The Power of Chakras - Susan G. Shumsky 2014

The Ultimate Guide to Chakras - Athena Perrakis 2018-09-11

With *The Ultimate Guide to Chakras*, tune in to your chakras, the power centers connecting your physical body and the world of energy. Your chakras are the power centers that translate between the seen world of the physical body and the unseen world of energy. First discussed in ancient Hindu texts and studied for thousands of years in numerous spiritual traditions, including acupuncture, meditation, and yoga, chakras hold the key to our well-being. By tapping into the power of our chakras, we can live healthier, balanced, and more abundant lives. Athena Perrakis, leading metaphysical teacher and creator of the world's largest online metaphysical resource website, SageGoddess.com, addresses the nine major chakras we can tap into to balance, heal, and manifest. This guide explains how and why different crystals, essential oils, and sacred plants help to support each chakra. Each chapter of *The Ultimate Guide to Chakras* includes magical exercises for accessing the energy of each chakra, including meditations, journal exercises, and working with goddesses and spirit guides. Readers will even learn how to create a dedicated chakra altar. Lavishly photographed and illustrated, this guide promises to be an essential volume for beginners and experienced energy workers alike. The *Ultimate Guide to...* series offers comprehensive beginner's guides to discovering a range of mind, body, spirit topics, including tarot, divination, crystal grids, numerology, witchcraft, aromatherapy, and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

Chakras - Harish Johari 2000-09-01

- Revised and expanded edition of the classic work on chakras by the renowned Indian scholar and tantra practitioner.
- Includes full-color illustrations of the chakras to be used with the meditation exercises in the

book and provides the tools necessary to activate these centers of transformative energy. In the ancient science of tantra, the human body is viewed as the most perfect instrument for the expression of consciousness, a perfection realized through the development of psychic centers known as chakras. Located within the cerebrospinal system, the chakras are the stage upon which the interaction between higher consciousness and desire is played out. Consequently, it is through understanding and utilizing the energies of the chakras that we ultimately reach an enlightened state of being. In *Chakras*, Indian scholar and tantra practitioner Harish Johari introduces the classical principles of the chakras as well as their practical application for today. In this expanded edition, complete with new art and text, he unfolds the mysteries of these subtle centers of transformation with visualization techniques essential to a fully realized tantric practice. Unlike other books in its field, *Chakras* provides the tools to activate these centers of transformative energy and elevate one's intellectual knowledge to an experience of spiritual growth. Meditating on the beautiful, full-color illustrations of each chakra vitalizes the cerebrospinal centers and harmonizes the entire system both physically and psychically. Explanations of each chakra elaborate on the chakra's connection to elements, colors, sounds, sense and work organs, desires, planets and deities, as well as on behavioral characteristics and particular effects of meditation. For scholars and spiritual aspirants of every level, *Chakras* is an invaluable, practical source of information and techniques.

Chakras for Starters - Savitri Simpson 2004-06-10

Unlock the Hidden Doors to Personal and Spiritual Growth The chakras are the body's invisible energy centers that store information and distribute life force. When out of balance, they hold the root cause of a variety of physical illnesses, emotional disturbances, and general unhappiness with life. Understanding and awakening the chakras will help you achieve a state of well being on every level. In *Chakras for Starters*, Savitri Simpson demystifies the chakras. She explains in easy-to-understand terms what they are, shows you how to work with them, and describes the many benefits you will experience. Using the wisdom, techniques,

and exercises in this book, you can increase your calmness and will power, expand your heart and intuition, develop a greater sense of personal security and self-control, and experience spiritual transformation. This simplified, yet deeply meaningful, exploration of each chakra offers powerful keys to personal growth and inner peace.

The Big Book of Chakras and Chakra Healing - Susan Shumsky 2019-11-01

"This book is for seekers. With writing that is both friendly to the layperson yet true to a deeper mystery, this is the book to which I refer my students who are interested in the esoteric wisdom and practices of the ancients." —Anodea Judith, author of *Eastern Body, Western Mind* Although they are often misunderstood, the chakras are important facets of health and spirituality and when properly attuned can lead to happier and healthier lives. In *The Big Book of Chakras and Chakra Healing*, Dr. Susan Shumsky delves into the ancient Tantric and Vedic literature to uncover the veiled mysteries of the ages, where the most authentic information about the 7 chakras, 7 subchakras, and the subtle energy system can be found. By reading this valuable book, you will: Discover your subtle body and energy field and how to heal blockages. Gain understanding of kundalini energy and the chakra system. Understand how to use visualization to access your chakras. Learn to maintain the health of your energy field. *The Big Book of Chakras and Chakra Healing* is perfect for novices and experienced practitioners alike and will lead you on a journey of discovery, balance, and enlightenment.

Ayurvedic Massage - Harish Johari 1996-07-01

Ayurvedic Massage is the first book on the subject, and the first new massage therapy introduced to the West

since shiatsu. One of the oldest systems of medicine in the world, Ayurveda views the human being as intimately connected with the environment and all other life forms. Ayurvedic massage works on both the physical and mental levels, transmitting a life-giving energy that assists all systems of the body to repair and renew themselves. Practitioners concentrate on the marmas, subtle energy points that respond to gentle physical manipulation, and work with the needs of the different body types. The author guides both the novice and experienced practitioner through each step in the full body massage and explains which oils work best for particular body types. • Includes massage techniques for expectant mothers and their babies. • Outlines techniques and natural remedies for treating specific disorders, including arthritis, rheumatism, sciatica, and insomnia. • Offers a complete guide to the traditional forty-day beauty treatment as practiced in India, and includes recipes for massage oils, facial creams, and beautifying clay baths.

The Chakras in Shamanic Practice - Susan J. Wright 2007-06-29

How to work with the chakra centers to heal unresolved psychic wounds • Reveals how psychic injuries become lodged within the energy body • Links one major developmental stage with each major chakra • Provides a detailed guide to healing and clearing the tensions each chakra holds The chakra system identifies eight centers in the psycho-anatomy of humans, each one associated with a different part of the physical or energy body. Susan J. Wright, a practicing shaman and Gestalt psychotherapist, uses her own life journey to show that each chakra also is linked to a different stage of emotional and spiritual development. In *The Chakras in Shamanic Practice*, she identifies eight key developmental stages of life, from birth to old age/death. Each of these life stages has various developmental challenges and potential traumatic events that will likely occur and affect the health and well-being of the individual. Wright explains that life traumas experienced in particular developmental stages become lodged within the energy body as they cling to their corresponding chakra. By identifying and working with the chakra involved, a doorway can be opened to a world of transformative images, allowing powerful shamanic techniques to heal these psychic wounds. Providing both physical exercises and guided meditations that utilize the techniques of soul retrieval, working with power animals, and transcending trauma, Wright offers practitioners a way to gather and nurture the fragmented parts of their energy body and lead themselves to physical, emotional, and spiritual well-being.

Wheels of Life - Anodea Judith 2012-12-08

As portals between the physical and spiritual planes, the chakras offer unparalleled opportunities for growth, healing, and transformation. Anodea Judith's classic introduction to the chakra system, which has sold over 200,000 copies, has been completely updated and expanded. It includes revised chapters on relationships, evolution, and healing, and a new section on raising children with healthy chakras. *Wheels of Life* takes you

on a powerful journey through progressively transcendent levels of consciousness. View this ancient metaphysical system through the light of new metaphors, ranging from quantum physics to child development. Learn how to explore and balance your own chakras using poetic meditations and simple yoga movements—along with gaining spiritual wisdom, you'll experience better health, more energy, enhanced creativity, and the ability to manifest your dreams. Praise: "Wheels of Life is the most significant and influential book on the chakras ever written."— John Friend, founder of Anusara Yoga

Seed Sounds for Tuning the Chakras - James D'Angelo 2012-08-22

A practical guide to vocally resonating your energetic and psychological centers to balance the emotions, purify the soul, and dissipate negative states • Explores the intimate connections between specific sounds and syllables, the 7 chakras, and their corresponding psychological traits • Provides toning exercises using these seed sounds to re-tune and purify the chakras, leading to spiritual transformation and wholeness as energetic blockages and negative states are dissipated Using the Sacred Alphabet—the universal sounds of all languages—sound-healing teacher James D'Angelo explores the intimate connections between vowel, consonant, and syllable combinations, each of the 7 chakras, and their corresponding psychological traits. He explains, for example, how the vowel sound “uh” connects to the root chakra and is found in such words as “support” and “trust,” words deeply linked to the emotional character of this chakra. Revealing the voice as the master instrument for transformation—attested by the spiritual traditions that use chanting as an aid to enlightenment—he provides an extensive selection of vocal exercises to re-tune and purify each chakra and dissipate any related negative states as well as exercises that incorporate multiple chakras for general well-being. In uniting these sacred seed sounds with their corresponding chakras and psychologies, the author shows how you can enhance the power of these syllables and purposefully harness them for healing, states of deep meditation, and spiritual development. By bringing you closer to the voice of the Absolute, your own voice can be the conduit to the blissful union the soul so deeply desires.

The Book of Chakras - Ambika Wauters 2002

Understanding chakras is an effective first step in harnessing every human being's hidden life-changing energies and employing inner powers for spiritual and physical healing. The word chakra originated with the Vedic teachings of ancient India. It comes from the Sanskrit word for "wheel of light," and denotes the energy centers that exist in every man and woman. The Book of Chakras explores the nature of these energy sources, explains where they dwell in each of us, and instructs on how to use them. The author identifies seven energy centers in the human body. The Root Chakra, located in the lower torso, anchors us in life. From that point on the rising ladder of love and healing, we become aware of the Sacral Chakra, the Solar

Plexus Chakra, the Heart Chakra, the Throat Chakra, the Brow or Third Eye Chakra, and the Crown Chakra. The last, the Crown Chakra, located in the head, is the most refined and spiritual center in the human energy system. Chakra teachings describe seven bodies that make up every person's aura. They are the Physical, Etheric, Astral, Mental, Divine, Spiritual, and Soul bodies. Chakra teachings say that each of these bodies vibrates in ways that are allied to the colors of the universe. However, only one of these bodies, the Physical, is visible. When we understand these bodies in detail, we become able to correct chakra imbalances and harness our powers for peaceful and productive living. The author advises on ways of restoring balances, healing through the power of thought, and employing colors, sounds, crystals, acupuncture, and other means. More than 300 color illustrations.

Anodea Judith's Chakra Yoga - Anodea Judith 2015-09-08

As the architecture of the soul, the chakra system is the yoke of yoga—the means whereby mind and body, heaven and earth, and spirit and matter are joined together in the divine union that is the true meaning of yoga. In this long-awaited book by acclaimed chakra expert Anodea Judith, you will learn how to use yoga's principles and practices to awaken the subtle body of energy and connect with your highest source. Using seven vital keys to unlock your inner temple, you will be guided through practices that open and activate each chakra through postures, bioenergetic exercises, breathing practices, mantras, guided meditation, and yoga philosophy. With beautiful step-by-step photographs for each of the poses, along with guidelines for deeper alignment and activation of the energy body, this book is a valuable resource for teachers and students alike. Praise: “Anodea Judith’s Chakra Yoga is a wonderful companion to her decades of books and teachings. Providing exploration through yogic methods for liberating, transforming, and balancing our energetic body and life, it is a gift to the world.”—Shiva Rea, founder of Prana Vinyasa and author of *Tending the Heart Fire* “For decades, I have been waiting, wishing, longing for such a book as Anodea Judith’s Chakra Yoga. As always with Anodea, the book is exquisitely presented, deep, practical, inspiring, easy to follow, contemporary. A MUST HAVE. Enjoy the ride!”—Margot Anand, author of *The Art of Everyday Ecstasy*

Layayoga - Shyam Sundar Goswami 1999-05-01

The most comprehensive guide to chakra meditation and the ancient spiritual science of layayoga ever created. • One of the great works on yoga, available for the first time in the United States. • Full-color plates illustrate each chakra. With the growing interest in energy medicine in the West, the ancient Hindu tradition of chakra meditation has become increasingly important to both healers and spiritual seekers. While new to us, the chakras have long been studied in the East, with the spiritual science of layayoga having the profoundest knowledge of these energy centers. The fundamental aspect of layayoga is the arousing of dormant energy

within the body through concentration and breathing exercises and the movement of this energy through the chakras to achieve supreme consciousness. Unlike kundalini yoga, which starts with the lower chakras and moves energy upward, layayoga meditation starts with the Sahasrara, the spiritual chakra that crowns the aura, and brings energy down to spiritualize each chakra in turn. Layayoga has long been viewed as the most comprehensive and deeply researched examination of the chakras available in the West. Its detailed, illustrated look at each of the chakras and the various meditations and mantras that go with them makes it a must for serious students of yoga.

The Complete Book of Chakra Healing - Cyndi Dale 2009

Chakra Rituals - Cristi Christensen 2021-08-17

Cristi Christensen's Chakra Rituals is a book that makes the ancient science of Chakras accessible to spiritually conscious women, and offers a seven-week step-by-step program. Learn how to tap into the single most perfect system living inside of each of us—the seven Chakras. While Chakras have become trendy, sexy, cool, and very spiritual, few people today really know how to activate the Chakras' powerful energy for deep transformation. Cristi Christensen aims to change that, and Chakra Rituals offers readers a multi-dimensional, practical, and inspiring structured seven-week step-by-step program. Each week, readers are instructed how to activate a different Chakra, and each weekday they are led through a dynamic, easy, and motivating practice (altar building; breathing; meditation; vinyasa yoga flow, mudra, writing contemplation, and embodiment) which distills the esoteric concepts and makes them tangible, living experiences. A self-discovery and self-help guide with striking full-color illustrations, Chakra Rituals employs the Chakras' potential to open the pathways to a full, enlightened “aliveness.” Seasoned practitioners and newcomers alike are invited to flow with their emotions, claim their power, transform their lives, and align with the divine.

The Chakra Book - Osho 2015-06-09

A comprehensive and in-depth discussion of the human energy centers known as chakras. The book offers a unique understanding of how these centers, also referred to as “subtle bodies” can be identified and experienced, along with how they are related to personal transformation and health. In this volume, Osho gives an overview of the Eastern science of the subtle energy centers in the human body that are sometimes known as “chakras.” It is a science that underlies traditional Chinese medicine, Indian Ayurveda, and the practice of kundalini yoga, among other disciplines that recognize the deep connection between mind and body. Osho also shows how these same principles apply to human psychological growth and maturation, and the evolution of consciousness. Self-help, Spirituality, Psychology, Meditation, Esoteric, New Age, Health, Yoga. The title will especially of interest to the large group of people involved with Yoga, as the book describes in simple terms, using everyday experiences as examples, what underlies the Kundalini Yoga approach to the human energy system. The Chakra Book delivers the ‘esoteric science’ and understanding in the context of personal growth and transformation.

Advanced Chakra Healing - Cyndi Dale 2021-11-08

Join world renowned energy healer and bestselling author Cyndi Dale as she provides a comprehensive guide to energy and chakra work using the four pathways healing system. The concepts and techniques of this potent approach are designed to be totally aligned with love so that you can achieve the awakened state that brings true healing. The elemental pathway works by addressing thoughts, feelings, foods, and other material substances. The power pathway helps you command the movement of forces. The imaginal pathway supports the transfer of energies between otherworldly realms and dimensions. The divine pathway helps you meet your needs in accordance with divine truths, which dissolves the negativity that results from unmet needs. Filled with more than forty specific hands-on exercises, this book shows you how to negotiate the four pathways through the subtle energy organs known as the chakras. You will explore the energy patterns and programs that underlie imbalances and illness and learn shift-healing techniques, methods for energy mapping, and Cyndi's signature Spirit-to-Spirit practice. The four pathways are interconnected and dynamic, so when you transform one you transform them all, leading to healing outcomes that are based in the unifying energy of love.

Chakras - Harish Johari 1987

Chakra Healing for Vibrant Energy - Michelle S. Fondin 2018-03-01

Tap into your body's vital source of energy and wellness. Positioned along the spinal axis, from the tailbone to the crown of the head, the seven main energy centers of the body are called chakras. Author Michelle Fondin explores and explains each one in the seven chapters of this book, demystifying their role in facilitating healing, balance, personal power, and everyday well-being. She offers meditations and visualizations, yoga postures, breathing exercises, and Ayurvedic dietary practices to learn about and work with the chakras. You may choose to follow the healing practices for seven days, devoting one day to each chakra; for seven weeks, focusing on each chakra for a week at a time; or at your own pace, spending as long as you need on each chakra. Whether you are experiencing an illness brought on by imbalance, feeling sluggish because of seasonal changes, or simply wishing to deepen your study of the subtle body, you will find healing and rejuvenation while discovering the power of these vibrant energy vortices, your chakras.

Awakening the Chakras - Victor Daniels 2017-02-16

An in-depth guide to understanding and balancing the chakras • Provides meditations, mantras, and other methods to work with each chakra • Details each chakra's positive and negative qualities, their gifts and challenges, and how they interact with each other • Examines the psychological causes of blocked energy in the chakras • Shares chakra wisdom and profound spiritual insights from Sri Harish Johari, Guruji Pilot Baba, Mataji Narmada Puri, Sri Aurobindo, and other spiritual leaders By understanding the chakras, you can better understand the ways you interact with the world around you and the energetic roots of your inner being. Offering an in-depth guide to this powerful ancient yogic science, authors Victor Daniels, Kooch N. Daniels, and Pieter Weltevrede--all longtime students of the late tantric scholar, philosopher, and temple artist Sri Harish Johari--explain the essence of each of the 7 chakras and provide practical tools to work with these energetic "wheels of light." Revealing how each chakra is connected with specific patterns of thinking, feeling, sensing, and acting, the authors explore how the chakras offer a vertical map of consciousness beginning with the root chakra at the base of the spine and ascending to the crown chakra on top of the head. They provide dynamic meditations, mantras, and other methods to work with the chakras. You will learn how to enhance each chakra's positive features and transform the difficult ones. You will discover the complementary ways they affect each other, the gifts and strengths each can bestow, and the psychological causes of potential imbalances within them. Coauthor Pieter Weltevrede provides visual portrayals of traditional images of the chakras and their deities, explaining the spiritual secrets embedded in each. Sharing profound insights from their studies with Harish Johari, the authors also include chakra wisdom from other gurus they have studied with such as Guruji Pilot Baba and Mataji Narmada Puri. Offering practical wisdom for help in daily life and freedom from the tethers of your past, chakra work provides a powerful way to hear your inner self more deeply and a systematic path for activating higher levels of consciousness.

Adiyogi - Sadhguru 2017-02-23

"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands." -- Sadhguru 'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer--to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

Numerology - Harish Johari 1990-11-01

For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, casting a revealing light on the more esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. Explains how to determine the psychic number, name number, and destiny number; how these numbers relate to each of the nine planets, and how they apply to every aspect of life—including personality, temperament, intelligence, talents, sexuality, spirituality, finances, travel, and health.

Chakra Clearing - Doreen Virtue 2004-01-01

When you clear away negative energy residues from fear and worry, your natural spiritual power awakens. This innate power allows you to know the future; freely communicate with God and the angels; and heal yourself, others, and the planet. In *Chakra Clearing*, Doreen Virtue guides you through meditations and visualizations to clear your chakras, which activates your inborn healing and psychic abilities. Journey Into Consciousness - Charles Breaux 1998

In the present book, the author introduces the Tantric methods of Tibetan Buddhism and draws correlations between this practice and the teachings of Carl Jung. In a clear, concise style, Breaux points out how many psychological truths are woven into the fabric of the Tantric doctrine. The language of the Tantra is visionary--abounding in symbols and metaphors produced spontaneously in the meditations of ancient yogis. At the heart of tantra is the experience of a divine power within the human being that can be awakened. The format of the book begins in the root chakra and follows the path of your psychological and spiritual continuum up through the chakras. Each chapter includes a meditation practice employing Tibetan Tantric Deities and procedures. Although not a substitute for a genuine Tantric teacher, the book will enable readers to experience the tantra through suggested meditation. You enter the light within when you step outside of your own shadow. The basic drive to remember your essential nature surges beneath all your fears, desires and preconceptions. Although they approach this process from opposite sides of the world, both Tantra and Jungian psychology aspire to fathom this mysterious process and create the necessary conditions so spiritual transformation can occur.

Tools for Tantra - Harish Johari 1988-11-01

Tantric yantras are precise geometric forms that have been used for centuries as tools for self-realization and the attainment of mystical powers. In Tools for Tantra, Tantric practitioner and scholar Harish Johari has re-

created the exact colors and proportions of the primordial yantras along with step-by-step instructions for their accurate construction, coloring, and use.

Alchemical Tantric Astrology - Frederick Hamilton Baker 2021-06-01

- Shows how the astrological cycle around the signs of the zodiac represents the alchemical transformation of consciousness and chakra awakening
- Expands the meaning of each astrological sign based on its association with the chakras and the alchemical transmutation cycle from lead to gold
- Offers sample chart analyses to show how you can discover your spiritual challenges and opportunities

Demonstrating the connections between astrology, alchemy, and yoga, Frederick Baker reveals how he discovered their correspondences by rotating the natural order of the zodiac, placing Aquarius and Capricorn at the bottom and Cancer and Leo at the top, to reflect the alchemical order of metals from lead to gold. is Alchemical Tantric Arrangement then revealed a corresponding alchemical order of the seven traditional planets--from Saturn (lead) to Sun (gold)--and also aligned with the seven chakras and the three major energy channels (nadis) of the Tantric yoga system, including the channel through which Kundalini energy rises from root chakra to crown chakra. Baker uses these rediscovered correspondences to expand the meaning of each astrological sign based on their association with the chakras, the alchemical transmutation cycle from lead to gold, and the wisdom of ancient myth. He also offers expanded meanings for each chakra in association with the twelve signs of the zodiac and their ruling planets as well as new insights into the influence of Chiron and Eris. The author provides a complete analysis of his own birth chart as well as Alchemical Tantric Astrology insights into significant events over the past few decades, including the intense changes of 2020. Baker's revolutionary new take on our individual spiritual journeys shows how the astrological cycle around the signs of the zodiac represents the alchemical and Tantric transformation of consciousness and the natural path of spiritual unfolding.
