You Are Your Own Gym - Mark Lauren 2011-01-04

From an elite Special Operations physical trainer, an ingeniously simple, rapid-results, do-anywhere program for getting into amazing shape For men and women of all athletic abilities! As the demand for Special Operations military forces has grown over the last decade, elite trainer Mark Lauren has been at the front lines of preparing nearly one thousand soldiers, getting them lean and strong in record time. Now, for regular Joes and Janes, he shares the secret to his amazingly effective regimen—simple exercises that require nothing more than the resistance of your own bodyweight to help you reach the pinnacle of fitness and look better than ever before. Armed with Mark Lauren's motivation techniques, expert training, and nutrition advice, you'll see rapid results by working out just thirty minutes a day, four times a week—whether in your living room, yard, garage, hotel room, or office. Lauren's exercises build more metabolism-enhancing muscle than weightlifting, burn more fat than aerobics, and are

safer than both, since bodyweight exercises develop balance and stability and therefore help prevent injuries. Choose your workout level—Basic, 1st Class, Master Class, and Chief Class—and get started, following the clear instructions for 125 exercises that work every muscle from your neck to your ankles. Forget about gym memberships, free weights, and infomercial contraptions. They are all poor substitutes for the world's most advanced fitness machine, the one thing you are never without: your own body.

Smart Bodyweight Training - Matthew Schifferle
2018-05-08

This book has potential to improve every workout you do for the rest of your life. Smart Bodyweight Training is more than a book about how to achieve superior results through bodyweight training. It's about using the discipline of calisthenics as a tool to learn how to use every muscle in your body in a smarter and more effective way. Author Matt Schifferle first discovered bodyweight training after years of struggling with classic weight and cardio workouts. Within a few months, of using little more than a pull-up bar, Matt found new levels of strength and health through using techniques that required a fraction of the time and effort of costly gym-based workouts. Unsatisfied with classic step-by-step calisthenics routines, Matt has created an infinitely customizable approach that delivers fast, proven results for anyone from the rank beginner to the elite athlete. No matter where you are in your fitness journey, your best workouts are still yet to come not just by working harder, but through working smarter than ever before.

Muscle for Life - Michael Matthews 2022-01-11

Imagine watching pounds of fat melt away without ever feeling like you're on a diet. Imagine adding lean muscle to all the right places by doing just a few workouts per week that make you strong. And imagine realizing that your health and fitness goals—even the ones you've all but given up on—are finally within your reach. Muscle for Life will show you how. From the bestselling fitness author of Bigger Leaner Stronger and The Shredded Chef, Muscle for Life reveals a science-based blueprint for eating and exercising that anyone can follow at any age and fitness level. Based on time-proven principles produced by decades of hands-on experience and thousands of hours of scientific research, Muscle for Life will give you a plan for transforming your body faster than you ever thought possible, including: -Conquering the "mental game" of fitness. Learn to hack your habits, willpower, and mindset so your fitness regimen feels like it's on autopilot. -Harnessing the science of "flexible dieting." A whole new paradigm for eating that empowers you to forever break free of fad dieting, crash dieting, and yo-yo dieting. -Unlocking the power of strength training. The "secret" to optimizing your body composition, which is far more important for your health and image than your body weight. Whether you're a beginner looking for a lifestyle change, a lifelong athlete looking to reach the next level, or somewhere in between, Muscle for Life will show you how to look, feel, and perform your best. And frankly, it may be the last fitness book you'll ever need to read.

Get Strong - Al Kavadlo 2018-06

How to Build a Better Body Fast Where do you belong on the strength continuum? And where do you want to be? Too often, we know what we should be doing to gain strength, but we lack direction, a plan, motivation and intelligent guidance to make appreciable gains over the long haul. We have no real goal, no proper focus and therefore underachieve--going nowhere with our strength... Get Strong is a guidebook for those who are dissatisfied with their current rate of progress--and who want to effect lasting changes, fast... While the Kavadlo brothers have achieved supreme feats of calisthenics strength--like the one-arm pull up, the human flag and the back lever--they have also spent decades helping thousands of clients meet and often exceed their training goals. So, you can consider the Kavadlos curators of not only the most effective bodyweight exercises, but also the programming needed to extract the full juice from those chosen drills. As experienced architects and constructors of strength, the Kavadlos know what it takes to advance from absolute newbie to elite practitioner. You'll discover what key exercises in what exact progressions will give you the

best results in the fastest, safest time.

Men's Health Your Body Is Your Barbell - Bj Gaddour
2014-05-13

With *Men's Health Your Body Is Your Barbell*, a reader will have no excuse not to get into the best shape of his or her life—simply, easily, and in just 6 weeks in the convenience of his or her own home. Metabolic training expert BJ Gaddour, CSCS, whom *Men's Health* magazine calls one of the 100 fittest men of all time, has created a remarkably efficient and effective body-transforming workout and nutrition program based on just a handful of simple moves, the Bodyweight Eight. These no-equipment-required exercises are all one needs to build a strikingly symmetrical, perfectly proportioned, and classically beautiful physique, just like BJ's. Once

readers master each legendary fitness feat with perfect form, they will use BJ's scalable, step-by-step progressions to go from ground zero to superhero. From these exercise variations, readers can construct hundreds of personalized workouts. Dozens of sample routines are already demonstrated through big, bold how-to photographs within the book and organized by goal, duration, intensity, and targeted body zone. This is the only book a man or woman needs to achieve the body he or she has always wanted anywhere—and without gear.

Weight Lifting Is a Waste of Time: So Is Cardio, and There's a Better Way to Have the Body You Want - Dr.

John Jaquish 2020-08-07

You've been lifting for a few years. When you take your shirt off, do you look like a professional athlete? Do you even look like you work out? Many fitness "experts" defend weights and cardio like they are infallible, but where are the results? Why does almost nobody look even marginally athletic? Fitness may be the most failed human endeavor, and you are about to see how exercise science has missed some obvious principles that when enacted will turn you into the superhuman you always wanted to be. In Weight Lifting is a Waste of Time, Dr. John Jaquish and Henry Alkire explore the science that supports this argument and lay out a superior strength training approach that has been seen to put 20 pounds of muscle on drug-free, experienced lifters (i.e., not beginners) in six months.

The Gym-Less Workout - Milo Kemp 2020-07-20

Do you want to get an athletic body without going to the gym even if no other workout routine has worked for you before? Well with only 18% of gym users going consistently, chances are you do. Have your results at the gym plateaued? Have you failed at other gym workouts? Or are you even intimidated by the gym? Because there is a secret no gym wants you to know; you can get the body you want without paying for a gym! With 558 million being wasted on unused gym memberships last year it is no surprise they do not want you to know. We have probably all been through it, after starting out at the gym and making quick progress your results soon started to stagnate. You feel like you're stuck there

spending your entire evening travelling to the gym to work out where you are surrounded by huge muscular guys, sweaty equipment and loads of machines half of which you have never used. On top of that you are not seeing any gains, you think "what am I paying for?". But you have no other choice if you want a ripped body than to go to the gym, right? Well there is an old workout style that is getting newfound popularity for its fun, environmental and free approach to working out and.....the results speak for themselves. You will be able to quit the gym and never look back. In this book you will receive: The new fitness style getting amazing results without the gym Learn the key movements used and how to build them up Discover secrets on how to progress the right way Discover a professional routine devised to get you the best results Find actionable steps clearly laid out to short cut your learning curve Discover what simple things are holding you back from your fitness goals Tips from an industry expert on how to avoid mistakes everyone falls into Discover the right form for each exercise to avoid injuring yourself Discover a community of readers exactly like you! This style of training has turned my clients from not being able to support their own bodyweight to performing 20+ pullups without breaking a sweat! If you are still doubting me, it is probably because no other gym workout has worked for you or how are you going to commit to this when you barely use your gym membership. But remember this is not the gym. You do not have to travel anywhere; you do not have to pay for anything and when you finish you can hop straight in your own shower and into your pyjamas. What do you have to lose? If you want to get an amazing body without going to the gym, then click 'add to cart'.
