Devil Said Bang - Richard Kadrey 2012-08-28

Richard Kadrey's Sandman Slim—aka James Stark—is, quite simply, one of the most outrageous uber-anti-heroes ever to kick serious butt on this or any other world or dimension. In his previous three adventures—Sandman Slim, Kill the Dead, and Aloha from Hell—Stark has fled Hell for California, taken on angels, demons, outlaw bikers, zombies, covert government operatives, and all manner of monsters, while saving humankind from total annihilation on numerous occasions. But in Devil Said Bang, he finally assumes the role he was destined for: as the new Lucifer, ruler of the Underworld. Combining outrageously edgy humor with a dark and truly twisted vision, Richard Kadrey has once again delivered a masterful amalgam of action novel, urban fantasy, and in-your-face horror that will delight a wide range of readers—from Christopher Moore and Warren Ellis fans to the devoted adherents of Jim Butcher, Charlaine Harris, Kim Harrison, and Simon Green.

Locke & Key: Clockworks - Joe Hill 2017

Locke & Key: ...In Pale Battalions Go... #1 - Joe Hill 2020-08-26

The impossible, reality-bending keys of Keyhouse have always been weapons of war. In the spring of 1915, Chamberlin Locke's oldest son, John, is desperate to be a part of the greatest war of all... and never mind that he's too young to enlist. He means to use the power of the keys to turn the tide, and will tell any lie, and try any manipulation, to have his way. Prepare to open a door onto one of the grimmest battlefields of the 20th century, whose darkness might even strike fear into an army of supernatural shadows.

What Branches Grow - T. S. Beier 2020-04-12

Top 5 Category Finalist - 2020 Kindle Book Awards! A boldly imagined, exhilarating quest through post-apocalyptic America, where human nature is torn between the violent desperation to survive and the desire to forge connection. Thirty-five years ago, the world was ravaged by war. Delia, a tough-as-nails survivalist, travels North in search of a future. Gennero is tortured by his violent past and devotion to his hometown. Ordered to apprehend Delia, he follows her into the post-apocalyptic landscape. The wasteland is rife with dangers for those seeking to traverse it: homicidal raiders, dictatorial leaders, mutated humans, and increasingly violent and hungry wildlife. What Branches Grow is an unflinching depiction of life after civilization, where, above all else, trust is the hardest thing to achieve and give. The survivors have an audacious dream of a better life, but their quest may end up being a fruitless endeavour in a world openly hostile to hope. For fans of Fallout, Mad Max, and The Road. Action and adventure are rounded off with a slow-burn romance, dark comedy, and a dog companion.

Critical Failures - Robert Bevan 2013-01-12

Tim and his friends find out the hard way that you shouldn't question the game master, and you shouldn't make fun of his cape. One minute, they're drinking away the dreariness of their lives, escaping into a fantasy game and laughing their asses off. The next minute, they're in a horse-drawn cart surrounded by soldiers pointing crossbows at them. Tim now has the voice and physique of a prepubescent girl. Dave finds that while he lost a foot or two in height, he somehow acquired a suit of armor and a badass beard. Julian's ears have grown ridiculously long and pointy. And Cooper... well Cooper has gotten himself a set of tusks, a pair of clawed hands, and a bad case of the shits. He also finds that he's carrying a bag with a human head in it - a head that he had chopped off when they were still just playing a game. Shit just got real, and if they want to survive, these four friends are going to have to tap into some baser instincts they didn't even know existed in their fast-food and pizza delivery world. It's fight, flight, or try to convince the people who are trying to kill them that

they don't really exist. Meanwhile, a sadistic game master sits back in the real world eating their fried chicken.

Chronicles of the Wisp - Joseph Durand, Jr 2021-09-10

It is 1950 as a beautiful yet fierce woman, formerly known as Dr. Susan Blackmare, enters a heavily-guarded bunker hidden away under a California lake. Inside is a command station and various labs. After Susan hears what she perceives to be a twisted version of history, she enters a cavern and dons special glasses that allow her to see something she has no idea is about to take over her life. Unfortunately, sinister creatures known as Wisps, have returned to Earth to possess and transform humans by ridding them of their humanity and controlling their every action. Since the beginning of mankind, Wisps have controlled the destiny and future of Earth's society. Now as Wisps begin to populate Earth again, a battle begins as their victims—that include Susan—desperately fight against them in a valiant effort to save humanity. As the future hangs precariously in the balance, will they manage to find a way or perish trying? Chronicles of the Wisp is a science fiction horror story that follows a new and evil predator as mankind battles for survival through history into the near future.

The Land of the Undying - Dave Willmarth 2018-03-28

The Hot Zone - Richard Preston 1995

Imagine a killer with the infectiousness of the common cold and power of the Black Death. Imagine something so deadly that it wipes out 90% of those it touches. Imagine an organism against which there is no defence. But you don't need to imagine. Such a killer exists: it is a virus and its name is Ebola. The Hot Zone tells what happens when the unthinkable becomes reality: when a deadly virus, from the rain forests of Africa, crosses continents and infects a monkey house ten miles from the White House. Ebola is that reality. It has the power to decimate the world's population. Try not to panic. It will be back. There is nothing you can do...

Caverns of the Snow Witch - Ian Livingstone 2003

Deadcore - Randy Chandler 2010-09

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre. FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JUJU BY RANDY CHANDLER He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, the living are screwed, and unspeakable

acts are being performed upon all involved. In this tale of *Zombies Gone Wild*, yes the dead walk but just where the hell are they going and why? Dead Juju gives you the hardcore truth, if you're ghoul enough to handle it. NIGHT OF THE JIKININKI BY EDWARD M. ERDELAC After a comet is observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a casteless bandit, a mad, child-eating monk, and a renowned but sadistic samurai band together to escape the walled and moat-surrounded prison as it fills with the walking and ravenous dead. ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD) BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. ZOMBIE SAFARI BY BEN CHEETHAM Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go wrong. Zombies don't die as they should. Hunters go missing. A trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.

Seeds of Rebellion - Brandon Mull 2012-03-13

The thrills continue in the second action-packed adventure in the #1 New York Times bestselling *Beyonders* trilogy. After the cliffhanger ending of *A World Without Heroes*, Jason is back in the world he's always known—yet for all his efforts to get home, he finds himself itching to return to Lyrian. Jason knows that the shocking truth he learned from Maldor is precious information that all of his friends in Lyrian, including Rachel, need if they have any hope of surviving and defeating the evil emperor. Meanwhile, Rachel and the others have discovered new enemies—as well as new abilities that could turn the tide of the entire quest. And as soon as Jason succeeds in crossing over to Lyrian, he's in more danger than ever. Once the group reunites, they strive to convince their most-needed ally to join the war and form a rebellion strong enough to triumph over Maldor. At the center of it all, Jason and Rachel realize what roles they're meant to play—and the answers are as surprising as they are riveting.

In to another world where they were desperately needed to save the lives of dozens of women and children. But it wasn't what they thought. It wasn't against an army. The army only wanted them to fight... something else. Something worse. Something worse than their worst nightmares. Will they defeat it? Can it even be defeated? Will the rocks cry out to help them? And where is that glowing bird, the one they saw killed, the one who lit up the sky not long after? The only one who can get them back home. Will he come? Join Joshua, Marie, Amanda and Steven in their first Verduran adventure. Or maybe their last adventure. Anywhere.

Paul Is Undead - Alan Goldsher 2010-06-22

LADIES AND GENTLEMEN, IT'S TIME TO REALLY MEET THE BEATLES. For John Lennon, a young, idealistic zombie guitarist with dreams of global domination, Liverpool seems the ideal place to form a band that could take over the world. In an inspired act, Lennon kills and reanimates local rocker Paul McCartney, kicking off an unstoppable partnership. With the addition of newly zombified guitarist George Harrison and drummer/Seventh Level Ninja Lord Ringo Starr, the Beatles soon cut a swath of bloody good music and bloody violent mayhem across Europe, America, and the entire planet. In this searing oral history, discover how the Fab Four climbed to the Toppermost of the Poppermost while stealing the hearts, ears, and brains of smitten teenage girls. Learn the tale behind a spiritual journey that resulted in the dismemberment of Maharishi Mahesh Yogi. Marvel at the seemingly indestructible quartet's survival of a fierce attack by Eighth Level Ninja Lord Yoko Ono. And find out how the boys escaped eternal death at the hands of England's greatest zombie hunter, Mick Jagger. Through all this, one mystery remains: Can the Beatles sublimate their hunger for gray matter, remain on top of the charts, and stay together for all eternity? After all, three of the Fab Four are zombies, and zombies live forever. . . .

From Blood and Ash - Jennifer L. Armentrout 2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life

has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. Grave Robbers' Chronicles Vol 1-6 Box Set - Xu Lei 2014-11

The six-volume set of The Grave Robbers' Chronicles is much more than a horror-filled adventure story with likable characters and cliff-hanger plot twists. Author Xu Lei has created a world based upon facts and some of the more unbelievable details in these books are actually quite real. Corpses that have resisted decomposition for millennia have been discovered in China. The most famous of them is Lady Dai, discovered in Changsha and now kept in the Hunan Provincial Museum. This lady, whose body has remained largely intact in the 2000 years since her death, boasts skin that remains "moist and supple." Some of her joints are mobile be moved, her organs are intact, and she still has her eyelashes, as well as her left eardrum. The secret of her body's survival continues to be a mystery to modern science. The caves in Xu Lei's novels, with their tunnels that link mountain peaks and their deep lakes and waterfalls, may seem incredible but they exist. One particular cavern, the Er Wang Dong cave in Chongqing Provence, is so huge that it has its own weather system. Thick clouds and heavy fog emerge from the humidity formed in the floor of the cave as it hits the colder air above. It also contains deep pools and swift-running streams, and who knows? Perhaps within the very depths of the cave lies an undiscovered waterfall. The deadly giant salmon in Bronze Tree of Death has to be mythical, right? Wrong. In recent years, a grouper was caught in the South China Sea near the Nansha Islands that weighed in at 683 pounds. The monstrous fish was a Pacific Goliath Grouper, a species of fish that can weigh up to 1000 pounds, and almost makes Xu Lei's salmon sound like a sardine.

Faithless - Graham Austin-King 2017-06-30

The temples of the Forgefather have fallen. The clerics and defenders that could once be found across the nine lands are no more. Priests huddle in the great temple, clinging to the echoes of their lost religion. But the Father has fallen silent. There are none who still hear his voice. The mines of Aspiration lie far below the temple's marble halls. Slaves toil in the blackness, striving to earn their way into the church and the light. Wynn has been sold into this fate, traded for a handful of silver. In the depths of the mines, where none dare carry flame, he must meet his tally or die. But there are things that lurk in that darkness, and still darker things within the hearts of men. When the souls bound to the great forge are released in a failed ritual, one novice flees down into the darkness of the mines. The soulwraiths know only hunger, the risen know only hate. In the blackest depths Kharios must seek a light to combat the darkness which descends.

Death Sworn - Leah Cypess 2015

"Ileni is losing her magic. And that means losing everything she has ever known. Exiled to teach sorcery to assassins hidden deep within the mountains, she expects no one will ever hear from her again. The two previous tutors are dead, and the elders deemed her expendable. Yet as Ileni unravels the mystery surrounding her predecessors' deaths, she'll uncover threatening secrets that have been kept for decades. Even her dangerous new love may not be able to protect her from what she discovers. Not when she's willing to risk everything."--Page 4 of cover.

World War Z - Max Brooks 2013

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival.

Jivaja - Venessa Giunta 2018-08-29

Mecca is a murderer. That's what she thinks when she accidentally kills the man who attacks her her favorite coffee shop's parking lot. Self defense, right? Except how is she to explain that he died with only her hand on his wrist? Vampires don't exist. Well, not in the "traditional" sense. The Visci, a species that subsists on human blood, are not undead. They're not human. And they never were. Everything you know is wrong. Close kin to humans, the Visci pass within our society easily, and over millennia, wedged their way into positions of power. Long-lived, they are also very difficult to kill. However, they have an evolutionary flaw. While they do not die easily, they also do not reproduce easily. But they can mate with humans - and have, giving rise to a population of human-Visci hybrids, called half-bloods by those of pure lineage. For centuries, half-bloods and pure bloods lived and worked together. But tensions have risen and civil war now rages on the doorstep. But Mecca Trenow knows none of this when she flees to her father, panicked over her unintended use of the family Gift: the one that allows her to manipulate human

energy. She's always hated her gift and wouldn't learn anything about it beyond how to control it so she wouldn't hurt anyone. That is, until the rogue pure blood attacks her. She reacts instinctively, draining his life - the life he's stolen from another - from him in moments. And now she's a murderer. When word gets back to the Visci of one who can kill their kind with just a touch, the race is on to acquire Mecca as a weapon in the coming battle. As she learns about this shadowy underground group, she discovers her father's dark past and the secret he has kept from her her whole life. Reeling from this discovery, unable to trust the one person she has always counted on, Mecca is isolated from everything she once knew, all while being hunted by dangerous creatures bent on using her Gift for their own bloody purposes.

Priest Volume 4: Harbinger's Song - Min-Woo Hyung 2003-01-14
Having sold his soul to the devil Belial, now undead former priest Ivan Issacs returns to the American Southwest to exact revenge from fallen archangel Temozarela and his minions.

Puppy Problems - Paige Braddock 2021-10-19

A goofy new puppy rocks the world of a high-strung dog and a snarky cat in this hilarious graphic novel for early readers. Crackers is a rescue dog who's a bit on the nervous side, but pretty comfy at home with Butter, a very plump cat who--like all cats--is all about himself. The two pets have a good life: big backyard, nice couch, good eats, and an owner who goes to work every day so they can pretty much do what they want. Enter Peanut, a brand-new puppy with big floppy ears, unabashed energy, and no appreciation for the quiet life. The little dog is a chowhound who dips into everybody's food bowl. He drools, he chews up stuff, he doesn't get how stairs work, and he's afraid of the dark. Yow! Not to mention he's hogging their owner's lap. Even the squirrels in the yard are laughing at this goofy little canine. Butter and Crackers have had it! This puppy has to go! But when the backyard gate is left open (the cat's idea, of course!) and Peanut wanders out and gets lost, the older animals remember what it was like to be alone--and lonely. Butter and Crackers to the rescue! Kids will laugh-out-loud at Paige Braddock's funny, endearing art and dialogue. (She also cleverly never shows "our human," the animals' owner, as anything more than a pair of hands or unintelligible speech balloons.) This is a wonderful story about friendship and acceptance, with the funniest combination of pets to ever hit the page.

Palace of Doom - Lei Xu 2013

Palace of Doom, the fourth volume of The Grave Robbers' Chronicles, tightens its noose of suspense around the necks of its characters and provides more of the monstrous creatures that nightmares are made of in this claustrophobic, chilling Chinese saga.

Locke & Key/Sandman: Hell & Gone #1 - Joe Hill 2021-04-14

If you think you can unlock the gates of Hell and just invite yourself in, you must be Dreaming! The epic crossover between two of the most beloved fantasy universes in comics begins here. John "Jack" Locke is ten years dead, but that hasn't stopped him from posting the occasional letter home... from Hell. Now, Mary Locke will do anything to save her brother's soul. Her quest to rescue him from The Pit will require her to outsmart Roderick Burgess (the most evil man in England), puzzle her way through the House of Mystery, and risk the walking nightmare known as The Corinthian in a disintegrating Kingdom of Dreams!

The Percy Jackson and the Olympians, Book Three: Titan's Curse - Rick Riordan 2007-05-01

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess? They must find Artemis before the winter solstice, when her influence on the Olympian Council could swing an important vote on the war with the titans. Not only that, but first Percy will have to solve the mystery of a rare monster that Artemis was hunting when she disappeared -- a monster rumored to be so powerful it could destroy Olympus forever.

Locke & Key: The Golden Age - Joe Hill 2022-04-27

Unlock moments from Keyhouse's long history, expanding the saga of the Locke family in this collection of stories, which includes the epic crossover with DC's The Sandman Universe! For two hundred years, the Locke family has watched over Keyhouse, a New England mansion where reality has come unhinged and shadows are known to walk on their own. Here they have guarded a collection of impossible keys, instruments capable of unlocking both unparalleled wonder and unimaginable evil. Take a glimpse into the lives of Chamberlin Locke and his family in the early 20th century as they use the keys to fight battles big and small. From a giant spider inside Keyhouse to the killing fields of Europe during WWI and the depths of Hell, the Lockes are in a constant struggle to keep the dark forces of their world at bay. Collects three standalone tales, "Small World," the Eisner-nominated "Open the Moon," and the never-before-seen "Face the Music," along with the 3-part "...In Pale Battalions Go..." and the epic 80-page crossover with The Sandman Universe, "Hell & Gone" all from the co-creators of Locke & Key, Joe Hill and Gabriel Rodríguez!

Cavern of Rage - Warner Jackson 2021-11-20

The turbulent flood waters matched their frenzied affair. Not financial ruin, nor even social ostracism, nor even a raging flood could tear the two of them apart from their forbidden love and it's shattering climax in a cavern of rage. Warner Jackson aka W. Warner Jackson was an African-American, Kansas City-based author of three novels: The Birth of Martyr's Ghost (1957), Lust for Youth (1960) and Cavern of Rage (1961)

Smoke and Key - Kelsey Sutton 2019-04-02

"Full of dark mystery and unexpected twists." —Meg Kassel, author of Keeper of the Bees
A sound awakens her. There's darkness all around. And then she's falling... She has no idea who or where she is. Or why she's dead. The only clue to her identity hangs around her neck: a single rusted key. This is how she and the others receive their names—from whatever belongings they had when they fell out of their graves. Under is a place of dirt and secrets, and Key is determined to discover the truth of her past in order to escape it. She needs help, but who can she trust? Ribbon seems content in Under, uninterested in finding answers. Doll's silence hints at deep sorrow, which could be why she doesn't utter a word. There's Smoke, the boy with a fierceness that rivals even the living. And Journal, who stays apart from everyone else. Key's instincts tell her there is something remarkable about each of them, even if she can't remember why. Then the murders start. Bodies that are burned to a crisp. And after being burned, the dead stay dead. Key is running out of time to discover who she was—and what secret someone is willing to kill to keep hidden—before she loses her life for good...

Graveyard of a Queen - Lei Xu 2014

2136 -

Husk - Corey Redekop 2012-10-09

Outlandish and emotional, this humorous novel centers on Sheldon Funk, a struggling actor who dies in a bus restroom only to awaken during his autopsy and attack the coroner. Fleeing into the wintry streets of Toronto, Sheldon realizes he's now a zombie--as if he didn't have enough on his plate already. His last audition, reading for the reality television series House Bingo, had gone disastrously wrong. His mother is in the late stages of dementia, his savings are depleted, his agent couldn't care less, and his boyfriend is little more than a set of nice abs. All Sheldon has to his name is a house he can barely hold onto and a cat that is more pillow than mammal. Now he also has to contend with decomposition, the scent of the open grave, and an unending appetite for human flesh--and on top of it all, there's another audition in the morning. In order to survive his death without literally falling apart, Sheldon must find a way to combine his old life with his new addiction, which would be a lot easier if he could stop eating vagrants. A hysterical take on fame, love, religion, politics, and appetite, this is the story of the "everyzombie" people long to be.
