2018-07-10

The Panchatantra is a collection of folktales and fables that were believed to have been originally written in Sanskrit by Vishnu Sharma more than 2500 years ago. This collection of stories features animal characters which are stereotyped to

associate certain qualities with them. The origins of the Panchatantra lie in a tale of its own, when a King approached a learned pandit to ask him to teach the important lessons of life to his ignorant and unwise sons. This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.

I am blessed to be born in an artistic family where I learnt the various moods and emotions of colors. Equipped with that hereditary gift and mercy of Almighty, I could complete this journey of Art. I have written many poems in English, Bengali and in Hindi. One Hindi poetry book "ARPAN" was published in 1997, but this is my dream book. In this book, I want to catch the attention of kids towards our golden ethics, which seek to resolve questions of human morality by defining concepts such as good and evil, right and wrong, virtue and vice, justice and crime. I

think your thirty seconds time is over and hope you are now ready to embark upon this pictorial journey with me.

Downscaling Culture - Dorottya Cserző

2016-08-17

In the current era of globalisation, big-C Culture loses analytical purchase. However, research, as well as intercultural training and education, continues to take for granted a more or less fixed idea of culture. This volume updates intercultural communication, both its theory and its application, by utilising a theory of scales in order to understand how culture gets contextualised as speakers communicate and negotiate meaning with each other. As succinctly captured in the title of this volume, it is suggested that research can 'downscale culture' analytically: culture might be, but also might not be, relevant in an interaction. The 14 chapters brought together here explore the possibilities of such downscaling from a wide range of core themes in intercultural communication studies and from various

research traditions, including interactional sociolinguistics, critical geography, conversation analysis, critical discourse analysis, textual analysis, multimodal analysis and nexus analysis.

My Body Belongs to Me from My Head to My Toes - 2014-01-07

Now every parent, grandparent, or teacher can explain to a child the difference between appropriate and inappropriate touching in a way that young boys and girls can understand. As a child, there are constantly people trying to pick you up, hug you, or tickle you. Sometimes, though, children fall victims to people who try to touch them inappropriately. But how do you tell someone, most likely an adult, that you don't want to be touched? Or, if it has already

happened, how do you tell an adult you trust about what happened? You're only a child, and they're the adults. Why would they believe you? My Body Belongs to Me from My Head to My Toes is an educational tool to help instill confidence in children when it comes to their bodies. The narrative of the story is led by a girl named Clara, who encourages kids to say "no" if they are uncomfortable with physical contact. The narrator gives readers tips about what they can say or do to avoid unwanted physical contact, or how to tell the right people in the event it has already occurred. My Body Belongs to Me from My Head to My Toes is an invaluable resource that gives children a voice in uncomfortable situations.

Sanathana Sarathi English Volume 04 (1990 to 1999) - Sri Sathya Sai Media Centre 2022-11-10
Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal

Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all

Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

River of Fire - Qurratulain Hyder 2019-03-26
“Magisterial” (Pankaj Mishra, The New York Review of Books) and “to Urdu fiction what One Hundred Years of Solitude is to Hispanic literature” (TLS) The most important novel of twentieth-century Urdu fiction, Qurratulain Hyder’s *River of Fire* encompasses the fates of four recurring characters over two and a half millennia. These characters become crisscrossed and strangely inseparable over different eras, forming and reforming their relationships in

romance and war, in possession and dispossession. *River of Fire* interweaves parables, legends, dreams, diaries, and letters, forming a rich tapestry of history and human emotions and redefining Indian identity. But above all, it’s a unique pleasure to read Hyder’s singular prose style: “Lyrical and witty, occasionally idiosyncratic, it is always alluring and allusive: Flora Annie Steel and E. M. Forster encounter classical Urdu poets; Eliot and Virginia Woolf meet Faiz Ahmed Faiz” (The Times Literary Supplement).

[Indian Fiction in English](#) - Dorothy M. Spencer
2016-11-11

A great deal can be learned about a given civilization through its literature. The living image of a people—acting and thinking, of themselves. and of the world as they see it—can only be apprehended by the creative productions of a nation's best minds. Thus students of Indian civilization and culture who cannot afford to overlook its literature will find in this book a way

to approach the Indian spirit through the work of Indian authors. Fiction in India, particularly the novel, is a product of Western influences. As a literary form, the novel, with its emphasis on character analysis and related plot, is not native to the Indian temperament. Nevertheless, during the last fifty years, India has produced a wealth of fine fiction : novels and short stories, sketches and satires. In this book, Dorothy M. Spencer has selected and annotated some three hundred items for the ethnographical and cultural material they can be made to yield. English translations, works written directly in English, and translations from the various regional dialects have been included—on the whole a rather sweeping cross-section of Indian literary creativity. With the aid of Spencer's notes, the student can decide which of the works deal with specific attitudes and values that are of interest to him. The sociologist interested in institutions and interpersonal relations, in the beliefs and ideas regarding the Indian character held by the

people themselves, the philosopher concerned with the Indian world-view, the anthropologist, and the political scientist will find an abundance of material in these pages to heighten his appreciation of Indian culture. The attitudes toward social institutions and fixed relationships, the family, the place of women as mothers and sisters, the caste-system—all the intricacies of a civilization's development can be revealed to the perceptive student. Naturally enough, fiction in India has also dealt with political and social themes. In this connection, autobiographies and propagandistic or moralistic novels are most useful. Both have been included in this bibliography, as well as historical novels, a genre which, though it has recently fallen into disfavor, is one of the most fruitful sources for an investigation of the Indian past. More than a comprehensive guide to Indian fiction and autobiography, this volume is also a fine introduction to Indian culture, suggesting and developing directions which a study of India may

take. It will be helpful and important to all scholars in the humanities and social sciences who are concerned with understanding the people and way of life of an ancient land that has recently taken great strides into the modern era.
