The Choctaw Before Removal -

Carolyn Reeves 2012-01-19

This book of eight essays focuses upon Choctaw history prior to 1830, when the tribe forfeited territorial claims and was removed from native lands in Mississippi. The editors have included essays emphasizing Choctaw anthropology, Choctaw beliefs, and the Choctaw experience with the U.S.

government prior to the tribe's removal to Oklahoma. Attention

is focused upon the ways in which the Choctaw ideology was affected by European groups, frontiersmen, and state and federal officials. It is a collection of essays that shows the relationship among the various forces that combined to erode the culture, economy, and political structure of the Choctaw.

With the Indian Removal Act of

1830, the Choctaw people

began their journey over the

Trail of Tears from their

homelands in Mississippi to the

new lands of the Choctaw

Nation. Suffering a death rate of

nearly 20 percent due to

exposure, disease,

mismanagement, and fraud,

they limped into Indian Territory,

or, as they knew it, the Land of

the Dead (the route taken by

the souls of Choctaw people

after death on their way to the

Choctaw afterlife). Their first

few years in the new nation affirmed their name for the land, as hundreds more died from whooping cough, floods, starvation, cholera, and smallpox. Living in the Land of the Dead depicts the story of Choctaw survival, and the evolution of the Choctaw people in their new environment. Culturally, over time, their adaptation was one of homesteads and agriculture, eventually making them self-sufficient in the rich new lands of Indian Territory. Along the Red River and other major waterways several Choctaw families of mixed heritage built plantations, and imported large crews of slave labor to work

cotton fields. They developed a sub-economy based on interaction with the world market. However, the vast majority of Choctaws continued with their traditional subsistence economy that was easily adapted to their new environment. The immigrant Choctaws did not, however, move into land that was vacant. The U.S. government, through many questionable and some outright corrupt extralegal maneuvers, chose to believe it had gained title through negotiations with some of the peoples whose homelands and hunting grounds formed Indian Territory. Many of these indigenous peoples reacted

furiously to the incursion of the Choctaws onto their rightful lands. They threatened and attacked the Choctaws and other immigrant Indian Nations for years. Intruding on others' rightful homelands, the farming-based Choctaws, through occupation and economics, disrupted the traditional hunting economy practiced by the Southern Plains Indians, and contributed to the demise of the Plains ways of life.

Choctaw Confederates - Fay A.
Yarbrough 2021-10-22

When the Choctaw Nation was
forcibly resettled in Indian
Territory in present-day
Oklahoma in the 1830s, it was
joined by enslaved Black
people—the tribe had owned
enslaved Blacks since the

1720s. By the eve of the Civil
War, 14 percent of the Choctaw
Nation consisted of enslaved
Blacks. Avid supporters of the
Confederate States of America,
the Nation passed a measure
requiring all whites living in its
territory to swear allegiance to
the Confederacy and deemed
any criticism of it or its army
treasonous and punishable by
death. Choctaws also raised an
infantry force and a cavalry to
fight alongside Confederate
forces. In *Choctaw
Confederates*, Fay A.
Yarbrough reveals that, while
sovereignty and states' rights
mattered to Choctaw leaders,
the survival of slavery also
determined the Nation's support

of the Confederacy. Mining service records for approximately 3,000 members of the First Choctaw and Chickasaw Mounted Rifles, Yarbrough examines the experiences of Choctaw soldiers and notes that although their enthusiasm waned as the war persisted, military service allowed them to embrace traditional masculine roles that were disappearing in a changing political and economic landscape. By drawing parallels between the Choctaw Nation and the Confederate states, Yarbrough looks beyond the traditional binary of the Union and Confederacy and reconsiders the historical

relationship between Native populations and slavery.

Constitution and Laws of the Choctaw Nation - Choctaw Nation of Oklahoma 1894

Constitution of the Choctaw Nation of Oklahoma - Choctaw Nation 1983

Choctaw Nation of Oklahoma - Donovin Arleigh Sprague 2007
Choctaw are the largest tribe belonging to the branch of the Muskogean family that includes the Chickasaw, Creek (Muscogee), and Seminole. According to oral history, the tribe originated from Nanih Waya, a sacred hill near present-day Noxapater,

Mississippi. Nanih Waya means "productive or fruitful hill, or mountain." During one of their migrations, they carried a tree that would lean, and every day the people would travel in the direction the tree was leaning. They traveled east and south for sometime until the tree quit leaning, and the people stopped to make their home at this location, in present-day Mississippi. The people have made difficult transitions throughout their history. In 1830, the Choctaw who were removed by the United States from their southeastern U.S. homeland to Indian Territory became known as the Choctaw Nation of Oklahoma.

[Choctaw Indians](#) - Donna Akers 2013

This complete overview of the Choctaw people, from ancient times to the present, includes sections on history, cuisine, music and dance, current issues, oral traditions and language, social relationships, and traditional world view.

Endeavoring to replace stereotypical images with a more accurate understanding of Native Americans, Culture and Customs of the Choctaw

Indians explores the traditional lives of the Choctaw people, their history and oppression by the dominant society, and their struggles to maintain a unique identity in the face of overwhelming pressures to assimilate. The book begins with a historical overview of traditional Choctaw life, belief systems, social customs, and traditions. Moving to contemporary Choctaw communities, it looks at the modern-day Choctaw and the important issues they face. Separate chapters cover cuisine, social and kinship systems, oral traditions, arts, music, and dance, as well as current issues and tribal politics.

Readers will see how many Choctaw people blend traditional beliefs with participation in and knowledge of the dominant society and economy, while continuing to speak and teach the Choctaw language and traditions in homes, churches, and schools. An extensive chronology includes major events and changing conditions among the Choctaw, from ancient times until the present. Includes dozens of photographs as well as maps that detail the loss of Choctaw lands through dealings with the United States.

**Choctaw Crime and Punishment,
1884-1907** - Devon Abbott
Mihesuah 2012-11-13

During the decades between
the Civil War and the
establishment of Oklahoma
statehood, Choctaws suffered
almost daily from murders,
thefts, and assaults—usually at
the hands of white intruders, but
increasingly by Choctaws
themselves. This book focuses
on two previously unexplored
murder cases to illustrate the
intense factionalism that
emerged among tribal members
during those lawless years as

conservative Nationalists and pro-assimilation Progressives fought for control of the Choctaw Nation. Devon Abbott Mihesuah describes the brutal murder in 1884 of her own great-great-grandfather, Nationalist Charles Wilson, who was a Choctaw lighthorseman and U.S. deputy marshal. She then relates the killing spree of Progressives by Nationalist Silan Lewis ten years later. Mihesuah draws on a wide array of sources—even in the face of missing court records—to weave a spellbinding account of homicide and political intrigue. She painstakingly delineates a transformative period in Choctaw history to explore

emerging gulfs between Choctaw citizens and address growing Indian resistance to white intrusions, federal policies, and the taking of tribal resources. The first book to fully describe this Choctaw factionalism, *Choctaw Crime and Punishment* is both a riveting narrative and an important analysis of tribal politics.

The Social History of the
Choctaw Nation, 1865-1907 -
James Davidson Morrison 1987

Upon their arrival in Oklahoma,
the Choctaw Indian people set
up a constitutional form of
government with three separate
branches: legislative, judicial,
and executive. They operated in
this manner until statehood in
1907. The Choctaw Nation
dissolved after statehood, tribal
government ceased to exist,
and all people were brought
under the jurisdiction of the
Oklahoma state government. --
excerpt from book's Preface.

The Story of the Choctaw

**Indians - Joe Watkins
2018-12-07**

This book tells the story of the
shared history of the three
federally recognized Choctaw
tribes from before the first
European contact in the 1530s
and then provides the history
and contemporary status of
each of the three tribes
separately. * Provides
archaeological background of
what is now the southeastern
United States up until the time
of European contact, enabling
readers to recognize the depth
of indigenous culture in the area

* Presents a concise history of
the Choctaw from European
contact up to 1830, informing
recognition of the interrelated

histories of the Choctaw with those of the British and Americans * Analyzes the events that led up to Removal of the tribe to Indian Territory, and the far-reaching impact that the Treaty of Dancing Rabbit Creek of 1830 had on the tribe to provide historical background on the relationship between the federal government and American Indian tribes * Offers detailed historical insight into the interactions of each of the three separate Choctaw tribes with the federal government * Collects the histories of the three federally recognized Choctaw tribes in one place so that readers can compare and contrast the pathways the

different tribes took and how those paths led them to their contemporary places in American history

The Choctaws in Oklahoma -
Clara Sue Kidwell 2008-07-01

The Choctaws in Oklahoma begins with the Choctaws' removal from Mississippi to Indian Territory in the 1830s and then traces the history of the tribe's subsequent efforts to retain and expand its rights and to reassert tribal sovereignty in the late twentieth century. This book illustrates the Choctaws'

remarkable success in asserting their sovereignty and establishing a national identity in the face of seemingly insurmountable legal obstacles.

Acts and Resolutions of the General Council of the Choctaw Nation - Choctaw Nation of Oklahoma 1901

Choctaw Nation - Valerie Lambert 2007

Choctaw Nation is a story of

tribal nation building in the modern era. Valerie Lambert treats nation-building projects as nothing new to the Choctaws of southeastern Oklahoma, who have responded to a number of hard-hitting assaults on Choctaw sovereignty and nationhood by rebuilding their tribal nation.
