Criminal Justice in Action - Larry K. Gaines 2001

The first introduction to criminal justice book developed from the ground up according to professor and student needs. This core version offers all of the benefits of the larger CRIMINAL JUSTICE IN ACTION (copyright 2000), but is a manageable 400-page paperback book with an attractive price. Using feedback from over 100 reviewers and over 400 survey respondents, Gaines/Kaune/Miller have written a book that provides everything the introductory level student needs to know using a framework of up-to-the-minute examples of policy and applications from today's news. Offering cutting-edge research combined with accessible

discussions of theory, this text creates a foundation for the student without being overwhelming. With a special focus on careers, the text helps student make informed decisions about issues within the criminal justice system as well as make informed career choices.

Criminal Justice in Action - the Core + Mindtap Criminal Justice, 1 Term 6 Months Printed Access Card - 2019

Money, Banking, and Financial Markets - Roger LeRoy Miller 2004

This text strives to bring money and banking up-to-date by providing complete, integrated coverage of topics that are important to the twenty-first century world of money and banking. While covering the myriad topics appropriate for a money and banking course, the book is the first in the field to fully integrate coverage of international financial markets and the global economy from the outset. It also gives considerable attention to the ways in which new technologies are affecting the practice of banking, the nature of money, and the tasks of policymakers, and is the first and only text on the market to offer a fully-integrated program of accompanying online resources and multimedia tools that enhance a

student's study of money and banking.

Criminal Justice Policy - Stacy L. Mallicoat 2013-10-15

Criminal Justice Policy provides a thematic overview of criminal justice policy and its relationship to the American criminal justice system. Scholars, practitioners, and politicians continually debate the value of these policies in their evaluations of the current system. As the nature of this subject involves a host of issues (including politics, public sentiment, research, and practice), the authors expertly highlight these concerns on criminal justice policy and address the implications for the overall system and society at large. This text is organized into three parts: Foundations of criminal justice policy focuses on the role of politics, best practices, and street level bureaucracy in criminal justice policy. Criminal justice policy in action provides an analysis of fifteen different policy issues in criminal justice, such as immigration, drugs, mental health and capital punishment. Each section begins with a basic summary of the policy, accompanied by a brief synopsis of the framing issues. This brief, but informative summary, draws students' attention to essential concepts and

ideas, provides a roadmap for what they can expect to learn, and ensures continuity throughout the text. The text concludes with a discussion about the future directions of criminal justice policy.
