. I did it all to myself. And now she's creating a life of her own in the place where we first

fell in love. I can't fight my feelings for her--or the strong attraction that keeps pulling us together. But after all this time, can she forgive the past and fall in love with me all over again? Everyone hopes to find that forever girl...I just hope I haven't lost mine for good.

Letters in the Dark - Kit Rose
2020-06-23

Cassandra Abducted. Caged. Kidnapped. They all mean the same thing. Hidden away and forgotten about by everyone. Everyone except the monster who put me here. He stripped me of my freedom. He stripped me of my clothing. He's a monster, and he'll do whatever he wants with me. But I will survive. And I will wait. He hides in the shadows, but I will learn to see in the dark. And when the lights go out, I will show him the monster inside me. If you live in the dark long enough, even the sweet ones must grow claws. Monster Soulless. Psychopath. Evil. That's what I've been told my entire life. If you looked at the trail of blood that follows me, you'd think they were right. I

never asked to be like this. I never asked to be different. I never asked to be a monster. Something broke inside of me when I was born, and Cassandra Matheson is the only one who can fix me. She'll be the light to my darkness, the good to my evil. And she'll teach me what it is to be human. Or she'll never leave her cage. Letters in the Dark is a standalone full-length novel with an HEA.

Throb - Vi Keeland 2015-01-25
From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men

the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

Tempt Me Too - Stacy Eaton
2016-09-28

Meet the intense and sexy bad boy bikers of the Chaos Motorcycle Club in Millie and High's story from Kristen Ashley's New York Times bestselling series. The flame never dies . . . Millie Cross knows what it's like to burn for someone. She was young and wild and he was fierce and even wilder-a Chaos biker who made her heart pound. They fell in love at first sight and life was good, until she learned she couldn't be the woman he needed and made it so he had no choice but to walk away. Twenty years later, Millie's chance run-in with her old flame sparks a desire she just can't ignore. And this time, she won't let him ride off . . . Bad boy Logan "High" Judd has seen his share of troubles with the law. Yet it was a beautiful woman who broke him. After ending a loveless marriage, High is shocked when his true love walks back into his life. Millie is still gorgeous, but she's just a ghost of her former self. High's intrigued at the change, but her betrayal cut him deep- and he doesn't want to get

burned again. As High sinks into meting out vengeance for Millie's betrayal, he'll break all over again when he realizes just how Millie walked through fire for her man . . .

What She Needs (1Night Stand)

- Melissa Kendall 2016-09-23

Elizabeth Summers is sick of being the baby sister of Garth the pack alpha. Her brother with the help of his best friends has taken it upon himself to scare off every guy who has ever shown any interest in her. With a little nudge from her sister-in-law, she decides to seek Madame Eve's help to give her one night of pure pleasure. Ernest (Brute) Chalmers is Castle Wolves' pack enforcer and best friend of Garth. Out of respect for his friend, he has kept his feelings for Garth's sister a secret. But when he over hears Lizzie talking about signing up for a 1Night Stand, he decides if he doesn't make his move, he might miss out on his chance at love.

Before and Beyond

Divergence - Jean-Laurent Rosenthal 2011-04-01

China has reemerged as a powerhouse in the global economy, reviving a classic question in economic history: why did sustained economic growth arise in Europe rather than in China? Many favor cultural and environmental explanations of the nineteenth-century economic divergence between Europe and the rest of the world. This book, the product of over twenty years of research, takes a sharply different tack. It argues that political differences which crystallized well before 1800 were responsible both for China's early and more recent prosperity and for Europe's difficulties after the fall of the Roman Empire and during early industrialization. Rosenthal and Wong show that relative prices matter to how economies evolve; institutions can have a large effect on relative prices; and the spatial scale of politics can affect the choices of institutions in the long run. Their historical perspective on institutional change has surprising implications for understanding modern

transformations in China and Europe and for future expectations. It also yields insights in comparative economic history, essential to any larger social science account of modern world history.

Gibson's Legacy - K.L.

SHANDWICK 2014-12-17

Gibson Barclay has been famous for almost seven years and he's only twenty four. Seldom does anyone pick up a magazine, newspaper or watch a television entertainment show, without seeing his image or reading about his promiscuous antics . He had no need to court publicity with his magnetic charm and charismatic ways; when he chooses to cooperate that is. Shrugging off the advice of publicists and image consultants, Gibson makes no excuses for who he is, and with no ties, he answers to no one about how he chooses to live his life. From teenage musician to twenties mega rock star Gibson has seen and done it all. Women fantasize about him and men envy his rock scene,

womanizing lifestyle. Only one person ever made Gibson feel uncomfortable about the way he lived his life. No one ever said no to him that he can remember, although there were two minute events that he has never been able to shake from his mind. Both of those events involved the way Chloe Jenner looked at him. It was something and nothing, but for him, the impact haunted him. In the

strangest twist of fate, something so wildly obscure occurred, that set his mind ablaze with the memory of that small encounter. Like all women, Chloe found Gibson striking and had even shared with her friends, her own guilty fantasy about him. Fantasy and reality were poles apart and Chloe believed that Gibson Barclay never even knew that she existed.
