Dead Witch Walking - Kim Harrison
2009-10-13

The first book in #1 New York Times bestselling author Kim Harrison's Hollows series! All the creatures of the night gather in "the Hollows" of Cincinnati, to hide, to prowl, to party . . . and to feed. Vampires rule the darkness in a predator-eat-predator world rife with dangers beyond imagining—and it's Rachel Morgan's job to keep that world civilized. A bounty hunter and a witch with serious sex appeal and an attitude, she'll bring 'em back alive, dead . . . or undead.

When It's Real - Erin Watt 2017-05-30
From a #1 New York Times bestseller, "page-turning romance about an unlikely couple who overcomes the glare of the public eye . . . addictive summer reading" (Publishers Weekly). Under ordinary circumstances, Oakley Ford and Vaughn Bennett would never even cross paths. There's nothing ordinary about Oakley. This bad-boy pop star's got Grammy awards, millions of fangirls and a reputation as a restless, too-charming troublemaker. But with his home life disintegrating, his music well suddenly running dry and the tabloids having a field day over his outrageous exploits, Oakley needs to show the world he's settling down—and who better to help him than Vaughn, a part-time waitress trying to help her family get by? The very

definition of ordinary. Posing as his girlfriend, Vaughn will overhaul Oakley's image from troublemaker to serious artist. In return for enough money to put her brothers through college, she can endure outlandish Hollywood parties and carefully orchestrated Twitter exchanges. She'll fool the paparazzi and the groupies. She might even start fooling herself a little. Because when ordinary rules no longer apply, there's no telling what your heart will do . . . "Fun and addictive!" —Katie McGarry, award-winning author of *Say You'll Remember Me* "A fast-paced, 'he-said, she-said' page-turner." —School Library Journal "Undeniable fun. . . . A quintessential beach read." —Kirkus Reviews

Catch a Falling Star - Kim A. Culbertson
2015

The Drafter - Kim Harrison 2015-09-01
#1 New York Times bestselling author Kim Harrison delivers the first installment in her eagerly anticipated, sexy new suspense trilogy, featuring a special task agent at the top of her field and set in a futuristic Detroit

. . . LIVE. DIE. REPEAT. Detroit 2030: Double-crossed by the person she loved and betrayed by the covert government organization that trained her to use her body as a weapon, Peri Reed is a renegade on the run. Don't forgive and never forget has always been Peri's creed. But her day job makes it difficult: she is a drafter, possessed of a rare, invaluable skill for altering time, yet destined to forget both the history she changed and the history she rewrote. When Peri discovers her name is on a list of corrupt operatives, she realizes that her own life has been manipulated by the agency. Her memory of the previous three years erased, she joins forces with a mysterious rogue soldier in a deadly race to piece together the truth about her fateful final task. With only her intuition to guide her, she's on a vengeful mission to decide— who must she kill and who, including herself, can she trust? Perfect for fans of Charlaine Harris, Patricia Briggs and Kelley Armstrong, this futuristic thriller is pacey, sexy and unforgettable 'I wouldn't miss a Kim Harrison book for anything.' - Charlaine Harris

Little Bee - Chris Cleave 2009-05-29

Sarah Summers is enjoying a holiday on a Nigerian beach when a young girl named Little Bee crashes irrevocably into her life. All it takes is a brief and horrifying moment of crisis — a terrifying scene that no reader will forget. Afterwards, Sarah and Little Bee might expect never to see each other again. But Little Bee finds Sarah's husband's wallet in the sand, and smuggles herself on board a cargo vessel with his address in mind. She spends two years in detention in England before making her way to Sarah's house, with what will prove to be devastating timing. Chapter by chapter, alternating between Little Bee's voice and Sarah's, Chris Cleave wholly and caringly portrays two very different women trying to cope with events they'd never imagined. Little Bee is experiencing all the fullness and emptiness of the rich world for the first time, and her observations are hopeful, charming and piercing: "Most days I wish I was a British pound coin instead of an African girl,"

she says: "Everyone would be pleased to see me coming." Sarah is more cynical and disheartened, a successful magazine editor trying to find meaning in the face of turmoil at home and work. As the story develops, however, we learn about what matters most to her, including her fierce, protective love for her funny little son ("From the Spring of 2007 until the end of that long summer when Little Bee came to live with us," Sarah says, "my son removed his Batman costume only at bathtimes."). Sarah is trying to find herself as much as Little Bee is — and, unexpectedly, each character discovers a ray of hope in the other. What follows when Little Bee comes back into Sarah's life is a powerful story of reconciliation and healing, but it is mixed in with a generous helping of satire about the daily difficulties of modern life. This is a novel about important issues, from refugee policy to the devastating effects of violence, but more than that, it does something only great fiction can: Little Bee teaches us what it is like to live through experiences most of us think of only as far off disasters in the news. As ever, the author says it best: "It's an uplifting, thrilling, universal human story, and I just worked to keep it simple. One brave African girl; one brave Western woman. What if one just turned up on the other's doorstep one misty morning and asked, Can you help? And what if that help wasn't just a one-way street?" Skylark - Mia McKenzie 2021-06-22 GOOD MORNING AMERICA BUZZ PICK • A woman who's used to going solo discovers that there's one relationship she can't run away from in this "hilarious, electric" (The New York Times) novel, a probing examination of the complexities of family, queerness, race, and community LAMBDA LITERARY AWARD WINNER • ONE OF THE BEST BOOKS OF THE YEAR: The Boston Globe, Autostraddle, Shondaland • "A new kind of love story, the best kind."—Ashley C. Ford, New York Times bestselling author of *Somebody's Daughter* When she was twenty-six and broke, Skye didn't think twice before selling her eggs and happily pocketing the cash. Now approaching forty, Skye still moves through life entirely—and

unrepentantly—on her own terms, living out of a suitcase and avoiding all manner of serious relationships. Maybe her junior high classmates weren't wrong when they voted her "Most Likely to Be Single" instead of "Most Ride-or-Die Homie," but at least she's always been free to do as she pleases. Then a twelve-year-old girl tracks Skye down during one of her brief visits to her hometown of Philadelphia and informs Skye that she's "her egg." Skye's life is thrown into sharp relief and she decides that it might be time to actually try to have a meaningful relationship with another human being. Spoiler alert: It's not easy. Things get even more complicated when Skye realizes that the woman she tried and failed to pick up the other day is the girl's aunt, and now it's awkward. All the while, her brother is trying to get in touch, her mother is being bewilderingly kind, and the West Philly pool halls and hoagie shops of her youth have been replaced by hipster cafés. With its endearingly prickly narrator and a cast of characters willing to both challenge her and catch her when she falls, this novel is a clever, moving portrait of a woman and the relationships she thought she could live without.

[If I Stay](#) - Gayle Forman 2009-04-02

In a single moment, everything changes. Seventeen year-old Mia has no memory of the accident; she can only recall riding along the snow-wet Oregon road with her family. Then, in a blink, she finds herself watching as her own damaged body is taken from the wreck... A sophisticated, layered, and heartachingly beautiful story about the power of family and friends, the choices we all make—and the ultimate choice Mia commands.

[Lemon](#) - Kwon Yeo-sun 2021-10-26

New York Times Book Review: Editor's Choice Philadelphia Inquirer: Best Book of the Month World Literature Today: Notable Translation of the Year CrimeReads: Best International Crime Novel of the Year Ms. Magazine: Most Anticipated Book of the Year Washington Independent Review of Books: Favorite Book of the Year Parasite meets The Good Son in this piercing psychological

portrait of three women haunted by a brutal, unsolved crime. In the summer of 2002, when Korea is abuzz over hosting the FIFA World Cup, eighteen-year-old Kim Hae-on is killed in what becomes known as the High School Beauty Murder. Two suspects quickly emerge: rich kid Shin Jeongjun, whose car Hae-on was last seen in, and delivery boy Han Manu, who witnessed her there just a few hours before her death. But when Jeongjun's alibi checks out, and no evidence can be pinned on Manu, the case goes cold. Seventeen years pass without any resolution for those close to Hae-on, and the grief and uncertainty take a cruel toll on her younger sister, Da-on, in particular. Unable to move on with her life, Da-on tries in her own twisted way to recover some of what she's lost, ultimately setting out to find the truth of what happened. Shifting between the perspectives of Da-on and two of Hae-on's classmates struck in different ways by her otherworldly beauty, *Lemon* ostensibly takes the shape of a crime novel. But identifying the perpetrator is not the main objective here: Kwon Yeo-sun uses this well-worn form to craft a searing, timely exploration of privilege, jealousy, trauma, and how we live with the wrongs we have endured and inflicted in turn.

[Catch a Falling Star](#) - Kim Culbertson 2014-04-29

A deliciously charming novel about finding true love . . . and yourself. Nothing ever happens in Little, CA. Which is just the way Carter Moon likes it. But when Hollywood arrives to film a movie starring former child star turned PR mess Adam Jakes, everything changes. Carter's town becomes a giant glittery set and, much to her annoyance, everyone is starry-eyed for Adam. Carter seems to be the only girl not falling all over herself to get a glimpse of him. Which apparently makes her perfect for the secret offer of a lifetime: playing the role of Adam's girlfriend while he's in town, to improve his public image, in exchange for a hefty paycheck. Her family really needs the money and so Carters agrees. But it turns out Adam isn't at all who she thought he was. As they grow closer, their relationship

walks a blurry line between what's real and what's fake, and Carter must open her eyes to the scariest of unexplored worlds - her future. Can Carter figure out what she wants out of life AND get the guy? Or are there no Hollywood endings in real life?

Invisible Boys - Holden Sheppard

2019-10-01

An emotional tale of identity, sexuality and suicide derived from personal experience about three teenage boys who struggle to come to terms with their homosexuality in a small Western Australian town. On the surface, nerd Zeke, punk Charlie and footy wannabe Hammer look like they have nothing in common. But scratch that surface and you'd find three boys in the throes of coming to terms with their homosexuality in a town where it is invisible. Invisible Boys is a raw, confronting YA novel that explores the complexities and trauma of rural gay identity with painful honesty, devastating consequences and, ultimately, hope.

The Last Fallen Star - Graci Kim

2021-05-04

Best-selling author Rick Riordan presents Graci Kim's thrilling debut about an adopted Korean-American girl who discovers her heritage and her magic on a perilous journey to save her witch clan family. "Graci Kim does such an amazing job of blending Korean mythology into the modern world, I am now wondering how I ever lived without knowing all this cool information."--New York Times #1 best-selling author Rick Riordan Riley Oh can't wait to see her sister get initiated into the Gom clan, a powerful lineage of Korean healing witches their family has belonged to for generations. Her sister, Hattie, will earn her Gi bracelet and finally be able to cast spells without adult supervision. Although Riley is desperate to follow in her sister's footsteps when she herself turns thirteen, she's a saram--a person without magic. Riley was adopted,

and despite having memorized every healing spell she's ever heard, she often feels like the odd one out in her family and the gifted community. Then Hattie gets an idea: what if the two of them could cast a spell that would allow Riley to share Hattie's magic? Their sleuthing reveals a promising incantation in the family's old spell book, and the sisters decide to perform it at Hattie's initiation ceremony. If it works, no one will ever treat Riley as an outsider again. It's a perfect plan! Until it isn't. When the sisters attempt to violate the laws of the Godrealm, Hattie's life ends up hanging in the balance, and to save her Riley has to fulfill an impossible task: find the last fallen star. But what even is the star, and how can she find it? As Riley embarks on her search, she finds herself meeting fantastic creatures and collaborating with her worst enemies. And when she uncovers secrets that challenge everything she has been taught to believe, Riley must decide what it means to be a witch, what it means to be family, and what it really means to belong. Fish Finelli (Book 2) - E.S. Farber

2014-04-01

When Bryce Billings says he will clobber Fish Finelli in the Captain Kidd Classic boat race, Fish has no choice but to accept the bet. But Fish's 1970s Whaler with a broken motor is no match for Bryce's new, top-of-the-line, 9.9-horsepower Viper—even if Fish, Roger, and T. J. can fix their measly 5-horsepower motor, it can't compete with Bryce's boat. With \$9.63 between them, do the guys even have a chance at the Classic? A hilarious romp, filled with fun facts seamlessly integrated into the story, Fish Finelli informs as much as it entertains for perfect middle-

grade reading.

Map to the Stars - Jen Malone 2015-07-14

Can one down-to-earth girl plus a very famous boy and a whole lot of paparazzi ever add up to a perfect Hollywood ending? Seventeen-year-old Annie Shelton isn't sure why her mom thinks moving to Hollywood will allow them to escape the drama of their small-time life in Georgia, but she's along for the ride. When Annie's mom snags a gig as makeup artist to a teen movie idol and finagles a spot for Annie to accompany her on his European promotional tour, Annie's pretty sure she'll be fangirling over architectural sights rather than teen heartthrob Graham Cabot. But then of course she actually meets him. As Graham and Annie fall for each other in the most romantic cities in the world, Annie realizes that this turn of events may not be quite as glamorous as she thought. Instead of red carpets and celebrity couple names, they are navigating a minefield of keeping secrets from Graham's fans, overprotective assistant, stage "momager," and beefy bodyguard. And when the paparazzi make an appearance, Annie has to decide whether their love is worth the harsh glare of the flashbulb. Author Jen Malone draws on her real-life experiences as a movie studio publicist to bring you an insider peek at love, Hollywood-style. Glimmering - Elizabeth
2012-06-18

It's 1999 and the world is falling apart at the seams. The sky is afire, the oceans are rising—and mankind is to blame. While the spoils of the 20th Century dwindle, Jack Finnegan lives on the fringes in his decaying mansion, struggling to keep his life afloat and his loved ones safe while battling that most modern of diseases—AIDS. As the New Millennium approaches, Jack's former lover, a famous photographer reveling in the world's decay, gifts him with a mysterious elixir called Fusax, a medicine rumored to cure the incurable AIDS. But soon, the "side effects" of Fusax become more apparent, and Jack gets mixed up with a bizarre entourage of rock stars, Japanese scientists, corporate executives, AIDS victims, and religious terrorists. While these larger players compete to control mankind's fate in the 21st Century, Jack is forced to choose his own role in the World's End, and how to live with it. Originally published in 1997, *Glimmering* is a visionary mix of fantasy and science fiction about a world in which humanity struggles to cope with the ever-approaching "End of the End."

The Years of Rice and Salt - Kim Stanley
Robinson
2003-06-03

With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest

work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . "A thoughtful, magisterial alternate history from one of science fiction's most important writers."—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe's population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. "Exceptional and engrossing."—New York Post "Ambitious . . . ingenious."—Newsday

Blood and Salt - Kim Liggett
2015-09-22

The last words Ash hears her mother say are, "When you fall in love, you will carve out your heart and throw it into the deepest ocean. You will be all in—blood and salt." Determined to find her mother when she disappears, Ash follows her to Quivara, Kansas, the spiritual commune she escaped long ago. But something sinister and ancient waits among the rustling cornstalks of this village lost to time. Her mother is nowhere to be found, but Ash is plagued by memories of her ancestor, Katia, which harken back to the town's history of unrequited love, murder, alchemy, and immortality. Charming traditions give way to a string of deaths. And Ash feels herself drawn to Dane, a mysterious, forbidden boy with secrets of his own. As the community prepares for a ceremony five hundred years in the making, Ash fights to save her

mother, her lover, and herself. She must discover the truth about Quivara before it's too late. Before she's all in—blood and salt.

"Incredible and searing." --Nic Stone, #1 New York Times bestselling author of *Dear Martin* The Hate U Give meets *Just Mercy* in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a "thug" on the run, accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason Reynolds won't want to miss this provocative and gripping debut.

The Trouble with Shooting Stars - Meg Cannistra 2019-08-20

"A story brimming with hope and sparkling with magic. Meg Cannistra's writing shines as bright as any shooting star." —Cassie Beasley, author of *Circus Mirandus* "Loving, imaginative, and gorgeously written, this book shines with magic and heart." —Anne Ursu, author of *The Lost Girl* *Wonder* meets *Mary Poppins* in this heartfelt debut novel about magic, healing, and the importance of family. Twelve-year-old Luna loves the nighttime more than anything else. It's when no one gives her "that look" about the half mask she has to wear while healing from a disfiguring car accident. It's also the perfect time to sit outside and draw what she sees. Like the boy and girl from the new family next door...zipping out of the window in a zeppelin and up to the stars. At first she thinks she's dreaming. But one night they catch her watching. Now Luna spends her nights on adventures with them, as they clean full moons, arrange constellations, and catch jars of stardust. She even gets to make a wish on a shooting star they catch. But Luna learns that no wish is strong enough to erase the past—as much as she may hope to.

Sinner's Creed - Kim Jones 2016

First in a new series--welcome to the Sinner's Creed Motorcycle Club, where hard bodies and hot leather are made for each other, and love gone wrong is the most irresistible of all... "I was the demon-possessed monster and she was the innocent, naïve angel. But none of that matters. She asks, I give and right now, I'll kill anyone who tries to stop me from giving this woman what she wants--me." Dirk lives in the shadows--performing hits, maintaining order, and upholding the no-holds-barred legacy of the Sinner's Creed Motorcycle Club. A nomad with a restless spirit and a cold heart, the open road is his world. One of the few constants in his life: his desire for the one woman who has consumed his thoughts for years. Saylor Samson grew up far from the harshness of Dirk's world. But ever since she was seventeen she's been drawn to this dark

and mysterious man who always seemed to show up just when she needed him. After years of fated encounters, he's back. This time he's taking her. This time she's ready for the ride. But just when the darkness in Dirk's life begins to fade, Saylor reveals a secret that puts them both to the ultimate test. Now, Dirk has to make a decision: submit to his destiny with the MC, or choose his own.

Charlotte is practical and cautious; Emily is headstrong and imaginative. But they do have one thing in common: a love of writing. This shared passion will lead them to be two

of the first published female novelists and authors of several enduring works of classic literature. But they're not there yet. First, they have to figure out if there is a connection between a string of local burglaries, rumors that a neighbor's death may not have been accidental, and the appearance on the moors of a mysterious and handsome stranger. The girls have a lot of knots to untangle—before someone else gets killed.

This Is Falling - Ginger Scott 101-01-01

First, I had to remember how to breathe. Then, I had to learn how to survive. Two years, three months and sixteen days had passed since I was the Rowe Stanton from before, since tragedy stole my youth and my heart went along with it. When I left for college, I put a thousand miles between my future and my past. I'd made a choice—I was going to cross back to the other side, to live with the living. I just didn't know how. And then I met Nate Preeter. An All-American baseball player, Nate wasn't supposed to notice a ghost-of-a-girl like me. But he did. He shouldn't want to know my name. But he did. And when he learned my secret and saw the scars it left behind, he was supposed to run. But he didn't. My heart was dead, and I was never supposed to belong to anyone. But Nate Preeter had me feeling, and he made me want to be his. He showed me everything I was missing. And then he showed me how to fall. *This is a standalone in a three-part series that will focus on different characters. Each book can be read on its own.

Ghost Boys - Jewell Parker Rhodes 2018-04-17

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he

observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

All Your Twisted Secrets - Diana Urban
2020-03-17

A thrilling debut, reminiscent of new fan favorites like *One of Us Is Lying* and the beloved classics by Agatha Christie, that will leave readers guessing until the explosive ending. "Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting." What do the queen bee, star athlete, valedictorian, stoner, loner, and music geek all have in common? They were all invited to a scholarship dinner, only to discover it's a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how

they're all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor's ultimatum, it becomes clear that everyone is hiding something. And with the clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die?

Falling Into You - A. L. Jackson 2020-07-02
A riveting, emotional second-chance romance between an estranged couple who have been separated by years and a set of devastating-and life-threatening-secrets that, once unearthed, will either bring them together or send each of them to an early grave.

The Wonder of Us - Kim Culbertson
2017-04-25
Riya and Abby are: Best friends. Complete opposites. Living on different continents. Currently mad at each other. About to travel around Europe. Riya moved to Berlin, Germany, with her family for junior year, while Abby stayed behind in their small California town. They thought it would be easy to keep up their friendship- it's only a year and they've been best friends since preschool. But instead, they ended up fighting and not being there for the other. So Riya proposes an epic adventure to fix their friendship. Two weeks, six countries, unimaginable fun. But two small catches: They haven't talked in weeks. They've both been keeping secrets. Can Riya and Abby find their way back to each other among lush countrysides and dazzling cities, or does growing up mean growing apart?
