*I Am Not Afraid* - Robert H. Bennett 2013  
While Africa and Madagascar seem like strange and faraway places, the world in which we now live has become much smaller than many of us could ever have imagined. Moreover, even our neighbors visit the

local fortuneteller, read the horoscope page in the newspaper, and attend services that seek to reach departed friends, lovers, and family members. Consequently, as we begin a journey into faraway places, we may soon find they are not as far away as we may have expected. from Chapter 3 I Am Not Afraid is Rev. Dr. Robert Bennett's fascinating first-hand account of the spiritual warfare found within the Lutheran Church of Madagascar. Is spiritual warfare something new to the Church? Bennett reviews what the Bible, Church Fathers, and contemporary Lutheran leaders have to say. Part One includes recent conversations dealing with spiritual warfare, an introduction into the Malagasy Lutheran Church, and the traditional Malagasy worldview. These are the stories of those who have been rescued from the darkness of sin and brought into the light of the Gospel. Part Two looks to the Bible and the Church for explanation and historical perspective on the spiritual warfare found in the

Malagasy Lutheran Church. Is it something only found in the time of Jesus and the apostles? What has the Church said in the past about such activities? Bennett explores the views of Martin Luther and other Lutheran leaders, and finally provides some helpful contemporary material and resources for dealing with spiritual warfare in today's context. Includes a glossary of key terms, transcripts of personal interviews, bibliography, Scripture index, and subject index.

**Be Still and Know** - Deb Burma 2021-06-08

and *Know*, unpack the promises found in Psalm 46 that are fulfilled in Christ. The first session looks at Psalm 46 in detail and examines storms of life. Then, in the following seven sessions, study narratives from the Gospels as Jesus meets various women who are experiencing their own storms and explore the perspective of each woman as He provides refuge, strength, help, and hope. Looking to the biblical and cultural contexts will allow you to better grasp the depth of Christ's care, purpose, and attention to every need. **Afraid** - Robert H. Bennett

2016

A fascinating and unnerving book, *Afraid* is a must-read that equips all Christians to recognize the devil's influence in our society and to act on it. Robert Bennett describes real events and actual confessions people have shared with him of demonic encounters-in America, in our modern age. Summoning demons, interacting with "ghosts" and holding séances led to what many may call horrifying hallucinations and even schizophrenia. But for many Americans, these things are their spirituality. How can we break free from the despair and crushing fear that such encounters can bring? How do we come to the aid of our neighbors who are lost in Satan's deceptions? Bennett points us to the only way out: God's grace and the medicines He gives to His people. Book jacket.

The Essential Guide to Pharmacy Residency Research - Yardlee S. Kauffman 2020

"The purpose of this work is to provide Post Graduate Year 1 (PGY1) and Post Graduate Year 2 (PGY2) pharmacy residents with an elementary introduction to the research process and overview of steps that should be considered when initiating a research project. For pharmacy residents, conducting a research project from start to finish is mandatory for ASHP's residency accreditation standards. For many pharmacy residents, especially those in their first year of postgraduate training, research presents a number of daunting hurdles- how to find and evaluate research opportunities, study design, appropriate statistical analysis, and the IRB are all outside the typical pharmacist's comfort zone. Additionally, residency programs vary nationally with respect to providing support to residents throughout the stages of the research process. This book will be a primer that pharmacy residents can turn to when they need to know how to design, start, and complete a research project successfully. By

providing clear steps and even tools that can be adapted for the reader's needs, this book will remove the mystique around research and biostatistical analysis, making it accessible to all"--

*Without Flesh* - Jonathan Fisk  
2020-02

Have the times really changed?

Is the Church actually dying?

Are we truly in danger of being

subsumed beneath a new,

ominous culture of evil? Or is

the only real change the fact

that we have convinced

ourselves that times have

changed? It is no secret that

Christianity has been ceding

ground to secular worldliness

and exotic spiritualities for

years. The front lines of the

battle waged against the

present darkness have

experienced retreat after

retreat, each time with people

wagging their heads and

saying, "If only we can rethink

our strategies for mission, we

can turn this tide and win the

lost for Jesus." But for all our

"rethinking," we haven't

"rethought" nearly so much as

it might seem. Perhaps the real

out-of-the-box thinking we need

is not out-of-the-box at all, but

inside it. In *Without Flesh*,

Jonathan Fisk proposes that we

don't need something new.

Instead, he writes that we need something old-very, very old. Like...the most important words Jesus ever said. Fisk's solution is more simple than we may think. Maybe the only problem is that we just don't want to believe it's true. "Do this," He said. -- Back Cover.

Hergenrader 2016

Commandments do for you? Do they send you on a guilt trip?

Are they a mirror of your frailties? Or do they hold life-

need to live in relationship with Go and with one another. This

book about the

Commandments tells the story of spiritual transformation,

shows how God wants us to love better, and helps us see

how we can. These forty short

chapters are shards of real, gritty life. Readers will see themselves. They will see how pride, insecurity, grudges, and coveting damage relationships. Why Should I Trust the Bible? -

A. Trevor Sutton 2016

Claim: The Bible is merely a mythological story similar to Homers Odyssey.
