**Unearthly Disclosure** - Timothy Good  
2011-02-28

Unearthly Disclosure is a story of alien bases, alien contacts and abductions, genetic mutants, animal mutilations, and government paranoia. Here, Timothy Good, one of the world's most respected authorities on the alien phenomenon,

reveals for the first time sensational information provided to him by high-level military and scientific sources, who confirm that aliens have established subterranean and submarine bases on Earth and that extra-terrestrial contact has been made with a select group in the US military and scientific intelligence community. Among

US Air Force Secret Space Program - Michael Salla 2019-05-21

The US Air Force is experiencing a profound shift! In order to aggregate the military's major space assets under one authority, they are being moved into a new branch under the purview of the Air Force. This new branch is to be called "Space Force". The true purpose of Space Force will be to publicly unveil the most well-guarded secrets in the Air Force's stunning arsenal of exotic spacecraft, unconventional weapons and mind-blowing technologies assembled over the more than seventy years since its official emergence in 1947. This book lays out the history of the Air Force Secret Space Program: Ushering in a new era with the recovery of several extraterrestrial craft in the 1940's. Secret agreements with a breakaway German colony in Antarctica (the Fourth Reich) & different extraterrestrial groups in the 1950's. Its complicity in the German infiltration of NASA & the Military-Industrial Complex in the 1960's.

Development of stealth space stations beginning from the 1970's. Deployment of squadrons of disk, triangle and rectangular-shaped craft in the 1980's & 1990's. After its 2016 discovery that it had been deceived by the Deep State and their shadowy Fourth Reich allies, Air Force leaders made the momentous decision to shift alliances and realigned their covert space program with human-looking extraterrestrials. This has led to bold steps being taken by the Air Force to reveal the existence of its arsenal of spacecraft to the US public.

**The Ascension Mysteries** - David Wilcock 2016-08-30

From the New York Times bestselling author of *Awakening in the Dream* comes a book that will take readers on a surprising and enthralling journey through the history of the universe, exploring the great cosmic battle surrounding our own ascension. David Wilcock's previous New York Times bestsellers, *The Source Field Investigations* and *The Synchronicity Key*, used

cutting-edge alternative science to reveal oft-hidden truths about our universe. In *The Ascension Mysteries*, David takes us on a gripping personal journey that describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Through his contact with a positive higher intelligence behind the UFO phenomenon, groundbreaking scientific information, and data from high-ranking government whistle-blowers, David reveals that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years. *The Ascension Mysteries* explores the towering personal obstacles David overcame to unlock the great secrets of our universe and looks ahead to what this battle means for each of us personally. By unifying ancient texts from a variety of religions with scientific data and insider testimony, David presents a stunning conclusion—that Earth is on

the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

**Masquerade of Angels** - Karla Turner 1994

*Antarctica's Hidden History* - Michael Salla  
2018-03-25

Antarctica is a land about to be exposed over its well-guarded secrets and ancient hidden mysteries ... In 1955, as a result of a secret agreement reached between the Eisenhower Administration and a German breakaway group in Antarctica, a transnational corporate space program began to emerge. The secret infusion of personnel and resources from US military contractors into Antarctica allowed this transnational corporate program to steadily grow into a major space power, which would eventually surpass and eclipse the secret space programs run by the US Navy, Air Force, and the classified space programs of other nations.

Whistleblower claims substantiate that many of the classified programs conducted there violate the 1961 Antarctic Treaty, and constitute crimes against humanity due to the abuse of a captive slave labor force. Dr. Michael Salla daringly exposes the major corporations involved in these illegal programs, and how the truth is hidden from company shareholders and the public. Today, Antarctica's secrets are slowly being revealed by the increasing volcanic activity that is melting the massive ice shelves, exposing ancient artifacts and crashed extraterrestrial spacecraft. Full disclosure of Antarctica's history, and current events involving multiple space programs and transnational corporations, will vitally aid in transforming our planet, and prepare humanity for the major geological events that lie ahead as the melting ice unveils all that has previously been hidden.

**Conversations with Seth** - Susan M. Watkins  
2005-01-01

In 1963, Jane Roberts met a spiritual entity

named Seth. He spoke through her and the lessons he taught proved timeless and crucial. From 1968 to 1975, Roberts held an ESP class, during which she channeled Seth. Susan Watkins was a member of that class. The knowledge gained from Seth helped Watkins and her classmates face serious illness, painful relationships, financial hardship, and natural catastrophe. It also changed their lives. In addition to being a well-written, highly entertaining historical account of the late Jane Roberts and her class, *Conversations with Seth* reveals the profound insights discovered by class members--insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness. Roberts' Seth material is consistently one of the top two most visited collections at the Yale University Archives. The story that launched the New Age movement.

**Bad UFOs** - Robert Sheaffer 2015-12-31

What explains the human fascination with UFOs?

The first reported sighting of what was then called "flying saucers" was by private pilot Kenneth Arnold on June 24, 1947. Within a few weeks, an entire "wave" of saucer sightings swept across the U.S., and soon across the world. And within a few years this had expanded to give us UFO crashes, the Men In Black, UFO bases, military and intelligence agency conspiracies, NASA conspiracies, alien abductions, crop circles, alien autopsies, alien-human hybrids, cattle mutilations, and the list just continues to grow. Do the "saucers" (later renamed "UFOs") represent visitors from some other planet, or possibly even something more bizarre? How have they evaded unambiguous detection for about seventy years? Is this because the methods of science cannot capture them? Or do reports of UFOs have much in common with reports of ghosts, witches, Bigfoot, and other creatures that are widely discussed and widely believed, but exist only in the imaginations of those who pursue them? Bad UFOs discusses some of the

most famous and controversial UFO cases of all time, from a rational and scientific perspective: · the Betty and Barney Hill 'UFO abduction' account · the Phoenix Lights · the Roswell 'UFO crash,' and the recent 'Roswell Slides' · the supposed 'UFO landing' in Rendlesham Forest · Travis Walton's 'UFO abduction' claim · UFOs seen using Night Vision equipment · Steven Greer's Disclosure Project, and ET Contact Protocols

Space Force - Michael Salla 2021-04-22

On September 5, 2019, a Space Futures conference was hosted by the US Air Force Space Command which analyzed evolving conditions in space up to 2060. Eight possible negative and positive futures were identified, the optimal being a "Star Trek Future" which would involve countries with space programs forming a multinational alliance collaborating in civil, military and commercial affairs in space. Today, the emergence of Space Force, signing of the Artemis Accords, and creation of NATO's Space

Center promise to be the fulcrum for ushering in this Star Trek scenario. Such a future is not assured however due to the existence of uncooperative rival space programs of China and Russia. Could one or both launch a Space Pearl Harbor that could devastate the entire US GPS system, as predicted 20 years ago by a blue-ribbon Space Commission? Also, there is the wildcard of numerous secret space programs possessing reverse-engineered antigravity craft. Their existence is not officially acknowledged by major nations, but their space activities pose major challenges to a Star Trek future. Will Space Force be able to integrate the US based secret space programs or will these and their foreign counterparts be obstacles to its future operations? The ultimate question is how the existence of extraterrestrial life will factor into the activities of Space Force and its allies space forces. Will extraterrestrial visitors respond in a benign or a belligerent way to Space Force setting up a multinational space coalition to

militarily project humanity's presence far into our solar system and beyond? How will a future "Starfleet" with Space Force and NATO at its core have to deal with rogue secret space programs and alien life operating throughout our solar system? The US Navy secret space program reportedly has space battle groups built with the assistance of friendly human looking 'Nordic' extraterrestrials. Under what conditions will the Navy surrender authority over them to combine with Space Force? Space Force Our Star Trek Future provides answers to these and many other critical questions about humanity's bold emergence as an interplanetary space power.  
*Rise of the Red Dragon* - Michael Salla  
2020-04-19

How did China undergo its meteoric rise from a technological backwater into a military superpower in outer space? This amazing transition began in top secret US Air Force programs over 75 years ago! While living in America, a brilliant Chinese scientist is chosen to

work on the US military's most classified technologies for over a decade. Suddenly, he is outlandishly targeted by the FBI, traded in a prisoner exchange by President Eisenhower and must return to China. This episode ultimately led to China's development of a military-run secret space program (SSP) using exotic electromagnetic propulsion systems now challenging US military dominance on Earth and in outer space. By 2030, China's economy will outgrow the US, and China plans to use its vast economic resources to project its presence deep into space in ways that will lead to increasing military confrontations with the newly created US Space Force. In this book, you will learn about: - The origins of China's SSP through the pioneering work of Dr. Tsien Hsue-shen who brought his advanced knowledge of SSPs in Nazi Germany and the US to China;- How ancient aviation technologies buried in China's mysterious pyramids are being secretly studied and reverse engineered;- Ancient artifacts from

extraterrestrial contacts in remote regions of Tibet, the Gobi Desert, and the truth behind legends of Shamballa and Agartha;- China's participation in a United Nations run SSP designed to foster greater international cooperation in responding to the existence of extraterrestrial life;- The space weapons and electromagnetically propelled spacecraft secretly being developed and deployed by China;- The threat posed by Communist China's plan to use Artificial Intelligence to become the dominant superpower on Earth and in Space.The Rise of the Red Dragon represents both a global crisis and opportunity presented by China. Are the US and China destined to violently clash in an inevitable cataclysmic space war or are they to become strategic partners in guiding humanity's peaceful transition into a space faring galactic civilization?

**Welcome to the Future** - Megan Rose 2021-11  
This is the story of Megan Rose who was abducted twice by malevolent extra-terrestrials

and rescued by benevolent Nordic aliens. She kept in touch with her rescuer and has brought in this book, the story of a galactic war on planet earth, as explained by her Nordic friends from the stars. The people of earth have falsely been led to believe that aliens don't exist. The knowledge of extra-terrestrial life in this solar system is imperative to the understanding of earth's past, present and future. Through the awakening of humanity to the existence of extra-terrestrial life, a new era is birthed for all inhabitants of the planet and this galaxy. Welcome to the Future.

### **Advanced Flying** - 1942

### **Walking Among Us** - David M. Jacobs, PhD 2015-09-01

In his 1998 book, *The Threat*, Jacobs uncovered disconcerting reports about aliens' plans for the future of Earth. He reported that a "change" is coming; a future when very human-like hybrids would intermingle with humans in everyday life.

"Soon we will all be together," the aliens said. "Soon everyone will be happy and everyone will know his place." This book examines a chilling phenomenon that Jacobs began noticing in 2003. The alien integration action plan has kicked into high gear. The incidents of alien abductions have declined as occurrences of alien involvement in everyday life have accelerated. A silent and insidious invasion has begun. Alien hybrids have moved into your neighborhood and into your workplace. They have been trained by human abductees to "pass," to blend in to society, to appear as normal as your next door neighbor. This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly. While he is not certain why they are doing it, the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish. Jacobs is a careful researcher who has investigated more than 1150

abduction events experienced by more than 150 abductees. This book focuses on the experiences of thirteen abductees.

**Millennial Hospitality** - Charles James Hall

2020-09-02T13:53:00-04:00

Comment la Chine a-t-elle connu sa vertigineuse ascension et rattrapé son retard technologique pour devenir une superpuissance militaire dans l'espace ? Cette incroyable transition débuta au sein de programmes hautement confidentiels des forces aériennes américaines, il y a plus de 75 ans ! Alors qu'il habite aux États-Unis, un brillant

scientifique chinois est désigné pour travailler, pendant plus d'une décennie, aux technologies militaires américaines les plus secrètes. Puis un jour, de façon très étrange, il sera ciblé par le FBI, puis renvoyé en Chine dans le cadre d'un échange de prisonniers par le président Eisenhower. Cet épisode l'amènera à développer en Chine, sous l'égide de l'armée, un programme spatial secret (PSS) utilisant des systèmes inusités de propulsion électromagnétique qui, à présent, mettent au défi la domination de l'armée américaine au sol et dans l'espace. Ce livre vous révélera : les origines du PSS chinois dans le travail novateur du Dr Tsien Hsue-shen, qui a transmis à la Chine sa connaissance avancée des PSS de l'Allemagne nazie et des États-Unis ; d'anciennes technologies aéronautiques enfouies dans de mystérieuses pyramides chinoises qui ont été secrètement étudiées et soumises à une rétro-ingénierie ; d'anciens artefacts de contacts extraterrestres dans les régions lointaines du Tibet et du désert

de Gobi ; la participation de la Chine à un PSS dirigé par les Nations unies et destiné à engendrer une plus grande coopération internationale en réponse à l'existence de la vie extraterrestre ; les armes de l'espace et le vaisseau spatial à propulsion électromagnétique que la Chine développe et déploie présentement. D'ici 2030, l'économie chinoise va dépasser celle des États-Unis, et la Chine a l'intention d'utiliser ses vastes ressources économiques pour projeter sa présence loin dans l'espace. Les États-Unis et la Chine sont-ils voués à un affrontement violent lors d'une inévitable guerre spatiale, ou doivent-ils devenir des partenaires stratégiques pour guider la transition paisible de l'humanité vers une civilisation galactique ?

*Exopolitics* - Michael E Salla 2017-04-09

For almost 70 years the US government has engaged in an extensive "official effort" of disinformation, intimidation evidence-tampering in order to maintain a non-disclosure policy about ET presence. Writes Dr. Salla: "Ever since I began

to publish the early versions of the chapters in this book in January 2003 as 'Study Papers' on my website, <http://www.exopolitics.org>, I have received a consistent stream of supportive letters encouraging my research, and unsolicited information from former government, military, intelligence employees confirming many of my hypotheses. This has given me hope that eventually full disclosure of the extraterrestrial presence on the planet will occur, since interest is high and so much information is now in the public arena."

*Exposing U.S. Government Policies on*

*Extraterrestrial Life* - Michael E. Salla 2009-01-01

Salla reveals how the U.S. has been secretly implementing public policy concerning extraterrestrial life without the awareness of Congress, the general public, or senior national security officials.

*A.D. After Disclosure* - Richard Dolan 2012-05-22

"What if the UFO cover-up is real and what if it ended? After Disclosure poses this fascinating

question and looks at the societal consequences of such a revelation. Richard Dolan and Bryce Zabel have produced a thoughtful and provocative analysis that goes well beyond the usual scope of books on UFOs and alien life." —Nick Pope, Former Chief of UK Ministry of Defence UFO Desk

What if UFO secrecy ended tomorrow? The transition from B.C. (Before Confirmation) to A.D. (After Disclosure) is the ultimate "what if?" scenario in which the calendar is reset and history begins again. This work of speculative non-fiction combines meticulous fact-finding from historian/researcher Richard M. Dolan and forward-leaning scenarios from journalist/screenwriter Bryce Zabel on the world's most mind-bending subject. The authors predict radical changes after official acknowledgment that at least some UFOs are intelligently controlled craft from somewhere other than Earth. A.D. After Disclosure isn't afraid to make mind-blowing, specific predictions, such as: Congress will hold Watergate-style hearings and

ask secret-keepers, "What did you know and when did you know it?" The first decade A.D. (After Disclosure) will be like a high-tech 1960s, spawning massive cultural and societal change. Abductees will file a class-action suit against the government for withholding critical information. All the textbooks on planet Earth--from history to science--will need an immediate review. Whether disclosure leads to social panic or ushers in a new era of unity and peace, it will undoubtedly be a game-changing event.

*Dark Fleet* - Len Kasten 2020-03-10

Reveals the Nazi-Reptilian infiltration of the U.S. government, their secret space program, and their slave colonies throughout the solar system

- Details "Operation Paperclip," which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA
- Reveals their interstellar space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology, antigravity propulsion, mass

mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through “Operation Paperclip,” the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar

system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system.

The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

**Secret Life** - David M. Jacobs 1993-04-16  
In *Secret Life*, Professor David M. Jacobs of Temple University takes us into the private world of those abducted by aliens, letting them describe in their own words what it is like to be abducted. Based on interviews with sixty individuals and more than 300 independently corroborated accounts, *Secret Life* presents the most complete and accurate picture of alien abductions ever compiled. Dr. Jacobs takes the reader on a minute-by-minute journey through a typical abduction experience and describes in detail the bizarre physical, mental and reproductive procedures that abductees claim have been administered by small alien beings. Jacobs draws from these interviews a profoundly unsettling reason behind the abductions: aliens

are conducting a complex reproductive experiment involving the conception, gestation, or incubation of human and alien hybrid beings.

The true nature of what actually crashed in Roswell, New Mexico, in 1947 remains classified. Only a select few have ever had access to the truth about what became known as Area 51. But

what happened to the remnants of that crash is shrouded in even greater mystery. What began in the high desert of New Mexico ended at Wright-Patterson, an ultra top-secret Air Force base in Dayton, Ohio. The physical evidence of extraterrestrial visitation was buried deep within this nuclear stronghold. How tragic that such seismic news should be kept from the people of the world...pieces of history, now quickly dwindling into oblivion as the last of the secret-keepers passes on. In spite of its rich history of military service to our nation, Wright-Patterson also stands as the secret tomb of one of the greatest occurrences in recorded history. But be prepared...the real Area 51--Wright-Patterson's vault--is about to be opened.

**Galactic Diplomacy: Getting to Yes with Et** -  
Dr Michael E. Salla 2013-04

This book introduces first hand witness and whistleblower testimonies revealing that the USA, Britain, Russia and other major national governments have been secretly conducting, or

known about, diplomatic relations with different extraterrestrial civilizations since at least 1952. Galactic diplomacy (aka 'exodiplomacy') with extraterrestrial visitors began with discussions over the development of thermonuclear weapons, the first of which was detonated by the Truman administration in November, 1952. Diplomatic discussions then expanded to include issues such as technology development, alien bases, extraterrestrials living on Earth, human rights, and use of earth resources. In frustration over lack of government transparency with their citizens, some extraterrestrials began contacting private citizens to inform them of the true nature of alien activities on Earth, and relations with governments. The reader will be introduced to the basic principles of international diplomacy and how these apply to different extraterrestrial civilizations visiting Earth. Those desiring to expose secret government activity in diplomatic relations with extraterrestrial life, will be given the necessary information to hold responsible

government, military and corporate officials accountable for past policies; and to ensure government transparency in the future. Alternatively, those desiring to become active in citizen diplomacy initiatives, will be given essential information for discerning the motivations and activities of visiting extraterrestrial civilizations. This is indispensable for practicing a citizen based form of galactic diplomacy. This book prepares readers for the grandest adventure of all - the journey to galactic citizenship!

**Sekret Machines Book 1: Chasing Shadows** - Tom DeLonge 2016-04-05

For those who know... that something is going on... The witnesses are legion, scattered across the world and dotted through history, people who

looked up and saw something impossible lighting up the night sky. What those objects were, where they came from, and who—or what—might be inside them is the subject of fierce debate and equally fierce mockery, so that most who glimpsed them came to wish they hadn't. Most, but not everyone. Among those who know what they've seen, and—like the toll of a bell that can't be unring—are forever changed by it, are a pilot, an heiress, a journalist, and a prisoner of war. From the waning days of the 20th century's final great war to the fraught fields of Afghanistan to the otherworldly secrets hidden amid Nevada's dusty neverlands—the truth that is out there will propel each of them into a labyrinth of otherworldly technology and the competing aims of those who might seek to prevent—or harness—these beings of unfathomable power. Because, as it turns out, we are not the only ones who can invent and build...and destroy. Featuring actual events and other truths drawn from sources within the

military and intelligence community, Tom DeLonge and A.J. Hartley offer a tale at once terrifying, fantastical, and perhaps all too real. Though it is, of course, a work of... fiction?

**What Do They Really Know?** - M S Morgan  
2020-11-22

M S Morgan a retired British Police Senior Investigating Officer, investigates the available evidence of UFO sightings by the RAF and USAF in the UK from 1950 to the present day. Drawing on 30 years experience as a senior detective having investigated murders and other serious crime, M S Morgan also has a wealth of knowledge about the RAF; having aimed to become a pilot before joining the police. He carefully scrutinises the evidence asking questions, not only about the facts, but the military response and enquiries they carried out or should have carried out. He raises some intriguing questions. Many people have written books and have been dismissive and skeptical, while others are firm 'believers'. M S Morgan

does not fit with either category, but his findings do raise concerns. Some of the reviews this book has received from readers: "Brilliant, thorough and thought provoking", "The bible for UFO investigators by a master investigator" & "Refreshingly honest investigations, a true professional". Review from Graeme Rendell for Shadows of your mind magazine: Morgan is a former Senior Investigating Officer who has thirty years of experience in solving murders and other serious crimes. Before joining the force, he had dreams of becoming a pilot and whilst never being able to accomplish this, retained an interest in aviation and the RAF. His knowledge of approaching investigations and post-war British military aircraft operations has been used to good effect in this book, which looks at over thirty separate UFO-related encounters involving RAF or NATO aircraft in British airspace, or British Overseas Territories. In addition to simply recounting these incidents, the author sums each case up by presenting his own verdict, based on

UK Civil Law's "Balance of Probabilities". Some are "Proven", others "Not Proven", and there are still more that he suggests do not have enough detail to allow him to reach a decision. Morgan also provides his reasoning for each decision, in some cases taking a page or more to do so. The author has endeavoured to treat the cases as though they were possible criminal acts, ones that he would have been called upon to investigate as a police officer. The telling of each incident is therefore treated along the lines of a case file. Cases are well structured in terms of their timelines, laying out the evidence where it exists, providing witness testimony, supporting information and then reaching a conclusion - or not, as the case may be. The National Archive file references are given where possible to assist readers in their own research. In addition, Morgan also devotes brief chapters to the Condign Report, DI55, UK Civil Air Authority "Airprox" near-misses with possible UFOs and the UK Government's reaction to the infamous

Rendlesham Forest case of December 1980. There is plenty in this book to sink one's teeth into. A wealth of information on post-war British cases involving military aircraft and personnel awaits, with some of the cases being relatively obscure and little reported elsewhere. Others are more well-known, but I found details and insights that I had not gained from other books. Morgan does not come across as a "true believer", but simply someone who wants to get to the truth of the matter. The addition of a professional investigator's verdict for each case is novel and it was interesting to see whether my own assessments of the incidents agreed with the author's. The book is well-written and does not suffer from obvious typos or other grammar defects. If one is looking for faults, they will not find any, although the lack of supporting images or copies of documents may be a slight issue for some. I had no problem with this and enjoyed reading the book. It is a worthy addition to the shelves of someone interested in British UFO

cases.

The US Navy's Secret Space Program and Nordic Extraterrestrial Alliance - Michael Salla

2017-02-28

The Los Angeles Air Raid on February 24/25, 1942 opened an unprecedented chapter in the evolution of the U.S. Navy. In response to this incident, a covert research program to investigate the feasibility of exotic antigravity propulsion technologies was developed. In addition, Navy operatives were embedded in Nazi occupied Europe to learn about the Germans' advanced flying saucer programs, and they discovered the Nazis were receiving assistance from two extraterrestrial groups with very different agendas. The debriefing of the operatives took place at Naval Air Station, San Diego, led by Rear Admiral Rico Botta. He instructed a -Disseminator of Naval Research and Information-, William Tompkins, to take confidential briefing packets to select think tanks, corporations and university departments around the country. Later, Tompkins worked with

a number of leading aerospace companies to design massive spacecraft for a secret U.S. Navy space program, and was fatefully assisted by extraterrestrial visitors described as -Nordics-. An extensive number of documents substantiate Tompkins' claims of the existence of a covert Navy program created to study, design and build deep space battle groups. They became operational in the 1980's. Now the Navy has a new goal to enact a plan to level the universal playing field, and the election of President Donald Trump may just be the wild card they needed to reveal ... everything!

Le continent antarctique est sur le point de révéler ses secrets les mieux gardés et ses mystères les plus anciens... En 1955, à la suite d'un accord secret conclu entre l'administration Eisenhower et un groupe dissident allemand, basé en Antarctique, un programme spatial

transnational commença à voir le jour. Grâce à l'apport de personnel et de ressources originaires d'entreprises américaines œuvrant dans le domaine de la défense, ce programme spatial transnational se développa rapidement en Antarctique pour donner naissance à une puissance spatiale majeure, qui, ultimement, parvint à éclipser les programmes spatiaux secrets développés par la Marine et les Forces aériennes des États-Unis ainsi que par d'autres nations. Selon de nombreux lanceurs d'alerte, la plupart de ces programmes classifiés, développés en Antarctique, violent l'esprit et la lettre du traité sur l'Antarctique, entré en vigueur le 23 juin 1961, et constituent un véritable « crime contre l'humanité ». Michael Salla, Ph. D., qui a eu le courage de révéler l'identité des principales entreprises impliquées dans le développement de ces programmes illégaux, a également expliqué comment la vérité était sciemment dissimulée aux actionnaires de ces entreprises et au grand public. Aujourd'hui, en

raison de l'activité volcanique croissante qui entraîne la fonte de la calotte glaciaire, les secrets les mieux gardés de l'Antarctique sont peu à peu révélés, exposant ainsi d'anciens artefacts et des vestiges d'engins spatiaux d'origine extraterrestre qui se sont écrasés au sol. Sachant que la fonte de la calotte glaciaire révélera bientôt ce qui était jusqu'alors caché, une divulgation complète de l'histoire de l'Antarctique et des événements qui s'y déroulent actuellement – soit le développement de nombreux programmes spatiaux sous l'égide d'entreprises transnationales – permettrait de transformer radicalement le devenir de notre planète, certainement en termes technologiques et historiques, mais aussi en révélant les manipulations du « deep state », le gouvernement derrière les gouvernements. *Exoconsciousness* - Rebecca Hardcastle PhD 2008-12-27  
Exoconsciousness: Your 21st Century Mind invites readers to advance their consciousness

beyond earthly pursuits, beckoning them toward an extraterrestrial identity. Where the mind travels, the body and emotions follow, the author, Rebecca Hardcastle, says. In the 1950s, space exploration prompted many people to contemplate the possibility that humans might well have extraterrestrial origins. From this launching point, Hardcastle conceived Exoconsciousness to describe the extraterrestrial origins, dimensions and abilities of human consciousness. In a short span of fifty years of space exploration, humans are now searching for answers to questions that previously they dared not contemplate, Hardcastle writes. Many questions are obvious, even urgent. Did humans originate off-planet? Are we a seeded race? Who, what and where are our legacies? With whom and how we are connected? Exoconsciousness answers these questions and many more. Hardcastle broadens the definition of consciousness, integrating personal anecdotes and testimony with contemporary brain research.

She asks whether the human brain is balancing to become an extraterrestrial-like unified mind. Exoconsciousness is a heightened physical experience. It demands being fully present in the body, on a cellular, DNA and quantum level, in order to transform quickly and easily. Throughout the book, Hardcastle provides easy-to-use exercises to enhance readers exoconsciousness, as well as an extensive glossary for readers to formulate a new vocabulary. Expand your cosmic awareness with this thought-provoking new guide.

Many think the government is about to disclose what it knows about UFOs. Many think the government is doing everything in its power to keep the UFO reality a secret. The truth is those who control the UFO secret are doing neither. The secret keepers are gradually disclosing this information, via an acclimatization process, based on advice given by military think tanks that have looked at the issue. Through the extraordinary accounts in this book, the reader will: -Learn how long the disclosure effort has been going on and how this secrecy plan has been carried out. -Get a revelation of the 14 magicians in charge of this secrecy. - Find out who the 5 Messiahs are, the ones chosen to carry out the disclosure message. - Learn the 64 reasons that led United States presidents to keep the UFO information secret. - Discover what WikiLeaks has revealed about UFOs. - Learn of the latest disclosure effort by rocker Tom DeLonge. -Become aware of a US president that

was abducted. - Understand the story of "Trump the Aliens." - Gain insight on Trump's UFO briefing. - Learn about the eight possible disclosure efforts being run at the present time including the disclosure of a portal.

### **Inside the Secret Space Programs** - Herbert Dorsey 2017-02-15

"Inside the Secret Space Programs" is a continuation of two previous works by the Author, Herbert G. Dorsey III - "Secret Science and the Secret Space Program," and "The Covert Colonization of Our Solar System." The previous two books, document the progress of antigravity propulsion, from the German Vrill Society and their Jensietsfugmaschine [otherworld flying machine], in 1923 and Thomas Townsend Brown's experiments with gravitators at about the same time, to the present black projects inside companies like Lockheed Martin, Northrup Grumman, Boeing Aerospace, and North American, which create antigravity craft for the Air Force, Navy and some private corporations

like the secretive Interplanetary Corporate Conglomerate (ICC). As more information becomes available from persons, like Corey Goode, William Tompkins, and Tony Rodrigues and others who worked in the secret space programs is revealed, a better picture of what goes on inside these programs is made possible. Sufficient new information has been revealed to warrant a new book on the subject. And remarkably, the new information, not only to a large degree, reinforces the information revealed in the previous two books, but also adds important information on subjects like where these kilometers long space craft are being built on this planet and how is it being financed. If you are interested in learning more about is really going on out in space, the covert colonizing, militarization, manufacturing and mining of Mars, other planets, moons and asteroids in our Solar system and even in other star systems, or you are curious about the technology used and how it works, this would be an excellent book to study.

**A Gift From The Stars** - Elena Danaan  
2020-09-03

This is the true story of an abduction and a rescue by benevolent extraterrestrials, various direct contacts Elena Danaan had throughout the years with UFOs and visitors from other worlds. This book includes as well an illustrated descriptive of 110 different alien races involved with our planet, detailed information about groups and alliances in this galaxy and precious information, as well as a map of the sky with locations of alien life. This book contains also beautiful messages of hope for humanity. This book has been expected for a long time. It brings support and understanding to all those who have been through the ordeal of alien abduction, answering many questions. Born in France, Elena Danaan graduated in Fine Arts in Paris and completed a Post-Grad in Archaeology at the Louvre University. She worked as field Archaeologist twenty years of her life, among which eight years in Egypt as an engineer

epigraphist for the CNRS (Karnak, Luxor, Cairo, Dendera and Valley of the Kings) before returning to France, assigned to the University of Toulouse. Completing studies in Druidry, Shamanism, energy and sound healing, she is actually working as a spiritual practitioner.

**Selected by Extraterrestrials** - William Mills Tompkins 2015-12-09

Bill Tompkins was embedded in the world of secrecy as a teenager, when the Navy took his personal ship models out of a Hollywood department store because they showed the classified locations of the radars and gun emplacements. He was personally present at the "Battle of L.A." when a thousand rounds of ammo were fired at UFOs, and one of the Nordic craft may have selected him to be their rep in the evolving aerospace race. This book is a partial autobiography about his life to the beginning of the 1970s including some of his early work for TRW. Selected by the Navy prior to completing high school to be authorized for research work,

he regularly visited classified Naval facilities during WWII until he was discharged in 1946. After working at North American Aviation and Northrop, he was hired by Douglas Aircraft Company in 1950, and when they found out about his involvement in classified work, he was given a job to create design solutions as a draftsman with a peripheral assignment to work in a "think tank". This work was partly controlled by the Navy personnel who used to work for James Forrestal, who was allegedly assassinated because he was going to publicly reveal what he knew about UFOs. Bill Tompkins was asked to conceive sketches of mile-long Naval interplanetary craft designs. Later, as he became involved in the conventional aspects of the Saturn Program that later became the Apollo launch vehicle, his insight to system engineering resulted in his offering some critical suggestions personally to Dr. Wernher von Braun about ensuring more reliable checkout using the missiles in their vertical position and also some

very efficient launch control concepts adopted by both NASA and the Air Force. This story is peppered with very personal interactions with his co-workers and secretaries, some of whom the author believes to be Nordic aliens helping the "good guys" here on Earth. Towards the end of this volume of his autobiography, he sketches what he personally saw on TV when Armstrong was landing on the moon. Born in May 1923 but passing in October 2017, Bill Tompkins was one of the few survivors of the "big war", married to the same girl Mary, and was willing to tell his story about what he really did during his aerospace life in the 40s, 50s and 60s that relate

to aliens, NASA and secrets that now can be told. This recent printing adds captions to the figures, making them self-explanatory, and includes an index. "Selected by Extraterrestrials, Volume 2" is now available and includes Bill Tompkins later and other memories beyond the scope of this volume.
