Why Evolution is True - Jerry A. Coyne 2010-01-14

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. *Why Evolution is True* weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of

evolution.

The incredible new book in Louise Penny's #1 bestselling Chief Inspector Gamache series. When Chief Inspector Armand Gamache is asked to provide crowd control at a statistics lecture given at the Université de l'Estrie in Quebec, he is dubious. Why ask the head of homicide to provide security for what sounds like a minor, even mundane lecture? But dangerous ideas about who deserves to live in order for society to thrive are rapidly gaining popularity, fuelled by the research of the eminent Professor Abigail Robinson. Yet for every person seduced by her theories there is another who is horrified by them. When a murder is committed days after the lecture, it's clear that within crowds can lie madness. To uncover the truth, Gamache must put his own feelings about the divisive Professor to one side. But with her ideas gaining ground, the line separating good

Bury Your Dead - Louise Penny 2011-08-02

It is Winter Carnival in Quebec City, bitterly cold and surpassingly beautiful. Chief Inspector Armand Gamache has come not to join the revels but to recover from an investigation gone hauntingly wrong. But violent death is inescapable, even in the apparent sanctuary of the Literary and Historical Society-- where an obsessive historian's quest for the remains of the founder of Quebec, Samuel de Champlain, ends in murder. Could a secret buried with Champlain for nearly 400 years be so dreadful that someone would kill to protect it? Although he is supposed to be on leave, Gamache cannot walk away from a crime that threatens to ignite long-smoldering tensions between the English and the French. Meanwhile, he is receiving disquieting letters from the village of

Three Pines, where beloved Bistro owner Olivier was recently convicted of murder. "It doesn't make sense," Olivier's partner writes every day. "He didn't do it, you know." As past and present collide in this astonishing novel, Gamache must relive the terrible event of his own past before he can bury his dead.

Kingdom of the Blind, the new Chief Inspector Gamache novel from the #1 New York Times bestselling author.

When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a

body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

A Good Day for Chardonnay - Darynda Jones 2021-07-27

From the New York Times bestselling author Darynda Jones comes the second novel in her laugh-out-loud Sunshine Vicram mystery series, A Good Day for Chardonnay. Running a small-town police force in the mountains of New Mexico should be a smooth, carefree kind of job. Sadly, full-time Sheriff—and even fuller-time coffee guzzler—Sunshine Vicram, didn't get that memo. All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (or three) and ends with take-out pizza and a glass of chardonnay (or seven). Turns out, that's about as easy as switching to decaf. (What kind of people do that? And who hurt them?) Before she can say iced mocha latte, Sunny's got a bar fight gone bad, a teenage daughter hunting a serial killer and, oh yes, the still unresolved mystery of her own abduction years prior. All evidence points to a local distiller, a dangerous bad boy named Levi Ravinder, but Sun knows he's not the villain of her story. Still, perhaps beneath it all, he possesses the

keys to her disappearance. At the very least, beneath it all, he possesses a serious set of abs. She's seen it. Once. Accidentally. Between policing a town her hunky chief deputy calls four cents short of a nickel, that pesky crush she has on Levi which seems to grow exponentially every day, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to rocket to a whole new level of crazy. Yep, definitely a good day for chardonnay. The Nature of the Beast is a New York Times bestselling Chief Inspector Gamache novel from Louise Penny. Hardly a day goes by when nine year old Laurent Lepage doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. The Cruellest Month - Louise Penny 2008-03-04

The Cruellest Month is the third book in Louise Penny's award winning Three Pines mystery series featuring the

wise and beleaguered Inspector Armand Gamache. "Many mystery buffs have credited Louise Penny with the revival of the type of traditional murder mystery made famous by Agatha Christie ... " -Sarah Weinman Welcome to Three Pines, where the cruelest month is about to deliver on its threat. It's spring in the tiny, forgotten village; buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life. . . . When some villagers decide to celebrate Easter with a séance at the Old Hadley House, they are hoping to rid the town of its evil---until one of their party dies of fright. Was this a natural death, or was the victim somehow helped along? Brilliant, compassionate Chief Inspector Armand Gamache of the Sûreté du Québec is called to investigate, in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem.

Cruellest Month - Ernest Buckler 2013-03-05

Ernest Buckler's literary stature was established by the publication of *The Mountain and the Valley*, which in the author's own lifetime is already entrenched as a Canadian classic. The same remarkable qualities that led to that acclaim are abundantly present in this second novel: the ever-renewing wondering regard for nature; the incomparable portrayal of human relationships; the complex prose with its carefully chosen words expressing in a cluster of meaning the full impact of an idea or situation. Against a deceptively simple background Ernest Buckler weaves a complicated and intricate design. The setting is a country guesthouse in Nova Scotia -- a kind of dream haven for getting away from it all. Not every passing traveler is welcome. The price of

admission is intelligence. So they come, the brilliant, disillusioned ones -- from New York and Connecticut, and from nearer Halifax -- each with his private reason for seeking to escape. It was a dangerous game they played... while the harsh April winds stripped bare their pretensions and the hot sun seared their exposed wounds, inflaming passions they scarcely knew existed, and irrevocably changing their lives... To classify this novel as a work of brilliant analytical insight is to tell only part of the story. Each page vibrates with a liveliness that is both physical and mental; the book sparkles with wit and variety. The Cruellest Month is an unforgettable literary experience. Read it for yourself and see.

A Fine Yellow Dust - Laura Apol 2021-08-01

In late April 2017, Laura Apol's twenty-six-year-old

daughter, Hanna, took her own life. Apol had long believed in the therapeutic possibilities of writing, having conducted workshops on writing-for-healing for more than a decade. Yet after Hanna's death, she had her own therapeutic writing to do, turning her anguish, disbelief, and love into poems that map the first year of loss. This collection is the result of that writing, giving voice to grief as it is lived, moment by moment, memory by memory, event by event. While most writing about loss does so from a distance, Apol chooses instead to write from inside those days and months and seasons, allowing readers to experience alongside the poet the moments, the questions, and the deep longings that shape the first grief-year.

Ruby Tuesday - Mike Harrison 2007-10-31

Startlingly original, these hilariously offbeat storylines blend vivid characters with bleakly comical plots that are both human and uncanny. Each memorable character—including the elderly who take to the streets at night for illegal and cathartic electric scooter racing, a copy editor who suffers brain damage from West Nile virus and is suddenly filled with cannibalistic violence and award-winning minimalist poetry, and Mayor McCheese who visits a sexually repressed British couple in the early 1970s and touches their lives forever—contributes to the collection's unique voice.

The Long Way Home - Louise Penny 2014-08-26

A #1 New York Times Bestseller, Louise Penny's *The Long Way Home* is an intriguing Chief Inspector Gamache Novel. Happily retired in the village of Three Pines, Armand Gamache, former Chief Inspector of Homicide with the Sûreté du Québec, has found a peace he'd only imagined possible. On warm summer mornings he sits on a bench holding a small book, *The Balm in Gilead*, in his large

hands. "There is a balm in Gilead," his neighbor Clara Morrow reads from the dust jacket, "to make the wounded whole." While Gamache doesn't talk about his wounds and his balm, Clara tells him about hers. Peter, her artist husband, has failed to come home. Failed to show up as promised on the first anniversary of their separation. She wants Gamache's help to find him. Having finally found sanctuary, Gamache feels a near revulsion at the thought of leaving Three Pines. "There's power enough in Heaven," he finishes the quote as he contemplates the quiet village, "to cure a sin-sick soul." And then he gets up. And joins her. Together with his former second-in-command, Jean-Guy Beauvoir, and Myrna Landers, they journey deeper and deeper into Québec. And deeper and deeper into the soul of Peter Morrow. A man so desperate to recapture his fame as an artist, he would sell that soul. And may have. The journey takes them further and further from Three Pines, to the very mouth of the great St. Lawrence river. To an area so desolate, so damned, the first mariners called it the land God gave to Cain. And there they discover the terrible damage done by a sin-sick soul.

Welcome to winter in Three Pines, a picturesque village in Quebec, where the villagers are preparing for a traditional country Christmas, and someone is preparing for murder. No one liked CC de Poitiers. Not her quiet husband, not her spineless lover, not her pathetic daughter—and certainly none of the residents of Three Pines. CC de Poitiers managed to alienate everyone, right up until the moment of her death. When Chief Inspector Armand Gamache, of the Sûreté du Québec, is called to investigate, he quickly realizes he's dealing with someone quite extraordinary. CC de Poitiers was electrocuted in the middle of a frozen lake, in front of the entire village, as she watched the annual curling tournament. And yet no one saw anything. Who could have been insane enough to try such a macabre method of murder—or brilliant enough to succeed? With his trademark compassion and courage, Gamache digs beneath the idyllic surface of village life

to find the dangerous secrets long buried there. For a Quebec winter is not only staggeringly beautiful but deadly, and the people of Three Pines know better than to reveal too much of themselves. But other dangers are becoming clear to Gamache. As a bitter wind blows into the village, something even more chilling is coming for Gamache himself.
