Closing of the American Mind - Allan Bloom 2008-06-30
The brilliant, controversial, bestselling critique of American culture that “hits with the approximate force and effect of electroshock therapy” (The New York Times)—now featuring a new afterword by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that “hits with the approximate force and effect of electroshock therapy” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused such a furor at

publication and why our culture so deeply resists its truths today.

Active Reviewing - Bogdan Vaida

If you want to help people learn from activities, exercises or experiences, this book is for you. This book fills a gap; it is the gap between doing an activity and learning from it. Plenty of books describe activities that are good for icebreaking, for team-building, for project management or for cross-cultural understanding, etc. A few of these books do give advice about reviewing (or debriefing) the activities, and 90% of the times it reads: “Here are some questions you can ask ...”. How’s that for boring and/or limiting? The result of such advice is that reviews are often dull and they dwell on what went wrong. When reading, they give off a feeling of discomfort. But why is that? Well, one of the reasons is because the same people speak up all the time. And that bores and might even annoy the rest of the participants. Thus, reviewing gets a bad name and

people just want the review to finish as quickly as possible so that they can get on with the next activity. This is a rare book for two reasons: It is about reviewing (How many books have you come across on this subject?) It is about reviewing actively. (Which makes it not just rare, but unique.) With the help of this book, you can make reviews at least as engaging as the activities you are reviewing. No more discomfort. No more unwanted silences. No more superficial reviews. Just engaging and practical ways to help people learn from experience! How does that sound for a change?

A Kingdom Divided - Alex Rutherford 2011-07-05

Already an international bestseller, *A Kingdom Divided* continues the epic story of the Moghuls, one of the most magnificent and violent dynasties in world history. India, 1530. Humayun, the newly crowned second Moghul emperor, is a fortunate man. His father, Babur, has left him wealth, glory, and an empire that stretches a thousand miles south of the Khyber Pass; he must now build on his legacy, and make the Moghuls worthy of their legendary forebear, Tamburlaine. But, unbeknownst to him, Humayun is already in grave danger. His half brothers are plotting against him; they doubt that he has the strength, the will, the brutality needed to command the Moghul armies and lead them to still-greater glories. Soon Humayun will be locked in a terrible battle: not only for his crown, not only for his life, but for the existence of the very empire itself.

Courage - Debbie Ford 2012-04-24

From Debbie Ford, the author whose inspiring words have helped millions of readers, *Courage* has the power to change your life. A tried-and-tested, process-driven approach to conquering our fears, accepting our flaws, and tapping into our potential, *Courage* will help

readers discover the confidence they need to accomplish anything. In this personal and powerful guide to self-actualization, Ford uses the years of wisdom she has accumulated as a spiritual teacher and personal growth coach to deliver an indispensable tool for anyone eager to become their own best self—a perfect fit for readers of Deepak Chopra, Wayne Dyer, and Judith Orloff, for new readers of Debbie Ford, and for longtime fans of her national bestselling books *The 21-Day Consciousness Cleanse*, *The Dark Side of the Light Chasers*, *The Secret of the Shadow*, and more.

Confidence - Barbara De Angelis, Ph.D. 2005-11-01

In *Confidence: Finding It and Living It*, best-selling author/lecturer Barbara De Angelis, Ph.D., offers a life-changing explanation of what true confidence really is, and shares practical tools for creating more power and passion in your work and relationships.

Teaching Children to Care - Ruth Charney 2002-03-01

"Ruth Charney gives teachers help on things that really matter. She wants children to learn how to care for themselves, their fellow students, their environment, and their work. Her book is loaded with practical wisdom. Using Charney's positive approach to classroom management will make the whole school day go better." - Nel Noddings, Professor Emeritus, Stanford University, and author of *Caring* This definitive work about classroom management will show teachers how to turn their vision of respectful, friendly, academically rigorous classrooms into reality. The new edition includes: More information on teaching middle-school students Additional strategies for helping children with challenging behavior Updated stories and examples from real classrooms. "Teaching Children to Care offers educators a practical guide to one of the most effective

social and emotional learning programs I know of. The Responsive Classroom approach creates an ideal environment for learning—a pioneering program every teacher should know about." - Daniel Goleman, Author of Emotional Intelligence "I spent one whole summer reading Teaching Children to Care. It was like a rebirth for me. This book helped direct my professional development. After reading it, I had a path to follow. I now look forward to rereading this book each August to refresh and reinforce my ability to effectively manage a social curriculum in my classroom." - Gail Zimmerman, second-grade teacher, Jackson Mann Elementary School, Boston, MA

The Best Year of Your Life - Debbie Ford 2004-12-28
Offers advice on strategies for turning insight into action, proposing specific ways to achieve personal goals through taking action and living a desired life.

The Death of Expertise - Tom Nichols 2017-02-01
Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' *The Death of Expertise* shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher education, and the transformation of the news industry

into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017 breakout hit, the paperback edition of *The Death of Expertise* provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election. Judging from events on the ground since it first published, *The Death of Expertise* issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.

Your Holiness - Debbie Ford 2018-03-06
On the fifth anniversary of her death and written during Debbie Ford's long battle with cancer, *Your Holiness* is a thoughtful and poignant exploration of the godliness that resides in all of us. The extraordinary way in which the manuscript to this book was found sets the foundation for its incredible message: medium James Van Praagh received a message from Debbie Ford's spirit telling him that she had an unpublished manuscript saved on her computer. James passed on the news to Debbie's sister, Arielle Ford, who found the manuscript exactly where it was said to be. Infused with Debbie's trademark frank honesty and keen insight, *Your Holiness* is a blueprint for recognizing and accepting our latent spirituality. Debbie combines motivational prayers with deeply personal stories about her own spiritual journey - how she struggled and eventually found her internal

faith - and translates her experience into a practical path for transformation. Engaging and accessible, clear and unwavering, philosophical yet practical, Your Holiness is a gift to the soul that both guides and nourishes. At a time when so much in our world feels uncertain and suffering is widespread and persistent, Debbie's voice is more essential than ever. Your Holiness grounds us in the here and now while delivering a timeless and empowering message of relentless love and strength.

Value in the Valley - Iyanla Vanzant 2002-05-23

"The most powerful spiritual healer, fixer, teacher on the planet." -Oprah Winfrey Is it the job you hate but need in order to pay the rent? Is it that relationship that you gave your all to only to end up with a broken heart...again? Perhaps it's your children, a family member or a lifelong friend doing you in, dragging you down, pushing you to the brink. If you are an honorary member of the Black Woman's Suffering Society, you have probably been told that it's all your fault. Or that struggling and suffering is your lot in life. Iyanla Vanzant says NO! Life is an Act of Faith and suffering is optional! Those everyday challenges, obstacles, and dilemmas are what Iyanla calls valleys. As bad as they may seem, there is a purpose or, as Iyanla says, "There is so much value in the valley." Valley experiences open your eyes to the things you know but have difficulty facing and accepting. Valleys challenge your fears, strengthen your will, correct your misperceptions, and give you valuable insights into yourself, the world, and the people around you. Those dark, bleak, ugly experiences that make you most uncomfortable can help you to grow. Valley experiences let you know it is time to do a new thing in a new way. You may grit your teeth

and dig in your heels, but, as you will see, that new thing can be daring, exciting, and even fun. If you learn your valley lessons well, you are bound to shake other people up too. Good! You need to display your brilliance and move into your own grace. You've got the power, and your thoughts, deeds, and actions are your ticket. When you muster up the strength to change how you do what you've been doing, you find the way out of the valley. As Iyanla says, "Valleys are not one-size-fits-all." In fact, they are custom-designed to teach you how to reach your highest potential -- to be divine, prosperous, and in alignment with your highest and greatest good. If you've ever been disappointed, betrayed, rejected, abandoned, or just plain old scared to let go, then you've been or may still be in a valley. Iyanla knows -- she's been there, and on a bad day she's still there, but now she shares with you the way out.

Chief Maker - Greg Layton 2017-09-13

This book is about much more than getting a executive-level promotion. It's about much more than being a high-impact Chief Executive Officer. It's about taking back control. It's about becoming the Chief Executive of your life. With the steps contained in this book you'll start to enjoy a more rewarding career and life.

The Self-Directed Learning Handbook - Maurice Gibbons 2003-02-17

The Self-Directed Learning Handbook offers teachers and principals an innovative program for customizing schooling to the learning needs of individual students-- and for motivating them to take increasing responsibility for deciding what and how they should learn. Whether the students are struggling or proficient, the program is designed to nurture their natural passion for learning and mastery, challenging

them to go beyond the easy and familiar so they can truly excel. The program can be introduced in stages in any middle or high school classroom and enables students of diverse abilities to design and pursue independent course work, special projects, or even artistic presentations, community field work or apprenticeships. Using this approach, the students take on an increasingly autonomous, self-directed role as they progress. The heart of the program is the action contract (or learning agreement) whereby the student sets challenging yet attainable goals, commits to a path for achieving them, and evaluates the results. Special emphasis is placed on developing skills and competencies that can serve the student well in his or her academic and career endeavors.

The Willpower Instinct - Kelly McGonigal 2013-12-31
Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," The Willpower Instinct is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, The Willpower Instinct explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: • Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. • Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. • Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower • Guilt and shame over your setbacks lead to

giving in again, but self-forgiveness and self-compassion boost self-control. • Giving up control is sometimes the only way to gain self-control. • Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models. In the groundbreaking tradition of Getting Things Done, The Willpower Instinct combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

Spiritual Divorce - Debbie Ford 2009-10-13
Could the end of your marriage be the first step toward reclaiming your personal power and joyfully living the life of your dreams? If the answer is yes, this book is for you. Divorce rocks the very foundation of our beings, leaving us feeling lonely, flawed, enraged, undesirable, hopeless, and empty. In Spiritual Divorce, New York Times bestselling author Debbie Ford reveals how this devastation can be transformed into a profoundly enlightening experience. This empowering guide shows how the collapse of a marriage is, at root, a spiritual wake-up call, an opportunity to liberate ourselves and reclaim our lives. The end of a relationship—no matter who ends it—is a damaging moment. Ford offers a clear program for turning ruin into renewal.

Going Farther - Vahen King 2016-03-29
This is a powerful story of one woman's journey through deep emotional, physical, and spiritual pain - one of inspiration and courage. Transverse myelitis almost took her life, her marriage and her faith in God, but get ready to experience the power and love of God, that

turns a litany of tragedies into miraculous triumph! You will laugh, cry, hope, and pray with Vahen as she meticulously weaves the story of God's love and grace into the fabric of her life. This is a story of courage and devotion that will inspire and challenge you to go farther.

The Shadow Effect - Deepak Chopra 2010-05-04

In this groundbreaking exploration, three New York Times bestselling authors—Debbie Ford (The Dark Side of the Light Chasers, Why Good People Do Bad Things), Marianne Williamson (The Age of Miracles, A Return to Love), and Deepak Chopra (Jesus: A Story of Enlightenment)—deliver a comprehensive and practical guide to harnessing the power of our dark side.

Why Good People Do Bad Things - Debbie Ford 2009-03-17

Discover a Life Filled with Passion, Meaning, and Purpose New York Times bestselling author Debbie Ford leads us into the heart of the duality that unknowingly operates within each one of us. Providing the tools to end self-sabotage, Ford ultimately knocks down the façade of the false self and shows us how to heal the split between light and dark and live the authentic life within our reach.

The Self Confidence Workbook - Celia Ampel 2018-10-23

Actively build self confidence in your everyday life with effective tools and strategies from The Self Confidence Workbook. Self confidence begins with knowing yourself. self confidence landmines like relationships, work, and health. With a goal-oriented approach, these proven strategies silence the self-critic within and guide you toward living your best life with confidence. Walk out on stage, ask for a raise, write a blog post, or ask someone out on a date. This self confidence workbook helps you achieve whatever you set your mind to, with: A 5-step program that begins with setting goals and uses evidence-based strategies to foster acceptance, mindfulness, self-compassion, etc. Interactive exercises that include reflections, checklists, and quizzes to foster self-confidence A guide to understanding self-confidence that defines what it means to be confident, and determines your level of self confidence as a starting reference Remember who you are, what you value, and gain self confidence in all areas of your life with The Self Confidence Workbook.

Courage - Debbie Ford 2014-04-08

From Debbie Ford, the author whose inspiring words have helped millions of readers, Courage has the power to change your life. A tried-and-tested, process-driven approach to conquering our fears, accepting our flaws, and tapping into our potential, Courage will help readers discover the confidence they need to accomplish anything. In this personal and powerful guide to self-actualization, Ford uses the years of wisdom she has accumulated as a spiritual teacher and personal growth coach to deliver an indispensable tool for anyone eager to become their own best self—a perfect fit for readers of Deepak Chopra, Wayne Dyer, and Judith Orloff, for new readers of Debbie Ford, and for longtime fans of her national bestselling books The 21-Day Consciousness Cleanse, The Dark Side of the Light Chasers, The Secret of the Shadow, and more.

The Dark Side of the Light Chasers - Deborah Ford
2010-11-02

The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

The Awakened Woman - Tererai Trent 2017-10-03

Winner of a 2017 NAACP Image Award for Outstanding Literary Work, this moving manifesto "empowers women to

access a fearlessness that will enable community progress" (Essence). Through one incredible woman's journey from a small Zimbabwe village to becoming one of the world's most recognizable voices in women's empowerment and education, this book "can help any woman achieve her full potential" (Kirkus Reviews). Before Tererai Trent landed on Oprah's stage as her "favorite guest of all time," she was a woman with a forgotten dream. As a young girl in a cattle-herding village in Zimbabwe, she dreamed of receiving an education but instead was married young and by eighteen, without a high school graduation, she was already a mother of three. Tererai encountered a visiting American woman who assured her that anything was possible, reawakening her sacred dream. Tererai planted her dreams deep in the earth and prayed they would grow. They did, and now not only has she earned her PhD but she has also built schools for girls in Zimbabwe, with funding from Oprah. *The Awakened Woman: A Guide for Remembering & Igniting Your Sacred Dreams* is her accessible, intimate, and evocative guide that teaches nine essential lessons to encourage all women to reexamine their dreams and uncover the power hidden within them—power that can recreate our world for the better. Tererai points out that there is a massive, untapped, global resource in women who have, for one reason or another, set aside their wisdom, their skills, and their dreams in order to take care of the personal business of their lives. Not only is this a type of invisible suffering experienced by countless women, this rich resource is a secret weapon for improving our world. Women have the capacity to inspire, to create, to transform—and Tererai's call to action "shines as a beacon of hope to women everywhere" (Danica McKellar, actress and New York Times

bestselling author).

Open Heart, Open Mind - Swami Chetanananda 2001-08

Stop listening to the voice of the ego—desire, ambition, greed, selfishness—and instead open your heart, realize your interrelatedness with the world, and surrender to the stillness that exists inside you. Decide what kind of person you want to be and how to arrive at a place of satisfaction and joy.

Awaken the Giant Within - BusinessNews Publishing 2011

The summary devotes one page to the subject of identity - how we see ourselves and how others see us. Our personal identity has a huge influence on our future actions, and this too is something that Robbins believes we have the power to choose and self-correct. The final section of the summary is entitled "A lesson in destiny". It invites us to take full advantage of our time on earth, living each day as if it were the last. It may sound cliché, but it's true. Replete with inspiring quotes by famous thinkers - from Marcus Aurelius to Benjamin Disraeli - this is an inspiring read which will empower you with the right attitude and actions to master your destiny.

I CAN DO IT (R) 2022 CALENDAR - 2021

Staring at the Sun - Irvin D. Yalom 2010-06-10

Written in Irv Yalom's inimitable story-telling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an "awakening experience"—a dream, or loss (the death of a loved one, divorce, loss of a job or home), illness, trauma, or

aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.

The Essential Wayne Dyer Collection - Wayne W. Dyer 2013

Collects three works that detail how intention allows creation, the search for what life is about, and stopping negative thoughts from preventing success.

InnerFitness - Nordine Zouareg 2021-01-26

The goal to improving one's life begins internally. By addressing the quality of your mental state—whether fear, doubt, anxiety, depression—you can achieve a positive self-worth and improve your quality of life. It all begins with you! All of us, at one point in our lives, have wondered if we are able to make the decisions or choices that will turn our lives around. Can I begin that work project I have been putting off? What about the diet that will help me lose weight and get healthy? Can I salvage the marriage that's ripping at the seams? What do I do after losing my job? The hardest part can be taking that first step toward such a goal, and the fear can be overpowering. That is the goal of InnerFitness. Former Mr. Universe, Nordine Zouareg, learned that while his outer self was chiseled out of stone, his inner self was crumbling. Rather than giving up, Nordine looked back on his life and actively reflected on the emotions that affected who he had become. From that point forward, his goal was not only to improve the quality of his life, but that of others. During such self-exploration, he noted five key issues to personal improvement. They are: self-worth trust tranquility body desire to fight By exposing these five

basic issues which hold us back, Nordine shows how to be empowered, have emotional clarity, and consistently choose freedom over fear, success over self-sabotage, confidence over insecurity, and courage over passivity. In essence, retraining your brain from "I'm not enough" to "I'm good enough." InnerFitness explains how to manage your inner voice—the one which tells us we're not good enough, that we cannot succeed. By taking such steps, like celebrating victories (large or small) and seeing failures only as temporary and instructional, you will be on a path to loving yourself for who you are...which is the first step to a happier life.

The Second Half of the Mountain - McCall Erickson
2017-12-11

What happens when you've done all you know how to do, the paved paths end, and you still feel like you're missing something? *The Second Half of the Mountain* offers a practical and magical approach to recognizing and working with the deeper and often-confusing inner processes that happen after awakening. In this guidebook, McCall Erickson combines bits of personal story with the timeless building blocks of alchemy to outline the journey for the awakened traveler through the dark nights of the soul and beyond, not as "the way," but as a guide to help you make your own way where it sometimes feels there is no way.

The Right Questions - Debbie Ford 2009-10-13
New York Times number-one bestselling author Debbie Ford presents revolutionary questions that, when answered with complete honesty, change the way we see ourselves and make decisions – ultimately moving us toward the life we desire. The realities of the life we live today are a result of the choices we made yesterday, three months ago and three years ago. But we don't wind up

\$50,000 dollars in debt because of one extravagant purchase. Nor do we put on 30 unwanted pounds as a result of a couple of decadent meals. And our relationships certainly don't fall apart overnight because of one decision. We are where we are because of repeated unconscious choices made day after day. If we want to understand why and how we created our present day reality, all we need to do is look at the choices we made in the past. Ford cuts right through our denial with the 10 questions that immediately reveal the true motivations behind our thoughts and actions. But more than that, by rigorously and honestly asking and answering these 10 vital questions, we regain control and have the power necessary to create the life we always wanted.

The Secret of the Shadow - Debbie Ford 2009-10-13
The #1 New York Times bestselling author shows how our most self-defeating thought can become blueprints for a fulfilling, rewarding life.

Uncovering Happiness - Elisha Goldstein 2016-12-06
Goldstein believes that overcoming depression and uncovering happiness is in harnessing our brain's own natural antidepressant power and ultimately creating a more resilient antidepressant brain. In seven simple steps, she shows you how to take back control of your mind, your mood, and your life --

Teaching at Its Best - Linda B. Nilson 2010-04-20
Teaching at Its Best This third edition of the bestselling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research

from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone veterans as well as novices will profit from reading Teaching at Its Best, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation." Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, McKeachie's Teaching Tips This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans!" L. Dee Fink, author, Creating Significant Learning Experiences This third edition of Teaching at Its Best is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions." Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, McKeachie's Teaching Tips

Make Your Mark - Margie Warrell 2017-04-10
Get unstuck and chart your best course towards your biggest life If you've ever wondered if there's more to

life than the one you're living, this book is for you. In 7 simple steps *Make Your Mark* will show you how to reset your compass to bring your boldest dreams into reality and make your own special mark on the world. Whether you want to get more enjoyment from the path you're on or completely over-haul your life, you'll learn valuable tools to map out a plan, achieve your biggest goals and overcome any challenge. Written with the realness and practical wisdom we've come to expect from bestselling author Margie Warrell, it combines insightful advice with powerful questions to help you dig beneath your deepest fears and enjoy more of what you've longed for – in your work, relationships and life. Of course, changing what hasn't been working in your life requires courage. Courage to take risks and trade the familiarity of the known for the possibilities of your future. If you're ready to get out of the stands and take full ownership of your life, then grab a pen and get ready to bring your bravest self forward to create your biggest life. Rediscover your passion and clarify the highest vision for your life Upgrade your mental maps and rewrite the stories holding you back Reclaim the power your fears have held over you, often unconsciously Recharge your motivation with daily rituals that amplify your strengths and bring out the best in those around you Your future is still unwritten. Taking time to *Make Your Mark* will arm you with the clarity, confidence, and courage you need to write a story you'll be forever proud to tell.

Turning Pro - Steven Pressfield 2012-06-27

The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your

mind." --Steven Pressfield TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. WHAT WE GET WHEN WE TURN PRO. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

Selfish: Permission to Pause, Live, Love and Laugh Your Way to Joy - Naketa Ren Thigpen 2019-06-22

In Selfish, Naketa Ren Thigpen guides you along her journey, and shares how you can move from breakdown to breakthrough. After reading this book, you will: Change the conversation. Redefine the terms used to make so many women play small, give life to your biggest dream, and create your joy! End 'over-giving'. Quit spreading yourself too thin, and focus on the relationships that really matter. Stop believing in false narratives that hold you back, diminish intimacy, and keep you stuck in survival mode. Break free from the pattern? Re-script disruptive cycles of unhealthy, toxic and energy draining 'situationships' that bind your brilliance. Selfish isn't a license to be insensitive, egoistic nor inhumane. It's a movement that gives you permission to pause, live, love and laugh through your pain. You'll gain access to hope, healing, and triumph. Shatter the cycles of shame and guilt that are keeping

you from the life you deserve.

The 5AM Club - Robin Sharma 2018-12-04

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Getting in the Gap - Dr. Wayne W. Dyer 2021-08-10

Why Meditate? The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available—but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung, who said that one of the main functions of formalized religion is to protect people against a direct experience of God." (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?"

The Dark Side of the Light Chasers - Deborah Ford
2010-11-02

The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of

characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

The Village Blacksmith - Henry Wadsworth Longfellow
2020-05-12

A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening,

takes a well-deserved rest. Longfellow's timeless poem is enhanced by G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.

The 21-Day Consciousness Cleanse - Debbie Ford

2010-12-28

Let Go of the Past, Live in the Present, and Discover the Future You Always Wanted In her most practical and prescriptive book to date, bestselling author Debbie Ford delivers a three-part process that empowers us to let go of toxic thoughts and destructive behaviors and discover the deep peace that resides within.
