[The Wicked Deep](#) - Shea Ershaw 2019-04-02

A New York Times bestseller. "A wickedly chilling debut." –School Library Journal "Complex and sweetly satisfying." –Booklist "Prepare to be bewitched." –Paula Stokes, author of *Girl Against the Universe* "A story about the redemptive power of love." –Amber Smith, New York Times bestselling author of *The Way I Used to Be* "Eerie and enchanting." –Jessica Spotswood, author of *The Cahill Witch Chronicles* Hocus Pocus and Practical Magic meets the Salem Witch trials in this haunting story about three sisters on a quest for revenge—and how love may be the only thing powerful enough to stop them. Welcome to the cursed town of Sparrow... Where, two centuries ago, three sisters were sentenced to death for witchery. Stones were tied to their ankles and they were drowned in the deep waters surrounding the town. Now, for a brief time each summer, the sisters return, stealing the bodies of three weak-hearted girls so that they may seek their revenge, luring boys into the harbor and pulling them under. Like many locals, seventeen-year-old Penny Talbot has accepted the fate of the town. But this year, on the eve of the sisters' return, a boy named Bo Carter arrives; unaware of the danger he has just stumbled into. Mistrust and lies spread quickly through the salty, rain-soaked streets. The townspeople turn against one another. Penny and Bo suspect each other of hiding secrets. And death comes swiftly to those who cannot resist the call of the sisters. But only Penny sees what others cannot. And she will be forced to choose: save Bo, or save herself.

[The Curse of the Viking Grave](#) - Farley Mowat 2023-01-24
The popular sequel to his award-winning *Lost in the*

Barrens, this is Farley Mowat's suspense-filled story of how Awasin, Jamie and Peetryuk, three adventure-prone boys, stumble upon a cache of Viking relics in an ancient tomb somewhere in the north of Canada. Packed with excitement and with little-known information about the customs of Viking explorers, this story of survival portrays the bond of youthful friendship and the wonders of a virtually unexplored land.

My Father's Son - Farley Mowat 2015-11-11

The follow-up to *And No Birds Sang*, Farley Mowat's memoir *My Father's Son* charts the course of a family relationship in the midst of extreme trial. Taking place during Mowat's years in the Italian Campaign, the memoir is mostly told through original letters between Mowat and his mother, Helen, and his father, Angus, a World War I veteran and librarian. Written between 1943 and 1945, the correspondence depicts the coming of age of a young writer in the midst of war, and presents a sensitive and thoughtful reflection of the chaos and occasional comedy of wartime. First published in 1992, Douglas & McIntyre is pleased to add *My Father's Son* to the Farley Mowat Library series, which includes the other recently re-released titles *Sea of Slaughter*, *People of the Deer*, *A Whale for the Killing*, *And No Birds Sang*, *Born Naked* and *The Snow Walker*.

[And No Birds Sang](#) - Farley Mowat 2012-04-16

Mowat's gripping account of how a young man, excited by the prospect of battle, is transformed into a war-weary veteran.

[Minecraft Novels 3-Book Bundle](#) - Tracey Baptiste 2022-10-18

Explore the world of Minecraft inside and out with this boxed set collecting three official novels: *The Crash*, *The Lost Journals*, and *The End!* *Minecraft: The Crash* When Bianca and her best friend Lonnie are in a terrible accident, she's hospitalized and faced with questions she's not equipped to answer. She chooses instead to try a new virtual reality version of Minecraft that gives her control over a world at the very moment she thought she'd lost it. As she plays, she realizes that Lonnie is somewhere in here too. She encounters Esme and Anton, two kids who are also playing on the hospital server, and teams up with them to play through to the End—and hopefully to find Lonnie and bring him back to reality. *Minecraft: The Lost Journals* Allison and Max must team up to find his missing uncle Nicholas. Using the journal his beloved uncle left behind as a guide, the duo hurtle headlong into a treacherous and unknown landscape called the Nether. There, they meet a strange girl named Freya and her woefully unheroic wolf, Bunny Biter, who agree to help them in their quest. The group must take on dangerous new foes and unravel the cryptic journal to find Nicholas and reunite this fractured family. *Minecraft: The End* For as long as they can remember, the twin endermen Fin and Mo have lived in the mysterious land of the End. They know everything there is to know about their world—or so they think until the strangers from another dimension arrive. The invaders are called humans, and they've come to steal artifacts and slay the ender dragon. Caught off guard, the twins are trapped in the middle of a war between the endermen and the humans, with the future of their home at stake.

Sibir - Farley Mowat 2012-12-18

Here is a Siberia unheard of in the West. Once the most remote place of exile in all of Russia, Mowat describes it as a burgeoning land of opportunity and growth. Granted extraordinary freedom to visit places rarely seen by any westerner since 1917, Farley Mowat and his wife, Claire, travelled more than 29,000 miles over mountains, steppes, taiga and tundra to meet the people who have chosen to make Siberia their home and livelihood. With his classic exuberance and wit, Mowat brings to life a place and a people who share the top of the world with us – their hopes and aspirations, their humour, and their dedication to the dramatic awakening of Sibir, the Sleeping land.

Curse of the Viking Grave - Farley Mowat 1977

The Farfarers - Farley Mowat 1999

In this provocative bestseller, Farley Mowat challenges the conventional notion that the Vikings were the first Europeans to reach northern Canada. Mowat offers instead an unforgettable portrait of the Albans, a race originating from the island now known as Britain. Battered by repeated invasions from their aggressive neighbours -- Celt, Roman and Norse -- the Albans boarded seaworthy, skin-covered boats and fled west. Their search for safety, and for the massive walrus herds on which their survival depended, took them first to Iceland, then to Greenland, and, finally, to the land now known as Newfoundland and Labrador. Skillfully weaving together clues gathered from forty years of research, Mowat presents a fascinating account of a forgotten history. The Farfarers affirms Mowat's status as one of Canada's most powerful chroniclers. "From the Trade Paperback edition.

No Man's River - Farley Mowat 2004

In No Man's River, master storyteller Farley Mowat delivers a gripping account of adventure in the far north, shared with a Metis trapper as the two men travel over a thousand miles by canoe. In the spring of 1947, putting the death and devastation of the Second World War behind him, Farley Mowat joined a scientific expedition to the north, seeking a saner world. In the remote, northern reaches of Manitoba, he encountered the Idthen Eldeliâ€"People of the Caribouâ€"a Dene people still living according to age-old traditions. Travelling still farther north, Mowat met the Ihalmiut, an Inuit people whose lives also revolved around the caribou. His companion, Metis trapper Charles Schweder, provided Mowat with an entree into the ancient cultures of these native peoples, and he came to know their land and ways with an intimacy achieved by few outsiders. Mowat was based at Windy Post with the Schweder clan, which included two Inuit children. The young girl, Kune, also known as Rita, is painted with special vividnessâ€"checking the traplines with the men, riding atop a sled, smoking a tiny pipe. Farley returns to the north two decades later and discovers the tragic fate that awaited her. A rare glimpse into a lost world, No Man's River is both an adventure tale and a heart-rending story of our indifference to the suffering of native and mixed-race peoples, told by one of the best-loved writers in the world.

Children of Ash and Elm - Neil Price 2020-08-25

The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian

imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, *Children of Ash and Elm* tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, *Children of Ash and Elm* is the definitive history of the Vikings and their time.

The Sense of Style - Steven Pinker 2015-09-22

"Pinker has a lot of ideas and sometimes controversial opinions about writing and in this entertaining and instructive book he rethinks the usage guide for the 21st century. Don't blame the internet, he says, good writing has always been hard. It requires imagination, taking pleasure in reading, overcoming the difficult we all have in imagining what it's like to not know something we do know."--Publisher information.

The Dog Who Wouldn't Be - Farley Mowat 2009-08-04

Farley Mowat's best-loved book tells the splendidly entertaining story of his boyhood on the Canadian prairies. Mutt's pedigree was uncertain, but his madness was indisputable. He climbed trees and ladders, rode passenger in an open car wearing goggles and displaying hunting skills that bordered on sheer genius. He was a marvelous dog, worthy of an unusual boy growing up in a raw, untamed wilderness.

When Scotland Was Jewish - Elizabeth Caldwell Hirschman 2015-05-07

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Hervarar Saga Ok Heidreks - Christopher Tolkien 1976-12

The Curse of the Viking Grave - Farley Mowat 2009-01-13

The popular sequel to his award-winning *Lost in the Barrens*, this is Farley Mowat's suspense-filled story of how Awasin, Jamie and Peetryuk, three adventure-prone boys, stumble upon a cache of Viking relics in an ancient tomb somewhere in the north of Canada. Packed with excitement and with little-known information about the customs of Viking explorers, this story of survival portrays the bond of youthful friendship and the wonders of a virtually unexplored land.

Smuggler's Curse - Norman Jorgensen 2016-10-01

Red Read's life takes a surprising – and alarming – turn when his mother sells him to an infamous smuggler plying his trade off the north-west coast of Australia in the closing days of the 19th century. From terrifying encounters with cut-throat pirates to battling the forces of nature in a tropical typhoon, from dining with head-hunting guerrillas to making meals of monkey stew,

Red is in for a hair-raising adventure that may cost him his life.

Walking on the Land - Farley Mowat 2000

No one has written as passionately or as articulately about the Arctic and its people as Farley Mowat. In *Walking on the Land*, he returns to write about the Arctic for the first time in two decades. Using a seminal trip he took through the eastern Arctic as his starting point, Mowat interweaves the stories and the fate of the Barrenground Inuit who were his friends with stunning, lyrical description of the land that was their traditional homeland. With great beauty and terrible anguish, Mowat traces the history of the Barrenground Inuit, revealing how the decimation of the caribou herds in the early part of the century, unleashed a series of famines and epidemics that virtually wiped out their population and left them reliant on a far-away government that understood too little of their needs and circumstances. Through his continued friendship with the survivors, Mowat brings us into the present, showing how the remnant population has survived. No Mowat work is complete without a cast of larger-than-life characters and his trademark marvellous storytelling. *Walking on the Land* is no exception. Old-time Hudson's Bay company men, eccentric priests, wild bush pilots and well-meaning interlopers people the pages, bringing to life one of Canada's most haunted places.

The Brain That Changes Itself - Norman Doidge 2007-03-15

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

The Curse of the Viking Grave - Farley Mowat 2004*

When Awasin, Jamie, and Peetyuk stumble upon a cache of Viking relics in an ancient tomb, they also stumble onto the adventure of their lives. As they gradually learn the secrets of the tomb, they come to understand the wisdom of the ancient Indian ways, and of the powerful force of friendship.

The Student-Athlete and College Recruiting - Rick Wire 1999-10

"The student-athlete and college recruiting" will prepare high school student-athletes academically, physically and mentally for college athletics and will show them ways to compete for a piece of the "Athletic Scholarship Pie." It also gives student-athletes, and their parents, the kind of guidance and direction they so badly need during the recruiting process.

The Curse of the Viking Grave [sound Recording] - Farley Mowat 1993

Mumtaz of the Taj Mahal Paper Dolls - Tom Tierney

2002-01-04

Of Shah Jahan's many wives, the Mogul emperor's favorite was the beautiful Mumtaz Mahal; upon her death, the Shah ordered the construction of the Taj Mahal. The life of the woman who inspired one of the world's most famous structures is recalled by this paper doll collection. Two dolls, one of the emperor and the other of Mumtaz Mahal, are accompanied by 16 costumes, including anklets, bracelets, necklaces, and earrings.

Bay of Spirits - Farley Mowat 2009-01-13

In 1957, Farley Mowat shipped out aboard one of Newfoundland's famous coastal steamers, tramping from outport to outport along the southwest coast. The indomitable spirit of the people and the bleak beauty of the landscape would lure him back again and again over the years. In the process of falling in love with a people and a place, Mowat also met the woman who would be the great love of his life. A stunningly beautiful and talented young artist, Claire Wheeler insouciantly climbed aboard Farley's beloved but jinxed schooner as it lay on the St. Pierre docks, once again in a cradle for repairs, and changed both their lives forever. This is the story of that love affair, of summers spent sailing the Newfoundland coast, and of their decision to start their life together in Burgeo, one of the province's last remaining outports. It is also an unforgettable portrait of the last of the outport people and a way of life that had survived for centuries but was now passing forever. Affectionate, unsentimental, this is a burnished gem from an undiminished talent. I was inside my vessel painting the cabin when I heard the sounds of a scuffle nearby. I poked my head out the companionway in time to see a lithesome young woman swarming up the ladder which leaned against Happy Adventure's flank. Whining expectantly, the shipyard dog was endeavouring to follow this attractive stranger. I could see why. As slim and graceful as a ballet dancer (which, I would later learn, was one of her avocations), she appeared to be wearing a gleaming golden helmet (her own smoothly bobbed head of hair) and was as radiantly lovely as any Saxon goddess. I invited her aboard, while pushing the dog down the ladder. "That's only Blanche," I reassured my visitor. "He won't bite. He's just, uh . . . being friendly." "That's nice to know," she said sweetly. Then she smiled . . . and I was lost. —From *Bay of Spirits*

Cursed Objects - J. W. Ocker 2020-09-15

Beware...this book is cursed! These strange but true stories of the world's most infamous items will appeal to true believers as well as history buffs, horror fans, and anyone who loves a good spine-tingling tale. They're lurking in museums, graveyards, and private homes. Their often tragic and always bizarre stories have inspired countless horror movies, reality TV shows, novels, and campfire tales. They're cursed objects, and all they need to unleash a wave of misfortune is . . . you. Many of these unfortunate items have intersected with some of the most notable events and people in history, leaving death and destruction in their wake. But never before have the true stories of these eerie oddities been compiled into a fascinating and chilling volume. Inside, readers will learn about: • Annabelle the Doll, a Raggedy Ann doll that featured in the horror franchise *The Conjuring* • The Unlucky Mummy, which is rumored to have sunk the Titanic and kick-started World War I • The Dybbuk box, which was sold on eBay and spawned the horror film *The Possession* • The Conjured Chest, which has been blamed for fifteen deaths within a single family • The Ring of Silvianus, a Roman artifact believed to have inspired J. R. R. Tolkien's *The Hobbit* • And many more!

Owls in the Family - Farley Mowat 2009-01-13

Every child needs to have a pet. No one could argue with that. But what happens when your pet is an owl, and your owl is terrorizing the neighbourhood? In Farley Mowat's

exciting children's story, a young boy's pet menagerie – which includes crows, magpies, gophers and a dog – grows out of control with the addition of two cantankerous pet owls. The story of how Wol and Weeps turn the whole town upside down is warm, funny, and bursting with adventure and suspense.

Fool Moon - Jim Butcher 2001-01-01

"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves," (Cinescape) the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. Fool Moon continues the adventures of Jim Butcher's most famous—and infamous—reluctant hero... You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count...

Lost in the Barrens - Farley Mowat 2009-09-01

A Cree Indian boy and a city boy are stranded in the northern wilderness with no food and no hope of rescue after their canoe capsizes. Survival will test every ounce of their ingenuity and resilience.

The Curse of the Viking Grave. Illustrated by Charles Geer - Farley Mowat 1973

Kiki Kallira Conquers a Curse - Sangu Mandanna 2022-05-17

"Indian folklore meets fantasy adventure in this captivating novel . . . An action-packed, evocative portrayal of courage, friendship, and belonging." –Kirkus Reviews on Kiki Kallira Breaks a Kingdom. Fresh off the exciting discovery that her sketches of a beautiful kingdom and band of rebel kids have come to life in another world, Kiki Kallira has an unexpected visitor. One of those rebel kids has come into the real world to ask for her help—again. The river Kaveri, a crucial source of water for Mysore, has suddenly vanished! With no water to grow food or for wildlife to drink, Kiki's kingdom is doomed. Kiki enters her sketchbook once again, and her search for answers reveals the origin of the Kaveri: it's actually a

princess from long ago who was transformed into water by a terrible curse. It's up to Kiki and her friends to restore the river without sacrificing the princess again—easier said than done! And with her mounting anxiety, enemies seeking to stop her, and a city growing weaker by the minute, Kiki's confidence falters. Will she be able to unravel the curse and save her kingdom before it's too late?

Archaeology of Touchstones - Martin Jezek 2018-02-09

Based on 'hard' data obtained from chemical microanalyses of touchstones, this book offers original conclusions regarding the spiritual life of ancient populations

The Black Stallion Adventures - Walter Farley 2016-02-02

Each of these classic tales presents racing stories so exciting, readers will be on the edge of their seats until the last horse crosses the finish line! The adventure set includes The Black Stallion, The Black Stallion Returns, The Black Stallion Revolts, and The Black Stallion's Ghost.

Never Cry Wolf - Farley Mowat 2015-08-04

This international bestseller that changed the way we look at wolves "opens new horizons in understanding animal nature and intelligence" (Newsday). In 1948, Farley Mowat landed in the far north of Manitoba, Canada, a young biologist sent to investigate the region's dwindling population of caribou. Many people thought that the caribou's conspicuous decline had been caused by the tundra's most notorious predator: the wolf. Alone among the howling canine packs, Mowat expected to find the bloodthirsty beasts of popular conception. Instead, over the course of a summer spent observing the powerful animals, Mowat discovered an animal species with a remarkable capacity for loyalty, virtue, and playfulness. Praised for its humor and engrossing narrative, *Never Cry Wolf* describes a group of wolves whose interactions and behaviors seem strikingly similar to our own. Mowat humanizes these animals that have long been demonized, turning the widespread narrative of the "savage wolf" on its head and inspiring many governments to enact protective legislation for the North's most mysterious creature.
