My name is Kendall, and I'm living three lives. The first is as a legacy, a card-carrying member of an elite group of witches whose families have attended Primrose Academy for generations. from infiltrating the school. They're anything but legacies, but Bella, Cori and Anya are amazing women, and they're starting to feel like the supportive friends I always secretly wished for. My third life happens late at night, when I sneak out of the castle to meet my boyfriend in the woods. He's got dreamy eyes, copper hair, and an endless capacity to listen to my problems. But it's getting harder and harder to keep up my three separate lives. And things are already getting out of hand by the time I realize I've inadvertently ruined everything. Before I know it, I'm caught in a trap. Now I have nothing to rely on but my wits, and the friends I betrayed, to save me from a fate worse than death. And then I meet Jared. The beautiful, shattered shifter has been imprisoned for years. His body is scarred and his heart is broken, but he's willing to weave it all back together all for me.
