**Cost Accounting, 16e** - Horngren

Cost accounting provides key data to managers for planning and controlling, as well as costing products, services, even customers. Cost Accounting, 16e focuses on how this discipline would help managers make better decisions, as cost accountants are increasingly becoming integral members of company's decision-making teams. In order to emphasize this prominence in decision making, the authors have used the 'different costs for different purposes' theme throughout this book. By focusing on basic concepts, analyses, uses and procedures instead of procedures alone, they have recognized cost accounting as a managerial tool for business strategy and Horngren's Cost Accounting - Srikant M. Datar 2018 Horngren's Cost Accounting defines the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasizes the basic theme of "different costs for different purposes," and reaches beyond cost accounting procedures to consider concepts, analyses, and management. The 16th Edition incorporates the latest research and most up-to-date thinking into all relevant chapters, so that readers are prepared for the rewards and challenges they will face in the professional cost accounting world of today and tomorrow.

Horngren's Accounting, The Managerial Chapters - Tracie L. Miller-Nobles 2015-09-17

Readers looking for a dynamic way to learn accounting.

Redefining tradition in the accounting course. The tenth edition of Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. Built upon the foundation of the Horngren franchise, this new edition was created by an all-new author team who sought to bridge the gap between textbook content and classroom instruction techniques. New pedagogical features such as Instructor Tips & Tricks and Common Questions, Answered walk students through the material as a great instructor would, fostering deeper understanding of accounting theory and practice. The table of contents for the tenth edition has been significantly overhauled to match the way the contemporary course is often taught.

Additionally, the whole text has been put through a rigorous accuracy check, so instructors can be confident that it is up-to-date and error-free. And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away-and provides a truly interactive learning experience.
